

Ambassador to the United Nations, Samantha Power worked through back channels to trigger a Treasury review of ISRA's sanctioned status in an effort to have them delisted.

In an effort to have these emails unredacted and better understand Ms. Power's involvement in what could be an alarming abuse of power, I sent a letter to Ms. Power and USAID requesting information on February 18, 2021. Ms. Power responded to my letter on March 23, 2021, the date of her committee hearing, but failed to answer the questions or provide the unredacted versions of these emails. On March 31, 2021, I sent a second letter to Ms. Power urging her to fully respond to my initial letter. I have yet to receive a response.

Unfortunately, due to Ms. Power's lack of transparency, I must object to any consideration of this nomination. I cannot in good conscience vote for Ms. Power until I have received a full response to the questions posed in my letter, reviewed the unredacted versions of these emails, and confirmed that she did not attempt to utilize her office to delist ISRA through back channels.
