LABOR, HEALTH AND HUMAN SERVICES, EDUCATION, AGRICULTURE, RURAL DEVELOPMENT, ENERGY AND WATER DEVELOPMENT, FINANCIAL SERVICES AND GENERAL GOVERNMENT, INTERIOR, ENVIRONMENT, MILITARY CONSTRUCTION, VETERANS AFFAIRS, TRANSPORTATION, AND HOUSING AND URBAN DEVELOPMENT APPROPRIATIONS ACT, 2022

SPEECH OF

**HON. GREG STANTON**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 27, 2021*

Mr. STANTON. Madam Speaker, I want to commend Chair DELAUNO and Chair PINGREE for their work on this bill and the significant progress it makes in addressing so many issues that have impacted tribes across the nation, including Arizona.

This is by far the most funding provided to tribal nations in the history of our country, and I appreciate your commitment to consulting with tribal governments as this bill was drafted.

The bill before us includes funding for staffing newly opened health facilities. Very near my district, the River People's Health Center, located on the Salt River Pima Maricopa Indian Community Reservation, is one of these new facilities.

I am grateful it would fully fund the Indian Health Service's (IHS) request for staff at the River People Health Center, and that language is included to ensure the facility will receive staffing funding should the opening date come earlier than IHS currently projects.

However, I also understand that the Community has raised concerns with the IHS that the funding request does not include 11 positions that are in the original authorized staffing plan for the Health Center.

Unfortunately, while the Community sent a letter more than two months ago requesting clarification and justification for this discrepancy, they have yet to receive a response.

While this issue is being worked out between the Community and IHS, I would ask that the Committee continue to work with me to ensure the final bill will fully fund the authorized staffing levels and 638 contracts for the newly-opened facilities, as agreed to in the final contract between the tribe and the federal government.

Chairwoman Chellie Pingree:

I want to thank the gentleman from Arizona for raising this concern and for his consistent support for strong funding for Tribal Nations. I am proud to say that our subcommittee has strongly supported Tribal priorities and programs, because we know that these accounts are still far underfunded and oversubscribed.

I also want to thank him for his support of the Indian Health Services' River People's Health Center on the Salt River Reservation. I am very pleased that this bill provides the

funding necessary to open this new facility and others across the nation. With the pandemic still raging in many parts of the Country, it is essential that we get these facilities up and running as soon as possible.

Staffing for new facilities is an issue we closely monitor. We look forward to updates on negotiations between the Salt River Pima Maricopa Indian Community and IHS and will work with our colleagues in the Senate as the situation evolves.

I thank Madam Chair for her support. I look forward to working with her and supporting the wellbeing of our Tribal communities.

IN HONOR OF GARY'S BAR-B-CUE

**HON. TED BUDD**

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. BUDD. Madam Speaker, I rise today to honor the time-tested excellence of Gary's Bar-B-Cue, a local favorite and culinary staple of the town of China Grove.

The North Carolina barbecue place, owned and operated by Gary Ritchie, celebrated 50 years of business on April 21, 2021. The restaurant's popularity and longevity can largely be attributed to Gary's principled commitment to "Good food, good service, and a clean restaurant." Gary's Bar-B-Cue epitomizes the core American values of hard work, determination, and generosity that fuel small business success and turn paying customers into lifelong friends.

Like many business owners, Gary Ritchie's start in the barbecue business began before he opened his own shop. After six years of working in curb service at Johnson's Barbecue, Gary converted a former Gulf Oil service station into his own restaurant, eventually expanding the venue's capacity three times. Gary's Bar-B-Cue now accommodates up to 216 diners. The building's seating expansion testifies not only to business success, but to Gary's aim to make everyone feel at home in his restaurant.

Gary's is a family business—but not just because Gary and Sylvia Ritchie married the

year before they opened the restaurant. While the Ritchies have worked together throughout their restaurant's tenure, Gary and his staff make a point of treating every customer like kin, and many customers keep coming back because of the friendly service. Some might even say that Gary's barbecue dip is the only sauce around that runs thicker than blood.

For Gary, his family, and staff, the business was never merely about turning a profit. Over the decades, Gary's has become much more than just a restaurant serving up delicious southern food and barbecue. The China Grove establishment regularly hosts community organizations and groups that come for a good meal—yes—but foremost to belong. Through it all, Gary seems to have had his sights set on something loftier than pulled pork—namely, making every diner in his restaurant feel known and respected, regardless of where they come from, the clothes on their back, or even their political affiliation.

In a culture of heightened fear, animosity, and division, perhaps we could learn a thing or two from the slow-cooked wisdom of Gary Ritchie: "The easiest thing in the world is to be nice to people. It don't cost you nothing." Please join me in celebrating the enduring success of Gary Ritchie and Gary's Bar-B-Cue.

#### CELEBRATING THE 100TH ANNIVERSARY OF UNION MEDICAL CENTER

##### HON. RALPH NORMAN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. NORMAN. Madam Speaker, I rise today to commemorate the 100th anniversary of the Union Medical Center in Union, South Carolina.

Founded as the Wallace Thomas Hospital in 1921, Union Medical Center is a 143-bed acute care hospital that has provided critical medical services to the citizens of Union County throughout the last century. Residents are undoubtedly safer as a result of the high quality care provided here.

Union Medical Center has stood the test of time and has consistently risen above and beyond public health challenges to meet the needs of its community. In 2015, under the leadership of President Paul Newhouse, Union Medical Center overcame financial distress and joined the Spartanburg Regional Healthcare System, providing patients with greater access to enhanced services, multi-specialty physicians, and more advanced technologies.

More recently, through the Healthy Outcomes Program, Union Medical Center has worked to meet the needs of uninsured patients and help them purchase lifesaving medications and supplies such as insulin and glucometers. Union Medical Center has also implemented a telestroke program to provide quick, high level stroke care for patients. The hospital's commitment to excellence in treating patients with symptoms of a stroke resulted in the earning of Acute Stroke Ready certification from Det Norske Veritas, an international certifier.

Doctors, nurses, and other employees at Union Medical Center have worked tirelessly

through the ongoing COVID-19 pandemic to save countless lives throughout the rural county. I commend these healthcare workers for their selfless and brave sacrifices. These heroes deserve our deepest gratitude.

On behalf of the 5th Congressional District of South Carolina, I congratulate Union Medical Center on 100 years of outstanding service. I am grateful for their ongoing investments in the future of healthcare in Union County, and I look forward to a new century of continued medical excellence.

#### IN HONOR OF duWAYNE AMEN

##### HON. TED BUDD

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 29, 2021*

Mr. BUDD. Madam Speaker, I rise today to honor the extraordinary career of duWayne Amen.

duWayne is retiring from his position as Director of Facilities at Summit School in Winston-Salem, North Carolina. duWayne started at Summit School in 1976 with an acute skill for all things mechanical. In the following 45 years, duWayne became ingrained in nearly every aspect of Summit's community and physical development, as he oversaw a number of expansion projects within the school.

Madam Speaker, it is not often that the influence of an individual's career is physically visible, but one walk through Summit School's campus is a testament to duWayne's hard work and dedication. Men like duWayne are hard to come by, and everyone who met him is better for it, myself included.

When asked about the way he hopes to be remembered, duWayne responded: "That I was professional-minded, to the point of being a perfectionist. But I enjoyed a good laugh. I wanted always to make things better than I found them. And that I really care about people, especially children." This is exactly how I remember duWayne and his work during my years at Summit.

You see, duWayne and I started about the same time, except he was graduating from Wake Forest University and I was starting kindergarten. duWayne was my bus driver, and because we lived on a farm so far away, we really got to know each other on those long drives. A lot of my love for the woodshop, mechanical shop, and life in general, came from duWayne, and I'm very grateful for him.
