1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1   **SECTION 1. SHORT TITLE.**

2       This Act may be cited as the “Emergency Reporting  
3   Act”.

4   **SEC. 2. REPORTS AFTER ACTIVATION OF DISASTER INFOR-**

5                   **MATION REPORTING SYSTEM; IMPROVE-**  
6                   **MENTS TO NETWORK OUTAGE REPORTING.**

7       (a) **REPORTS AFTER ACTIVATION OF DISASTER IN-**  
8   **FORMATION REPORTING SYSTEM.—**

9                   (1) **PRELIMINARY REPORT.—**

10                  (A) **IN GENERAL.—**Not later than 6 weeks  
11                  after the deactivation of the Disaster Informa-  
12                  tion Reporting System with respect to an event  
13                  for which the System was activated for at least  
14                  7 days, the Commission shall issue a prelimi-  
15                  nary report on, with respect to such event and  
16                  to the extent known—

17                   (i) the number and duration of any  
18                  outages of—

19                   (I) broadband internet access  
20                  service;

21                   (II) interconnected VoIP service;

22                   (III) commercial mobile service;

23                  and

24                   (IV) commercial mobile data  
25                  service;

(ii) the approximate number of users or the amount of communications infrastructure potentially affected by an outage described in clause (i);

(iii) the number and duration of any outages at public safety answering points that prevent public safety answering points from receiving emergency calls and routing such calls to emergency service personnel; and

(iv) any additional information determined appropriate by the Commission.

(B) DEVELOPMENT OF REPORT.—The Commission shall develop the report required by subparagraph (A) using information collected by the Commission, including information collected by the Commission through the System.

(2) PUBLIC FIELD HEARINGS.—

(A) REQUIREMENT.—Not later than 8 months after the deactivation of the Disaster Information Reporting System with respect to an event for which the System was activated for at least 7 days, the Commission shall hold at least 1 public field hearing in the area affected by such event.

## (B) INCLUSION OF CERTAIN INDIVIDUALS

IN HEARINGS.—For each public field hearing held under subparagraph (A), the Commission shall consider including—

(i) representatives of State government, local government, or Indian Tribal governments in areas affected by such event;

(ii) residents of the areas affected by such event, or consumer advocates;

(iii) providers of communications services affected by such event;

(iv) faculty of institutions of higher education;

(v) representatives of other Federal agencies;

(vi) electric utility providers;

(vii) communications infrastructure companies; and

(viii) first responders emergency

managers, or 9-1-1 directors in areas affected by such event.

(3) FINAL REPORT.—Not later than 12 months after the deactivation of the Disaster Information Reporting System with respect to an event for which

the System was activated for at least 7 days, the Commission shall issue a final report that includes, with respect to such event—

(A) the information described under paragraph (1)(A); and

(B) any recommendations of the Commission on how to improve the resiliency of affected communications or networks recovery efforts.

23 (b) IMPROVEMENTS TO NETWORK OUTAGE REPORT-  
24 ING.—Not later than 1 year after the date of the enact-  
25 ment of this Act, the Commission shall conduct a pro-

1 ceeding and, after public notice and an opportunity for  
2 comment, adopt rules to—

3                 (1) determine the circumstances under which to  
4 require service providers subject to the 9–1–1 regu-  
5 lations established under part 9 of title 47, Code of  
6 Federal Regulations, to submit a timely notification,  
7 (in an easily accessible format that facilitates situa-  
8 tional awareness) to public safety answering points  
9 regarding communications service disruptions within  
10 the assigned territories of such public safety answer-  
11 ing points that prevent—

12                 (A) the origination of 9–1–1 calls;  
13                 (B) the delivery of Automatic Location In-  
14 formation; or

15                 (C) Automatic Number Identification;

16                 (2) require such notifications to be made; and  
17                 (3) specify the appropriate timing of such noti-  
18 fication.
