**Disclosure:** With consideration to the fact that I am testifying on my personal views, I am providing a link to reports that list Brookings's donors, including any responsive Federal grants or contracts (including subgrants and subcontracts), and/or agreements or payments originating with a foreign government for the relevant time period. The reports can be found at [www.brookings.edu/CongressionalTestimonyDisclosure](http://www.brookings.edu/CongressionalTestimonyDisclosure). These Federal and/or foreign grants or payments were for independent research and analysis related to a number of subject matters, including a portion of which may be related to the subject matter of the present hearing. Brookings will update these reports on a regular basis. Out of an abundance of caution I have affirmatively responded to this question, in the event that some of the donors disclosed are responsive to these questions.

Please also note that Brookings may have ongoing agreements with some of the disclosed donors, which could include future payments to Brookings. Upon request, Brookings will provide information regarding ongoing agreements with any donors responsive to this disclosure. Brookings will report any additional payments received under ongoing agreements in subsequent reports.

Finally, additional information on Brookings's donors is provided in the Institution's previous Annual Reports, which can be found at [www.brookings.edu/about-us/annual-report](http://www.brookings.edu/about-us/annual-report).
