

117TH CONGRESS  
2D SESSION

# H. R. 7400

To direct the Secretary of Health and Human Services to conduct a demonstration program to test providing preferential treatment under the Medicare, Medicaid, and CHIP programs for certain drugs and biologicals manufactured in the United States.

---

## IN THE HOUSE OF REPRESENTATIVES

APRIL 5, 2022

Ms. CRAIG (for herself and Mr. MULLIN) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committee on Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To direct the Secretary of Health and Human Services to conduct a demonstration program to test providing preferential treatment under the Medicare, Medicaid, and CHIP programs for certain drugs and biologicals manufactured in the United States.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “American Made Phar-  
5 maceuticals Act of 2022”.

1     **SEC. 2. DEMONSTRATION PROGRAM TO TEST PROVIDING**  
2                 **PREFERENTIAL TREATMENT UNDER THE**  
3                 **MEDICARE, MEDICAID, AND CHIP PROGRAMS**  
4                 **FOR CERTAIN DRUGS AND BIOLOGICALS**  
5                 **MANUFACTURED IN THE UNITED STATES.**

6     Part A of title XI of the Social Security Act (42  
7 U.S.C. 1301 et seq.) is amended by inserting after section  
8 1150C the following:

9     **“SEC. 1150D. DEMONSTRATION PROGRAM TO TEST PRO-**  
10                 **VIDING PREFERENTIAL TREATMENT UNDER**  
11                 **THE MEDICARE, MEDICAID, AND CHIP PRO-**  
12                 **GRAMS FOR CERTAIN DRUGS AND**  
13                 **BIOLOGICALS MANUFACTURED IN THE**  
14                 **UNITED STATES.**

15     “(a) IN GENERAL.—Not later than 1 year after the  
16 date of enactment of this section, the Secretary shall con-  
17 duct a demonstration program (in this section referred to  
18 as the ‘Program’) under which U.S. manufactured drugs  
19 are given preference under titles XVIII, XIX, and XXI  
20 compared to drugs that are not U.S. manufactured drugs  
21 through the use of applicable tools.

22     “(b) SITES.—The Program shall be conducted in at  
23 least 8 States.

24     “(c) DURATION.—The Secretary shall conduct the  
25 Program for a period of not less than 7 years.

26     “(d) DEFINITIONS.—In this section:

1           “(1) APPLICABLE DRUG.—The term ‘applicable  
2       drug’ means—

3               “(A) a drug that is approved and marketed  
4       under section 505(j) of the Federal Food,  
5       Drug, and Cosmetic Act;

6               “(B) a biological product that is licensed  
7       and marketed under section 351(k) of the Pub-  
8       lic Health Service Act; or

9               “(C) a critical drug.

10          “(2) APPLICABLE U.S.-BASED PHARMA-  
11       CEUTICAL COMPANY.—The term ‘applicable U.S.-  
12       based pharmaceutical company’ means a manufac-  
13       turer (as defined in section 1860D–14A(g)(5))—

14               “(A) that has a manufacturing location in  
15       the United States for an applicable drug;

16               “(B) beginning 3 years after the date of  
17       the implementation of the Program, for which  
18       at least 50 percent of the starter products, by  
19       weight, for the applicable drugs manufactured  
20       by manufacturer are derived from countries  
21       other than covered nations (as defined in sec-  
22       tion 4871(d)(2) of title 10, United States  
23       Code); and

24               “(C) that, as determined by the Sec-  
25       retary—

1                 “(i) maintains an appropriate level of  
2                 transparency on locations of manufac-  
3                 turing;

4                 “(ii) maintains an appropriate level of  
5                 diversity in sourcing;

6                 “(iii) maintains appropriate levels of  
7                 inventory and emergency reserves;

8                 “(iv) has in place an appropriate ac-  
9                 tion plan for increases in demand and for  
10                 when links in the supply chain break down;  
11                 and

12                 “(v) meets any other characteristics  
13                 the Secretary determines appropriate.

14                 “(3) APPLICABLE TOOLS.—The term ‘applica-  
15                 ble tools’ means tools determined appropriate by the  
16                 Secretary, such as—

17                 “(A) preferential treatment on a for-  
18                 mulary;

19                 “(B) providing lower cost-sharing;

20                 “(C) waiving rebates under the Medicaid  
21                 program under title XIX;

22                 “(D) establishing a Medicare Star Rating  
23                 under part D of title XVIII; or

1               “(E) providing bonus payments to providers of services and suppliers under part B of  
2               title XVIII.

3               “(4) CRITICAL DRUG.—In this section, the term  
4               ‘critical drug’ includes the following:

5               “(A) A medicine, medical countermeasure,  
6               or critical input identified on the list under section  
7               3(c) of Executive Order 13944 of August  
8               6, 2020 (85 Red. Reg 49929; relating to essential  
9               medicines, medical Countermeasures, and  
10               critical inputs).

11               “(B) A drug or biological that—

12               “(i) is not described in subparagraph  
13               (A);

14               “(ii) is approved and marketed under  
15               section 505(c) of the Federal Food, Drug,  
16               and Cosmetic Act or is licensed and mar-  
17               keted under section 351(a) of the Public  
18               Health Service Act (or is an active phar-  
19               maceutical ingredient of such a drug or bi-  
20               ological); and

21               “(iii) the Secretary determines—

22               “(I) is—

1                             “(aa) likely to be needed for  
2                             use in a public health emergency;  
3                             or  
4                             “(bb) at high risk of short  
5                             supply; and  
6                             “(II) has a vulnerable global sup-  
7                             ply chain.

8                 “(5) U.S. MANUFACTURED DRUG.—The term  
9                     ‘U.S. manufactured drug’ means an applicable drug  
10                  that is manufactured in the United States by an ap-  
11                  plicable U.S.-based pharmaceutical company.

12                 “(e) ANNUAL REPORT TO CONGRESS.—Not later  
13                  than 1 year after the date the Secretary implements the  
14                  Program, and annually thereafter for as long as the Pro-  
15                  gram is being conducted, the Secretary shall submit to  
16                  Congress a report on activities under the Program, to-  
17                  gether with recommendations for such legislation and ad-  
18                  ministrative action as the Secretary determines to be ap-  
19                  propriate.

20                 “(f) WAIVERS.—The Secretary may waive such provi-  
21                  sions of this title and titles XVIII, XIX, and XXI as the  
22                  Secretary determines necessary in order to implement the  
23                  Program.

24                 “(g) ADMINISTRATIVE FUNDING.—There is author-  
25                  ized to be appropriated to the Secretary such sums as may

- 1 be necessary for the administrative expenses of carrying
- 2 out the Program, to remain available until expended.”.
