---

## A BILL

To require elementary schools and secondary schools that receive Federal funds to obtain parental consent before facilitating a child’s gender transition in any form, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Empower Parents to  
5 Protect Their Kids Act of 2022”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

1           (1) School districts across the country are vio-  
2           lating parental and familial rights by encouraging or  
3           instructing staff to deceive or withhold information  
4           from parents if their child expresses confusion about  
5           their gender and is seeking to “transition”. Without  
6           parental knowledge or consent, schools are facili-  
7           tating “social gender transitions” by changing the  
8           names and pronouns of children in school, or even  
9           allowing children to change which sex-segregated fa-  
10          cilities they use, such as rest rooms, locker rooms,  
11          and dormitories or other housing for overnight field  
12          trips.

13           (2) Powerful teachers unions and activist orga-  
14          nizations are pressuring more schools to adopt poli-  
15          cies to enable and encourage children, of any age, to  
16          change their “gender identity” at school without pa-  
17          rental notice or consent.

18           (3) Contrary to the unfounded assertions of ac-  
19          tivists, “socially transitioning” a child is not an evi-  
20          dence-based practice and it is not a neutral or  
21          uncontroversial decision. This practice is an experi-  
22          mental social and psychological intervention that has  
23          immediate effects on a child’s psychology and a high  
24          likelihood of changing the life path of a child. A “so-  
25          cial gender transition” may make it more difficult

1 for a child to reverse course later on, thereby in-  
2 creasing the likelihood that the child will continue on  
3 to a “medical transition”, resulting in life-changing,  
4 irreversible consequences.

5 (4) Any policies that attempt to circumvent pa-  
6 rental authority are a violation of parents’ constitu-  
7 tionally protected rights to direct the care, custody,  
8 and upbringing of their children as recognized by  
9 the Supreme Court. Further, policies that withhold  
10 information from parents or ask children about inti-  
11 mate details of their family life violate Federal stat-  
12 utes designed to uphold a parent’s rights and duties  
13 in education. School districts implementing such  
14 policies are misrepresenting or entirely ignoring  
15 these statutes and constitutional protections.

16 (5) Schools should never be allowed to intrude  
17 on family life by misleading or excluding parents  
18 and confusing children.

19 **SEC. 3. REQUIREMENT OF PARENTAL CONSENT.**

20 (a) IN GENERAL.—No Federal funds shall be made  
21 available to any elementary school or secondary school un-  
22 less the elementary school or secondary school, with re-  
23 spect to students enrolled at the school who have not yet  
24 reached 18 years of age, complies with each of the fol-  
25 lowing requirements:

1           (1) School employees do not proceed with any  
2           accommodation intended to affirm a student’s pur-  
3           ported “gender identity”, where the student’s pur-  
4           ported “gender identity” is incongruous with the  
5           student’s biological sex, or any action to facilitate a  
6           “gender transition”, including referral or rec-  
7           ommendation to any third-party medical provider,  
8           unless the employees have received express parental  
9           consent to do so.

10           (2) School employees do not facilitate, encour-  
11           age, or coerce students to withhold information from  
12           their parents regarding the student’s “gender transi-  
13           tion” or the student’s purported “gender identity”,  
14           where the student’s purported “gender identity” is  
15           incongruous with the student’s biological sex.

16           (3) School employees do not withhold or hide  
17           information from parents about a student’s desired  
18           “gender transition” or a student’s purported “gen-  
19           der identity”, where the student’s purported “gender  
20           identity” is incongruous with the student’s biological  
21           sex.

22           (4) School employees do not encourage, pres-  
23           sure, or coerce the parents of students, or students  
24           themselves, to proceed with any treatment or inter-  
25           vention to affirm the student’s purported “gender

1 identity”, where that “gender identity” is incon-  
2 gruous with the student’s biological sex.

3 (b) RULES OF CONSTRUCTION.—Nothing in this sec-  
4 tion shall be construed—

5 (1) to prevent a school employee from con-  
6 tacting appropriate legal authorities about an immi-  
7 nent threat to a student’s physical safety in the  
8 event that the school employee knows or has a rea-  
9 sonable suspicion that the student is at risk of phys-  
10 ical abuse, as defined in section 1169 of title 18,  
11 United States Code; or

12 (2) to deprive any parent of the right to be in-  
13 volved in a child’s actions or discussions about gen-  
14 der transition, without the due process of law.

15 (c) ENSURING COMPLIANCE.—The head of each Fed-  
16 eral agency shall require each application for Federal as-  
17 sistance submitted by a State educational agency or local  
18 educational agency to the head of such Federal agency—

19 (1) to describe the steps that each elementary  
20 school and secondary school served by the State edu-  
21 cational agency or local educational agency proposes  
22 to take to ensure compliance with the requirements  
23 under this section and how these steps preserve and  
24 protect the authority of the family; and

25 (2) to ensure that—

1 (A) a copy of the written policy that each  
2 elementary school and secondary school served  
3 by the State educational agency or local edu-  
4 cational agency has to ensure compliance with  
5 the requirements under this section is provided  
6 to the head of such Federal agency and to the  
7 families of enrolled students; and

8 (B) each such policy is clearly and publicly  
9 posted on the website of the school.

10 (d) CIVIL ACTION FOR CERTAIN VIOLATIONS.—

11 (1) IN GENERAL.—A qualified party may, in a  
12 civil action, obtain appropriate relief with regard to  
13 a designated violation.

14 (2) ADMINISTRATIVE REMEDIES NOT RE-  
15 QUIRED.—An action under this section may be com-  
16 menced, and relief may be granted, without regard  
17 to whether the party commencing the action has  
18 sought or exhausted any available administrative  
19 remedy.

20 (3) DEFENDANTS IN ACTIONS UNDER THIS  
21 SECTION MAY INCLUDE GOVERNMENTAL ENTITIES  
22 AS WELL AS OTHERS.—An action under this section  
23 may be brought against any elementary school or  
24 secondary school receiving Federal financial assist-

1       ance or any governmental entity assisting an elemen-  
2       tary school or secondary school.

3               (4) NATURE OF RELIEF.—In an action under  
4       this section, the court shall grant—

5                       (A) all appropriate relief, including injunc-  
6       tive relief and declaratory relief;

7                       (B) to a prevailing plaintiff, reasonable at-  
8       torneys' fees and litigation costs; and

9                       (C) payment for treatments or therapy  
10      needed to repair harm to the child perpetuated  
11      by pursuit of “gender transition” determined  
12      necessary by the parent and the child's medical  
13      providers.

14               (5) ATTORNEYS FEES FOR DEFENDANT.—If a  
15      defendant in a civil action under this subsection pre-  
16      vails and the court finds that the plaintiff's suit was  
17      frivolous, the court shall award a reasonable attor-  
18      ney's fee in favor of the defendant against the plain-
