

Chance Bond, a ten-year-old boy that resides in the Sixth District of Tennessee, was born with hypoplastic left heart syndrome, or HLHS. He had received three open heart surgeries by the age of two. He is now ten years old and his mother, Amanda Bond, says that he is still living his life to the fullest. I was blessed to meet Chance last year when he visited Washington, D.C. His courage and bravery at such a young age is truly an inspiration.

Fewer than 10 percent of adults with congenital heart disease are receiving the recommended care they need. Congenital Heart Defect Awareness Week provides the opportunity for patients and families affected by this condition to share their experiences and knowledge, so that the general public may be made aware of how this defect affects their lives. I urge all of my colleagues to support the recognition of February 7–14th as Congenital Heart Disease Awareness Week.

RECOGNIZING THE TEXAS NURSES ASSOCIATION

HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, February 5, 2021

Ms. JOHNSON of Texas. Madam Speaker, I rise today in recognition for and in support of the Texas Nurses Association during their 2021 Nurse Day at the Texas State Capitol. Nurses from across my home state will gather virtually to make their voices heard.

It is critical that the concerns of our frontline essential workers are heard by policymakers at the local, state, and federal levels. The timing could not be more apropos as our nation is still faced with fighting the COVID-19 public health global crisis. As the first Registered Nurse elected to the Congress, I am grateful that nurses across Texas are convening today to support of one another. They will learn about the health landscape in Texas, meet with legislators, and discuss ways that they can positively influence policy. It is essential that nurses are supported by our policies and programs, and I look forward to continuing my work in the House of Representatives to bring light to the needs of our medical professionals in Texas and across the nation.

Prior to my time as a federal legislator, I had first-hand knowledge of the hard work, sacrifices, and expertise that nurses bring to their work. Therefore, during these particularly challenging times, we must provide nurses with the adequate resources to meet the dangerous demands of the nursing profession. My commitment to recognizing their selfless contributions to the medical field will always remain at the forefront of my work in the Congress.

Madam Speaker, I am proud to rise in support of Texas nurses during the Texas Nurses Association 2021 Nurses Day at the state Capitol. I invite House colleagues to join me in honoring the sacrifices and tireless work of nurses in Texas and across these United States.

CONDEMNING THE BEHAVIOR OF
CONGRESSWOMAN MARJORIE
TAYLOR GREENE

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, February 5, 2021

Mr. PAYNE. Madam Speaker, I rise today to condemn the behavior, comments, and beliefs of Rep. MARJORIE TAYLOR GREENE of Georgia.

Rep. GREENE has stated or shown support for a number of baseless conspiracy theories and criminal actions against American elected officials and institutions. Even before she represented the people of Georgia's 14th District, Rep. GREENE said or supported beliefs that 1) House Speaker NANCY PELOSI should be shot, 2) the terrorist attacks on September 11, 2001 did not happen, and 3) the shooting at a Parkland, FL high school that killed 17 people was staged.

Since Rep. GREENE has been elected to Congress, she has continued her horrific, incendiary and anti-American rhetoric and behavior. Rep. GREENE has encouraged and incited the disgraceful attack on our nation's Capitol Building on January 6, 2021 as well as acts of violence against former presidents of the United States. She has posted on social media a split-screen picture of herself with an AR-15 automatic weapon on one side and three female Members of Congress on the other with the caption, "The Squad's Worst Nightmare." No Member of Congress should have to worry about being in pictures with an AR-15 pointed at them. As a deliberative body, we debate, and we disagree. But we do not abide death threats of any sort.

Her attempted apology on the House floor was just a disingenuous attempt at covering her true beliefs. Never once did she address the violent comments towards Democratic Leadership that she made or agreed with.

The Republican leadership refused to punish Rep. GREENE for her statements and behavior. In fact, they thought it was a good idea to put her on the House Education and Labor Committee. For a Member of Congress to claim that the Parkland tragedy is fake and then be assigned to the Education Committee is outrageous. It is a slap in the face to all the families who lost children and loved ones during that horrible day.

Never at any point has Rep. GREENE fully recanted, repudiated nor apologized for any of her statements and behavior. Every day she is a sitting Member of Congress brings shame and dishonor to the U.S. House of Representatives. Her actions are absolutely unacceptable and beneath the dignity of this body. I strongly believe that Rep. GREENE poses a continuous threat to the safety of several Members of this body and the institutions that have been the pride of America for more than 200 years.

That is why I voted for the removal of Rep. MARJORIE TAYLOR GREENE from all committee assignments and will further push for her removal from Congress.

HONORING THE LIFE OF MR. JAY
SCOTT MYERS

HON. TONY GONZALES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, February 5, 2021

Mr. TONY GONZALES of Texas. Madam Speaker, I rise today to recognize the remarkable life of the late Jay Scott Myers. A World War II veteran and longtime resident of Carrizo Springs, Texas, Jay passed away on Sunday, January 3, at the age of 99. I ask my colleagues to join me in honoring his achievements and extending my condolences to his loved ones.

Born to Cullie Scott and William S. Myers in Houston on March 22, 1921, Jay graduated from San Jacinto High School and enrolled in the prestigious Harvard College in 1938. As an undergraduate, he majored in economics and participated in Naval ROTC until his graduation in 1942. That same year, he was commissioned to the USS *Mississippi* in San Francisco and deployed as a gunnery officer to the Pacific Ocean.

In 1944, Jay served valiantly in the Battle of the Philippines, a major victory against Japanese Imperial Forces. He was also scheduled to take part in the invasion of Japan in the fall of 1945, but the war came to a close with the dropping of the atomic bomb.

Back home, Jay accomplished the goal of a lifetime, and married the late Lucille White of Carrizo Springs, a childhood neighbor to his parent's adjoining ranch. When Jay first met Lucille at the age of eleven, he said to himself, "That's the girl I'm going to marry", and more than a decade later, he fulfilled that promise.

Joined in matrimony, the couple made a life for themselves in Houston, where Jay worked for his father's company, Myers-Spalti. While living in Houston, the couple had three of their four children: Barbara, Scott and Marilyn. In 1953, Jay thought that ranch life in a small town sounded exciting, so the family moved to Carrizo Springs in 1953 where they had their fourth child, Beverly.

Over the rest of Jay's life in Carrizo Springs, he actively participated in his community's civic life. In 1953, he helped found the area's Lion's Club, where he engaged in the scholarship committee and helped youth develop leadership skills. He also served as County Judge from 1954 through 1958, served on the Chamber of Commerce, and played an active role in the American Legion, where he oversaw the Homecoming Parade for 25 years.

Jay was also a member of numerous commissions, including the Hospital Board and Library Board. He was also appointed to the Underground Water Conservation Board by Texas Governor Dolph Briscoe. In 1976, Jay was named Citizen of the Year, and he served steadfastly as Republican County Chairman for thirty years.

Madam Speaker, Jay's accomplishments are truly extraordinary, and his legacy will be remembered for many years to come. I extend my thoughts and prayers to his family and ask all of my colleagues to join me in honoring the life of Mr. Jay Scott Myers.
