

progress toward making Congress more transparent and accountable to those we serve.

In 2010, I introduced a resolution calling for a 72-hour period of public availability before the House could bring a bill up for a vote, so Members of the House and the public could actually see what was in a bill before we were asked to vote for it. In 2011, the proposal was adopted into House rules as a 3-day rule.

But, sadly, this year's House rules package abolished that rule. It is incredibly sad to see that this House is moving backward and making government less open and less accountable to those we were sent here to represent.

CREATING A COVID-19 VICTIMS AND SURVIVORS MEMORIAL DAY

(Mr. STANTON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STANTON. Madam Speaker, last week, we mourned half a million American lives lost to the coronavirus. Their absence in our communities is difficult to comprehend.

Sadly, many are facing the reality that it has now been more than a year without their loved ones. Tragically, many of them died alone, without loved ones to say good-bye.

To honor and memorialize those lost and those impacted by the virus, I introduced a resolution designating the first Monday in March as COVID-19 Victims and Survivors Memorial Day. Commemorating this memorial day is an important marker for all those affected across the country and to help our country heal from this trauma.

In my home State, this day of recognition has been pushed by two advocates who lost their fathers to COVID-19. Kristin Urquiza and Tara Krebbs turned their grief into action and have mobilized more than 100 cities and multiple States to recognize today as a memorial day.

Long after our Nation moves beyond this ordeal, we will need to collectively recognize all that we have lost and the trauma of what we have experienced.

Together, we can overcome.

A BILL FOR POLITICIANS, NOT PEOPLE

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, the top priority bill of the House of Representatives this year for the Democrats seems to be H.R. 1, known as the For the People Act.

What people is this going to benefit? For the politicians act, you might call it. It helps politicians and hacks like The Lincoln Project, not the people.

For example, if this bill passes, a political candidate raising approximately \$800,000 in their campaign under cer-

tain guidelines could have the Federal Government match funds up to \$6 million that could be used for anything put into campaign—\$6 million of your Federal dollars going into a single congressional race under the right conditions.

These formulas are geared to ratchet up from the previous election cycle. As we know, campaigns get more expensive each time; so does the match.

Also, under this bill, the Federal Government would hand out \$25 vouchers to every voter in three chosen States to donate to candidates. How much will that cost just to administer a program like that? We know the Federal Government doesn't do that cheaply, maybe \$25 per check to give each \$25 contribution.

If you hand a bureaucrat a hammer, they will see everything as a nail. The new system fines more people in order to raise funds for this campaign giveaway. The fines will go up, and businesses will be hurt, all in order to provide something not for the people.
