1ST SESSION

H. R. 172

AN ACT

To reauthorize the United States Anti-Doping Agency, and
for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “United States Anti-
3 Doping Agency Reauthorization Act of 2021”.

4 **SEC. 2. FINDINGS.**

5 Congress makes the following findings:

6 (1) The United States Anti-Doping Agency—

7 (A) is the independent national anti-doping
8 organization of the United States; and

9 (B) manages the anti-doping program, re-
10 sults management processes, drug reference re-
11 sources, and athlete education for all United
12 States Olympic Committee-recognized national
13 governing bodies and the athletes and events of
14 such national governing bodies.

15 (2) The United States Anti-Doping Agency con-
16 tributes to the advancement of clean sport through
17 scientific research, anti-doping education, and out-
18 reach programs, and the mission of the United
19 States Anti-Doping Agency is to preserve the integ-
20 rity of competition and protect the rights of athletes.

21 (3) Participation in youth sports has the poten-
22 tial to equip young athletes with important skills
23 and values necessary for success in life, and it is es-
24 sential that the culture of youth sports emphasizes
25 such skills and values.

1 (4) The TrueSport program of the United
2 States Anti-Doping Agency partners with youth
3 sport organizations across the United States to pro-
4 mote sportsmanship, character building, and healthy
5 performance through the use of targeted educational
6 materials designed to promote a positive youth sport
7 experience.

8 (5) In modifying the authority of the United
9 States Anti-Doping Agency to include the promotion
10 of the positive values of youth sport, Congress sends
11 a strong signal that the goals of youth sport should
12 include instilling in young athletes the values of in-
13 tegrity, respect, teamwork, courage, and responsi-
14 bility.

15 (6) Due to the unique leadership position of the
16 United States in the global community, adequate
17 funding of the anti-doping and clean sport programs
18 of the United States Anti-Doping Agency is impera-
19 tive to the preparation for the 2028 Summer Olym-
20 pic Games, which will be held in Los Angeles, Cali-
21 fornia.

22 (7) Increased appropriations for fiscal years
23 2022 through 2030 would enable the United States
24 Anti-Doping Agency to directly affect the integrity

1 and well-being of sport, both domestically and inter-
2 nationally.
