

117TH CONGRESS
1ST SESSION

H. R. 1200

To provide appropriations for the Internal Revenue Service to overhaul technology and strengthen enforcement, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 22, 2021

Mr. KHANNA introduced the following bill; which was referred to the
Committee on Ways and Means

A BILL

To provide appropriations for the Internal Revenue Service to overhaul technology and strengthen enforcement, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Stop Corporations and
5 High Earners from Avoiding Taxes and Enforce the Rules
6 Strictly Act” or the “Stop CHEATERS Act”.

7 **SEC. 2. POLICY OF CONGRESS.**

8 It is the policy of Congress that—

9 (1) tax compliance, to raise revenue for national
10 needs, restore fairness, and protect the integrity of

1 the tax system, high-income United States citizens
2 and corporations should pay all of the taxes they
3 owe,

4 (2) tax compliance, as indicated by the fraction
5 of taxes due that are reported and paid, should be
6 comparable among groups of taxpayers regardless of
7 the legal entity,

8 (3) the Internal Revenue Service should be
9 given resources to increase audits and enforcement
10 of tax compliance of high-income individuals to re-
11 duce the tax gap, with an emphasis on the auditing
12 and enforcement of tax compliance by individuals
13 with gross income of not less than \$1,000,000 and
14 of large corporations, and to modernize its tech-
15 nology in order to better serve taxpayers and enforce
16 the tax laws,

17 (4) pursuing non-filers is one of the most effi-
18 cient enforcement strategies of the Internal Revenue
19 Service because issuing non-filer notices can be a
20 cost-effective tool that requires little more than auto-
21 mated notices,

22 (5) priorities for actions and resources to im-
23 prove compliance should be guided by the relative
24 revenue loss from non-compliance,

1 (6) it should be the goal of the Internal Rev-
2 enue Service that, by the tenth tax year after the ef-
3 fective date of this statute, the net tax gap, as meas-
4 ured by the fraction of taxes that are due that are
5 not reported and paid, should be reduced by at least
6 one-third, as compared with the fraction estimated
7 in the most recent Internal Revenue Service study
8 prior to enactment of this statute, and

9 (7) it should be the goal of the Internal Rev-
10 enue Service to provide quality, timely, and accurate
11 assistance to all taxpayers interacting with the In-
12 ternal Revenue Service.

13 **SEC. 3. ADDITIONAL APPROPRIATIONS FOR THE INTERNAL**
14 **REVENUE SERVICE.**
