

Gerri E. Boyer, P.E.

Ms. Boyer is the founder, owner, and President of Kaskaskia Engineering Group, LLC (KEG) headquartered in Belleville, Illinois. KEG is a civil engineering and contracting firm specializing in transportation engineering, traffic engineering, geotechnical engineering, structural engineering, environmental science, infrastructure analysis and planning, water resource management, right-of-way acquisition, and general highway construction. Ms. Boyer is a registered professional engineer in the states of Illinois, Iowa, Indiana, Missouri, Minnesota, Michigan, Oklahoma, and Wisconsin.

Ms. Boyer provides leadership and strategic planning to achieve and maintain the company's mission and vision; facilitates organizational growth and professional development of all employees; oversees the day-to-day operations; and ensures the quality of all projects engineered, inspected, and built by KEG.

Ms. Boyer studied Mining Engineering at the University of Missouri at Rolla and received her Bachelor of Science in Civil Engineering from Southern Illinois University at Edwardsville. She also has a Masters of Pastoral Studies from Loyola University at New Orleans. She is an active member of the American Council of Engineering Companies (ACEC), Associated General Contractors of Illinois (AGC), Illinois Association of County Engineers, and Illinois Association of Highway Engineers.

Throughout her career, she has promoted and nourished her community through business relationships, as well as spiritual and religious endeavors. Ms. Boyer is a founding member and investor in the Belleville CEO Program and Civil Chairperson for the Belle-Scott Committee of the Greater Belleville Chamber of Commerce. Ms. Boyer serves as President of the Memorial Hospital Foundation Board, is a member of the Protestant Memorial Medical Center Board, the City of Belleville's Development/Redevelopment Commission, and the executive Board of Catholic Urban Programs. Additionally, she is a certified meditation instructor and leads meditation and spiritual retreats in the St. Louis area.

KEG has been recognized on the list of St. Louis Business Journal's Largest Women-Owned Businesses in the years of 2010-2020. Ms. Boyer received the 2018 Greater Belleville Chamber of Commerce Business Excellence Award, and was recognized as the 2014 Southern Illinois University at Edwardsville Outstanding Civil Engineering Alumna of the Year, 2014 Top Women Business Owner by Small Business Monthly, and one of the 2011 St. Louis Business Journal's top 25 Most Influential Business Women. She has also received the 2011 Faith in the Marketplace Award and the ACEC-Illinois Community Service Award. KEG was also honored as Engineering Firm of the Year by the Illinois Department of Transportation in 2014.
