1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Untraceable Firearms  
3 Act of 2021”.

4 **SEC. 2. SENSE OF CONGRESS.**

5 It is the sense of Congress that—

6 (1) without the enactment of this Act, the Bu-  
7 reau of Alcohol, Tobacco, Firearms and Explosives  
8 has the authority to regulate ghost guns (as defined  
9 in section 921(a) of title 18, United States Code, as  
10 amended by section 3 of this Act) and unfinished  
11 frames and receivers; and

12 (2) the purpose of this Act is to clarify and  
13 strengthen such authority.

14 **SEC. 3. REQUIREMENT THAT ALL FIREARMS BE TRACE-**  
15 **ABLE.**

16 (a) DEFINITIONS.—Section 921(a) of title 18, United  
17 States Code, is amended—

18 (1) in paragraph (10), by adding at the end the  
19 following: “The term ‘manufacturing firearms’ shall  
20 include assembling a functional firearm or molding,  
21 machining, or 3D printing a frame or receiver, and  
22 shall not include making or fitting special barrels,  
23 stocks, or trigger mechanisms to firearms.”;

24 (2) by inserting after paragraph (29) the fol-  
25 lowing:

26 “(30)(A) The term ‘frame or receiver’—

1           “(i) means a part of a weapon that provides or  
2           is intended to provide the housing or structure to  
3           hold or integrate 1 or more fire control components,  
4           even if pins or other attachments are required to  
5           connect those components to the housing or struc-  
6           ture;

7           “(ii) includes a frame or receiver, blank, cast-  
8           ing, or machined body, that requires modification,  
9           including machining, drilling, filing or molding, to be  
10          used as part of a functional firearm, and which is  
11          designed and intended to be used in the assembly of  
12          a functional firearm, unless the piece of material has  
13          had—

14                 “(I) its size or external shape altered solely  
15                 to facilitate transportation or storage; or

16                 “(II) solely its chemical composition al-  
17                 tered.

18          “(B) For purposes of subparagraph (A)(i), if a weap-  
19          on with more than 1 part that provides the housing or  
20          a structure designed to hold or integrate 1 or more fire  
21          control or essential components, each such part shall be  
22          considered a frame or receiver, unless the Attorney Gen-  
23          eral has provided otherwise by regulation with respect to  
24          the specific make and model of weapon on or before Janu-  
25          ary 1, 2022.”; and

1 (3) by adding at the end the following:

2 “(36) The term ‘ghost gun’—

3 “(A) means a firearm, including a frame or re-  
4 ceiver, that lacks a unique serial number engraved  
5 or cast on the frame or receiver by a licensed manu-  
6 facturer or importer in accordance with this chapter;  
7 and

8 “(B) does not include—

9 “(i) a firearm that has been rendered per-  
10 manently inoperable;

11 “(ii) a firearm identified by means of a  
12 unique serial number assigned by a State agen-  
13 cy and engraved or cast on the receiver or

2           cylinder, trigger mechanism, firing pin, striker, and  
3           slide rails.”.

4           (b) PROHIBITION; REQUIREMENTS.—Section 922 of  
5 title 18, United States Code, is amended by adding at the  
6 end the following:

7           “(aa)(1) The Congress finds and declares the fol-  
8           lowing:

9           “(A) Firearms tracing is the systematic track-  
10          ing of the movement of a firearm recovered by law  
11          enforcement officials from the first sale of a firearm  
12          by the manufacturer or importer through the dis-  
13          tribution chain (including the wholesaler and re-  
14          tailer) to the first retail purchaser.

15          “(B) Law enforcement agencies across the  
16          country work with the Bureau of Alcohol, Tobacco,  
17          Firearms and Explosives to trace firearms and  
18          thereby obtain investigative leads in the fight  
19          against violent crime and terrorism.

20          “(C) The ability of law enforcement agencies to  
21          trace a firearm is dependent on the serial number or  
22          other marks on the firearm that identify the manu-  
23          facturer or importer who manufactured or imported  
24          the firearm and that are unique to the firearm.

1           “(D) Interstate gun trafficking interferes with  
2 lawful commerce in firearms and significantly con-  
3 tributes to gun crime. Of the 254,700 firearms  
4 traced by the Bureau of Alcohol, Tobacco, Firearms  
5 and Explosives in 2018, 71,910 of those firearms  
6 were originally sold by a licensed firearms dealer in  
7 a State other than the State where the firearms  
8 were recovered. These guns made up 28.2 percent of  
9 all firearm recoveries in 2018.

10           “(E) Even before the sale of a firearm, the gun,  
11 its component parts, and the raw materials from  
12 which they are made have considerably moved in  
13 interstate commerce.

14           “(F) If unserialized and untraceable firearms  
15 may be constructed and transported freely from  
16 State to State, ordinary citizens and foreign visitors  
17 may fear to travel to or through certain parts of the  
18 country due to concern about violent crime and gun  
19 violence, and law enforcement agencies may be un-  
20 able to address it.

21           “(2)(A) Except as provided in subparagraph (B), it  
22 shall be unlawful for any person to manufacture, sell, offer  
23 to sell, transfer, purchase, or receive a ghost gun in or  
24 affecting interstate or foreign commerce.

25           “(B) Subparagraph (A) shall not apply to—

1           “(i) the manufacture of a firearm by a licensed  
2           manufacturer if the licensed manufacturer complies  
3           with section 923(i) before selling or transferring the  
4           firearm to another person;

5           “(ii) the offer to sell, sale, or transfer of a fire-  
6           arm to, or purchase or receipt of a firearm by, a li-  
7           censed manufacturer or importer before the date  
8           that is 30 months after the date of enactment of the  
9           Untraceable Firearms Act of 2021; or

10           “(iii) transactions between licensed manufactur-  
11           ers and importers on any date.

12           “(3) It shall be unlawful for a person other than a  
13           licensed manufacturer or importer to engrave or cast a  
14           serial number on a firearm in or affecting interstate or  
15           foreign commerce unless specifically authorized by the At-  
16           torney General.

17           “(4) Beginning on the date that is 30 months after  
18           the date of enactment of the Untraceable Firearms Act  
19           of 2021, it shall be unlawful for any person other than  
20           a licensed manufacturer or importer to knowingly possess  
21           a ghost gun in or affecting interstate or foreign commerce.

22           “(5) Beginning on the date that is 30 months after  
23           the date of enactment of the Untraceable Firearms Act  
24           of 2021, it shall be unlawful for any person other than  
25           a licensed manufacturer or importer to possess a ghost

1 gun in or affecting interstate or foreign commerce with  
2 the intent to sell or transfer the ghost gun with or without  
3 further manufacturing or to manufacture a firearm with  
4 the ghost gun.

5 “(6)(A) It shall be unlawful for any person to sell,  
6 offer to sell, or transfer, in or affecting interstate or for-  
7 eign commerce, to any person other than a licensed manu-  
8 facturer a machine that has the sole or primary function  
9 of manufacturing firearms.

10 “(B) Except as provided in subparagraph (A), begin-  
11 ning on the date that is 180 days after the date of enact-  
12 ment of the Untraceable Firearms Act of 2021, it shall  
13 be unlawful for any person other than a licensed manufac-  
14 turer to possess, purchase, or receive, in or affecting inter-  
15 state or foreign commerce, a machine that has the sole  
16 or primary function of manufacturing firearms.

17 “(C) Subparagraph (B) shall not apply to a person  
18 who is engaged in the business of selling manufacturing  
19 equipment to a licensed manufacturer who possesses a ma-  
20 chine with the intent to sell or transfer the machine to  
21 a licensed manufacturer.”.
