SEC. 3. FINDINGS OF GENERAL CONSTITUTIONAL AUTHORITY.

Congress finds that the Constitution of the United States grants explicit and broad authority to protect the right to vote, to regulate elections for Federal office, and to defend the Nation’s democratic process. Congress enacts the “For the People Act of 2021” pursuant to this broad authority, including but not limited to the following:

(1) Congress finds that it has broad authority to regulate the time, place, and manner of congressional elections under the Elections Clause of the Constitution, article I, section 4, clause 1. The Supreme Court has affirmed that the “substantive scope” of the Elections Clause is “broad”; that “Times, Places, and Manner” are “comprehensive words which embrace authority to provide for a complete code for congressional elections”; and “[t]he power of Congress over the Times, Places and Man-
ner of congressional elections is paramount, and may be exercised at any time, and to any extent which it deems expedient; and so far as it is exercised, and no farther, the regulations effected supersede those of the State which are inconsistent therewith”. Arizona v. Inter Tribal Council of Arizona, 570 U.S. 1, 8–9 (2013) (internal quotation marks and citations omitted). Indeed, “Congress has plenary and paramount jurisdiction over the whole subject” of congressional elections, Ex parte Siebold, 100 U.S. (10 Otto) 371, 388 (1879), and this power “may be exercised as and when Congress sees fit”, and “so far as it extends and conflicts with the regulations of the State, necessarily supersedes them”. Id. At 384. Among other things, Congress finds that the Elections Clause was intended to “vindicate the people’s right to equality of representation in the House”. Wesberry v. Sanders, 376 U.S. 1, 16 (1964).

(2) Congress also finds that it has both the authority and responsibility, as the legislative body for the United States, to fulfill the promise of article IV, section 4, of the Constitution, which states: “The United States shall guarantee to every State in this Union a Republican Form of Government[.]”. Congress finds that its authority and responsibility to
enforce the Guarantee Clause is particularly strong
given that Federal courts have not enforced this
clause because they understood that its enforcement
is committed to Congress by the Constitution.

(3)(A) Congress also finds that it has broad au-
thority pursuant to section 5 of the Fourteenth
Amendment to legislate to enforce the provisions of
the Fourteenth Amendment, including its protec-
tions of the right to vote and the democratic process.

(B) Section 1 of the Fourteenth Amendment
protects the fundamental right to vote, which is “of
the most fundamental significance under our con-
stitutional structure”. Ill. Bd. of Election v. Socialist
Workers Party, 440 U.S. 173, 184 (1979); see
United States v. Classic, 313 U.S. 299 (1941) (“Ob-
viously included within the right to choose, secured
by the Constitution, is the right of qualified voters
within a state to cast their ballots and have them
counted . . .”). As the Supreme Court has repeatedly
affirmed, the right to vote is “preservative of all
rights”, Yick Wo v. Hopkins, 118 U.S. 356, 370
(1886). Section 2 of the Fourteenth Amendment
also protects the right to vote, granting Congress
additional authority to reduce a State’s representa-
tion in Congress when the right to vote is denied.
(C) As a result, Congress finds that it has the authority pursuant to section 5 of the Fourteenth Amendment to protect the right to vote. Congress also finds that States and localities have eroded access to the right to vote through restrictions on the right to vote including excessively onerous voter identification requirements, burdensome voter registration procedures, voter purges, limited and unequal access to voting by mail, polling place closures, unequal distribution of election resources, and other impediments.

(D) Congress also finds that “the right of suffrage can be denied by a debasement or dilution of the weight of a citizen’s vote just as effectively as by wholly prohibiting the free exercise of the franchise”. Reynolds v. Sims, 377 U.S. 533, 555 (1964). Congress finds that the right of suffrage has been so diluted and debased by means of gerrymandering of districts. Congress finds that it has authority pursuant to section 5 of the Fourteenth Amendment to remedy this debasement.

(4)(A) Congress also finds that it has authority to legislate to eliminate racial discrimination in voting and the democratic process pursuant to both section 5 of the Fourteenth Amendment, which grants
equal protection of the laws, and section 2 of the
Fifteenth Amendment, which explicitly bars denial
or abridgment of the right to vote on account of
race, color, or previous condition of servitude.

(B) Congress finds that racial discrimination in
access to voting and the political process persists.
Voting restrictions, redistricting, and other electoral
practices and processes continue to disproportion-
ately impact communities of color in the United
States and do so as a result of both intentional ra-
cial discrimination, structural racism, and the ongo-
ing structural socioeconomic effects of historical ra-
cial discrimination.

(C) Recent elections and studies have shown
that minority communities wait longer in lines to
vote, are more likely to have their mail ballots re-
jected, continue to face intimidation at the polls, are
more likely to be disenfranchised by voter purges,
and are disproportionately burdened by voter identi-
fication and other voter restrictions. Research shows
that communities of color are more likely to face
nearly every barrier to voting than their white coun-
terparts.

(D) Congress finds that racial disparities in dis-
enfranchisement due to past felony convictions is
particularly stark. In 2020, according to the Sentencing Project, an estimated 5,200,000 Americans could not vote due to a felony conviction. One in 16 African Americans of voting age is disenfranchised, a rate 3.7 times greater than that of non-African Americans. In seven States—Alabama, Florida, Kentucky, Mississippi, Tennessee, Virginia, and Wyoming—more than one in seven African Americans is disenfranchised, twice the national average for African Americans. Congress finds that felony disenfranchisement was one of the tools of intentional racial discrimination during the Jim Crow era. Congress further finds that current racial disparities in felony disenfranchisement are linked to this history of voter suppression, structural racism in the criminal justice system, and ongoing effects of historical discrimination.

(5)(A) Congress finds that it further has the power to protect the right to vote from denial or abridgment on account of sex, age, or ability to pay a poll tax or other tax pursuant to the Nineteenth, Twenty-Fourth, and Twenty-Sixth Amendments.

(B) Congress finds that electoral practices including voting rights restoration conditions for people with convictions, voter identification require-
ments, and other restrictions to the franchise burden voters on account of their ability to pay.

(C) Congress further finds that electoral practices including voting restrictions related to college campuses, age restrictions on mail voting, and similar practices burden the right to vote on account of age.

SEC. 4. STANDARDS FOR JUDICIAL REVIEW.

(a) In General.—If any action is brought for declaratory or injunctive relief to challenge, whether facially or as-applied, the constitutionality of any provision of this Act or any amendment made by this Act or any rule or regulation promulgated under this Act, the following rules shall apply:

To avoid duplication of efforts and reduce the burdens placed on the parties to the action, the court in any such action may make such orders as it considers necessary, including orders to require interveners taking similar positions to file joint papers or to be represented by a single attorney at oral argument.

SEC. 1011. SHORT TITLE; FINDINGS AND PURPOSE.

(a) Short Title.—This part may be cited as the “Automatic Voter Registration Act of 2021”.

(b) Findings and Purpose.—

(A) the right to vote is a fundamental right of citizens of the United States;

(B) it is the responsibility of the State and Federal Governments to ensure that every eligible citizen is registered to vote;

(C) existing voter registration systems can be inaccurate, costly, inaccessible and confusing, with damaging effects on voter participation in elections for Federal office and disproportionate impacts on young people, persons with disabilities, and racial and ethnic minorities; and

(D) voter registration systems must be updated with 21st Century technologies and procedures to maintain their security.

(2) Purpose.—It is the purpose of this part—
(A) to establish that it is the responsibility of government at every level to ensure that all eligible citizens are registered to vote in elections for Federal office;

(B) to enable the State and Federal Governments to register all eligible citizens to vote with accurate, cost-efficient, and up-to-date procedures;

(C) to modernize voter registration and list maintenance procedures with electronic and internet capabilities; and

(D) to protect and enhance the integrity, accuracy, efficiency, and accessibility of the electoral process for all eligible citizens.

SEC. 1012. AUTOMATIC REGISTRATION OF ELIGIBLE INDIVIDUALS.

(a) REQUIRING STATES TO ESTABLISH AND OPERATE AUTOMATIC REGISTRATION SYSTEM.—

(1) IN GENERAL.—The chief State election official of each State shall establish and operate a system of automatic registration for the registration of eligible individuals to vote for elections for Federal office in the State, in accordance with the provisions of this part.
(2) DEFINITION.—The term “automatic registration” means a system that registers an individual to vote in elections for Federal office in a State, if eligible, by electronically transferring the information necessary for registration from government agencies to election officials of the State so that, unless the individual affirmatively declines to be registered, the individual will be registered to vote in such elections.

(b) REGISTRATION OF VOTERS BASED ON NEW AGENCY RECORDS.—The chief State election official shall—

(1) not later than 15 days after a contributing agency has transmitted information with respect to an individual pursuant to section 1013, ensure that the individual is registered to vote in elections for Federal office in the State if the individual is eligible to be registered to vote in such elections; and

(2) not later than 120 days after a contributing agency has transmitted such information with respect to the individual, send written notice to the individual, in addition to other means of notice established by this part, of the individual’s voter registration status.
(c) One-Time Registration of Voters Based on Existing Contributing Agency Records.—The chief State election official shall—

(1) identify all individuals whose information is transmitted by a contributing agency pursuant to section 1014 and who are eligible to be, but are not currently, registered to vote in that State;

(2) promptly send each such individual written notice, in addition to other means of notice established by this part, which shall not identify the contributing agency that transmitted the information but shall include—

(A) an explanation that voter registration is voluntary, but if the individual does not decline registration, the individual will be registered to vote;

(B) a statement offering the opportunity to decline voter registration through means consistent with the requirements of this part;

(C) in the case of a State in which affiliation or enrollment with a political party is required in order to participate in an election to select the party’s candidate in an election for Federal office, a statement offering the individual the opportunity to affiliate or enroll with
a political party or to decline to affiliate or enroll with a political party, through means consistent with the requirements of this part;

(D) the substantive qualifications of an elector in the State as listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration Act of 1993, the consequences of false registration, and a statement that the individual should decline to register if the individual does not meet all those qualifications;

(E) instructions for correcting any erroneous information; and

(F) instructions for providing any additional information which is listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration Act of 1993;

(3) ensure that each such individual who is eligible to register to vote in elections for Federal office in the State is promptly registered to vote not later than 45 days after the official sends the individual the written notice under paragraph (2), un-
less, during the 30-day period which begins on the
date the election official sends the individual such
written notice, the individual declines registration in
writing, through a communication made over the
internet, or by an officially logged telephone commu-
nication; and

(4) send written notice to each such individual,
in addition to other means of notice established by
this part, of the individual’s voter registration sta-
tus.

(d) TREATMENT OF INDIVIDUALS UNDER 18 YEARS
OF AGE.—A State may not refuse to treat an individual
as an eligible individual for purposes of this part on the
grounds that the individual is less than 18 years of age
at the time a contributing agency receives information
with respect to the individual, so long as the individual
is at least 16 years of age at such time. Nothing in the
previous sentence may be construed to require a State to
permit an individual who is under 18 years of age at the
time of an election for Federal office to vote in the elec-
tion.

(e) CONTRIBUTING AGENCY DEFINED.—In this part,
the term “contributing agency” means, with respect to a
State, an agency listed in section 1013(e).
SEC. 1013. CONTRIBUTING AGENCY ASSISTANCE IN REGISTRATION.

(a) In General.—In accordance with this part, each contributing agency in a State shall assist the State’s chief election official in registering to vote all eligible individuals served by that agency.

(b) Requirements for Contributing Agencies.—

(1) Instructions on Automatic Registration.—With each application for service or assistance, and with each related recertification, renewal, or change of address, or, in the case of an institution of higher education, with each registration of a student for enrollment in a course of study, each contributing agency that (in the normal course of its operations) requests individuals to affirm United States citizenship (either directly or as part of the overall application for service or assistance) shall inform each such individual who is a citizen of the United States of the following:

(A) Unless that individual declines to register to vote, or is found ineligible to vote, the individual will be registered to vote or, if applicable, the individual’s registration will be updated.
(B) The substantive qualifications of an elector in the State as listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration Act of 1993, the consequences of false registration, and the individual should decline to register if the individual does not meet all those qualifications.

(C) In the case of a State in which affiliation or enrollment with a political party is required in order to participate in an election to select the party’s candidate in an election for Federal office, the requirement that the individual must affiliate or enroll with a political party in order to participate in such an election.

(2) Opportunity to decline registration required.—Each contributing agency shall ensure that each application for service or assistance, and each related recertification, renewal, or change of address, or, in the case of an institution of higher
education, each registration of a student for enroll-
ment in a course of study, cannot be completed until
the individual is given the opportunity to decline to
be registered to vote.

(3) INFORMATION TRANSMITTAL.—Upon the
expiration of the 30-day period which begins on the
date the contributing agency informs the individual
of the information described in paragraph (1), each
contributing agency shall electronically transmit to
the appropriate State election official, in a format
compatible with the statewide voter database main-
tained under section 303 of the Help America Vote
Act of 2002 (52 U.S.C. 21083), the following infor-

(H) Any additional information listed in the mail voter registration application form for elections for Federal office prescribed pursuant to section 9 of the National Voter Registration Act of 1993, including any valid driver’s license number or the last 4 digits of the individual’s social security number, if the individual provided such information.

(e) ALTERNATE PROCEDURE FOR CERTAIN CONTRIBUTING AGENCIES.—With each application for service or assistance, and with each related recertification, renewal, or change of address, any contributing agency that in the normal course of its operations does not request individuals applying for service or assistance to affirm United States citizenship (either directly or as part of the overall application for service or assistance) shall—

(1) complete the requirements of section 7(a)(6) of the National Voter Registration Act of 1993 (52 U.S.C. 20506(a)(6));
(2) ensure that each applicant’s transaction with the agency cannot be completed until the applicant has indicated whether the applicant wishes to register to vote or declines to register to vote in elections for Federal office held in the State; and

(3) for each individual who wishes to register to vote, transmit that individual’s information in accordance with subsection (b)(3).

(d) Required Availability of Automatic Registration Opportunity With Each Application for Service or Assistance.—Each contributing agency shall offer each individual, with each application for service or assistance, and with each related recertification, renewal, or change of address, or in the case of an institution of higher education, with each registration of a student for enrollment in a course of study, the opportunity to register to vote as prescribed by this section without regard to whether the individual previously declined a registration opportunity.

(D) Any other agency of the Federal Government which the State designates as a contributing agency, but only if the State and the head of the agency determine that the agency collects information sufficient to carry out the responsibilities of a contributing agency under this section.

(3) SPECIAL RULE FOR INSTITUTIONS OF HIGHER EDUCATION.—

(A) SPECIAL RULE.—For purposes of this part, each institution of higher education described in subparagraph (B) shall be treated as
a contributing agency in the State in which it
is located, except that—

(i) the institution shall be treated as
a contributing agency only if, in its normal

Subtitle E—Democracy Restoration

SEC. 1401. SHORT TITLE.

This subtitle may be cited as the “Democracy Restoration Act of 2021”.

SEC. 1402. FINDINGS.

Congress makes the following findings:

(1) The right to vote is the most basic constitutive act of citizenship. Regaining the right to vote reintegrates individuals with criminal convictions into free society, helping to enhance public safety.

(2) Article I, section 4, of the Constitution grants Congress ultimate supervisory power over Federal elections, an authority which has repeatedly been upheld by the Supreme Court.

(3) Basic constitutional principles of fairness and equal protection require an equal opportunity for citizens of the United States to vote in Federal elections. The right to vote may not be abridged or
denied by the United States or by any State on account of race, color, gender, or previous condition of servitude. The 13th, 14th, 15th, 19th, 24th, and 26th Amendments to the Constitution empower Congress to enact measures to protect the right to vote in Federal elections. The 8th Amendment to the Constitution provides for no excessive bail to be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

(4) There are 3 areas in which discrepancies in State laws regarding criminal convictions lead to unfairness in Federal elections:

   (A) The lack of a uniform standard for voting in Federal elections leads to an unfair disparity and unequal participation in Federal elections based solely on where a person lives.

   (B) Laws governing the restoration of voting rights after a criminal conviction vary throughout the country, and persons in some States can easily regain their voting rights while in other States persons effectively lose their right to vote permanently.

   (C) State disenfranchisement laws disproportionately impact racial and ethnic minorities.
(5) Two States (Maine and Vermont), the District of Columbia, and the Commonwealth of Puerto Rico do not disenfranchise individuals with criminal convictions at all, but 48 States have laws that deny convicted individuals the right to vote while they are in prison.

(6) In some States disenfranchisement results from varying State laws that restrict voting while individuals are under the supervision of the criminal justice system or after they have completed a criminal sentence. In 30 States, convicted individuals may not vote while they are on parole and 27 States disenfranchise individuals on felony probation as well. In 11 States, a conviction can result in lifetime disenfranchisement.

(7) Several States deny the right to vote to individuals convicted of certain misdemeanors.

(8) An estimated 5,200,000 citizens of the United States, or about 1 in 44 adults in the United States, currently cannot vote as a result of a felony conviction. Of the 5,200,000 citizens barred from voting, only 24 percent are in prison. By contrast, 75 percent of the disenfranchised reside in their communities while on probation or parole or after having completed their sentences. Approximately
2,200,000 citizens who have completed their sentences remain disenfranchised due to restrictive State laws. In at least 6 States—Alabama, Florida, Kentucky, Mississippi, Tennessee, and Virginia—more than 5 percent of the total voting-age population is disenfranchised.

(9) In those States that disenfranchise individuals post-sentence, the right to vote can be regained in theory, but in practice this possibility is often granted in a non-uniform and potentially discriminatory manner. Disenfranchised individuals must either obtain a pardon or an order from the Governor or an action by the parole or pardon board, depending on the offense and State. Individuals convicted of a Federal offense often have additional barriers to regaining voting rights.

(10) State disenfranchisement laws disproportionately impact racial and ethnic minorities. More than 6 percent of the African-American voting-age population, or 1,800,000 African Americans, are disenfranchised. Currently, 1 of every 16 voting-age African Americans are rendered unable to vote because of felony disenfranchisement, which is a rate more than 3.7 times greater than non-African Americans. Over 6 percent of African-American adults are
disenfranchised whereas only 1.7 percent of non-African Americans are. In 7 States (Alabama, 16 percent; Florida, 15 percent; Kentucky, 15 percent; Mississippi, 16 percent; Tennessee, 21 percent; Virginia, 16 percent; and Wyoming, 36 percent), more than 1 in 7 African Americans are unable to vote because of prior convictions, twice the national average for African Americans.

(11) Latino citizens are disproportionately disenfranchised based upon their disproportionate representation in the criminal justice system. In recent years, Latinos have been imprisoned at 2.5 times the rate of Whites. More than 2 percent of the voting-age Latino population, or 560,000 Latinos, are disenfranchised due to a felony conviction. In 34 states Latinos are disenfranchised at a higher rate than the general population. In 11 states 4 percent or more of Latino adults are disenfranchised due to a felony conviction (Alabama, 4 percent; Arizona, 7 percent; Arkansas, 4 percent; Idaho, 4 percent; Iowa, 4 percent; Kentucky, 6 percent; Minnesota, 4 percent; Mississippi, 5 percent; Nebraska, 6 percent; Tennessee, 11 percent, Wyoming, 4 percent), twice the national average for Latinos.
(12) Disenfranchising citizens who have been convicted of a criminal offense and who are living and working in the community serves no compelling State interest and hinders their rehabilitation and reintegration into society.

(13) State disenfranchisement laws can suppress electoral participation among eligible voters by discouraging voting among family and community members of disenfranchised persons. Future electoral participation by the children of disenfranchised parents may be impacted as well.

“(3) Application for all future elections.—At the option of an individual, a State shall treat the individual’s application to vote by absentee ballot by mail in an election for Federal office as an application for an absentee ballot by mail in all subsequent Federal elections held in the State.

“(A) IN GENERAL.—A State may not impose a signature verification requirement as a condition of accepting and counting an absentee ballot submitted by any individual with respect to an election for Federal office unless the State meets the due process requirements described in paragraph (2).

“(2) DUE PROCESS REQUIREMENTS.—

“(A) NOTICE AND OPPORTUNITY TO CURE DISCREPANCY IN SIGNATURES.—If an individual submits an absentee ballot and the appropriate State or local election official determines that a discrepancy exists between the signature on such ballot and the signature of such individual on the official list of registered voters.

used by the State to verify the signatures of

voters, such election official, prior to making a

final determination as to the validity of such

ballot, shall—

“(i) make a good faith effort to imme-

phone, and (if available) text message and
electronic mail that—

methods.

“(B) NOTICE AND OPPORTUNITY TO CURE
MISSING SIGNATURE OR OTHER DEFECT.—If an
individual submits an absentee ballot without a

of the ballot, shall—

“(i) make a good faith effort to imme-
diately notify the individual by mail, tele-
phone, and (if available) text message and
electronic mail that—

“(I) the ballot did not include a
signature or has some other defect,
and

provide the missing signature or cure
the other defect prior to the expira-

on the date the official notifies the in-
individual that the ballot did not include
a signature or has some other defect,
such ballot will not be counted; and
  “(ii) count the ballot if, prior to the expiration of the 10-day period described in clause (i)(II), the individual provides the official with the missing signature on a form proscribed by the State or cures the other defect.

This subparagraph does not apply with respect to a defect consisting of the failure of a ballot to meet the applicable deadline for the acceptance of the ballot, as described in subsection (e).

“(C) OTHER REQUIREMENTS.—An election official may not make a determination that a discrepancy exists between the signature on an absentee ballot and the signature of the individual who submits the ballot on the official list of registered voters in the State or other official record or other document used by the State to verify the signatures of voters unless—

“(e) Uniform Deadline for Acceptance of
Mailed Ballots.—

“(1) In general.—A State may not refuse to

Subtitle A—Findings Reaffirming Commitment of Congress to Restore the Voting Rights Act

SEC. 2001. FINDINGS REAFFIRMING COMMITMENT OF CONGRESS TO RESTORE THE VOTING RIGHTS ACT.

Congress finds the following:

(1) The right to vote for all Americans is sacrosanct and rules for voting and election administration should protect the right to vote and promote voter participation.

(2) The Voting Rights Act has empowered the Department of Justice and Federal courts for nearly a half a century to block discriminatory voting practices before their implementation in States and localities with the most troubling histories and ongoing records of racial discrimination.

(3) There continues to be an alarming movement to erect barriers to make it more difficult for Americans to participate in our Nation’s democratic process. The Nation has witnessed unprecedented efforts to turn back the clock and erect barriers to voting for communities of color which have faced historic and continuing discrimination, as well as disabled, young, elderly, and low-income Americans.
(4) The Supreme Court’s 2013 Shelby County v. Holder decision gutted decades-long Federal protections for communities of color that face historic and continuing discrimination, emboldening States and local jurisdictions to pass voter suppression laws and implement procedures, such as those requiring photo identification, limiting early voting hours, eliminating same-day registration, purging voters from the rolls, and reducing the number of polling places. Congress is committed to reversing the devastating impact of this decision.

(5) Racial discrimination in voting is a clear and persistent problem. The actions of States and localities around the country post-Shelby County, including at least 10 findings by Federal courts of intentional discrimination, underscore the need for Congress to conduct investigatory and evidentiary hearings to determine the legislation necessary to restore the Voting Rights Act and combat continuing efforts in America that suppress the free exercise of the franchise in communities of color.

(6) The 2018 midterm and 2020 general elections provide further evidence that systemic voter discrimination and intimidation continues to occur in communities of color across the country, making it
clear that democracy reform cannot be achieved
until Congress restores key provisions of the Voting
Rights Act.

(7) Congress must remain vigilant in protecting
every eligible citizen’s right to vote. Congress should
respond by modernizing the electoral system to—

(A) improve access to the ballot;

(B) enhance the integrity and security of
our voting systems;

(C) ensure greater accountability for the
administration of elections;

(D) restore protections for voters against
practices in States and localities plagued by the
persistence of voter disenfranchisement; and

(E) ensure that Federal civil rights laws
protect the rights of voters against discrimina-
tory and deceptive practices.

Subtitle B—Findings Relating to
Native American Voting Rights

SEC. 2101. FINDINGS RELATING TO NATIVE AMERICAN VOT-
ING RIGHTS.

Congress finds the following:

(1) The right to vote for all Americans is sa-
cred. Congress must fulfill the Federal Government’s
trust responsibility to protect and promote Native
Americans' exercise of their fundamental right to vote, including equal access to voter registration voting mechanisms and locations, and the ability to serve as election officials.

(2) The Native American Voting Rights Coalition’s four-State survey of voter discrimination (2016) and nine field hearings in Indian Country (2017–2018) revealed obstacles that Native Americans must overcome, including a lack of accessible and proximate registration and polling sites, non-traditional addresses for residents on Indian reservations, inadequate language assistance for Tribal members, and voter identification laws that discriminate against Native Americans. The Department of Justice and courts have recognized that some jurisdictions have been unresponsive to reasonable requests from federally recognized Indian Tribes for more accessible and proximate voter registration sites and in-person voting locations.

(3) The 2018 midterm and 2020 general elections provide further evidence that systemic voter discrimination and intimidation continues to occur in communities of color and Tribal lands across the country, making it clear that democracy reform cannot be achieved until Congress restores key provi-
visions of the Voting Rights Act and passes additional protections.

(4) Congress has broad, plenary authority to enact legislation to safeguard the voting rights of Native American voters.

(5) Congress must conduct investigatory and evidentiary hearings to determine the necessary legislation to restore the Voting Rights Act and combat continuous efforts that suppress the voter franchise within Tribal lands, to include, but not to be limited to, the Native American Voting Rights Act (NAVRA) and the Voting Rights Advancement Act (VRAA).

Subtitle C—Findings Relating to District of Columbia Statehood

SEC. 2201. FINDINGS RELATING TO DISTRICT OF COLUMBIA STATEHOOD.

Congress finds the following:

(1) The 705,000 District of Columbia residents deserve voting representation in Congress and local self-government, which only statehood can provide.

(2) The United States is the only democratic country that denies both voting representation in the national legislature and local self-government to the residents of its Nation’s capital.
(3) There are no constitutional, historical, fiscal, or economic reasons why the Americans who live in the District of Columbia should not be granted statehood.

(4) Since the founding of the United States, the residents of the District of Columbia have always carried all of the obligations of citizenship, including serving in all of the Nation’s wars and paying Federal taxes, but have been denied voting representation in Congress and freedom from congressional interference in purely local matters.

(5) The District of Columbia pays more Federal taxes per capita than any State and more Federal taxes than 22 States.

(6) The District of Columbia has a larger population than 2 States (Wyoming and Vermont), and 6 States have a population under one million.

(7) The District of Columbia has a larger budget than 12 States.

(8) The Constitution of the United States gives Congress the authority to admit new States (clause 1, section 3, article IV) and reduce the size of the seat of the Government of the United States (clause 17, section 8, article I). All 37 new States have been admitted by an Act of Congress, and Congress has
previously reduced the size of the seat of the Government of the United States.

(9) On June 26, 2020, by a vote of 232–180, the House of Representatives passed H.R. 51, the Washington, D.C. Admission Act, which would have admitted the State of Washington, Douglass Commonwealth from the residential portions of the District of Columbia and reduced the size of the seat of the Government of the United States to the United States Capitol, the White House, the United States Supreme Court, the National Mall, and the principal Federal monuments and buildings.

Subtitle D—Territorial Voting Rights

SEC. 2301. FINDINGS RELATING TO TERRITORIAL VOTING RIGHTS.

Congress finds the following:

(1) The right to vote is one of the most powerful instruments residents of the territories of the United States have to ensure that their voices are heard.

(2) These Americans have played an important part in the American democracy for more than 120 years.
(3) Political participation and the right to vote are among the highest concerns of territorial residents in part because they were not always afforded these rights.

(4) Voter participation in the territories consistently ranks higher than many communities on the mainland.

(5) Territorial residents serve and die, on a per capita basis, at a higher rate in every United States war and conflict since WWI, as an expression of their commitment to American democratic principles and patriotism.

SEC. 2302. CONGRESSIONAL TASK FORCE ON VOTING RIGHTS OF UNITED STATES CITIZEN RESIDENTS OF TERRITORIES OF THE UNITED STATES.

(a) Establishment.—There is established within the legislative branch a Congressional Task Force on Voting Rights of United States Citizen Residents of Territories of the United States (in this section referred to as the “Task Force”).

coordination with the ranking minority member of
the Committee on the Judiciary of the Senate.

shall be filled in the same manner as the original appoint-

and September 30, 2021, the Task Force shall provide a

and

(2) a discussion on matters that the chairman
of the Task Force deems urgent for consideration by
Congress.
(g) REPORT.—Not later than December 31, 2021, the Task Force shall issue a report of its findings to the House of Representatives and the Senate regarding—

(1) the economic and societal consequences (through statistical data and other metrics) that come with political disenfranchisement of United States citizens in territories of the United States;

(2) impediments to full and equal voting rights for United States citizens who are residents of territories of the United States in Federal elections, including the election of the President and Vice President of the United States;

(3) impediments to full and equal voting representation in the House of Representatives for United States citizens who are residents of territories of the United States;

(4) recommended changes that, if adopted, would allow for full and equal voting rights for United States citizens who are residents of territories of the United States in Federal elections, including the election of the President and Vice President of the United States;

(5) recommended changes that, if adopted, would allow for full and equal voting representation in the House of Representatives for United States
citizens who are residents of territories of the United States; and

(6) additional information the Task Force deems appropriate.

(h) CONSENSUS VIEWS.—To the greatest extent practicable, the report issued under subsection (g) shall reflect the shared views of all 12 Members, except that the report may contain dissenting views.

(l) TERMINATION.—The Task Force shall terminate upon issuing the report required under subsection (g).
Subtitle E—Redistricting Reform

SEC. 2400. SHORT TITLE; FINDING OF CONSTITUTIONAL AUTHORITY.

(a) SHORT TITLE.—This subtitle may be cited as the “Redistricting Reform Act of 2021”.

(b) FINDING OF CONSTITUTIONAL AUTHORITY.—Congress finds that it has the authority to establish the terms and conditions States must follow in carrying out congressional redistricting after an apportionment of Members of the House of Representatives because—

(1) the authority granted to Congress under article I, section 4 of the Constitution of the United States gives Congress the power to enact laws governing the time, place, and manner of elections for Members of the House of Representatives; and

(2) the authority granted to Congress under section 5 of the fourteenth amendment to the Constitution gives Congress the power to enact laws to enforce section 2 of such amendment, which requires Representatives to be apportioned among the several States according to their number.
PART 1—REQUIREMENTS FOR CONGRESSIONAL REDISTRICTING

SEC. 2401. REQUIRING CONGRESSIONAL REDISTRICTING TO BE CONDUCTED THROUGH PLAN OF INDEPENDENT STATE COMMISSION.

(a) Use of Plan Required.—Notwithstanding any other provision of law, and except as provided in subsection (c) and subsection (d), any congressional redistricting conducted by a State shall be conducted in accordance with—

(1) the redistricting plan developed and enacted into law by the independent redistricting commission established in the State, in accordance with part 2; or

(2) if a plan developed by such commission is not enacted into law, the redistricting plan developed and enacted into law by a 3-judge court, in accordance with section 2421.

(b) Conforming Amendment.—Section 22(e) of the Act entitled “An Act to provide for the fifteenth and subsequent decennial censuses and to provide for an apportionment of Representatives in Congress”, approved June 18, 1929 (2 U.S.C. 2a(e)), is amended by striking “in the manner provided by the law thereof” and inserting: “in the manner provided by the Redistricting Reform Act of 2021”.

•HR 1 IH
(c) Special Rule for Existing Commissions.—

Subsection (a) does not apply to any State in which, under law in effect continuously on and after the date of the enactment of this Act, congressional redistricting is carried out in accordance with a plan developed and approved by an independent redistricting commission which is in compliance with each of the following requirements:

(1) Publicly Available Application Process.—Membership on the commission is open to citizens of the State through a publicly available application process.

(2) Disqualifications for Government Service and Political Appointment.—Individuals who, for a covered period of time as established by the State, hold or have held public office, individuals who are or have been candidates for elected public office, and individuals who serve or have served as an officer, employee, or paid consultant of a campaign committee of a candidate for public office are disqualified from serving on the commission.

(3) Screening for Conflicts.—Individuals who apply to serve on the commission are screened through a process that excludes persons with conflicts of interest from the pool of potential commissioners.
(4) **Multi-partisan Composition.**—Membership on the commission represents those who are affiliated with the two political parties whose candidates received the most votes in the most recent statewide election for Federal office held in the State, as well as those who are unaffiliated with any party or who are affiliated with political parties other than the two political parties whose candidates received the most votes in the most recent statewide election for Federal office held in the State.

(5) **Criteria for Redistricting.**—Members of the commission are required to meet certain criteria in the map drawing process, including minimizing the division of communities of interest and a ban on drawing maps to favor a political party.

(6) **Public Input.**—Public hearings are held and comments from the public are accepted before a final map is approved.

(7) **Broad-based Support for Approval of Final Plan.**—The approval of the final redistricting plan requires a majority vote of the members of the commission, including the support of at least one member of each of the following:

(A) Members who are affiliated with the political party whose candidate received the
most votes in the most recent statewide election
for Federal office held in the State.

(B) Members who are affiliated with the
political party whose candidate received the sec-
cond most votes in the most recent statewide
election for Federal office held in the State.

(C) Members who not affiliated with any
political party or who are affiliated with polit-
ical parties other than the political parties de-
scribed in subparagraphs (A) and (B).

(d) TREATMENT OF STATE OF IOWA.—Subsection (a)
does not apply to the State of Iowa, so long as congres-
sional redistricting in such State is carried out in accord-
ance with a plan developed by the Iowa Legislative Serv-
ices Agency with the assistance of a Temporary Redis-
tricting Advisory Commission, under law which was in ef-
f ect for the most recent congressional redistricting carried
out in the State prior to the date of the enactment of this
Act and which remains in effect continuously on and after
the date of the enactment of this Act.

SEC. 2402. BAN ON MID-DECADE REDISTRICTING.

A State that has been redistricted in accordance with
this subtitle and a State described in section 2401(c) or
section 2401(d) may not be redistricted again until after
the next apportionment of Representatives under section
22(a) of the Act entitled “An Act to provide for the fifteenth and subsequent decennial censuses and to provide for an apportionment of Representatives in Congress”, approved June 18, 1929 (2 U.S.C. 2a), unless a court requires the State to conduct such subsequent redistricting to comply with the Constitution of the United States, the Voting Rights Act of 1965 (52 U.S.C. 10301 et seq.), the Constitution of the State, or the terms or conditions of this subtitle.

PART 2—INDEPENDENT REDISTRICTING COMMISSIONS

SEC. 2411. INDEPENDENT REDISTRICTING COMMISSION.

(A) AFFIRMATIVE VOTE OF AT LEAST 4 MEMBERS.—The appointment of any of the 9 members of the independent redistricting commission who are appointed by the first members of the commission pursuant to subparagraph (B) of paragraph (1), as well as the designation of alternates for such members pursuant to subparagraph (B) of paragraph (3) and the appointment of alternates to fill vacancies pursuant to subparagraph (B) of paragraph (4), shall require the affirmative vote of at least 4 of the members appointed by the nonpartisan agency under subparagraph (A) of paragraph (1), including at least one member from each of the categories referred to in such subparagraph.

(B) ENSURING DIVERSITY.—In appointing the 9 members pursuant to subparagraph (B)
of paragraph (1), as well as in designating al-

graph (3) and in appointing alternates to fill
vacancies pursuant to subparagraph (B) of
paragraph (4), the first members of the inde-
pendent redistricting commission shall ensure
that the membership is representative of the de-
mographic groups (including racial, ethnic, eco-
nomic, and gender) and geographic regions of
the State, and provides racial, ethnic, and lan-

Rights Act of 1965 with a meaningful oppor-
tunity to participate in the development of the
State’s redistricting plan.

(3) Designation of Alternates to Serve
in Case of Vacancies.—

(A) Members Appointed by Agency.—

At the time the agency appoints the members

(A) Members appointed by agency.—If a vacancy occurs in the commission with respect to a member who was appointed by the nonpartisan agency under subparagraph (A) of paragraph (1) from one of the categories referred to in such subparagraph, the agency shall fill the vacancy by appointing, on a random basis, one of the 2 alternates from such category who was designated under subpara-
graph (A) of paragraph (3). At the time the agency appoints an alternate to fill a vacancy under the previous sentence, the agency shall designate, on a random basis, another individual from the same category to serve as an alternate member, in accordance with subparagraph (A) of paragraph (3).

(B) MEMBERS APPOINTED BY FIRST MEMBERS.—If a vacancy occurs in the commission with respect to a member who was appointed by the first members of the commission under subparagraph (B) of paragraph (1) from one of the categories referred to in such subparagraph, the first members shall, in accordance with the special rules described in paragraph (2), fill the vacancy by appointing one of the 2 alternates from such category who was designated under subparagraph (B) of paragraph (3). At the time the first members appoint an alternate to fill a vacancy under the previous sentence, the first members shall, in accordance with the special rules described in paragraph (2), designate another individual from the same category to serve as an alternate member, in accordance with subparagraph (B) of paragraph (3).
(5) **REMOVAL.**—A member of the independent redistricting commission may be removed by a majority vote of the remaining members of the commission if it is shown by a preponderance of the evidence that the member is not eligible to serve on the commission under section 2412(a).

(b) **PROCEDURES FOR CONDUCTING COMMISSION BUSINESS.**—

(1) **CHAIR.**—Members of an independent redistricting commission established under this section shall select by majority vote one member who was appointed from the independent category of the approved selection pool described in section 2412(b)(1)(C) to serve as chair of the commission. The commission may not take any action to develop a redistricting plan for the State under section 2413 until the appointment of the commission’s chair.

(2) **REQUIREING MAJORITY APPROVAL FOR ACTIONS.**—The independent redistricting commission of a State may not publish and disseminate any draft or final redistricting plan, or take any other action, without the approval of at least—

(A) a majority of the whole membership of the commission; and
(B) at least one member of the commission
appointed from each of the categories of the ap-
proved selection pool described in section
2412(b)(1).

(3) QUORUM.—A majority of the members of
the commission shall constitute a quorum.

(c) STAFF; CONTRACTORS.—

(1) STAFF.—Under a public application process
in which all application materials are available for

technical experts, legal counsel, consultants, and
such other staff as it considers appropriate, subject
to State law.

(2) CONTRACTORS.—The independent redis-
tricting commission of a State may enter into such
contracts with vendors as it considers appropriate,
subject to State law, except that any such contract
shall be valid only if approved by the vote of a ma-
jority of the members of the commission, including
at least one member appointed from each of the cat-
egories of the approved selection pool described in
section 2412(b)(1).

(3) REPORTS ON EXPENDITURES FOR POLIT-

(B) ANNUAL REPORTS BY EMPLOYEES AND VENDORS.—Each person who is an employee or vendor of the independent redistricting commission shall, not later than one year after the person is appointed as an employee or enters into a contract as a vendor (as the case may be) and annually thereafter for each year during which the person serves as an employee or a vendor, file with the commission a report summarizing the expenditures and income described in subparagraph (A) during the 10 most recent calendar years.
(C) EXPENDITURE FOR POLITICAL ACTIVITY DEFINED.—In this paragraph, the term “expenditure for political activity” means a disbursement for any of the following:

(ii) An electioneering communication, as defined in section 304(f)(3) of such Act (52 U.S.C. 30104(f)(3)) or any other public communication, as defined in section 301(22) of such Act (52 U.S.C. 30101(22)) that would be an electioneering communication if it were a broadcast, cable, or satellite communication.

(iii) Any dues or other payments to trade associations or organizations described in section 501(c) of the Internal Revenue Code of 1986 and exempt from tax under section 501(a) of such Code that are, or could reasonably be anticipated to be, used or transferred to another association or organization for a use described in
paragraph (1), (2), or (4) of section 501(c) of such Code.

(4) GOAL OF IMPARTIALITY.—The commission shall take such steps as it considers appropriate to ensure that any staff appointed under this subsection, and any vendor with whom the commission enters into a contract under this subsection, will work in an impartial manner, and may require any person who applies for an appointment to a staff position or for a vendor’s contract with the commission to provide information on the person’s history of political activity beyond the information on the person’s expenditures for political activity provided in the reports required under paragraph (3) (including donations to candidates, political committees, and political parties) as a condition of the appointment or the contract.

(5) DISQUALIFICATION; WAIVER.—

(A) IN GENERAL.—The independent redistricting commission may not appoint an individual as an employee, and may not enter into a contract with a vendor, if the individual or vendor meets any of the criteria for the disqualification of an individual from serving as a
member of the commission which are set forth in section 2412(a)(2).

(B) WAIVER.—The commission may by unanimous vote of its members waive the application of subparagraph (A) to an individual or a vendor after receiving and reviewing the report filed by the individual or vendor under paragraph (3).

(d) TERMINATION.—

(1) IN GENERAL.—The independent redistricting commission of a State shall terminate on the earlier of—

(A) June 14 of the next year ending in the numeral zero; or

(B) the day on which the nonpartisan agency established or designated by a State under section 2414(a) has, in accordance with section 2412(b)(1), submitted a selection pool to the Select Committee on Redistricting for the State established under section 2414(b).

(2) PRESERVATION OF RECORDS.—The State shall ensure that the records of the independent redistricting commission are retained in the appropriate State archive in such manner as may be necessary to enable the State to respond to any civil ac-
tion brought with respect to congressional redistricting in the State.

SEC. 2412. ESTABLISHMENT OF SELECTION POOL OF INDIVIDUALS ELIGIBLE TO SERVE AS MEMBERS OF COMMISSION.

(a) Criteria for Eligibility.—

(1) In general.—An individual is eligible to serve as a member of an independent redistricting commission if the individual meets each of the following criteria:

(A) As of the date of appointment, the individual is registered to vote in elections for Federal office held in the State.

(B) During the 3-year period ending on the date of the individual’s appointment, the individual has been continuously registered to vote with the same political party, or has not been registered to vote with any political party.

(C) The individual submits to the non-partisan agency established or designated by a State under section 2413, at such time and in such form as the agency may require, an application for inclusion in the selection pool under this section, and includes with the application a written statement, with an attestation under
penalty of perjury, containing the following information and assurances:

(i) The full current name and any former names of, and the contact information for, the individual, including an electronic mail address, the address of the individual’s residence, mailing address, and telephone numbers.

(ii) The individual’s race, ethnicity, gender, age, date of birth, and household income for the most recent taxable year.

(iii) The political party with which the individual is affiliated, if any.

(iv) The reason or reasons the individual desires to serve on the independent redistricting commission, the individual’s qualifications, and information relevant to the ability of the individual to be fair and impartial, including, but not limited to—

(I) any involvement with, or financial support of, professional, social, political, religious, or community organizations or causes;

(II) the individual’s employment and educational history.
(v) An assurance that the individual shall commit to carrying out the individual’s duties under this subtitle in an honest, independent, and impartial fashion, and to upholding public confidence in the integrity of the redistricting process.

(vi) An assurance that, during the covered periods described in paragraph (3), the individual has not taken and will not take any action which would disqualify the individual from serving as a member of the commission under paragraph (2).

Subtitle I—Limitation and Disclosure Requirements for Presidential Inaugural Committees
Subtitle A—Establishing Duty To Report Foreign Election Interference

SEC. 4001. FINDINGS RELATING TO ILLEGAL MONEY UNDERMINING OUR DEMOCRACY.

Congress finds the following:

(1) Criminals, terrorists, and corrupt government officials frequently abuse anonymously held Limited Liability Companies (LLCs), also known as “shell companies,” to hide, move, and launder the dirty money derived from illicit activities such as trafficking, bribery, exploitation, and embezzlement. Ownership and control of the finances that run through shell companies are obscured to regulators and law enforcement because little information is required and collected when establishing these entities.

(2) The public release of the “Panama Papers” in 2016 and the “Paradise Papers” in 2017 revealed that these shell companies often purchase and sell United States real estate. United States anti-money laundering laws do not apply to cash transactions involving real estate effectively concealing the benef-
ficiaries and transactions from regulators and law enforcement.

(3) Since the Supreme Court’s decisions in Citizens United v. Federal Election Commission, 558 U.S. 310 (2010), millions of dollars have flowed into super PACs through LLCs whose funders are anonymous or intentionally obscured. Criminal investigations have uncovered LLCs that were used to hide illegal campaign contributions from foreign criminal fugitives, to advance international influence-buying schemes, and to conceal contributions from donors who were already under investigation for bribery and racketeering. Voters have no way to know the true sources of the money being routed through these LLCs to influence elections, including whether any of the funds come from foreign or other illicit sources.

(4) Congress should curb the use of anonymous shell companies for illicit purposes by requiring United States companies to disclose their beneficial owners, strengthening anti-money laundering and counter-terrorism finance laws.

(5) Congress should examine the money laundering and terrorist financing risks in the real estate market, including the role of anonymous parties, and
review legislation to address any vulnerabilities identified in this sector.

(6) Congress should examine the methods by which corruption flourishes and the means to detect and deter the financial misconduct that fuels this driver of global instability. Congress should monitor government efforts to enforce United States anti-corruption laws and regulations.

Subtitle C—Strengthening Oversight of Online Political Advertising

SEC. 4201. SHORT TITLE.

This subtitle may be cited as the "Honest Ads Act".

SEC. 4202. PURPOSE.

The purpose of this subtitle is to enhance the integrity of American democracy and national security by improving disclosure requirements for online political advertisements in order to uphold the Supreme Court’s well-established standard that the electorate bears the right to be fully informed.

SEC. 4203. FINDINGS.

Congress makes the following findings:

(1) On January 6, 2017, the Office of the Director of National Intelligence published a report titled “Assessing Russian Activities and Intentions in Recent U.S. Elections”, noting that “Russian President Vladimir Putin ordered an influence campaign in 2016 aimed at the US presidential election * * *

*”. Moscow’s influence campaign followed a Russian messaging strategy that blends covert intelligence operation—such as cyber activity—with overt efforts by Russian Government agencies, state-funded
media, third-party intermediaries, and paid social media users or “trolls”.

(2) On November 24, 2016, The Washington Post reported findings from 2 teams of independent researchers that concluded Russians “exploited American-made technology platforms to attack U.S. democracy at a particularly vulnerable moment * * * as part of a broadly effective strategy of sowing distrust in U.S. democracy and its leaders.”.

(3) Findings from a 2017 study on the manipulation of public opinion through social media conducted by the Computational Propaganda Research Project at the Oxford Internet Institute found that the Kremlin is using pro-Russian bots to manipulate public discourse to a highly targeted audience. With a sample of nearly 1,300,000 tweets, researchers found that in the 2016 election’s 3 decisive States, propaganda constituted 40 percent of the sampled election-related tweets that went to Pennsylvanians, 34 percent to Michigan voters, and 30 percent to those in Wisconsin. In other swing States, the figure reached 42 percent in Missouri, 41 percent in Florida, 40 percent in North Carolina, 38 percent in Colorado, and 35 percent in Ohio.
(4) On September 6, 2017, the Nation’s largest social media platform disclosed that between June 2015 and May 2017, Russian entities purchased $100,000 in political advertisements, publishing roughly 3,000 ads linked to fake accounts associated with the Internet Research Agency, a pro-Kremlin organization. According to the company, the ads purchased focused “on amplifying divisive social and political messages * * *”.

(5) In 2002, the Bipartisan Campaign Reform Act became law, establishing disclosure requirements for political advertisements distributed from a television or radio broadcast station or provider of cable or satellite television. In 2003, the Supreme Court upheld regulations on electioneering communications established under the Act, noting that such requirements “provide the electorate with information and insure that the voters are fully informed about the person or group who is speaking.”.

(6) According to a study from Borrell Associates, in 2016, $1,415,000,000 was spent on online advertising, more than quadruple the amount in 2012.

(7) The reach of a few large internet platforms—larger than any broadcast, satellite, or cable
provider—has greatly facilitated the scope and effectiveness of disinformation campaigns. For instance, the largest platform has over 210,000,000 Americans users—over 160,000,000 of them on a daily basis. By contrast, the largest cable television provider has 22,430,000 subscribers, while the largest satellite television provider has 21,000,000 subscribers. And the most-watched television broadcast in United States history had 118,000,000 viewers.

(8) The public nature of broadcast television, radio, and satellite ensures a level of publicity for any political advertisement. These communications are accessible to the press, fact-checkers, and political opponents; this creates strong disincentives for a candidate to disseminate materially false, inflammatory, or contradictory messages to the public. Social media platforms, in contrast, can target portions of the electorate with direct, ephemeral advertisements often on the basis of private information the platform has on individuals, enabling political advertisements that are contradictory, racially or socially inflammatory, or materially false.

(9) According to comScore, 2 companies own 8 of the 10 most popular smart phone applications as of June 2017, including the most popular social
media and email services—which deliver information
and news to users without requiring proactivity by
the user. Those same 2 companies accounted for 99
percent of revenue growth from digital advertising in
2016, including 77 percent of gross spending. 79
percent of online Americans—representing 68 per-
cent of all Americans—use the single largest social
network, while 66 percent of these users are most
likely to get their news from that site.

(10) In its 2006 rulemaking, the Federal Elec-
tion Commission noted that only 18 percent of all
Americans cited the internet as their leading source
of news about the 2004 Presidential election; by con-
trast, the Pew Research Center found that 65 per-
cent of Americans identified an internet-based
source as their leading source of information for the
2016 election.

(11) The Federal Election Commission, the
independent Federal agency charged with protecting
the integrity of the Federal campaign finance proc-
cess by providing transparency and administering
campaign finance laws, has failed to take action to
address online political advertisements.

(12) In testimony before the Senate Select
Committee on Intelligence titled, “Disinformation: A
Primer in Russian Active Measures and Influence Campaigns”, multiple expert witnesses testified that while the disinformation tactics of foreign adversaries have not necessarily changed, social media services now provide “platform[s] practically purpose-built for active measures[.]” Similarly, as Gen. Keith B. Alexander (RET.), the former Director of the National Security Agency, testified, during the Cold War “if the Soviet Union sought to manipulate information flow, it would have to do so principally through its own propaganda outlets or through active measures that would generate specific news: planting of leaflets, inciting of violence, creation of other false materials and narratives. But the news itself was hard to manipulate because it would have required actual control of the organs of media, which took long-term efforts to penetrate. Today, however, because the clear majority of the information on social media sites is uncurated and there is a rapid proliferation of information sources and other sites that can reinforce information, there is an increasing likelihood that the information available to average consumers may be inaccurate (whether intentionally or otherwise) and may be more easily manipulable than in prior eras.”.
(13) Current regulations on political advertisements do not provide sufficient transparency to uphold the public’s right to be fully informed about political advertisements made online.

SEC. 4204. SENSE OF CONGRESS.

It is the sense of Congress that—

(1) the dramatic increase in digital political advertisements, and the growing centrality of online platforms in the lives of Americans, requires the Congress and the Federal Election Commission to take meaningful action to ensure that laws and regulations provide the accountability and transparency that is fundamental to our democracy;

(2) free and fair elections require both transparency and accountability which give the public a right to know the true sources of funding for political advertisements in order to make informed political choices and hold elected officials accountable; and

(3) transparency of funding for political advertisements is essential to enforce other campaign finance laws, including the prohibition on campaign spending by foreign nationals.

Subtitle A—Findings Relating to Citizens United Decision

SEC. 5001. FINDINGS RELATING TO CITIZENS UNITED DECISION.

Congress finds the following:

(1) The American Republic was founded on the principle that all people are created equal, with rights and responsibilities as citizens to vote, be represented, speak, debate, and participate in self-government on equal terms regardless of wealth. To secure these rights and responsibilities, our Constitution not only protects the equal rights of all Americans but also provides checks and balances to prevent corruption and prevent concentrated power and wealth from undermining effective self-government.

(2) The Founders designed the First Amendment to help prevent tyranny by ensuring that the people have the tools they need to ensure self-government and to keep their elected leaders responsive to the public. The Amendment thus guarantees the right of everyone to speak, to petition the government for redress, to assemble together, and for a free press. If only the wealthiest individuals can participate meaningfully in our democracy, then these First Amendment principles become an illusion.
(3) Campaign finance laws promote these First Amendment interests. They increase robust debate from diverse voices, enhance the responsiveness of elected officeholders, and help prevent corruption. They do not censor anyone’s speech but simply ensure that no one’s speech is drowned out. The Supreme Court has failed to recognize that these laws are essential, proactive rules that help guarantee true democratic self-government.

(4) The Supreme Court’s decisions in Citizens United v. Federal Election Commission, 558 U.S. 310 (2010) and McCutcheon v. FEC, 572 U.S. 185 (2014), as well as other court decisions, erroneously invalidated even-handed rules about the spending of money in local, State, and Federal elections. These rules do not prevent anyone from speaking their mind, much less pick winners and losers of political debates. Although the Court has upheld other content-neutral laws like these, it has failed to apply to same logic to campaign finance laws. These flawed decisions have empowered large corporations, extremely wealthy individuals, and special interests to dominate election spending, corrupt our politics, and degrade our democracy through tidal waves of unlimited and anonymous spending. These decisions
also stand in contrast to a long history of efforts by Congress and the States to regulate money in politics to protect democracy, and they illustrate a troubling deregulatory trend in campaign finance-related court decisions. Additionally, an unknown amount of foreign money continues to be spent in our political system as subsidiaries of foreign-based corporations and hostile foreign actors sometimes connected to nation-states work to influence our elections.

(5) The Supreme Court’s misinterpretation of the Constitution to empower monied interests at the expense of the American people in elections has seriously eroded over 100 years of congressional action to promote fairness and protect elections from the toxic influence of money.

(6) In 1907, Congress passed the Tillman Act in response to the concentration of corporate power in the post-Civil War Gilded Age. The Act prohibited corporations from making contributions in connection with Federal elections, aiming “not merely to prevent the subversion of the integrity of the electoral process [but] * * * to sustain the active, alert responsibility of the individual citizen in a democracy for the wise conduct of government”.

•HR 1 IH
(7) By 1910, Congress began passing disclosure requirements and campaign expenditure limits, and dozens of States passed corrupt practices Acts to prohibit corporate spending in elections. States also enacted campaign spending limits, and some States limited the amount that people could contribute to campaigns.

(8) In 1947, the Taft-Hartley Act prohibited corporations and unions from making campaign contributions or other expenditures to influence elections. In 1962, a Presidential commission on election spending recommended spending limits and incentives to increase small contributions from more people.

(9) The Federal Election Campaign Act of 1971 (FECA), as amended in 1974, required disclosure of contributions and expenditures, imposed contribution and expenditure limits for individuals and groups, set spending limits for campaigns, candidates, and groups, implemented a public funding system for Presidential campaigns, and created the Federal Election Commission to oversee and enforce the new rules.

(10) In the wake of Citizens United and other damaging Federal court decisions, Americans have
witnessed an explosion of outside spending in elections. Outside spending increased more than 700 percent between the 2008 and 2020 Presidential election years. Spending by outside groups nearly doubled again from 2016 to 2020 with super PACs, tax-exempt groups, and others spending more than $3,000,000,000. And as political entities adapt to a post-Citizens United, post-McCutcheon landscape, these trends are getting worse, as evidenced by the record-setting 2020 elections which cost more than $14,000,000,000 in total.

(11) Since the landmark Citizens United decision, 21 States and more than 800 municipalities, including large cities like New York, Los Angeles, Chicago, and Philadelphia, have gone on record supporting a constitutional amendment. Transcending political leanings and geographic location, voters in States and municipalities across the country that have placed amendment questions on the ballot have routinely supported these initiatives by considerably large margins.

(12) The Court has tied the hands of Congress and the States, severely restricting them from setting reasonable limits on campaign spending. For example, the Court has held that only the Govern-
ment’s interest in preventing quid pro quo corruption, like bribery, or the appearance of such corruption, can justify limits on campaign contributions. More broadly, the Court has severely curtailed attempts to reduce the ability of the Nation’s wealthiest and most powerful to skew our democracy in their favor by buying outsized influence in our elections. Because this distortion of the Constitution has prevented other critical regulation or reform of the way we finance elections in America, a constitutional amendment is needed to achieve a democracy for all the people.

(13) The torrent of money flowing into our political system has a profound effect on the democratic process for everyday Americans, whose voices and policy preferences are increasingly being drowned out by those of wealthy special interests. The more campaign cash from wealthy special interests can flood our elections, the more policies that favor those interests are reflected in the national political agenda. When it comes to policy preferences, our Nation’s wealthiest tend to have fundamentally different views than do average Americans when it comes to issues ranging from unemployment benefits to the minimum wage to health care coverage.
(14) At the same time millions of Americans have signed petitions, marched, called their Members of Congress, written letters to the editor, and otherwise demonstrated their public support for a constitutional amendment to overturn Citizens United that will allow Congress to reign in the outsized influence of uncheeked money in politics. Dozens of organizations, representing tens of millions of individuals, have come together in a shared strategy of supporting such an amendment.

(15) In order to protect the integrity of democracy and the electoral process and to ensure political equality for all, the Constitution should be amended so that Congress and the States may regulate and set limits on the raising and spending of money to influence elections and may distinguish between natural persons and artificial entities, like corporations, that are created by law, including by prohibiting such artificial entities from spending money to influence elections.

**SEC. 5100. SHORT TITLE.**

This subtitle may be cited as the “Government By the People Act of 2021”.
PART 1—MY VOICE VOUCHER PILOT PROGRAM

SEC. 5101. ESTABLISHMENT OF PILOT PROGRAM.

(a) Establishment.—The Federal Election Commission (hereafter in this part referred to as the “Commission”) shall establish a pilot program under which the Commission shall select 3 eligible States to operate a voucher pilot program which is described in section 5102 during the program operation period.

(b) Eligibility of States.—A State is eligible to be selected to operate a voucher pilot program under this part if, not later than 180 days after the beginning of the program application period, the State submits to the Commission an application containing—

(1) information and assurances that the State will operate a voucher program which contains the elements described in section 5102(a);

(2) information and assurances that the State will establish fraud prevention mechanisms described in section 5102(b);

(3) information and assurances that the State will establish a commission to oversee and implement the program as described in section 5102(c);

(4) information and assurances that the State will carry out a public information campaign as described in section 5102(d);
information and assurances that the State will submit reports as required under section 5103; and

such other information and assurances as the Commission may require.

(c) Selection of Participating States.—

(1) In general.—Not later than 1 year after the beginning of the program application period, the Commission shall select the 3 States which will operate voucher pilot programs under this part.

(2) Criteria.—In selecting States for the operation of the voucher pilot programs under this part, the Commission shall apply such criteria and metrics as the Commission considers appropriate to determine the ability of a State to operate the program successfully, and shall attempt to select States in a variety of geographic regions and with a variety of political party preferences.

(3) No supermajority required for selection.—The selection of States by the Commission under this subsection shall require the approval of only half of the Members of the Commission.

(d) Duties of States During Program Preparation Period.—During the program preparation period, each State selected to operate a voucher pilot program
under this part shall take such actions as may be nec-
essary to ensure that the State will be ready to operate
the program during the program operation period, and
shall complete such actions not later than 90 days before
the beginning of the program operation period.

(e) TERMINATION.—Each voucher pilot program
under this part shall terminate as of the first day after
the program operation period.

(f) REIMBURSEMENT OF COSTS.—

(1) REIMBURSEMENT.—Upon receiving the re-
port submitted by a State under section 5103(a)
with respect to an election cycle, the Commission
shall transmit a payment to the State in an amount
equal to the reasonable costs incurred by the State
in operating the voucher pilot program under this
part during the cycle.

(2) SOURCE OF FUNDS.—Payments to States
under the program shall be made using amounts in
the Freedom From Influence Fund under section
541 of the Federal Election Campaign Act of 1971
(as added by section 5111), hereafter referred to as
the “Fund”.

(3) MANDATORY REDUCTION OF PAYMENTS IN
CASE OF INSUFFICIENT AMOUNTS IN FREEDOM
FROM INFLUENCE FUND.—
(A) Advance audits by Commission.— Not later than 90 days before the first day of each program operation period, the Commission shall—

(i) audit the Fund to determine whether, after first making payments to participating candidates under title V of the Federal Election Campaign Act of 1971 (as added by section 5111), the amounts remaining in the Fund will be sufficient to make payments to States under this part in the amounts provided under this subsection; and

(ii) submit a report to Congress describing the results of the audit.

(B) Reductions in amount of payments.—

(i) Automatic reduction on proportionate basis.—If, on the basis of the audit described in subparagraph (A), the Commission determines that the amount anticipated to be available in the Fund with respect to an election cycle involved is not, or may not be, sufficient to make payments to States under this part in the full amount
provided under this subsection, the Commission shall reduce each amount which would otherwise be paid to a State under this subsection by such pro rata amount as may be necessary to ensure that the aggregate amount of payments anticipated to be made with respect to the cycle will not exceed the amount anticipated to be available for such payments in the Fund with respect to such cycle.

(ii) Restoration of reductions in case of availability of sufficient funds during election cycle.—If, after reducing the amounts paid to States with respect to an election cycle under clause (i), the Commission determines that there are sufficient amounts in the Fund to restore the amount by which such payments were reduced (or any portion thereof), to the extent that such amounts are available, the Commission may make a payment on a pro rata basis to each such State with respect to the cycle in the amount by which such State’s payments
were reduced under clause (i) (or any portion thereof, as the case may be).

(iii) No use of amounts from other sources.—In any case in which the Commission determines that there are insufficient moneys in the Fund to make payments to States under this part, moneys shall not be made available from any other source for the purpose of making such payments.

(4) Cap on amount of payment.—The aggregate amount of payments made to any State with respect to any program operation period may not exceed $10,000,000. If the State determines that the maximum payment amount under this paragraph with respect to the program operation period involved is not, or may not be, sufficient to cover the reasonable costs incurred by the State in operating the program under this part for such period, the State shall reduce the amount of the voucher provided to each qualified individual by such pro rata amount as may be necessary to ensure that the reasonable costs incurred by the State in operating the program will not exceed the amount paid to the State with respect to such period.
SEC. 5102. VOUCHER PROGRAM DESCRIBED.

(a) GENERAL ELEMENTS OF PROGRAM.—

(1) ELEMENTS DESCRIBED.—The elements of a voucher pilot program operated by a State under this part are as follows:

be treated as a contribution to the candidate by the
individual in the amount of the portion of the value
of the Voucher that the individual allocated to the
candidate.

(b) Fraud Prevention Mechanism.—In addition
to the elements described in subsection (a), a State oper-
ating a voucher pilot program under this part shall permit
an individual to revoke a My Voice Voucher not later than 2 days after submitting the My Voice Voucher to a candidate.

eration and effectiveness of the program and including such other information as the Commission may require.

(c) Report by Commission.—Not later than the end of the first election cycle which begins after the program operation period, the Commission shall submit a report to Congress which summarizes and analyzes the results of the voucher pilot program, and shall include in the report such recommendations as the Commission considers appropriate regarding the expansion of the pilot program to all States and territories, along with such other recommendations and other information as the Commission considers appropriate.

“(A) Not later than 2 weeks after receiving the contribution, the candidate may return the subsequent contribution to the individual. In the case of a subsequent contribution which is not a qualified small dollar contribution because the contribution fails to meet the requirements of paragraph (3) of subsection (a) (relating to the aggregate amount of contributions made to the candidate or the authorized committees of the candidate by the individual making the contribution), the candidate may return an amount equal to the difference between the amount of the subsequent contribution and the amount described in paragraph (1)(B) of subsection (a).

section (a) shall be treated as a qualified small dollar contribution under this title.

“(C) A statement that if a contribution is treated as qualified small dollar contribution under this title, the individual who makes the contribution may not make any contribution to the candidate or the authorized committees of the candidate during the election cycle which is not a qualified small dollar contribution.

“(2) ALTERNATIVE METHODS OF MEETING REQUIREMENTS.—An authorized committee may meet the requirements of paragraph (1)—

“(A) by including the information described in paragraph (1) in the receipt provided under section 512(b)(3) to a person making a qualified small dollar contribution; or

Subtitle D—Personal Use Services as Authorized Campaign Expenditures

SEC. 5301. SHORT TITLE; FINDINGS; PURPOSE.

(a) SHORT TITLE.—This subtitle may be cited as the “Help America Run Act”.

(b) FINDINGS.—Congress finds the following:

(1) Everyday Americans experience barriers to entry before they can consider running for office to serve their communities.

(2) Current law states that campaign funds cannot be spent on everyday expenses that would exist whether or not a candidate were running for office, like childcare and food. While the law seems neutral, its actual effect is to privilege the independently wealthy who want to run, because given the demands of running for office, candidates who must work to pay for childcare or to afford health insurance are effectively being left out of the process, even if they have sufficient support to mount a viable campaign.

(3) Thus current practice favors those prospective candidates who do not need to rely on a regular paycheck to make ends meet. The consequence is that everyday Americans who have firsthand knowl-
edge of the importance of stable childcare, a safety
net, or great public schools are less likely to get a
seat at the table. This governance by the few is anti-
theetical to the democratic experiment, but most im-
portantly, when lawmakers do not share the con-
cerns of everyday Americans, their policies reflect
that.

(4) These circumstances have contributed to a
Congress that does not always reflect everyday
Americans. The New York Times reported in 2019
that fewer than 5 percent of representatives cite
blue-collar or service jobs in their biographies. A
2015 survey by the Center for Responsive Polities
showed that the median net worth of lawmakers was
just over $1 million in 2013, or 18 times the wealth
of the typical American household.

(5) These circumstances have also contributed
to a governing body that does not reflect the nation
it serves. For instance, women are 51 percent of the
American population. Yet even with a record number
of women serving in the One Hundred Sixteenth
Congress, the Pew Research Center notes that more
than three out of four Members of this Congress are
male. The Center for American Women And Politics
found that one third of women legislators surveyed
had been actively discouraged from running for office, often by political professionals. This type of discouragement, combined with the prohibitions on using campaign funds for domestic needs like childcare, burdens that still fall disproportionately on American women, particularly disadvantages working mothers. These barriers may explain why only 10 women in history have given birth while serving in Congress, in spite of the prevalence of working parents in other professions. Yet working mothers and fathers are best positioned to create policy that reflects the lived experience of most Americans.

(6) Working mothers, those caring for their elderly parents, and young professionals who rely on their jobs for health insurance should have the freedom to run to serve the people of the United States. Their networks and net worth are simply not the best indicators of their strength as prospective public servants. In fact, helping ordinary Americans to run may create better policy for all Americans.

(c) PURPOSE.—It is the purpose of this subtitle to ensure that all Americans who are otherwise qualified to serve this Nation are able to run for office, regardless of their economic status. By expanding permissible uses of
campaign funds and providing modest assurance that testing a run for office will not cost one’s livelihood, the Help America Run Act will facilitate the candidacy of representatives who more accurately reflect the experiences, challenges, and ideals of everyday Americans.

“(B) CORRESPONDING REDUCTION IN AMOUNT OF SALARY PAID TO CANDIDATE.—To the extent that an authorized committee of a candidate makes payments for the salary of the candidate, any limit on the amount of such payments which is applicable under any law, rule, or regulation shall be reduced by the amount of any payments made to or on behalf of the candidate for personal use services described in paragraph (3), other than personal use services described in subparagraph (E) of such paragraph.

“(C) EXCLUSION OF CANDIDATES WHO ARE OFFICEHOLDERS.—Paragraph (1) does not
apply with respect to an authorized committee of a candidate who is a holder of Federal office.

d) Effective Date.—The amendments made by this section shall apply with respect to elections held on or after the date of the enactment of this Act.

If any provision of this title or amendment made by this title, or the application of a provision or amendment to any person or circumstance, is held to be unconstitutional, the remainder of this title and amendments made by this title, and the application of the provisions and amendment to any person or circumstance, shall not be affected by the holding.

(b) Definitions.—Title III of such Act (52 U.S.C. 30101 et seq.), as amended by section 4431 and section
4802(a), is amended by adding at the end the following new section:

“SEC. 327. PAYMENTS FOR COORDINATED EXPENDITURES.

“(a) COORDINATED EXPENDITURES.—

“(1) IN GENERAL.—For purposes of section 301(8)(A)(iii), the term ‘coordinated expenditure’ means—

“(A) any expenditure, or any payment for a covered communication described in subsection (d), which is made in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate, an authorized committee of a candidate, a political committee of a political party, or agents of the candidate or committee, as defined in subsection (b); or

“(B) any payment for any communication which republishes, disseminates, or distributes, in whole or in part, any video or broadcast or any written, graphic, or other form of campaign material prepared by the candidate or committee or by agents of the candidate or committee (including any excerpt or use of any video from any such broadcast or written, graphic, or other form of campaign material).
“(2) Exception for payments for certain communications.—A payment for a communication (including a covered communication described in subsection (d)) shall not be treated as a coordinated expenditure under this subsection if—

“(A) the communication appears in a news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication, unless such facilities are owned or controlled by any political party, political committee, or candidate; or

“(B) the communication constitutes a candidate debate or forum conducted pursuant to regulations adopted by the Commission pursuant to section 304(f)(3)(B)(iii), or which solely promotes such a debate or forum and is made by or on behalf of the person sponsoring the debate or forum.

“(b) Coordination Described.—

“(1) In general.—For purposes of this section, a payment is made ‘in cooperation, consultation, or concert with, or at the request or suggestion of,’ a candidate, an authorized committee of a candidate, a political committee of a political party, or
agents of the candidate or committee, if the pay-
ment, or any communication for which the payment
is made, is not made entirely independently of the
candidate, committee, or agents. For purposes of the
previous sentence, a payment or communication not
made entirely independently of the candidate or
committee includes any payment or communication
made pursuant to any general or particular under-
standing with, or pursuant to any communication
with, the candidate, committee, or agents about the
payment or communication.

“(2) No finding of coordination based
solely on sharing of information regarding
legislative or policy position.—For purposes
of this section, a payment shall not be considered to
be made by a person in cooperation, consultation, or
concert with, or at the request or suggestion of, a
candidate or committee, solely on the grounds that
the person or the person’s agent engaged in discus-
sions with the candidate or committee, or with any
agent of the candidate or committee, regarding that
person’s position on a legislative or policy matter
(including urging the candidate or committee to
adopt that person’s position), so long as there is no
communication between the person and the can-
candidate or committee, or any agent of the candidate or committee, regarding the candidate’s or committee’s campaign advertising, message, strategy, policy, polling, allocation of resources, fundraising, or other campaign activities.

“(3) No effect on party coordination standard.—Nothing in this section shall be construed to affect the determination of coordination between a candidate and a political committee of a political party for purposes of section 315(d).

“(4) No safe harbor for use of firewall.—A person shall be determined to have made a payment in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate or committee, in accordance with this section without regard to whether or not the person established and used a firewall or similar procedures to restrict the sharing of information between individuals who are employed by or who are serving as agents for the person making the payment.

“(c) Payments by coordinated spenders for covered communications.—

“(1) Payments made in cooperation, consultation, or concert with candidates.—For purposes of subsection (a)(1)(A), if the person who
makes a payment for a covered communication, as defined in subsection (d), is a coordinated spender under paragraph (2) with respect to the candidate as described in subsection (d)(1), the payment for the covered communication is made in cooperation, consultation, or concert with the candidate.

“(2) COORDINATED SPENDER DEFINED.—For purposes of this subsection, the term ‘coordinated spender’ means, with respect to a candidate or an authorized committee of a candidate, a person (other than a political committee of a political party) for which any of the following applies:

“(A) During the 4-year period ending on the date on which the person makes the payment, the person was directly or indirectly formed or established by or at the request or suggestion of, or with the encouragement of, the candidate (including an individual who later becomes a candidate) or committee or agents of the candidate or committee, including with the approval of the candidate or committee or agents of the candidate or committee.

“(B) The candidate or committee or any agent of the candidate or committee solicits funds, appears at a fundraising event, or en-
gages in other fundraising activity on the person’s behalf during the election cycle involved, including by providing the person with names of potential donors or other lists to be used by the person in engaging in fundraising activity, regardless of whether the person pays fair market value for the names or lists provided. For purposes of this subparagraph, the term ‘election cycle’ means, with respect to an election for Federal office, the period beginning on the day after the date of the most recent general election for that office (or, if the general election resulted in a runoff election, the date of the runoff election) and ending on the date of the next general election for that office (or, if the general election resulted in a runoff election, the date of the runoff election).

“(C) The person is established, directed, or managed by the candidate or committee or by any person who, during the 4-year period ending on the date on which the person makes the payment, has been employed or retained as a political, campaign media, or fundraising adviser or consultant for the candidate or committee or for any other entity directly or indi-
rectly controlled by the candidate or committee,
or has held a formal position with the candidate
or committee (including a position as an em-
ployee of the office of the candidate at any time
the candidate held any Federal, State, or local
public office during the 4-year period).

“(D) The person has retained the profes-
sional services of any person who, during the 2-
year period ending on the date on which the
person makes the payment, has provided or is
providing professional services relating to the
campaign to the candidate or committee, with-
out regard to whether the person providing the
professional services used a firewall. For pur-
poses of this subparagraph, the term ‘profes-
sional services’ includes any services in support
of the candidate’s or committee’s campaign ac-
tivities, including advertising, message, strat-
egy, policy, polling, allocation of resources,
fundraising, and campaign operations, but does
not include accounting or legal services.

“(E) The person is established, directed, or
managed by a member of the immediate family
of the candidate, or the person or any officer or
agent of the person has had more than inci-
dental discussions about the candidate’s campaign with a member of the immediate family of the candidate. For purposes of this subparagraph, the term ‘immediate family’ has the meaning given such term in section 9004(e) of the Internal Revenue Code of 1986.

“(d) COVERED COMMUNICATION DEFINED.—

“(1) IN GENERAL.—For purposes of this section, the term ‘covered communication’ means, with respect to a candidate or an authorized committee of a candidate, a public communication (as defined in section 301(22)) which—

“(A) expressly advocates the election of the candidate or the defeat of an opponent of the candidate (or contains the functional equivalent of express advocacy);

“(B) promotes or supports the election of the candidate, or attacks or opposes the election of an opponent of the candidate (regardless of whether the communication expressly advocates the election or defeat of a candidate or contains the functional equivalent of express advocacy); or

“(C) refers to the candidate or an opponent of the candidate but is not described in
subparagraph (A) or subparagraph (B), but only if the communication is disseminated during the applicable election period.

“(2) APPLICABLE ELECTION PERIOD.—In paragraph (1)(C), the ‘applicable election period’ with respect to a communication means—

“(A) in the case of a communication which refers to a candidate in a general, special, or runoff election, the 120-day period which ends on the date of the election; or

“(B) in the case of a communication which refers to a candidate in a primary or preference election, or convention or caucus of a political party that has authority to nominate a candidate, the 60-day period which ends on the date of the election or convention or caucus.

“(3) SPECIAL RULES FOR COMMUNICATIONS INVOLVING CONGRESSIONAL CANDIDATES.—For purposes of this subsection, a public communication shall not be considered to be a covered communication with respect to a candidate for election for an office other than the office of President or Vice President unless it is publicly disseminated or distributed in the jurisdiction of the office the candidate is seeking.
“(e) Penalty.—

“(1) Determination of amount.—Any person who knowingly and willfully commits a violation of this Act by making a contribution which consists of a payment for a coordinated expenditure shall be fined an amount equal to the greater of—

“(A) in the case of a person who makes a contribution which consists of a payment for a coordinated expenditure in an amount exceeding the applicable contribution limit under this Act, 300 percent of the amount by which the amount of the payment made by the person exceeds such applicable contribution limit; or

“(B) in the case of a person who is prohibited under this Act from making a contribution in any amount, 300 percent of the amount of the payment made by the person for the coordinated expenditure.

“(2) Joint and several liability.—Any director, manager, or officer of a person who is subject to a penalty under paragraph (1) shall be jointly and severally liable for any amount of such penalty that is not paid by the person prior to the expiration of the 1-year period which begins on the date the Commission imposes the penalty or the 1-year period
which begins on the date of the final judgment fol-
lowing any judicial review of the Commission’s ac-
tion, whichever is later.”

(c) Effective Date.—

(1) Repeal of existing regulations on co-
ordination.—Effective upon the expiration of the
90-day period which begins on the date of the enact-

Part 109, Subpart C, under the heading “Co-
ordination”) are repealed; and

(B) the Federal Election Commission shall
promulgate new regulations on coordinated
communications which reflect the amendments
made by this Act.

(2) Effective Date.—The amendments made
by this section shall apply with respect to payments
made on or after the expiration of the 120-day pe-

this Act, without regard to whether or not the Fed-
eral Election Commission has promulgated regula-
