EXTENSIONS OF REMARKS

RECOGNIZING THE WORK OF COLONEL PETER J. WEINA

HON. GERALD E. CONNOLLY
OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES

Friday, September 9, 2022

Mr. CONNOLLY. Madam Speaker, I rise to recognize Colonel Peter J. Weina, Ph.D., MD, FACP, FIDSA upon his retirement from the Office of Research Protections at the Defense Health Agency. Colonel Weina has served for 45 years in various federal capacities, and his dedicated service will be sorely missed.

Colonel Weina joined the United States Army right out of high school and completed both a bachelor's and a master's degree in zoology at the University of Wisconsin Madison. As a second lieutenant, he completed a Ph.D. in pathology and parasitology, also at UW Madison. After 4 years at the Walter Reed Army Institute of Research (WRAIR), he entered medical school at the Uniformed Services University of Health Sciences. Mr. Weina then completed an internship and residency in internal medicine at Tripler Army Medical Center and a fellowship in infectious diseases at the Walter Reed Army Medical Center.

Colonel Weina, a board-certified doctor in both internal medicine and infectious diseases, also holds a Certificate of Knowledge in clinical tropical medicine and travelers' health. From his time as Chief of Pharmacology at WRAIR and subsequently as Director of Viral Diseases, to his fellowships with the American College of Physicians and the Infectious Diseases Society of America, Colonel Weina has proven himself a competent leader and a measured presence in the medical field.

Over his illustrious career, Colonel Weina has published over 70 articles in peer-reviewed journals, five chapters in books, and two books of his own. He has worked to expand the availability and licensure of intravenous Artesunate, the first new anti-malarial drug since the advent of quinine over 300 years ago. In 2020, this life-saving treatment was licensed by the Food and Drug Administration.

Colonel Weina formerly headed the only College of American Pathologists-accredited leishmaniasis diagnostics laboratory in the world. He has received numerous awards for his work, including the Federal CDC Silo Buster's Collaborative Award of Excellence in 2008, the Colonel George W. Hunter III Certificate in 2011, and the Bronze Star for Service. Colonel Weina's accolades extend far beyond these, as many have recognized his courage, passion, and dedication to bettering his community. He has combined the opportunity to serve his country with the chance to advance our medical knowledge and capabilities, and our Nation is better off for his efforts.

Madam Speaker, I ask my colleagues to join me in congratulating Colonel Peter J. Weina for his 45 years of service to the United States. His contributions to our Nation are innumerable and his impact has been felt by countless Americans. He has been an inspiration and a mentor to the next generation of health professionals, and I wish him the best in his retirement and may happiness and success find him in all future endeavors.

CONCERN OVER RUTGERS REPORT ON INCREASE IN ANTI-HINDU DISINFORMATION

HON. RAJA KRISHNAMOORTHI
OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES

Friday, September 9, 2022

Mr. KRISHNAMOORTHI. Madam Speaker, I rise to express concern following a recent report published by The Network Contagion Research Institute (NCRI) at Rutgers University on an increase in anti-Hindu disinformation and Hinduphobic rhetoric on social media platforms such as 4chan, Telegram, Gab, and Twitter. As a religious, cultural, and ethnic minority of Indian and Hindu heritage, I am especially concerned that hateful rhetoric and disinformation can serve as a precursor to violence in the real-world.

NCRI's study, which reviewed social media content ranging from January 2019 to June 2022, found that Hinduphobic tropes—such as the portrayal of Hindus as evil, dirty, tyrannical, genocidal, irredeemable, or disloyal—"are prominent across the ideological spectrum and are being deployed by fringe web communities and state actors alike."

Among many concerning findings, this report exposes that organized non-state actors such as ISIS have mounted disinformation campaigns to suggest that "Hindu Extremists" are responsible for attacks proven to be perpetrated by ISIS.

In addition, the study found a proliferation of anti-Hindu attacks in white supremacist communities. Specifically, NCRI identified a growing reference on Twitter to the idea that Hindus are "pajee" who are dirty, backwards, and perverted. Similarly, memes on Twitter in white supremacist channels borrow antisemitic tropes, such as the idea of a "Zionist Occupied Government." Further, the "pajee" slur is found throughout the platform 4chan and has been used by white supremacists in white nationalist podcasts in reference to violence towards Indians and Indian Americans.

We need not search far and wide to understand how hate speech, and specifically Hinduphobia, can translate to real-world violence perpetrated against innocent civilians. For example, John Earnest, the white supremacist shooter of the Chabad Synagogue in San Diego in 2019, repeatedly referenced "pajee" in his manifesto. This is but one example that warrants our collective attention.

Madam Speaker, we must do everything we can to combat hate and racially and religiously motivate violence against the 2.5 million Hindus living in the United States, the one billion Hindus around the world, and the millions of other religious minorities of all faiths across the globe. As the proud author of the Hate Crimes Commission Act, and cosponsor of recently enacted legislation to encourage the DOJ to prosecute hate crimes against religious, ethnic, and racial minorities, I will continue to fight to combat hate in all its forms, whether it be Hinduphobia, Islamophobia, or any other form of hate. Similarly, as the author of the Anti-Bullying Act and as Co-Chair of the Congressional LGBTQ+ Equality Caucus, I will continue to fight to combat homophobia and transphobia.

Hinduphobia to date is largely unknown, and the authors of the NCRI study note that "the essential first step in combating hate speech is to call it out." Today, I am endeavoring to use my platform as a Member of the U.S. House of Representatives to call out this disturbing trend, a meaningful preliminary action in combating hatred towards a community that contributes greatly to the cultural fabric and economic prosperity of our diverse nation. To that end, I call on all Members of Congress to stand alongside me in condemning this concerning rise in hateful rhetoric and threats of violence.

RECOGNIZING THE ACCOMPLISHMENTS OF LLOYD LEWIS

HON. JASON CROW
OF COLORADO
IN THE HOUSE OF REPRESENTATIVES

Friday, September 9, 2022

Mr. CROW. Madam Speaker, I, along with Representative DIANA DEGETTE, rise today to recognize the accomplishments of Lloyd Lewis and congratulate him on receiving the World Citizenship Award from Civilian International for his nearly two decades of tireless advocacy for individuals with intellectual and developmental disabilities.

Lloyd made the transition to advocacy following the birth of his son, Kennedy, who was diagnosed with Down Syndrome. This diagnosis led Lloyd to leave a successful career in finance to begin his journey as CEO of Arc Thrift Stores of Colorado—an organization that supports advocacy services for Coloradans with intellectual and developmental disabilities since its founding in 1968.

Under Lloyd’s extraordinary leadership, Arc has become one of Colorado’s largest employers of individuals with intellectual and developmental disabilities through their Ambassador program which Lloyd created. The Ambassador program provides employment with full pay and benefits to individuals with disabilities, in addition to free social, educational, and professional development support.

The impactful work by Lloyd and Arc doesn’t stop there. Arc has donated money, supplies, and vouchers to several non-profits throughout Colorado when the need arises. In recent years, Arc has donated to the Boulder Marshall Fire Relief, COVID relief, and to Ukrainian refugees.

With this award, Lloyd joins the ranks of distinguished recipients such as former President
Dwight D. Eisenhower and Sir Winston Churchill. The World Citizenship Award is not given out annually, rather presented based on merit to those who have made a significant difference to mankind.

Lloyd is a shining example for how we should all strive to live our lives—as passionate, dedicated advocates for the diversity and inclusion of all people. There is no doubt our community is a better place because of Lloyd’s leadership at Arc. We congratulate him on receiving this award and thank him for his tireless work advocating for vulnerable communities in Colorado.

HONORING MINNESOTA STATE REPRESENTATIVE CONNIE BERNARDY

HON. ILHAN OMAR
OF MINNESOTA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Ms. OMAR. Madam Speaker, I rise today to honor Minnesota State Representative Connie Bernardy for her hard work, accomplishments, and service as a member of the Minnesota House of Representatives. Within her eight terms at the legislature, Rep. Bernardy has been a champion for her constituents and especially on the issues of Higher Education and Transportation. I had the great pleasure in serving alongside Representative Bernardy in 2017 and 2018.

Rep. Bernardy was first elected to the Minnesota House of Representatives in 2000. She served until 2006 when she decided to switch roles and work for Education Minnesota as a government-relations specialist. She later returned to the House when she was reelected in 2012. Within her District 41A, she currently represents neighborhoods in Fridley, New Brighton, and Spring Lake Park. Rep. Bernardy is the current Chair of the Higher Education Finance and Policy Committee, where she made significant progress on making higher education more affordable for students in Minnesota.

During her fight for students, she has been a strong advocate on hunger free campuses, improving access through tuition and textbook affordability, dedicated funding for higher ed students of color training to become teachers. As a transportation leader, Rep. Bernardy has pushed for long-term sustainable multi-modal transportation funding. Focused on ensuring safe access to active transportation for Minnesotans who walk, bike, or have a disability.

Growing up in the area, Rep. Bernardy truly knows her community and has fought for well-deserved changes. Key legislation that I want to recognize is her work on the Springbrook Wetland Restoration Project, the first urban wetland restoration of its kind in the nation; securing funding to establish the upcoming bus rapid transit F-Line; replacing the Railroad Bridge in New Brighton; enacting an Aquatic Invasive Species Emergency Response Plan for Long Lake; and spearheading the creation of the U.S. Environmental Protection Agency Citizen Advisory Committee.

Although her time in the legislature is coming to an end, her work and towards her community and its legacy will never end. Representative Bernardy will truly be missed in the Minnesota House of Representatives.

HONORING ALYCE EAGANS

HON. DEREK KILMER
OF WASHINGTON
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. KILMER. Madam Speaker, I rise today to honor the legacy of Alyce Eagans, a beloved local activist and civil rights pioneer of Washington’s Sixth Congressional District.

Born in Little Rock, Arkansas, in 1929, Eagans moved to Bremerton with her family in 1946. She married Loxie Eagans in 1949, and together they helped to found the Kitsap Chapter of the NAACP along with other community activists James and Lillian Walker and Al and Hazel Colvin. They had two children, Phyllis and Loxie, Jr.

She passed away in 2016 from cancer but when she got her diagnosis, she didn’t let that slow her down. Alyce Eagans was a pillar of the community. After settling in Bremerton, she worked in the supply office at Puget Sound Naval Shipyard for 20 years and once she retired, she moved on to a career in the Bremerton School District, where she worked in the superintendent’s office for 17 years. Eaguans continued to volunteer with the school district even after retirement.

During her 70 years in Kitsap County, Eagans took on many leadership roles including PTA president when her children attended school in Bremerton, president of the local NAACP chapter and of the Washington State United Christian Church Ushers. She worked with Dianne Robinson to help find the Black Historical Society of Kitsap County, and was also named an active member of theYWCA, the Bremerton Central “Lady Lions” and the Kitsap County Historical Society.

Members of our community called her the Mother of the community, go-getter, mentor, activist, stalwart, and full of endless energy. As the Bremerton NAACP Unit 1134 hosts their annual Freedom Fund Banquet: Black Women are Supreme this weekend—it’s my honor to recognize the legacy of a very impactful woman in our community whose legacy will live on for years to come.

CELEBRATING THE 100TH ANNIVERSARY OF TELESCOPE CASUAL FURNITURE IN GRANVILLE, NEW YORK

HON. ELISE M. STEFANIK
OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 9, 2022

Ms. STEFANIK. Madam Speaker, I rise today to congratulate Telescope Casual Furniture on their 100th Anniversary in Granville, New York. For over a hundred years, Telescope Casual Furniture has thrived as a family business committed to Made in America manufacturing and community engagement.

Henry Joseph William Vanderminden Sr. founded Telescope Cot Bed & Novelty Co. in 1903. Mr. Vanderminden began producing new cots and camp stools with telescoping legs, giving the company its trademark and name. Vanderminden was an incredible innovator and used the same contemporary mass production techniques as Ford Motor Co. to produce his furniture.

In the early 20th century, Granville was facing an economic decline as the slate industry was slowing. Granville residents, concerned for the future of their home, founded the Granville Community Association to revitalize Granville’s economic viability. The Granville Community Association recruited Vanderminden and persuaded him to move Telescope to Granville in 1921. Today, the partnership between Telescope and Granville remains vibrant.

After nearly 120 years in business, Telescope continues to serve as a great example of the entrepreneurial spirit that defines Upstate New York and the North Country and is a testimony of an incredible locally-owned and family-owned business. Telescope Casual Furniture is a staple in the Granville community. From the iconic Telescope water tower to the neighborhood businesses, Telescope has been a mainstay in the Granville Little League. Telescope Casual Furniture has left an indelible impact on the Granville community. As Granville’s largest private employer, Telescope provides hundreds of high-skilled jobs in New York’s 21st District and produces high-quality products that are in demand across the country.

The tremendous economic impact that Telescope Casual Furniture has had on Granville cannot be overstated, and I look forward to witnessing their continued success. On behalf of New York’s 21st Congressional District, it is my honor to celebrate the incredible impact Telescope Casual Furniture has had on the Granville community for the last 100 years.

SPECIAL RECOGNITION OF THE 75TH ANNIVERSARY OF THE ANDERSONS, INC.

HON. ROBERT E. LATTA
OF OHIO
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. LATTA. Madam Speaker, I rise today to recognize and celebrate the 75th anniversary of The Andersons, Inc. The Andersons has a remarkable history within the City of Maumee and the dynamic region. Over the last 75 years, The Andersons has been committed to its mission of providing extraordinary service to both customers and local communities.

Located in Maumee, Ohio, The Andersons was founded in 1947 by Harold and Margaret Anderson under the name of Andersons Truck Terminal. Their first facility was built to speed up deliveries and cut down the lines of grain trucks. The 9 truck bays provided efficient service and a rapid turnaround for local farmers. The company established a rail-to-truck loading area on the Maumee River which gave The Andersons access to Lake Erie to ship their grain.

During their first two decades, The Andersons started a retail store, added additional grain storage facilities, and began fertilizer blending. With the opening of the St. Lawrence Seaway in 1959, The Andersons were able to ship products out of the Great Lakes. To accommodate this expansion, the company opened the first deep-water grain loading facility on the U.S. side of the Great Lakes. The company continued to open new elevators, including the first elevator in the U.S. that could load 100 car unit trains. In the 1970s, as grain receipts tripled, and the company’s river elevator was expanded.

The 1980s saw the organization converting the Straw Mansion at the former Notre Dame College into affordable rental apartments for Manchester’s workforce. It is both fitting and proper that Syf’s service to the community be recognized with the David P. Goodwin Outstanding Neighbor Award, and I can think of no one more deserving of the title “outstanding neighbor.”

Syf’s vision for a safer, cleaner Manchester has made the Queen City one of the largest metropolitan centers in New Hampshire, and we owe him and his wife, Cecile, a debt of gratitude for their dedication to our state. On behalf of my constituents in New Hampshire’s 1st Congressional District, I want to congratulate Sylvio Dupuis for his tireless commitment to Manchester and thank him for his outstanding contributions to the community.

Whether it be major fires, car accidents, or various incidents in between, members of the Lenola Volunteer Fire Company have consistently answered the call to service in people’s times of need.

RECOGNIZING SYLIO DUPUIS

HON. CHRIS PAPPAS
OF NEW HAMPSHIRE
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. PAPPAS. Madam Speaker, I rise today in recognition of Sylvio Dupuis and his lifelong service to the city of Manchester, where he was born and raised. A proud alumnus of Manchester schools and Saint Anselm College, Syl became an optometrist and built a successful private practice while also serving in the Air National Guard. This spirit of service was best embodied by Syf’s two terms as Mayor of Manchester and his emphasis on finding community-based solutions for the Queen City’s most pressing issues.

Syf’s steadfast leadership and expertise led to a major revitalization effort in Central Manchester, which saw funding secured from HUD to purchase the former Sacred Heart Hospital. Today, this facility is home to ninety-five subsidized rental apartments operated by the Manchester Housing and Redevelopment Authority. Syf’s involvement in the community extended well past his two terms as Mayor, including his role as a founding President of Catholic Medical Center, Commissioner of Health and Human Services, and later Commissioner of Insurance.

Syf’s leadership on housing issues also benefited NeighborWorks in their formative years, resulting in the organization converting the Straw Mansion at the former Notre Dame College into affordable rental apartments for Manchester’s workforce. It is both fitting and proper that Syf’s service to the community be recognized with the David P. Goodwin Outstanding Neighbor Award, and I can think of no one more deserving of the title “outstanding neighbor.”

Over the years, the Lenola Volunteer Fire Company has been dedicated to providing extraordinary service to both customers and local communities.
While they have been there to help in times of emergency, they have also provided numerous programs and events for community outreach for people to enjoy. From their 69-year-old Easter egg hunt to various other Mooriestown traditions, you can often find Lenola Volunteer Fire Company supporting other local activities.

Not only have volunteers gained recognition by residents in the Mooriestown area, but they have also been recognized throughout the state of New Jersey for their skills in the field and years of service. Across all of New Jersey, Lenola Volunteer Fire Company is well-known for their outstanding accomplishments in fire truck musters and competing with various fire departments across the state. Awarded the Presidents Trophy four times, with 3 of those being in consecutive years, Lenola Volunteer Fire Company has showcased the success and expertise of their firefighters year after year.

Our volunteer firefighters are integral to building and maintaining the safer, more secure, and more connected communities we wish to live in. On the centennial anniversary of the Lenola Volunteer Fire Company, I thank each of their volunteers over the years for their service to our communities.

RECOGNIZING PAUL WEBSTER FOR 50 YEARS SERVING WITH HOUSING AND URBAN DEVELOPMENT
HON. GERALD E. CONNOLLY OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. CONNOLLY. Madam Speaker, it is my honor to recognize a leading figure in the practice of community and economic development, Mr. Paul Webster.

Mr. Webster serves as the Director of the Financial Management Division in the Office of Community Planning and Development for the U.S. Department of Housing and Urban Development. Mr. Webster’s commitment to public service is unparalleled, his five-decade-long career focused on creating resilient communities, suitable living environments, and economic opportunities for low- and moderate-income persons and families.

Mr. Webster joined the Department in 1972 and has served in this position since 1983. In this role, Mr. Webster oversees the Section 108 loan guarantee program, a transformational program and resource for low-income communities, including funding for critical economic development projects and facilitation of affordable housing solutions that would otherwise not be possible.

He spearheaded the expansion of the Section 108 program. Over the course of his career, Mr. Webster has overseen an unprecedented 2,000 loan guarantee commitments with a total value close to $10 billion. These numbers underscore his work to provide the much-needed resources that revitalize American communities and ensure everyone has a chance to succeed.

Mr. Webster also championed legislation that established the Economic Development Initiative (EDI), which provided grant funds to support and enhance the use of Section 108 loan guarantees and the subsequent Brownfields EDI to help address environmental cleanup efforts, returning contaminated property to sustainable use. His expertise also extends to helping students create their work and neighborhood stabilization activities targeted at addressing the effects of abandoned and foreclosed housing.

He is one of the leading experts on financial management and is happy to provide guidance and advice to individuals, organizations, and federal, state, and local partners for the Department. Equally important, Mr. Webster has been and continues to be a mentor to the next generation of community development and financial management professionals, reflected in the esteem of his colleagues, staff, and external partners.

Madam Speaker, I ask that my colleagues join me in honoring this remarkable public servant, whose expertise, tenacity, and creativity in economic and community development has helped to improve the lives of so many in communities for the better. Paul Webster has tirelessly dedicated himself to making life better for countless Americans. I hope his continuing legacy inspires us all to renew our commitments to serving our communities.

RECOGNIZING BARBARA L. CHAVEZ
HON. NORMA J. TORRES OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mrs. TORRES of California. Madam Speaker, I rise today to honor the life and work of my constituent, the late Barbara L. Chavez. Barbara was a leader in our community in a variety of ways, including as a Board Member of the Fontana Unified School District and member of the Planning Commission for the City of Rialto.

Barbara was devoted to helping others. She worked as a teacher’s aide for many years, and from 2003 to 2006 served as the first Latina President of United Steelworkers Local 8599, where she represented childcare providers, substitutes, and college tutors. In 2008, Barbara was elected to the Fontana Unified School Board where she served for 8 years, continuing her service to the children and educators of her community.

In 2018, Barbara Chavez was selected to be a member of the Planning Commission for the City of Rialto, where she would go on to serve as Vice Chair. Her work on the Planning Commission contributed to many projects that benefit the city and residents of Rialto and continue to play a pivotal role in the economic development of our region.

Barbara shined as the embodiment of generosity and compassion. As an active parishioner at St. John Catholic Church, she worked tirelessly to help those in need throughout Rialto and beyond.

Sadly, our community is now in mourning. On Sunday, August 21st, Barbara tragically passed away in a traffic collision. I offer my deepest condolences to her friends and family on their loss.

For her outstanding accomplishments and her contributions to her community, it is my honor to recognize Barbara L. Chavez. Her years of civic service and commitment to the people of Rialto and Fontana are worthy of the highest commendation. May she rest in peace and her family find comfort during this time. She will be missed.

RECOGNIZING DR. SHELTAL SHAH, MD, FAAFP

HON. KATHLEEN M. RICE
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Miss RICE of New York. Madam Speaker, I rise today to recognize Dr. Sheltal Shah, MD, FAAFP, for his advocacy on the behalf of New York’s children and for his many years serving as a resource to my office.

A noted pediatrician, neonatologist, and researcher, Dr. Shah has tirelessly fought to protect the well-being of children. He has promoted increased funding for childhood vaccinations and children’s hospitals and improving the Medicaid and CHIP programs to ensure children always have access to the care they need. He is a voice for his fellow doctors, and his efforts will help guarantee that medical school graduates continue to pursue careers in pediatrics and pediatric specialties in underserved communities.

Dr. Shah has also played a critical role in promoting public health throughout the COVID–19 pandemic by hand-delivering protective equipment to doctors across Long Island. His determination provided children in our communities with the critical care they needed.

In New York, and across the country, we are incredibly fortunate to have people like Dr. Shah, whose work ensures that our children grow into healthy adults. I would like to commend Dr. Shah for his commitment to public health and to the children of New York’s Fourth Congressional District.

HONORING THE LIFE AND SERVICE OF GERARD “ROD” GAYNOR, JR.

HON. JOE COURTNEY
OF CONNECTICUT
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. COURTNEY. Madam Speaker, I rise today to mourn the loss Gerard “Rod” Gaynor Jr, of New London, Connecticut who passed away on August 29, 2022, at age 80. Rod was a 37-year-long career for committing both his heart and mind to the Department.

Upon his retirement from the force, Rod became the more active within the City and its local institutions. It was a kind of insurmountable commendations he received throughout his 37-year-long career for committing both his heart and mind to the Department.

If you were to ask him, however, one of the accomplishments he prized himself in most was performing the role of the first full-time, permanent Deacon of St. Joseph’s Church. A devoted husband, father and grandfather, Rod eventually made the difficult decision to move from New London to live closer to his family in the neighboring town of Waterford. He of course remained active within the local communities, maintaining strong ties to the city while also becoming elected to Waterford’s Representative Town Meeting.

Madam Speaker, it is nothing short of inspiring when constituents, like Rod, remain loyal and dedicated to giving back to the very communities that were so formational in their own upbringings. It is a mission that speaks a thousand words about one’s character. Rod dedicated his life in service to the People of New London and was known to be gentle in every relationship. He will be sorely missed by all who knew him, and we remain forever grateful that there are so many community members to carry on his name and memory. This includes his wife, Carole, of more than 58 years, his four children, Maureen, Teresa, Christine, and “Rod” III, grandchildren and great-grandchildren as well as the greater community. To that end, Madam Speaker, it is fitting that my colleagues in the House join me in uplifting the memory of Gerard “Rod” Gaynor, Jr.

SPECIAL RECOGNITION OF THE MARSH FOUNDATION’S 100TH ANNIVERSARY

HON. ROBERT E. LATTAN
OF OHIO
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. LATTAN. Madam Speaker, I rise today to recognize and celebrate the 100th anniversary of the Marsh Foundation. The Marsh Foundation has a remarkable history within Van Wert and the surrounding community. Over the last 100 years, the Foundation has been committed to its mission of inspiring hope, teaching others, and caring for children and families.

The Marsh Foundation was made possible by the family of George and Hilinda Marsh. George, Hilinda, and their daughter Katie donated their substantial estate for the purpose of helping children and families in need. The concept for the Foundation originated when George and Hilinda were traveling through Van Wert on their way home from Fort Wayne, Indiana when they noticed two small boys huddled together in a dark doorway. Their mother was working that evening, so the boys had nowhere to go and there was no one around to help. Their mother was working that evening, so the boys had nowhere to go and there was no one around to help. The sight of the cold, young boys drove the compassionate Marshes to use their resources to help those in need.

Through his will, George Marsh created a foundation to benefit youth in the area. His will provided $5,000,000 for the establishment of the Foundation. During the last 100 years, the Marsh Foundation has provided many services including: on-campus group homes for boys ages ten to seventeen, a specialized residential program for male juvenile sex offenders, a strong network of foster homes, clinical services, an on-campus school for youth in care, and a full-time activities program for youth.

Madam Speaker, I ask my colleagues to join me in paying special tribute to the Marsh Foundation and its staff, past and present, on the remarkable occasion of the one hundredth anniversary, community members and Ohio residents recognize the contribution of the Foundation to our region and community. Congratulations to the Marsh Foundation on this significant milestone.

COMMENDING JOAN W. SACAROB AND DONALD A. SACAROB

HON. GERALD E. CONNOLLY
OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. CONNOLLY. Madam Speaker, I rise to recognize the lifetime of service that Joan and Donald Sacarob have dedicated to Hadassah, a non-profit organization that seeks to expand women’s rights and their leadership capacity. Hadassah embodies Jewish values to advance health equity, fight antisemitism, and equip women with the tools they need to make a difference in their communities.

Hadassah’s mission is to provide education, advocacy, and youth development opportunities to enhance the lives of those in their community. Their work extends to the Hadassah Medical Organization to research cutting-edge medical procedures and provide first-rate care for those who need it. To these ends, they connect and empower Jewish women to lead by example.

The organization traces its origins back to the extraordinary public service of Henrietta Szold, who dedicated her life to ameliorating disease and starvation that were disproportionately affecting Jewish people. She founded youth villages to house Jewish children who fled their homelands as Nazi troops invaded Eastern Europe. Her legacy of care has rippled outward for over a century. Hadassah was awarded a Nobel Peace Prize nomination for their work to offer world-class medical care to all, regardless of race, ethnicity, or national origin, following their commitment to building a bridge to peace through medicine.

For 50 consecutive years, Joan Sacarob has served Hadassah with national portfolios focused on advocacy and philanthropy. Her husband Donald has served as the National Associate Vice President of Hadassah, the
Foster Love exemplifies love and dignity, and I could not be happier to recognize Amber Richardson for the Angels of Adoption Award. I salute and thank Amber for her impression upon the Omaha community, which will be felt for years to come.

HONORING THE 50TH ANNIVERSARY OF THE NEW YORK STATE MILITARY OFFICERS ASSOCIATION OF AMERICA COUNCIL OF CHAPTERS

HON. ELISE M. STEFANIK OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 9, 2022

Ms. STEFANIK. Madam Speaker, I rise today to celebrate the 50th Anniversary of the New York State Military Officers Association of America (MOAA) Council of Chapters. The New York State MOAA Council has worked hard to bring New York State’s chapters together since its charter in 1972 and is now the only state council to have held fifty consecutive conventions. It is my honor to recognize the dedication of New York State’s chapters to MOAA’s mission as they celebrate this incredible achievement in New York’s 21st District.

Since 1972, the New York State MOAA Council has worked hard to promote the “Never Stop Serving” motto of MOAA. In 1970, Lt. Col. Leslie Reichardt, United State Air Force (Ret.) led the New York MOAA Chapters in uniting to create a Council of Chapters. The Council was chartered on October 7, 1972 with the goal of promoting camaraderie and selfless service among its members.

MOAA works to bring the voices of all military officers to the highest levels of government through leading the charge on fighting for fair compensation and benefits for all members of the military community. The New York State MOAA Council fosters relationships among military officers at every stage of their career, so they can work together to protect the rights and interests of officers and their families. This work has led them to be the top ranked association in advocating for all members of the uniformed services for 15 years. Not only do member chapters work for the military community, they also are active within their communities and support a wide variety of service member organizations.

On behalf of New York’s 21st District, I want to congratulate the New York State MOAA Chapter of Councils on 50 years of loyal service to our military officers. And I want to thank all of you and your families for selflessly dedicating your lives to our Nation’s armed services. I thank them for their service.

RECOGNIZING LEILANI CAAMAL

HON. JASON CROW OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, September 9, 2022

Mr. CROW. Madam Speaker, I rise today to recognize the accomplishments of 17-year-old Leilani Caamal, who has broken barriers to become a tackle football star and wrestling standout.
Since she was nine years old, Leilani has tackled the stereotype that girls can’t and don’t play football. Leilani put on shoulder pads and a helmet to play tackle football like her brother. In the past two years, she’s emerged as an All-American linebacker for the Mile High Blaze, a women’s semi-pro tackle football team that is a part of the Women’s Football Alliance.

Leilani represents the future of women’s tackle football as it continues to grow in popularity. She’s currently a linebacker on the Vista Peak High School boys varsity football team working to be a leader and role model for young girls both on and off the field. Like the trailblazers who paved the way before her, Leilani wants to inspire girls and young women by demonstrating the opportunities and choices available to them.

Leilani not only excels on the football field, but is also leading the way in the growth of women’s wrestling across the country. With big Olympic and gold medal aspirations, I have no doubt Leilani’s courage and perseverance will bring her success whether it’s in football or wrestling.

Young women like Leilani represent the future of tackle football and women’s sports—fostering and promoting an accepting environment for young women and girls to pursue their athletic goals. Leilani motivates and inspires not only her peers, but the next generation of young female athletes who have their eyes on male-dominated sports. I am proud to recognize Leilani for her athletic successes and thank her for her relentless pursuit fighting for an inclusive environment for women in sports.

RECOGNIZING THE 50TH ANNIVERSARY OF THE NATIONAL ACTIVE AND RETIRED FEDERAL EMPLOYEES DULLES CHAPTER 1241

HON. GERALD E. CONNOLLY OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES
Friday, September 9, 2022

Mr. CONNOLLY. Madam Speaker, I rise to congratulate the National Active and Retired Federal Employees (NARFE) Dulles Chapter 1241 on its 50th anniversary. The Northern Virginia region is home to tens of thousands of federal employees and many retirees who have chosen to stay in the region. Throughout their careers, these dedicated civil servants have given their time and effort to serve their fellow Americans, and NARFE has consistently provided them with coordinated support.

Founded in 1921, NARFE is a nonpartisan organization dedicated to protecting and enhancing the earned pay, retirement, and health care benefits of federal employees and retirees as well as their spouses and survivors. Dulles Chapter 1241 is one of more than 1600 NARFE chapters nationwide.

The Charter for Chapter 1241 was issued June 21, 1972. At that time, there were nine members. Today, the Chapter membership has grown to approximately 350 members with another 400 national members in the Dulles jurisdiction. Chapter members have had a strong voice in many national and local legislative issues affecting federal retirees, senior citizens, and the public at large. In 2015, following the dissolution of the Leesburg Chapter, the Dulles Chapter welcomed many of these federal employees and retirees into their ranks with open arms. Chapter 1241 has worked from their founding to represent federal employees, but also to better their community.

This chapter has supported Alzheimer’s research for many years through regular drawings, the “Red Pot” for monthly donations, and the Alzheimer’s Christmas Challenge. Additionally, the Dulles chapter has sponsored several food drives for Fairfax County food pantries, collecting resources for those who have been hit the hardest by misfortune. Throughout the ongoing COVID–19 pandemic, the Dulles Chapter has seen its share of hardship, but these federal employees have still banded together to ensure that everyone’s needs are met.

Over the years, members have also participated in health and community fairs, auto shows, and other outreach activities. Additionally, many members have been active leaders in the Virginia Federation of NARFE. These accomplished federal employees have earned the attention and praise of numerous bodies, from Virginia state legislators to NARFE national leaders, as well as travel, medical, insurance, tax, and law enforcement experts.

Madam Speaker, I ask my colleagues to join me in congratulating the National Active and Retired Federal Employees Dulles Chapter 1241 for 50 years of dedicated service to Northern Virginia’s federal employees. These individuals are the lifeblood of our federal government, and I am grateful for their service and proud to represent such outstanding individuals. I wish them the best for their anniversary, and continued success in future endeavors.
