RESOLUTION

Expressing the sense of the House of Representatives that President Biden's gun policies are unconstitutional and should never be approved.

Whereas President Biden’s Executive actions on homemade firearms, such as 3D printed firearm files or unfinished receiver blanks, are an unconstitutional attack on Americans exercising their Second Amendment rights;

Whereas President Biden has called for Congress to pass unconstitutional laws requiring background checks on all firearm transfers, unconstitutionally banning “assault weapons” and “high-capacity magazines”, and holding law-abiding gun manufacturers liable for the acts of criminals;

Whereas President Biden’s gun restriction proposals would effectively ban commonly owned firearms and magazines used for lawful purposes;

Whereas President Biden’s gun restriction proposals would criminalize private firearm transfers; and

Whereas President Biden’s gun restriction proposals would seek to hold gun manufacturers and dealers civilly liable, encouraging abuse of the court system to drive them out of business through meritless litigation: Now, therefore, be it
