## A BILL

To direct the Attorney General to conduct a study on animal cruelty, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Animal Violence Ex-  
5       poses Real Threat of Future Violence Act of 2022” or the  
6       “AVERT Future Violence Act of 2022”.

7       **SEC. 2. DEFINITIONS.**

8       In this Act:

1                             (1) ANIMAL CRUELTY.—The term “animal cru-  
2                             elty”—

3                             (A) means—

4                                 (i) intentionally, knowingly, or reck-  
5                             lessly harming or killing an animal, includ-  
6                             ing maiming, mutilating, torturing, wound-  
7                             ing, poisoning, engaging in animal fight-  
8                             ing, and sexually abusing an animal, or at-  
9                             tempting to do so; or

10                                 (ii) intentionally or knowingly neglect-  
11                             ing or depriving an animal of necessary  
12                             sustenance or shelter, or attempting to do  
13                             so; and

14                             (B) does not include any conduct that is—

15                                 (i) customary and normal veterinary,  
16                             agricultural husbandry, or other animal

  - (x) any other nonprofit, nongovernmental organization.

1   **SEC. 3. STUDY ON ANIMAL CRUELTY, UNDERLYING FAC-**  
2                   **TORS, AND FUTURE ACTS OF HUMAN VIO-**  
3                   **LENCE.**

4       (a) IN GENERAL.—Not later than 3 years after the  
5   date of enactment of this Act, the Attorney General, act-  
6   ing through the Director of the National Institute of Jus-  
7   tice, shall carry out a study—

8                   (1) on the underlying factors that contribute to  
9   acts of animal cruelty committed by individuals; and  
10                  (2) that analyzes acts of animal cruelty as a  
11   predictor of future violence against humans.

12       (b) CONTENT OF STUDY.—In carrying out the study  
13   under subsection (a), the Director of the National Insti-  
14   tute of Justice shall—

15                  (1) specifically examine, through a review of  
16   scientific literature, original research, and expert  
17   input, as appropriate—

18                      (A) evidence-informed risk factors associ-  
19   ated or correlated with individuals who commit  
20   acts of animal cruelty;

21                      (B) whether certain acts of animal cruelty  
22   can be correlated with certain evidence-in-  
23   formed risk factors (such as whether the acts of  
24   animal torturing, tormenting, mutilation, maim-  
25   ing, poisoning, organized abuse, such as animal  
26   fighting, sexual abuse, abandonment, or neglect,

1           are associated with the same or different evi-  
2           dence-informed risk factors);

3                 (C) whether certain acts of animal cruelty  
4                 demonstrate a tendency or likelihood to commit  
5                 a future act of violence against humans;

6                 (D) the types of violence against humans  
7                 most commonly associated with certain acts of  
8                 animal cruelty (such as domestic violence and  
9                 assault); and

10                 (E) recommendations of areas in which fu-  
11                 ture research on animal cruelty is needed; and

12                 (2) develop best practices for—

13                 (A) early interventions that prevent acts of  
14                 animal cruelty; and

15                 (B) interventions with individuals who  
16                 have committed acts of animal cruelty to pre-  
17                 vent future acts of violence.

18                 (c) RECOMMENDATIONS.—The Director of the Na-  
19                 tional Institute of Justice shall submit to Congress a re-  
20                 port containing the specific policy recommendations, based  
21                 on the study conducted under this section, for legislative  
22                 and regulatory action at the Federal, State, and local lev-  
23                 els to—

1                             (1) address the evidence-informed risk factors  
2                             that may contribute to acts of animal cruelty com-  
3                             mitted by individuals; and

4                             (2) develop effective interventions and diversion  
5                             strategies for both juvenile and non-juvenile offend-  
6                             ers who have been convicted of criminal offenses in-  
7                             volving animal cruelty that reduce the likelihood of  
8                             offenders committing future violent acts against  
9                             both humans and animals.

10 **SEC. 4. STOP FUTURE VIOLENCE GRANT PROGRAM.**

11                         (a) IN GENERAL.—The Attorney General is author-  
12                         ized to establish a grant program to provide assistance to  
13                         eligible entities to develop and strengthen effective detec-  
14                         tion strategies, and early intervention or diversion re-  
15                         sources, to stop acts of animal cruelty and rehabilitate off-  
16                         fenders.

17                         (b) USE OF FUNDS.—A grant awarded under this  
18                         section may be used to provide personnel, training, tech-  
19                         nical assistance, data collection, and other resources for  
20                         the apprehension, prosecution, adjudication, and mental  
21                         and behavioral health treatment of persons committing  
22                         acts of animal cruelty, for the rehabilitation of perpetra-  
23                         tors and the prevention of future acts of animal cruelty  
24                         or violence against humans, and specifically, for the pur-  
25                         poses of—

## 21 SEC. 5. AUTHORIZATION OF APPROPRIATIONS.

22 There are authorized to be appropriated—

23                         (1) for the purposes of carrying out section 3,  
24                         \$2,000,000 for fiscal year 2023, to remain available  
25                         until expended; and

1                   (2) for the purposes of carrying out section 4,  
2                   \$2,000,000 for each of fiscal years 2023 through  
3                   2027.
