(4) a partnership or collaboration of entities described in paragraphs (1) through (3).
(e) CENTER FOR MARITIME INNOVATION.—
(1) IN GENERAL.—Not later than 1 year after the date of enactment of the Maritime Administration Authorization Act for Fiscal Year 2023, the Secretary of Transportation shall, through a cooperative agreement, establish a United States Center for Maritime Innovation (referred to in this subsection as the ‘Center’) to support the study, research, development, assessment, and deployment of emerging marine technologies and practices related to the maritime transportation system.
(2) SELECTION.—The Center shall be—
(A) selected through a competitive process of eligible entities;
(B) based in the United States with technical expertise in emerging marine technologies and practices related to the maritime transportation system; and
(C) located in close proximity to eligible entities with expertise in United States emerging marine technologies and practices, including the use of alternative fuels and the development of both vessel and shore-side infrastructure.
(f) COORDINATION.—The Secretary of Transportation shall coordinate with other agencies critical for science, research, and regulation of emerging marine technologies for the maritime sector, including the Department of Energy, the Environmental Protection Agency, the National Science Foundation, and the Coast Guard, when establishing the Center.
(g) FUNCTIONS.—The Center shall—
(A) support eligible entities regarding the development and use of clean energy and necessary infrastructure to support the deployment of clean energy on vessels of the United States;
(B) monitor and assess, on an ongoing basis, the current state of knowledge regarding emerging marine technologies in the United States;
(C) identify any significant gaps in emerging marine technologies research specific to the United States maritime industry, and seek to fill those gaps;
(D) conduct research, development, testing, and training for equipment, technologies, and techniques to address the components under subsection (a)(2);
(E) provide—
(i) guidance on best available technologies;
(ii) technical analysis;
(iii) assistance with understanding complex regulatory requirements; and
(iv) documentation of best practices in the maritime industry, including training and information on solutions for the maritime industry; and
(F) work with academic and private sector response training centers and Domestic Maritime Workforce Training and Education Centers of Excellence to develop maritime strategies applicable to various segments of the United States maritime industry, including the inland, deep water, and coastal fleets.”.

SEC. 3542. QUIETING FEDERAL NON-COMBATANT VESSELS.
(a) IN GENERAL.—The Secretary of Defense, in consultation with the Administrator of the National Oceanic and Atmospheric Administration, the Administrator of the Maritime Administration, and the Secretary of the department in which the Coast Guard is operating, shall, not later than 18 months after the date of enactment of this section, submit a report to Congress identifying any measure necessary to reduce vessel-generated underwater noise; and
(b) ELIGIBILITY.—For purposes of subsection (a), the term ‘vessel’ means—
(1) a United States vessel;
(2) a foreign vessel;
(3) a vessel owned or operated by a foreign government;
(4) a vessel owned or operated by a United States government agency or instrumentality; and
(5) a vessel not otherwise covered by clauses (1) through (4).
(c) VESSELS.—Activities carried out under a grant or cooperative agreement made under this section may be conducted on public vessels under the control of the Maritime Administration, upon approval of the Maritime Administration.

(15) the Chair of the Board of Governors of the Federal Reserve System;  
(16) the Secretary of Defense, the Assistant Secretary of the Army for Civil Works, and the Chief of Engineers and Commanding General of the Corps of Engineers;  
(17) the Chairman of the Joint Chiefs of Staff;  
(18) the Administrator of the United States Agency for International Development; and  
(19) other stakeholders the President determines appropriate.  
(c) CHAIRMANSHIP.—The committee shall be co-chaired by a senior representative of the President and the Deputy Administrator of the Federal Emergency Management Agency for Resilience.

SEC. 5105. REPORT REQUIRED.  
(a) In General.—Not later than 1 year after the date of enactment of this Act, and every 10 years thereafter, the President, with support from the committee, shall conduct and submit to Congress a detailed assessment of global catastrophic and existential risk.  
(b) Matters Covered.—Each report required under subsection (a) shall include—  
(1) expert estimates of cumulative global catastrophic and existential risk in the next 30 years, including separate estimates for the likelihood of occurrence and potential consequences;  
(2) expert-informed analyses of the risk of the most concerning specific global catastrophic and existential threats, including separate estimates, where reasonably feasible and credible, of each threat for its likelihood of occurrence and its potential consequences, as well as associated uncertainties;  
(3) a comprehensive list of potential catastrophic or existential threats, including even those that may have very low likelihood;  
(4) technical assessments and lay explanations of the associated global catastrophic and existential risks, including their qualitative character and key factors affecting their likelihood of occurrence and potential consequences;  
(5) an explanation of any factors that limit the ability of the President to assess the risk both cumulatively and for particular threats, and how those limitations may be overcome through future research or with additional resources, programs, or authorities;  
(6) a review of the effectiveness of intelligence collection, early warning and detection systems, or other functions and programs necessary to evaluate the risk of particular global catastrophic and existential threats, if any exist and as applicable for particular threats;  
(7) a forecast of if and why global catastrophic and existential risk is likely to increase or decrease significantly in the next 30 years, both qualitatively and quantitatively, as well as a description of associated uncertainties;  
(8) proposals for how the Federal Government may more adequately assess global catastrophic and existential risk on an ongoing basis in future years;  
(9) recommendations for legislative actions, as appropriate, to support the evaluation and assessment of global catastrophic and existential risk; and  
(10) other matters deemed appropriate by the President.  
(b) Consultation Requirement.—In producing the report required under subsection (a), the President, with support from the committee, shall consult with experts on global catastrophic and existential risks, including from non-governmental, academic, and private sector institutions.  
(c) Approval of Report.—The report submitted under subsection (a) shall be submitted in unclassified form, but may include a classified annex.

SEC. 5106. REPORT ON CONTINUITY OF OPERATIONS AND CONTINUITY OF GOVERNMENT PLANNING.  
(a) In General.—Not later than 180 days after the submission of the report required under section 5104, the President, with support from the committee, shall produce a report on the adequacy of continuity of operations and continuity of government plans based on the assessed global catastrophic and existential risk.  
(b) Matters Covered.—The report required under subsection (a) shall include—  
(1) a detailed assessment of the ability of continuity of government and continuity of operations to be maintained under emergency orders as defined by Executive Order 13961 (85 Fed. Reg. 79379; relating to governance and integration of Federal mission resilience), Presidential Policy Directive–40 (July 15, 2016; relating to national continuity policy), or successor policies, to maintain national essential functions following global catastrophes, both cumulatively and for particular threats;  
(2) an assessment of the need to revise Executive Order 13961 (85 Fed. Reg. 79379; relating to governance and integration of Federal mission resilience), Presidential Policy Directive–40 (July 15, 2016; relating to national continuity policy), or successor policies to account for global catastrophic and existential risk cumulatively or for particular threats;  
(3) an assessment of any technology gaps limiting mitigation of global catastrophic and existential risks for continuity of operations and continuity of government plans;  
(4) a budget proposal for continuity of government and continuity of operations programs necessary to adequately maintain national essential functions during global catastrophes;  
(5) recommendations for legislative actions and technology development and implementation actions necessary to improve continuity of government and continuity of operations plans and programs;  
(6) a plan for increased senior leader involvement in continuity of operations and continuity of government exercises; and  
(7) other matters deemed appropriate by the co-chairs of the committee.  
(c) Form.—The report required under subsection (a) shall be submitted in unclassified form, but may include a classified annex.

SEC. 5108. ENHANCED CATASTROPHIC INCIDENT ANNEX.  
(a) In General.—The President, with support from the committee, shall supplement each Federal Interagency Operational Plan to include an annex to ensure the health, safety, and general welfare of the civilian population affected by catastrophic incidents by—  
(1) providing for the basic needs of the civilian population of the United States that is impacted by catastrophic incidents in the United States;  
(2) coordinating response efforts with State and local governments, the private sector, and nonprofit relief organizations;  
(3) promoting personal and local readiness and non-reliance on government relief during periods of heightened tension or after catastrophic incidents; and  
(4) developing international partnerships with allied nations for the provision of relief services and goods.  
(b) Elements of the Strategy.—The strategy required under subsection (a) shall include a description of—  
(1) actions the President will take to ensure the basics needs of the civilian population of the United States in a catastrophic incident are met;  
(2) how the President will coordinate with non-Federal entities to multiplex resources and enhance relief capabilities, including—  
(A) State and local governments;  
(B) Tribal governments;  
(C) State disaster relief agencies;  
(D) State and local disaster relief managers;  
(E) State National Guards;  
(F) law enforcement and first response entities; and  
(G) nonprofit relief services;  
(3) actions the President will take to enhance individual resiliency to the effects of a catastrophic incident, which actions shall include—  
(A) readiness alerts to the public during periods of elevated threat;  
(B) efforts to enhance domestic supply and availability of critical goods and basic necessities; and  
(C) information campaigns to ensure the public is aware of response plans and services that will be activated when necessary;  
(4) efforts the President will undertake and agreements the President will make with international allies to enhance the readiness of the United States to provide for the general welfare;  
(5) how the strategy will be implemented should multiple levels of critical infrastructure be destroyed or taken offline entirely for an extended period of time; and  
(6) actions the President will take to convince the public that it would be implausible in responding to a catastrophic incident.  
(c) Assumptions.—In drafting the strategy under subsection (a), the President shall account for certain factors to make the strategy operationally viable, including the assumption that—  
(1) multiple levels of critical infrastructure have been taken offline or destroyed by catastrophic incidents or the effects of catastrophic incidents;  
(2) impacted sectors may include—  
(A) the transportation sector;  
(B) the communication sector;  
(C) the energy sector;  
(D) the healthcare and public health sector;  
(E) the water and wastewater sector; and  
(F) the financial sector;  
(3) State, local, Tribal, and territorial governments have been equally affected or made largely inoperable by catastrophic incidents or the effects of catastrophic incidents;  
(4) the emergency has exceeded the response capabilities of State and local governments under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.) and other relevant disaster response laws; and  
(5) the United States military is sufficiently engaged in ongoing conflict with State or non-State adversaries, or is otherwise unable to augment domestic response capabilities in a significant manner due to a catastrophic incident.  
(d) Existing Plans.—The President may incorporate existing contingency plans in the strategy developed under subsection (a) so long as those plans are amended to be operational in accordance with the requirements under this section.
restricted, annex to be made available to the appropriate committees of Congress and appropriate government entities.

SEC. 5107. VALIDATION OF THE STRATEGY FOR THE UNITED STATES.

Not later than 1 year after the addition of the annex required under section 5106, the Department of Homeland Security shall lead an exchange with the national exercise program, in coordination with the committee, to test and enhance the operationalization of the strategy required under section 5106.

SEC. 5108. RECOMMENDATIONS.

(a) IN GENERAL.—The President shall provide recommendations to Congress for—

(1) and be taken to implement the strategy required under section 5106, increase readiness, and address preparedness gaps for responding to the impacts of catastrophic incidents on citizens of the United States; and

(2) additional authorities that should be considered for Federal agencies and the President to more effectively implement the strategy required under section 5106.

(b) INCLUSION IN REPORTS.—The President may include the recommendations required under subsection (a) in a report submitted under section 5109.

SEC. 5109. REPORTING REQUIREMENTS.

Not later than 90 days after the date on which Department of Homeland Security leads the exercise under section 5107, the President shall submit to Congress a report that—

(1) describes the efforts of the President to develop and update the strategy required under section 5106; and

(2) an after-action report following the conduct of the exercise described in section 5107.

SEC. 5110. RULE OF CONSTRUCTION.

Nothing in this subtitle shall be construed to supersede the civilian emergency management authority of the Administrator of the Federal Emergency Management Agency under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.) or the Post Katrina Emergency Management Reform Act (6 U.S.C. 701 et seq.).

Subtitle B—DHS Trade and Economic Security Council

SEC. 5111. DHS TRADE AND ECONOMIC SECURITY COUNCIL.

(a) ESTABLISHMENT OF THE DHS TRADE AND ECONOMIC SECURITY COUNCIL.—

(1) DEFINITIONS.—In this subsection:

(A) COUNCIL.—The term ‘Council’ means the DHS Trade and Economic Security Council established under paragraph (2).

(B) DEPARTMENT.—The term ‘Department’ means the Department of Homeland Security.

(C) ECONOMIC SECURITY.—The term ‘economic security’ has the meaning given that term in section 800(b)(2) of the Homeland Security Act of 2002 (6 U.S.C. 747(c)(2)).

(D) SECRETARY.—The term ‘Secretary’ means the Secretary of Homeland Security.

(2) DHS TRADE AND ECONOMIC SECURITY COUNCIL.—In accordance with the mission of the Department under section 101(b) of the Homeland Security Act of 2002 (6 U.S.C. 111(b)), and in particular paragraph (1)(F) of that section, the Secretary shall establish a standing council of component heads or their designees within the Department, which shall be known as the ‘DHS Trade and Economic Security Council’.

(3) DUTIES OF THE COUNCIL.—Pursuant to the scope of the mission of the Department as described in paragraph (2), the Council shall—

(A) identify and coordinate supply chain policies; and

(B) develop a framework for categorizing, understanding, and managing threats to trade and economic security, including—

(A) identifying concentrated risks for trade and economic security;

(B) setting priorities for securing the trade and economic security of the United States;

(C) coordinating Department-wide activity on trade and economic security matters;

(D) with respect to the development of the continuity of the economy plan of the President under section 9003 of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021 (6 U.S.C. 322); and

(E) proposing statutory and regulatory changes impacting trade and economic security; and

(F) any other matters the Secretary considers appropriate.

(4) CHAIR AND VICE CHAIR.—The Under Secretary for Strategy, Policy, and Plans of the Department—

(A) shall serve as Chair of the Council; and

(B) may designate a Council member as a Vice Chair.

(5) MEETINGS.—The Council shall meet not less frequently than quarterly, as well as—

(A) at the call of the Chair; or

(B) at the direction of the Secretary.

(6) BRIEFINGS.—Not later than 180 days after the date of the enactment of this Act and every 180 days thereafter for 4 years, the Council shall brief the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security and Governmental Affairs of the House of Representatives on the actions and activities of the Council.

(b) ASSISTANT SECRETARY FOR TRADE AND ECONOMIC SECURITY.—Section 709 of the Homeland Security Act of 2002 (6 U.S.C. 349) is amended—

(1) by redesignating subsection (g) as subsection (h); and

(2) by inserting after subsection (f) the following:

‘‘(g) ASSISTANT SECRETARY FOR TRADE AND ECONOMIC SECURITY.—

(1) IN GENERAL.—There is established within the Office of Strategy, Policy, and Plans an Assistant Secretary for Trade and Economic Security.

(2) DUTIES.—At the direction of the Under Secretary for Strategy, Policy, and Plans, the Assistant Secretary for Trade and Economic Security shall be responsible for policy formulation regarding matters relating to economic security and trade, as such matters relate to the mission and the operations of the Department.

(3) ADDITIONAL RESPONSIBILITIES.—In addition to the duties described in paragraph (2), the Assistant Secretary for Trade and Economic Security, at the direction of the Under Secretary for Strategy, Policy, and Plans, may—

(A) oversee—

(i) coordination of supply chain policies; and

(ii) assessments and reports to Congress related to critical economic security domains;

(B) serve as the representative of the Secretary for Strategy, Policy, and Plans for the purposes of representing the Department on—

(i) the Committee on Foreign Investment in the United States; and

(ii) the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector;

(C) constitute the Department as the representative of the Department under section 890B and other Federal departments and agencies and non-governmental entities with trade and economic security interests, authorities, and responsibilities;

(D) perform such additional duties as the Secretary or the Under Secretary of Strategy, Policy, and Plans may prescribe.

(d) MONETARY STIPEND.—The term ‘crisis economic security domain’ means the Secretary of Homeland Security.

SEC. 5122. SHORT TITLE.

This subtitle may be cited as the ‘‘Transnational Criminal Investigative Unit Stipend Act’’.

SEC. 5123. STIPENDS FOR TRANSNATIONAL CRIMINAL INVESTIGATIVE UNITS.

(a) IN GENERAL.—The Secretary shall operate Transnational Criminal Investigative Units within United States Immigration and Customs Enforcement, Homeland Security Investigations, and Federal Bureau of Investigation.

(b) COMPOSITION.—Each Transnational Criminal Investigative Unit shall be composed of trained foreign law enforcement officials who shall collaborate with United States Immigration and Customs Investigations to investigate and prosecute individuals involved in transnational criminal activity.

(c) VOTING REQUIREMENT.—

(1) IN GENERAL.—Upon entry into a Transnational Criminal Investigative Unit, and at periodic intervals while serving in such unit, foreign law enforcement officials shall be required to pass certain security evaluations, which may include a background check, a polygraph examination, a urinalysis test, or other measures that the Director of U.S. Immigration and Customs Enforcement determines to be appropriate.

(2) REVOCATION.—The Director of U.S. Immigration and Customs Enforcement shall submit a report to the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security of the House of Representatives that describes—

(A) the procedures used for vetting Transnational Criminal Investigative Unit members; and

(B) any additional measures that should be implemented to prevent personnel in vetted units from being compromised by criminal organizations.

(d) MONETARY STIPEND.—The Director of U.S. Immigration and Customs Enforcement is authorized to pay an annual monetary stipend in an amount associated with their duties dedicated to unit activities. (e) TRANSMISSION.—The Director of U.S. Immigration and Customs Enforcement, during the 5-year period beginning on the date of the enactment of this Act, shall provide an annual unclassified briefing to the congressional committees referred to in subsection (c)(2), which may include a classified section if necessary, that identifies—

(1) the number of vetted members of Transnational Criminal Investigative Unit in each country;

(2) the amount paid in stipends to such members, disaggregated by country; and

(3) relevant enforcement statistics, such as arrests and progress made on joint investigations in each such country.

(i) to authorize or require the withholding of any information that aggregate statistical information regarding the results of medical quality assurance programs; or

(ii) to authorize the withholding of any medical quality assurance record of the Department from a committee of either House of Congress, any joint committee of Congress, or the Comptroller General of the United States if the record pertains to any matter within their respective jurisdictions.

(D) PROHIBITION ON DISCLOSURE OF INFORMATION, RECORD, OR TESTIMONY.—A person or entity having possession of or access to a medical quality assurance record of the Department shall be fined not more than $3,000 in the case of a first offense and not more than $5,000 in the case of a subsequent offense.

(E) EXEMPTION FROM FREEDOM OF INFORMATION ACT.—A medical quality assurance record of the Department shall be exempt from disclosure under section 552(b)(3) of the United States Code (commonly known as the ‘Freedom of Information Act’).

(F) To a criminal or civil law enforcement agency or instrumentality charged in any judicial or administrative proceeding that reviews or creates a medical quality assurance record of the Department or testimony described in this section.

(G) To an administrative or judicial proceeding commenced by a criminal or civil law enforcement agency or instrumentality described in subparagraph (F), but only with respect to the subject of the proceeding.

(H) To a criminal or civil law enforcement agency or instrumentality described in subparagraph (F), but only with respect to the subject of the proceeding.

(I) To the credentialing of or health care provider by the Department.

(J) To an employee, a detailee, or a contractor of the Department who has a need for the medical quality assurance record of the Department or testimony to perform official duties or duties within the scope of their contract.

(K) To a criminal or civil law enforcement agency or instrumentality authorized by law to investigate a violation of this section, knowing that the record is a medical quality assurance record of the Department shall be fined not more than $3,000 in the case of a first offense and not more than $5,000 in the case of a subsequent offense.

(L) RELATIONSHIP TO PUBLIC HEALTH SERVICES.—The provisions of this section shall apply to the public health services of the Department the same as they apply to the health care services of the Department.
sections (a) and (b), the Comptroller General of the United States, acting through the clearinghouse, shall—

(2) make available through the clearinghouse—

(A) cybersecurity risk assessment summary records.

(b) REQUIREMENTS.—The recommendations consolidated under paragraph (1) shall in appropriate by the National Space Council; and

(c) CONSOLIDATION.—In carrying out subsection (a) and (b), the Comptroller General of the United States shall coordinate with appropriate Federal agencies and organizations, including—

(1) the Department of Homeland Security;

(2) the Department of Defense;

(3) the Federal Communications Commission;

(4) the Department of Transportation;

(5) the Cybersecurity and Infrastructure Security Agency.

(d) IMPLEMENTATION.—In implementing the recommendations consolidated under subsection (a), the Comptroller General of the United States shall coordinate with appropriate materials specifically designed to assist in the development, maintenance, and operation of commercial satellite systems.

(3) ENSURING MAINTAINABILITY.—The recommendations consolidated under paragraph (1) shall include materials appropriate for a public resource addressing the following:

(A) Risk-based, cybersecurity-informed engineering, including continuous monitoring and resiliency.

(B) Planning for retention or recovery of positive control of commercial satellite systems in the event of a cybersecurity incident.

(C) Security against threats throughout a commercial satellite system's mission lifetime.

(D) Physical protection measures designed to reduce the vulnerabilities of a commercial satellite system's command, control, and telemetry receiver systems.

(E) Protection against jamming, eavesdropping, hijacking, computer network exploitation, spoofing, threats to optical satellite communications, and electromagnetic pulse.

(F) Security against threats throughout a commercial satellite system's mission lifetime.

(G) Management of supply chain risks that affect the cybersecurity of commercial satellite systems.

(H) Protection against vulnerabilities posed by ownership of commercial satellite systems or commercial satellite system companies by foreign entities.

(I) Protection against vulnerabilities posed by locating physical infrastructure, such as satellite ground control systems, in foreign countries.

(J) As appropriate, and as applicable pursuant to the maintenance requirement under subsection (b)(3), relevant findings and recommendations from the study conducted by the Comptroller General of the United States under section 5153(a).

(K) Any other recommendations to ensure the confidentiality, availability, and integrity of data residing on or in transit through commercial satellite systems.

(4) IMPLEMENTATION.—In implementing this section, the Director shall—

(1) to the extent practicable, carry out the implementation in partnership with the private sector;

(2) coordinate with the National Space Council and the head of any other agency determined appropriate by the National Space Council; and
(B) the heads of appropriate Federal agencies with expertise and experience in satellite operations, including the entities described in section 5153(c) to enable the alignment of Federal efforts on commercial satellite system cybersecurity and, to the extent practicable, consistency in Federal recommendations relating to commercial satellite system cybersecurity; and
(3) consult with non-Federal entities developing commercial satellite systems or otherwise supporting the cybersecurity of commercial satellite systems, including private, consensus organizations that develop relevant standards.

(c) SUNSET AND REPORT.—
(1) IN GENERAL.—This section shall cease to have force or effect on the date that is 7 years after the date of the enactment of this Act.
(2) REPORT.—Not later than 6 years after the date of enactment of this Act, the Director shall submit to the Committee on Homeland Security and Governmental Affairs and the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Homeland Security and the Committee on Science, Space, and Technology of the House of Representatives a report summarizing—
(A) any partnership with the private sector described in subsection (d)(1);
(B) any consultation with a non-Federal entity described in subsection (d)(3);
(C) the coordination carried out pursuant to subsection (d)(4);
(D) the establishment and maintenance of the clearinghouse pursuant to subsection (b);
(E) the recommendations consolidated pursuant to subsection (d)(2); and
(F) any feedback received by the Director on the clearinghouse from non-Federal entities.

SEC. 5155. STRATEGY.
Not later than 120 days after the date of the enactment of this Act, the National Space Council, in coordination with the Director of the Office of Space Commerce and the heads of other relevant agencies, shall submit to the Committee on Commerce, Science, and Transportation and the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Science, Space, and Technology and the Committee on Homeland Security of the House of Representatives a strategy for the activities of Federal agencies to address and improve the cybersecurity of commercial satellite systems, which shall include an identification of—
(1) proposed roles and responsibilities for relevant agencies; and
(2) as applicable, the extent to which cybersecurity threats to such systems are addressed in Federal and non-Federal critical infrastructure risk analyses and protection plans.

SEC. 5156. RULES OF CONSTRUCTION.
Nothing in this subtitle shall be construed to—
(1) designate commercial satellite systems or other space assets as a critical infrastructure sector; or
(2) infringe upon or alter the authorities of the agencies described in section 5153(c).

Subtitle G—Pray Safe Act

SEC. 5161. SHORT TITLE.
This subtitle may be cited as the “Pray Safe Act”.

SEC. 5162. DEFINITIONS.
In this subtitle—
(1) the term “Clearinghouse” means the Federal Clearinghouse on Safety Best Practices for Faith-Based Organizations and Houses of Worship established under section 2220E of the Homeland Security Act of 2002, as added by section 5163 of this subtitle; and
(2) the term “Department” means the Department of Homeland Security;

SEC. 5163. FEDERAL CLEARINGHOUSE ON SAFETY AND SECURITY BEST PRACTICES FOR FAITH-BASED ORGANIZATIONS AND HOUSES OF WORSHIP.
(a) IN GENERAL.—Subtitle A of title XXII of the Homeland Security Act of 2002 (6 U.S.C. 651 et seq.) is amended by adding at the end the following:

"SEC. 2220E. FEDERAL CLEARINGHOUSE ON SAFETY AND SECURITY BEST PRACTICES FOR FAITH-BASED ORGANIZATIONS AND HOUSES OF WORSHIP.
"(a) DEFINITIONS.—In this section—
"(1) the term ‘Clearinghouse’ means the Clearinghouse on Safety and Security Best Practices for Faith-Based Organizations and Houses of Worship established under subsection (b);
"(2) the term ‘faith-based organization’ means a group, center, or nongovernmental organization with a religious, ideological, or spiritual motivation, character, affiliation, or purpose;
"(3) the term ‘house of worship’ means a place or building, including synagogues, mosques, temples, and churches, in which congregants practice their religious or spiritual beliefs; and
"(4) the term ‘safety and security’, for the purpose of this section, means prevention of, protection against, or recovery from threats, including manmade disasters, natural disasters, or violent attacks.

"(b) ESTABLISHMENT.—
"(1) IN GENERAL.—Not later than 270 days after the date of enactment of this Act, the Secretary, in consultation with the Attorney General, the Executive Director of the White House Office of Faith-Based and Neighborhood Partnerships, and the head of any other agency that the Secretary determines appropriate, shall establish a Federal Clearinghouse on Safety and Security Best Practices for Faith-Based Organizations and Houses of Worship.

"(2) PURPOSE.—The Clearinghouse shall be the primary resource of the Federal Government—
"(A) to educate and publish online best practices and recommendations for safety and security for faith-based organizations and houses of worship; and
"(B) to provide information relating to Federal grant programs available to faith-based organizations and houses of worship.

"(c) PERSONNEL.—
"(A) ASSESSMENTS.—The Clearinghouse shall be established such personnel and resources as the Secretary considers appropriate to carry out this section.

"(B) DETAILED.—The Secretary shall coordinate detailed as required for the Clearinghouse.

"(D) DESIGNATED POINT OF CONTACT.—There shall be a designated point of contact detailed to the Clearinghouse who shall be the designated point of contact to provide information and assistance to faith-based organizations and houses of worship, including assistance relating to the grant program established under section 5165 of the Pray Safe Act. The contact information of the designated point of contact shall be made available on the website of the Clearinghouse.

"(D) QUALIFICATION.—To the maximum extent possible, any personnel assigned or detailed to the Clearinghouse pursuant to this paragraph should be familiar with faith-based organizations and houses of worship and physical and online security measures to identify and prevent safety and security risks.

"(e) CLEARINGHOUSE CONTENTS.—
"(1) EVIDENCE-BASED TIER.—
"(A) IN GENERAL.—In consultation with the Attorney General, the Director of the White House Office of Faith-Based and Neighborhood Partnerships, and the head of any other agency that the Secretary determines appropriate, shall develop tiers for determining evidence-based practices that demonstrate a significant effect on improving safety or security, or both, for faith-based organizations and houses of worship.

"(B) REQUIREMENTS.—The tiers required to be developed under subparagraph (A) shall—
"(i) prioritize;
"(ii) strong evidence from not less than 1 well-designed and well-implemented experimental study; and
"(iii) consider promising evidence that demonstrates a significant effect on improving safety or security, or both, for faith-based organizations and houses of worship.

"(2) CRITERIA FOR BEST PRACTICES AND RECOMMENDATIONS.—The best practices and recommendations of the Clearinghouse shall, at a minimum—
"(A) identify areas of concern for faith-based organizations and houses of worship, including event planning, evacuations, checklists, facility hardening, tabletop exercises, and other resilience measures;
"(B) involve comprehensive safety measures, including threat prevention, preparedness, protection, mitigation, incident response, and recovery to improve the safety posture of faith-based organizations and houses of worship upon implementation;

"(C) involve comprehensive safety measures, including preparedness, protection, mitigation, incident response, and recovery to improve the safety posture of faith-based organizations and houses of worship upon implementation;

"(D) involve any evidence or research relating to the effectiveness of the Clearinghouse that the best practices or recommendations under subparagraph (B) have been shown to have a significant effect on improving the safety and security of individuals in faith-based organizations and houses of worship, including—
"(i) findings and data from previous Federal, State, local, Tribal, territorial, private sector, and nongovernmental organization research centers relating to safety, security, and targeted violence at faith-based organizations and houses of worship.

"(D) involving research centers relating to safety, security, and targeted violence at faith-based organizations and houses of worship.

"(D) ADDITIONAL INFORMATION.—The Clearinghouse shall maintain a comprehensive index of all Federal grant programs for which faith-based organizations and houses of worship are eligible, which includes a link for each grant management that the recipient will be required to provide.
recommendations.

law enforcement agencies on the implementation of the Clearinghouse.

(2) any evaluations conducted on implementation of the Clearinghouse.

best practices for inclusion in the Clearinghouse.

(ii) the recommendations proposed under subparagraph (B)(iii).

(2) ANNUAL REPORT TO CONGRESS.—The Secretary shall submit to Congress, on an annual basis, the updated information on the Clearinghouse during the preceding 1-year period under paragraph (1)(C), which shall include a description of any changes made to the Clearinghouse.

(b) TECHNICAL AMENDMENT.—The table of contents in section 1(b) of the Homeland Security Act of 2002 (Public Law 107–296; 116 Stat. 2315) is amended—

(1) by moving the item relating to section 2220D to appear after the item relating to section 2220C; and

(2) by inserting after the item relating to section 2220D the following:

SEC. 5164. NOTIFICATION OF CLEARINGHOUSE.
The Secretary shall provide written notification of the establishment of the Clearinghouse to the Committee on Homeland Security and Governmental Affairs of the Senate; and the committees of the House of Representatives:

(1) every State homeland security advisor;

(2) every State department of homeland security;

(3) any other Federal agencies with grant programs or initiatives that aid in the safety and security of faith-based organizations and houses of worship, as determined appropriate by the Secretary;

(4) every Federal Bureau of Investigation Joint Terrorism Task Force;

(5) every Homeland Security Fusion Center;

(6) every State or territorial Governor or other chief executive;

(7) the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Homeland Security and Governmental Affairs of the House of Representatives.

SEC. 5165. GRANT PROGRAM OVERVIEW.

(a) DHS GRANTS RESOURCES.—The Secretary shall make grants program overview on the website of the Clearinghouse:

(1) be the primary location for all information regarding Department grants programs that are open to faith-based organizations and houses of worship;

(2) directly link to each grant application and any applicable user guides;

(3) identify all safety and security home- land security assistance programs managed by the Department that may be used to implement best practices and recommendations of the Clearinghouse;

(4) annually, and concurrent with the application deadlines for grants identified under paragraph (1), provide information related to the required elements of grant applications to aid smaller faith based organizations and houses of worship in earning access to Federal grants; and

(5) provide frequently asked questions and answers for the implementation of best practices and recommendations of the Clearinghouse.

(b) OTHER FEDERAL GRANTS AND RESOURCES.—Any Federal agency notified under section 5164(3)(B) shall provide necessary information on any Federal grant programs or resources of the Federal agency that are available for faith-based organizations and houses of worship to the Secretary or the appropriate point of contact for the Clearinghouse.

(c) STATE GRANTS AND RESOURCES.—

(1) IN GENERAL.—Any State notified under paragraph (1), (2), or (6) of section 5164 may provide necessary information on any grant programs or resources of the State available for faith-based organizations and houses of worship to the Secretary or the appropriate point of contact of the Clearinghouse.

(2) IDENTIFICATION OF RESOURCES.—The Clearinghouse shall, to the extent practicable, identify, for each State:

(A) each agency responsible for safety for faith-based organizations and houses of worship in the State, or any State that does not have such an agency designated as a point of contact for the Clearinghouse;

(B) any grant program that may be used for the purposes of implementing best practices and recommendations of the Clearinghouse;

(C) any resources or programs, including community prevention or intervention efforts, that may be used to assist in targeted violence and terrorism prevention.

SEC. 5166. OTHER RESOURCES.
The Secretary shall, on the website of the Clearinghouse, include a separate section for other resources that shall provide a centralized list of all available points of contact to seek assistance in grant applications and in carrying out the best practices and recommendations of the Clearinghouse, including—

(1) a list of contact information to reach Department personnel to assist with grant-related questions;

(2) the applicable Cybersecurity and Infrastructure Security Agency contact information to connect houses of worship with Protective Security Advisors;

(3) contact information for all Department Fusion Centers, listed by State;

(4) information on the See Something Say Something Campaign of the Department; and

(5) any other appropriate contacts.

Nothing in this subtitle or the amendments made by this subtitle shall be construed to create, satisfy, or waive any responsibility under Federal civil rights laws, including—

(1) title II of the Americans With Disabilities Act of 1990 (42 U.S.C. 12131 et seq.); or

(2) title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.).

SEC. 5181. SHORT TITLE. This subtitle may be cited as the “DHS Joint Task Forces Reauthorization Act of 2022.”

SEC. 5182. SENSE OF THE SENATE. It is the sense of the Senate that the Department of Homeland Security should consider using the authority under subsection (b) of section 708 of the Homeland Security Act of 2002 (6 U.S.C. 348(b)) to create a Joint Task Force described in such subsection to improve coordination and response to the number of encounters and amount of seizures related with the intent to mislead and be indistinguishable from reality, created through the use of technologies, including those that apply artificial intelligence techniques such as generative adversarial networks.

Subtitle J—Other Provisions

CHAPTER I—DEEPFAKE TASK FORCE

SEC. 5191 SHORT TITLE. This chapter may be cited as the “Deepfake Task Force Act”.

SEC. 5192. NATIONAL DEEPFAKE AND DIGITAL PROVENANCE TASK FORCE. (a) DEFINITIONS.—In this section:

(1) DIGITAL CONTENT FORGERY.—The term “digital content forgery” means audio, visual, or text content fabricated or manipulated with the intent to mislead and be indistinguishable from reality, created through the use of technologies, including those that apply artificial intelligence techniques such as generative adversarial networks.

(2) DIGITAL CONTENT PROVENANCE.—The term “digital content provenance” means the verifiable chronology of the origin and history of a piece of digital content, such as an image, video, audio recording, or electronic document.

(3) ELIGIBLE ENTITY.—The term “eligible entity” means—

(A) a private sector or nonprofit organization; or

(B) an institution of higher education.

(4) INSTITUTION OF HIGHER EDUCATION.—The term “institution of higher education” has the meaning given in the Higher Education Act of 1965 (20 U.S.C. 1001).

(5) RELEVANT CONGRESSIONAL COMMITTEES.—The term “relevant congressional committees” means—

(A) the Committee on Homeland Security and Governmental Affairs of the Senate;

(B) the Committee on Homeland Security and the Committee on Oversight and Reform of the House of Representatives;

(C) the Committee on Science, Space, and Transportation of the Senate;

(D) the Committee on Science, Space, and Technology of the House of Representatives;

(E) the Committee on the Judiciary of the Senate; and

(F) the Committee on the Judiciary of the House of Representatives.

(B) ESTABLISHMENT OF TASK FORCE.—The term “Task Force” means the National Deepfake and Provenance Task Force established under subsection (b)(1).

This chapter may be cited as the “Deepfake Task Force Act”.

This chapter may be cited as the “Deepfake Task Force Act”.

This chapter may be cited as the “Deepfake Task Force Act”.

This chapter may be cited as the “Deepfake Task Force Act”. (A) the justification, focus, and mission of the Joint Task Force; and

(B) a description of the methodology used to establish those metrics and any limitations with respect to data or information used to assess performance; and

(C) in subparagraph (B), by striking “strategy and” and inserting “strategic vision and”.

(2) MEMBERSHIP.—

(A) COMPOSITION.—The Task Force shall be composed of not fewer than 13 members, of whom—

(B) MEMBERSHIP.—Not later than 120 days after the date of enactment of this Act, the Secretary, in consultation with the Administrator of the National Telecommunications and Information Administration, shall establish a task force, to be known as “the National Deepfake Provenance Task Force”, to—

(A) investigate the feasibility of, and obstacles to, developing and deploying standards and technologies for determining digital content provenance;

(B) propose policy changes to reduce the proliferation and harm of digital content forgeries, such as the adoption of digital content provenance and technology standards; and

(C) serve as a formal mechanism for interagency coordination and information sharing to facilitate the creation and implementation of a national strategy to address the growing threats posed by digital content forgeries; and

(D) investigate existing digital content forgery generation technologies, potential detection methods, and disinformation mitigation solutions.

(5) RELEVANT CONGRESSIONAL COMMITTEES.—The term “relevant congressional committees” means—

(A) the Committee on Homeland Security and Governmental Affairs of the Senate; and

(B) the Committee on Science, Space, and Technology of the House of Representatives; and

(C) the Committee on the Judiciary of the Senate; and

(D) the Committee on Science, Space, and Technology of the House of Representatives; and

(E) the Committee on the Judiciary of the House of Representatives.

(F) the Committee on the Judiciary of the House of Representatives.

(G) the Committee on the Judiciary of the Senate; and

(H) the Committee on the Judiciary of the House of Representatives.

(i) the number of personnel permanently assigned to each Joint Task Force by each component and office; and

(ii) the number of personnel assigned on a temporary basis to each Joint Task Force by each component and office; and

(iii) the number of personnel permanently assigned to each Joint Task Force by each component and office; and

(iv) an assessment of staffing levels and resources of each Joint Task Force; and

(v) cryptography;

(vi) media manipulation;

(vii) civil rights; or

(viii) related subjects.

(E) APPOINTMENT.—The term of a member of the Task Force shall end on the date described in subsection (g)(1).

(F) VACANCY.—Any vacancy occurring in the membership of the Task Force shall be filled in the same manner in which the original appointment was made.

(6) SECRETARY.—The term “Secretary” means the Secretary of Homeland Security.

(7) TASK FORCE.—The term “Task Force” means the National Deepfake and Provenance Task Force established under subsection (b)(1).

(8) ESTABLISHMENT OF TASK FORCE.—This chapter may be cited as the “Deepfake Task Force Act”.

(B) MEMBERSHIP.—Not later than 120 days after the date of enactment of this Act, the Secretary, in consultation with the Administrator of the National Telecommunications and Information Administration, shall establish a task force, to be known as “the National Deepfake Provenance Task Force”, to—

(A) investigate the feasibility of, and obstacles to, developing and deploying standards and technologies for determining digital content provenance;

(B) propose policy changes to reduce the proliferation and harm of digital content forgeries, such as the adoption of digital content provenance and technology standards; and

(C) serve as a formal mechanism for interagency coordination and information sharing to facilitate the creation and implementation of a national strategy to address the growing threats posed by digital content forgeries; and

(D) investigate existing digital content forgery generation technologies, potential detection methods, and disinformation mitigation solutions.

(5) RELEVANT CONGRESSIONAL COMMITTEES.—The term “relevant congressional committees” means—

(A) the Committee on Homeland Security and Governmental Affairs of the Senate; and

(B) the Committee on Homeland Security and the Committee on Oversight and Reform of the House of Representatives;

(C) the Committee on Science, Space, and Transportation of the Senate;

(D) the Committee on Science, Space, and Technology of the House of Representatives;

(E) the Committee on the Judiciary of the Senate; and

(F) the Committee on the Judiciary of the House of Representatives.

(G) the Committee on the Judiciary of the Senate; and

(H) the Committee on the Judiciary of the House of Representatives.

(i) the number of personnel permanently assigned to each Joint Task Force by each component and office; and

(ii) the number of personnel permanently assigned to each Joint Task Force by each component and office; and

(iii) the number of personnel assigned on a temporary basis to each Joint Task Force by each component and office; and

(iv) an assessment of staffing levels and resources of each Joint Task Force; and

(v) cryptography;

(vi) media manipulation;

(vii) civil rights; or

(viii) related subjects.

(E) APPOINTMENT.—The term of a member of the Task Force shall end on the date described in subsection (g)(1).

(F) VACANCY.—Any vacancy occurring in the membership of the Task Force shall be filled in the same manner in which the original appointment was made.
(F) EXPENSES FOR NON-FEDERAL MEMBERS.—Members of the Task Force described in clauses (ii) and (iii) of subparagraph (B) shall be allowed travel expenses, including per diem at the rate of $225 per diem of subsistence, at rates authorized for employees under subchapter I of chapter 57 of title 5, United States Code, while away from their homes or regular places of business in the performance of services for the Task Force.

(c) COORDINATED PLAN.—(1) IN GENERAL.—The Task Force shall develop a coordinated plan to—

(A) reduce the proliferation and impact of digital content forgeries, including by exploring and developing the adoption of a digital content provenance standard that could assist with reducing the proliferation of digital content forgeries;

(B) develop mechanisms for content creators to—

(i) cryptographically certify the authenticity of original media and non-deceptive manipulations; and

(ii) enable the public to validate the authenticity of original media and non-deceptive manipulations to establish digital content provenance;

(C) increase the ability of Internet companies, journalists, watchdog organizations, other entities, and members of the public to meaningfully scrutinize and identify potential digital content forgeries.

(2) CONTENTS.—The plan required under paragraph (1) shall include the following:

(A) A Government-wide research and development agenda to—

(i) improve technologies and systems to detect digital content forgeries; and

(ii) relay information about digital content provenance to content consumers.

(B) An assessment of the feasibility of, and obstacles to, the development of technologies and systems to capture, preserve, and display digital content provenance.

(C) A framework for conceptually distinguishing between digital content with benign or helpful alterations and digital content forgeries.

(D) An assessment of the technical feasibility of, and challenges in, distinguishing between—

(i) benign or helpful alterations to digital content; and

(ii) intentionally deceptive or obfuscating alterations to digital content.

(E) A discussion of best practices, including statutory or other proposed policy changes, to deploy technologies and systems to determine digital content provenance.

(F) Conceptual proposals for necessary research projects and experiments to further develop successful technology to ascertain digital content provenance.

(G) Proposed policy changes, including changes in law, to—

(i) incentivize the adoption of technology standards, or other means to detect digital content forgeries and determine digital content provenance; and

(ii) reduce the incidence, proliferation, and impact of digital content forgeries.

(H) Recommendations for models for public-private partnerships to fight disinformation and reduce digital content forgeries, including partnerships that support and collaborate on—

(i) industry practices and standards for determining digital content provenance; and

(ii) education campaigns and user-friendly detection tools for the public to reduce the proliferation and impact of disinformation and digital content forgeries;

(iii) technologies and standards for documenting relevant research and progress in machine learning; and

(iv) the means and methods for identifying and addressing the technical and financial infrastructure that supports the proliferation of digital content forgeries, such as in the social media accounts and bank accounts.

(I) An assessment of privacy and civil liberties requirements associated with efforts to deploy technologies and systems to determine digital content provenance or reduce the proliferation of digital content forgeries, including statutory or other proposed policy changes.

(J) A determination of metrics to define the success of—

(i) technologies or systems to detect digital content forgeries;

(ii) technologies or systems to determine digital content provenance; and

(iii) other efforts to reduce the incidence, proliferation, and impact of digital content forgeries.

(k) CONSULTATIONS.—In carrying out subsection (c), the Task Force shall consult with the following:

(1) The Director of the National Science Foundation.

(2) The National Academies of Sciences, Engineering, and Medicine.

(3) The Director of the National Institute of Standards and Technology.

(4) The Director of the Defense Advanced Research Projects Agency.

(5) The Director of the Intelligence Advanced Research Projects Activity.

(6) The Secretary of Energy.

(7) The Secretary of Defense.

(8) The Attorney General.

(9) The Secretary of State.

(10) The United States Trade Representative.

(11) The United States Trade Representative.

(12) Representatives from private industry and nonprofit organizations.

(13) Representatives from institutions of higher education.

(14) Such other individuals as the Task Force considers appropriate.

(1) STAFF.—(1) IN GENERAL.—Staff of the Task Force shall be comprised of detailees with expertise in artificial intelligence or related fields from—

(A) the Department of Homeland Security;

(B) the National Telecommunications and Information Administration;

(C) the National Institute of Standards and Technology;

and

(D) any other Federal agency the chairperson of the Task Force considers appropriate.

(2) OTHER ASSISTANCE.—(A) IN GENERAL.—The chairperson of the Task Force may enter into an agreement with an eligible entity for the temporary assignment of employees of the eligible entity to the Task Force in accordance with this paragraph.

(B) APPLICATION OF ETHICS RULES.—An employee of an eligible entity assigned to the Task Force under subparagraph (A)—

(i) shall be considered a special Government employee for the purpose of Federal law, including—

(A) chapter 11 of title 18, United States Code; and

(B) the Ethics in Government Act of 1978 (5 U.S.C. App.); and

(ii) notwithstanding section 202(a) of title 18, United States Code, may be assigned to the Task Force for a period of not more than 2 years.

(C) FINANCIAL LIABILITY.—An agreement entered into with an eligible entity under subparagraph (A) shall require the eligible entity to be responsible for any costs associated with the assignment of an employee to the Task Force.

(D) TERMINATION.—The chairperson of the Task Force may terminate the assignment of employees to the Task Force under subparagraph (A) at any time and for any reason.

(2) TASK FORCE REPORTS.—(1) INTERIM REPORT.—(A) IN GENERAL.—Not later than 1 year after the date on which all of the appointments have been made under subsection (b)(2)(C), the Task Force shall submit to the President and the relevant congressional committees an interim report containing the findings, conclusions, and recommendations of the Task Force.

(B) CONTENTS.—The report required under subparagraph (A) shall include specific recommendations for ways to reduce the proliferation and impact of digital content forgeries, including the deployment of technologies and systems to determine digital content provenance.

(2) FINAL REPORT.—Not later than 180 days after the date of the submission of the interim report under paragraph (1)(A), the Task Force shall submit to the President and the relevant congressional committees a final report containing the findings, conclusions, and recommendations of the Task Force, including the plan developed under subsection (c).

(3) REQUIREMENTS.—With respect to each report submitted under this subsection—

(A) the Task Force shall make the report publicly available; and

(B) the report—

(i) shall be produced in an unclassified form; and

(ii) may include a classified annex.

(g) TERMINATION.—(1) IN General.—The Task Force shall terminate—

(a) on the date that is 2 years after the date on which the Task Force submits the final report under subsection (f)(2).

(2) RECORDS.—Upon the termination of the Task Force under paragraph (1), each record of the Task Force shall become a record of the National Archives and Records Administration.

CHAPTER 2—CISA TECHNICAL CORRECTIONS AND IMPROVEMENTS

SEC. 5184. CISA TECHNICAL CORRECTIONS AND IMPROVEMENTS.

(a) TECHNICAL AMENDMENT RELATING TO DOTGOV ACT OF 2020.—(1) AMENDMENT.—Section 904(b)(1) of the DOTGOV Act of 2020 (title IX of division U of Public Law 116–260) is amended—

(A) by striking “Homeland Security Act of 2002” and inserting “Homeland Security Act of 2002”; and

(B) by striking “Homeland Security Act of 2002”.

(2) EFFECTIVE DATE.—The amendment made by paragraph (1) shall take effect as if enacted as part of the DOTGOV Act of 2020 (title IX of division U of Public Law 116–260).

(b) CONSOLIDATION OF DEFINITIONS.—(1) IN GENERAL.—Title XXII of the Homeland Security Act of 2002 (6 U.S.C. 651 et seq.) is amended by inserting before the subtitle A heading the following:

“S 2200. DEFINITIONS.—Except as otherwise specifically provided, in this title:

(1) AGENCY.—The term ‘agency’ means the Cybersecurity and Infrastructure Security Agency.

(2) AGENCY INFORMATION.—The term ‘agency information’ means information collected or maintained by or on behalf of an agency.

(3) AGENCY INFORMATION SYSTEM.—The term ‘agency information system’ means an information system that is operated by an agency or by another entity on behalf of an agency.”

CONGRESSIONAL RECORD — SENATE
September 29, 2022
“(4) APPROPRIATE CONGRESSIONAL COMMIT- 
TEES.—The term ‘appropriate congressional com-
mittees’ means—
(A) the Committee on Homeland Security and 
Governmental Affairs of the Senate; and 
(B) the Committee on Homeland Security of 
the House of Representatives.

(5) CRITICAL INFRASTRUCTURE INFOR-
MATION.—The term ‘critical infrastructure in-
formation’ means information not custom-
arily in the public domain and related to the 
security of critical infrastructure or prote-
ted systems—
(A) actual, potential, or threatened inter-
ference with, attack on, compromise of, or 
incapacitation of critical infrastructure or 
protected systems by either physical or com-
puter-based attack or other similar conduct 
(including the misuse of or unauthorized ac-
cess to all types of communications and data 
transmission systems) that violates Federal, 
State, or local law, harms interstate com-
merce of the United States, or threatens public 
health or safety; 
(B) the ability of any critical infrastruc-
ture or protected system to resist such inter-
ference, compromise, or incapacitation, in-
cluding security testing, risk evaluation 
thereof, risk management planning, or risk 
audit; or 
(C) any planned or past operational prob-
lem or solution regarding critical infrastruc-
ture or protected systems, including security, 
recovery, reconstruction, insurance, or con-
tinuity, to the extent it is related to such in-
terference, compromise, or incapacitation.

(6) CYBER THREAT INDICATOR.—The term ‘cyber threat indicator’ means information that is necessary to describe or identify—
(A) anomalous patterns of communications that 
appear to be transmitted for the purpose of 
gathering technical information related to a 
cybersecurity threat or security vulner-
ability; 
(B) a method of defeating a security con-
trol or exploitation of a security vulner-
ability; 
(C) a security vulnerability, including 
anomalous activity that appears to indicate 
the existence of a security vulnerability; 
(D) a malicious cyber command and con-
trol; 
(F) the actual or potential harm caused 
by an incident, including a description of the 
incident and its outcome as a result of a par-
ticular cybersecurity threat; 
(G) any other attribute of a cybersecurity threat, if disclosure of such attribute is not otherwise protected by law; or 
(H) any combination thereof.

(7) CYBERSECURITY PURPOSE.—The term ‘cybersecurity purpose’ means the purpose of protecting an information system or infor-
formation that is stored on, processed by, or 
transiting an information system from a cy-
bersecurity threat or security vulnerability.

(8) CYBERSECURITY RISK.—The term ‘cy-
bersecurity risk’—
(A) means threats to and vulnerabilities of 
information or information systems and any 
incapacitation or consequences caused by or 
resulting from unauthorized access, use, dis-
closure, degradation, disruption, modifica-
tion, or destruction of such information or 
information systems or consequences caused by such incapacitation or 
consequences caused by an act of terrorism; and 
(B) does not include any action that sole-
lly involves a violation of a consumer term of 
service or a consumer licensing agreement.

(9) CYBERSECURITY THREAT.—
(A) In general.—Except as provided in 
paragraph (B), the term ‘cybersecurity threat’ means an action, not protected 
by the First Amendment to the Constitution of 
the United States, through an information 
system that may result in an unauthor-
ized effort to adversely impact the security, 
availability, confidentiality, or integrity of 
information or information that is stored on, 
processed by, or transiting an information 
system.

(B) EXCLUSION.—The term ‘cybersecurity threat’ does not 
include an action—
(i) which is a legal defense, claim, counterclaim, or 
set-off; or 
(ii) which involves a violation of a consumer term of 
service or a consumer licensing agreement.

(10) DEFENSIVE MEASURE.—
(A) IN GENERAL.—Except as provided in 
paragraph (B), the term ‘defensive measure’ 
means an action, device, procedure, sign-
nature, technique, or other measure applied 
to an information system or information 
that is stored on, processed by, or transiting 
an information system that detects, pre-
vents, or mitigates a known or suspected 
cybersecurity threat or security vulnerability.

(B) EXCLUSION.—The term ‘defensive measure’ does not include a measure that de-
strysts, renders unusable, provides unauthor-
ized access to, alters, destroys, or deletes 
information or information stored on, 
processed by, or transiting such information 
system not owned by—
(i) the entity operating the measure; or 
(ii) another entity or Federal entity that is 
authorized to provide consent and has pro-
vided consent to that private entity for oper-
ation of such measure.

(11) DIRECTOR.—The term ‘Director’ 
means the Director Cybersecurity and Infra-
structure Security Agency.

(12) HOME LAND SECURITY ENTERPRISE.— 
The term ‘Homeland Security Enterprise’ means relevant governmental and non-
governmental entities involved in homeland 
security, including Federal, State, local, and 
Tribal government officials, private sector 
representatives, academics, and other policy 
experts.

(13) INCIDENT.—The term ‘incident’ means 
an occurrence that actually or imminently 
jeopardizes, without lawful authority, the in-
tegrity, confidentiality, or availability of 
information or information systems, or actu-
al or imminently jeopardizes, without lawful 
authority, an information system.

(14) INFORMATION SHARING AND ANALYSIS OR-
GANIZATION.—The term ‘Information Shar-
ing and Analysis Organization’ means any 
formal or informal entity or collaboration 
created or employed by public or private sec-
tor organizations.

(15) INFORMATION SYSTEM.—The term ‘in-
formation system’ has the meaning given the 
term in section 3502 of title 44, United States 
Code.

(16) INTELLIGENCE COMMUNITY.—The term ‘in-
elligence community’ has the meaning 
given the term in section 2502 of title 41, 
United States Code.

(17) MONITOR.—The term ‘monitor’ means to 
acquire, identify, or scan, or to possess, 
information that is stored on, processed by, 
or transmitted by, an information system.

(18) NATIONAL CYBERSECURITY ASSET RE-
SPONSE ACTIVITIES.—The term ‘national 
cybersecurity asset response activities’ means—
(A) furnishing cybersecurity technical as-
sistance to entities affected by cybersecurity 
risk to protect assets, mitigate vulnerabilities, and reduce impacts of cyber 
incidents; 
(B) identifying other entities that may be at 
risk of an incident and assessing risk to 
the same or similar vulnerabilities; 
(C) assessing potential cybersecurity risk to a sector or region, including 
potential cascading effects, and developing courses of action to mitigate such 
risk; 
(D) facilitating information sharing and operational coordination with threat 
response; and 
(E) providing guidance on how best to uti-
lie Federal resources and capabilities in a timely, effective manner to speed recovery from cybersecurity risks.

(19) NATIONAL SECURITY SYSTEM.—The term ‘national security system’ has the 
meaning given the term in section 11103 of 
title 40, United States Code.

(20) SECTOR RISK MANAGEMENT AGENCY.— 
The term ‘Sector Risk Management Agency’ means a Federal department or agency, 
designated by law or Presidential directive, 
with responsibility for providing institu-
tional knowledge and specialized expertise of 
a sector, as well as leading, facilitating, or 
supporting programs and associated activi-
ties of its designated critical infrastructure 
sector in the all hazards environment in co-
coordination with the Department.

(21) SECURITY CONTROL.—The term ‘secu-
ry control’ means the management, oper-
ations, implementation, maintenance, and en-
forcement of measures to protect against 
an unauthorized effort to ad-
versely affect the confidentiality, integrity, 
and availability of an information system or 
its information.

(22) SECURITY VULNERABILITY.—The term 
‘security vulnerability’ means any attribute 
of a hardware, software, process, or procedure 
that could enable or facilitate the defeat of 
a security control.

(23) SHARING.—The term ‘sharing’ includ-
ing all conjugations thereof means pro-
viding, receiving, and disseminating (includ-
ing all conjugations of such terms) 

(2) T ECHNICAL AND CONFORMING AMEND-
MENTS.—The Homeland Security Act of 2002 
(6 U.S.C. 101 et seq.) is amended— 
(A) by amending section 2201 (6 U.S.C. 651) to read as follows:

SEC. 2201. DEFINITION.

‘In this subtitle, the term ‘Cyberspace Advisory Committee’ means the advisory committee established under section 2203 of this title.’; 
(B) in section 2202 (6 U.S.C. 652)—
(i) in subsection (a)(1), by striking ‘(in this subtitle 
referred to as the ‘Agency’);’; 
(ii) by striking ‘in this subtitle referred to as the ‘Director’);’; and 
(iii) in subsection (f)— 
(I) in paragraph (1), by inserting ‘Execu-
tive’ before ‘Assistant Director’; 
(II) in paragraph (2), by inserting ‘Execu-
tive’ before ‘Assistant Director’;

(17) SECURITY VULNERABILITY.—The term ‘security vulnerability’ has the meaning given the term in section 2209 of the Homeland Security Act of 2002.

(c) ADDITIONAL TECHNICAL AND CONFORMING AMENDMENTS.—

(A) in section 222 (6 U.S.C. 1521), (b) in section 2201 of the Homeland Security Act of 2002;

(B) in section 2213(b)(1) each place it appears and inserting “section 2213(a)(1)”; and

(C) in section 226 (6 U.S.C. 1526) in subsection (a), (b) in section 2201 of the Homeland Security Act of 2002;

(2) PUBLIC HEALTH SERVICE ACT.—Section 2661(b)(4)(D) of the Public Health Service Act (42 U.S.C. 300hh-10(b)(4)(D)) is amended by striking “section 223(b) of the Homeland Security Act of 2002 (6 U.S.C. 149(c))” and inserting “section 221(b) of the Homeland Security Act of 2002 (6 U.S.C. 659(b))”.

(A) in subsection (a), (b) by striking paragraph 7 and (2) by redesignating paragraphs 6 and 7 as paragraphs 6 and 7, respectively;

(B) in section 2215 of the Homeland Security Act of 2002, as added by this section and inserting “section 2218 of the Homeland Security Act of 2002 (6 U.S.C. 660(b))”.

(c) ADDITIONAL TECHNICAL AND CONFORMING AMENDMENTS.—

(A) in section 222 (6 U.S.C. 1521), (b) in section 2201 of the Homeland Security Act of 2002;

(C) in section 226 (6 U.S.C. 1526) in

(II) in paragraph (2), by striking “section 2201 of the Homeland Security Act of 2002.”; and

(C) by striking paragraphs (16) and (17) and inserting the following:

(16) SECURITY CONTROL.—The term ‘security control’ has the meaning given the term in section 512 of the Homeland Security Act of 2002;
SEC. 5198. POST-DISASTER MENTAL HEALTH RESPONSE ACT

SEC. 5201. SHORT TITLE.

This title may be cited as the “Post-Disaster Mental Health Response Act”.

SEC. 5202. FEDERAL RESEARCH SECURITY COUNCIL.

(a) In General.—Subtitle V of title 31, United States Code, is amended by adding at the end the following:

“CHAPTER 79—FEDERAL RESEARCH SECURITY COUNCIL

“Sec.

7901. Definitions.

7903. Functions and authorities.

7904. Annual report.

7905. Requirements for Executive agencies.

§ 7901. Definitions.

“In this chapter:

(1) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term ‘appropriate congressional committees’ means—

(A) the Committee on Homeland Security and Governmental Affairs of the Senate;

(B) the Committee on Commerce, Science, and Transportation of the Senate;

(C) the Select Committee on Intelligence of the Senate;

(D) the Committee on Foreign Relations of the Senate;

(E) the Committee on Armed Services of the Senate;

(F) the Committee on Health, Education, Labor, and Pensions of the Senate;

(G) the Committee on Oversight and Reform of the House of Representatives;

(H) the Committee on Homeland Security of the House of Representatives;

(I) the Committee on Energy and Commerce of the House of Representatives;

(J) the Permanent Select Committee on Intelligence of the House of Representatives;

(K) the Committee on Foreign Affairs of the House of Representatives;

(L) the Committee on Armed Services of the House of Representatives;

(M) the Committee on Science, Space, and Technology of the House of Representatives; and

(N) the Committee on Education and Labor of the House of Representatives.

(2) COUNCIL.—The term ‘Council’ means the Federal Research Security Council established under section 7902(a).

(3) EXECUTIVE AGENCY.—The term ‘executive agency’ has the meaning given to that term in section 105 of title 5.

(4) FEDERAL RESEARCH SECURITY RISK.—The term ‘federal research security risk’ means the risk posed by malactors and other persons to the security and integrity of research and development conducted using research and development funds awarded by Executive agencies.

(5) INSIDER.—The term ‘insider’ means any person with authorized access to any United States Government resource, including personnel, facilities, information, research, equipment, networks, or systems.

(6) INSIDER THREAT.—The term ‘insider threat’ means the threat that an insider will use his or her authorized access (wittingly or unwittingly) to harm the national and economic security of the United States or negatively affect the security or effectiveness of a Federal agency’s normal processes, including damaging the United States through espionage, sabotage, terrorism, unauthorized disclosure of national security information or nonpublic information, a destructive act (which may include physical harm to another in the workplace), or through the loss or degradation of departmental resources, capabilities, and functions.

(7) RESEARCH AND DEVELOPMENT.—(A) In General.—The term ‘research and development’ means all research activities, both basic and applied, and all development activities.

(B) DEVELOPMENT.—The term ‘development’ means experimental development.

(C) EXPERIMENTAL DEVELOPMENT.—The term ‘experimental development’ means creative and systematic work, drawing upon knowledge gained from research and practical experience, which—

(i) is directed toward the production of new products or processes or improving existing products or processes; and

(ii) like research, will result in gaining additional knowledge.

(D) RESEARCH.—The term ‘research’ means—

(i) is directed toward the production of new products or processes or improving existing products or processes; and

(ii) includes activities involving the training of individuals in research techniques if such activities—

(1) utilize the same facilities as other research and development activities; and

(II) are not included in the instruction function.

(E) UNITED STATES RESEARCH COMMUNITY.—The term ‘United States research community’ means—

(A) research and development centers of Executive agencies;

(B) private research and development centers in the United States, including for profit and nonprofit research and development centers;

(C) research and development centers at institutions of higher education (as defined in section 101(a) of the Higher Education Act of 1965 (20 U.S.C. 1001(a))); and

(D) research and development centers of States, United States territories, Indian tribes, and municipalities;

(E) private, government-owned, contractor-operated United States Government research and development centers; and

(F) any person conducting federally funded research or receiving Federal research grant funding.

§ 7902. Federal Research Security Council establishment and membership

(a) ESTABLISHMENT.—There is established, in the Office of Management and Budget, a Federal Research Security Council, which shall develop and enforce the measures designed to protect the national and economic security interests of the United States.

(b) MEMBERSHIP.—

(1) IN GENERAL.—The following agencies shall be represented on the Council:

(A) The Office of Management and Budget;

(B) The Office of Science and Technology Policy.

(C) The Department of Defense.

(D) The Department of Homeland Security.

(E) The Office of the Director of National Intelligence.

(F) The Department of Justice.

(G) The Department of Energy.

(H) The Department of Commerce.

(I) The Department of Health and Human Services.

(J) The Department of State.

(K) The Department of Transportation.

(L) The National Aeronautics and Space Administration.

(M) The National Science Foundation.

(N) The Department of Energy.

(O) The Small Business Administration.

(P) The Council of Inspectors General on Integrity and Efficiency.

(Q) Other Executive agencies, as determined by the Chairperson of the Council.

(2) LEAD REPRESENTATIVES.—

(A) DESIGNATION.—Not later than 45 days after the date of the enactment of the Safeguarding American Innovation Act, the head of each agency represented on the Council shall designate a representative of that agency as the lead representative of the agency on the Council.

(B) FUNCTIONS.—The lead representative of an agency designated under subparagraph (A) shall ensure that appropriate personnel, including leadership and subject matter experts of the agency, are aware of the business case of the Council.

(C) CHAIRPERSON.—

(1) DESIGNATION.—Not later than 45 days after the date of the enactment of the Safeguarding American Innovation Act, the Director of the Office of Management and Budget shall designate a senior level official from the Office of Management and Budget to serve as the Chairperson of the Council.

(2) FUNCTIONS.—The Chairperson shall perform functions that include—

(A) subject to subsection (d), developing a schedule for meetings of the Council;

(B) designating Executive agencies to be represented on the Council under subsection (b)(1)(B); and

(C) in consultation with the lead representative of each agency represented on the Council, developing a charter for the Council.

(D) not later than 7 days after completion of the charter, submitting the charter to the appropriate congressional committees.

(E) SCIENCE AND TECHNOLOGY.—The Director of the Office of Science and Technology Policy shall designate a senior level official to be the lead science advisor to the Council for purposes of this chapter.

(F) LEAD SECURITY ADVISOR.—The Director of the National Counterintelligence and Security Center shall designate a senior level official to be the lead security advisor to the Council for purposes of this chapter.

(G) MEMBERS.—The Council shall meet not less frequently than quarterly thereafter.

§ 7903. Functions and authorities

(a) DEFINITIONS.—In this section:

(1) IMPLEMENTING.—The term ‘implementing’ means working with the relevant Federal agencies, through existing processes and procedures, to enable those agencies to put in place and enforce the measures described in this section.

(2) UNIFORM APPLICATION PROCESS.—The term ‘uniform application process’ means a process employed by Federal science agencies to maximize the collection of information regarding applicants and applications, as determined by the Council.
"(b) IN GENERAL.—The Chairperson of the Council shall consider the missions and responsibilities of Council members in determining the lead agencies for Council functions. The Council shall perform the following functions:

"(1) Developing and implementing, across all Executive agencies that award research and development grants, awards, and contracts, an implementation process for grants in accordance with subsection (c).

"(2) Developing and implementing policies and providing guidance to prevent malign foreign influence from unduly influencing the peer review process for federally funded research and development.

"(3) Identifying or developing criteria for sharing long-term Executive agencies and with law enforcement and other agencies, as appropriate, information regarding individuals who violate disclosure policies and other policies related to research security.

"(4) Identifying an appropriate Executive agency—

"(A) to accept and protect information submitted by Executive agencies and non-Federal entities based on the process established pursuant to paragraph (1); and

"(B) to facilitate the sharing of information received pursuant to subparagraph (A) to support, consistent with Federal law—

"(i) the oversight of federally funded research and development;

"(ii) criminal and civil investigations of misappropriated Federal funds, resources, and information; and

"(iii) counterintelligence investigations.

"(5) Identifying, as appropriate, Executive agencies to provide—

"(A) shared services, such as support for conducting Federal research security risk assessments, activities to mitigate such risks, and oversight and investigations with respect to grants awarded by Executive agencies; and

"(B) common contract solutions to support the verification of the identities of persons participating in federally funded research and development.

"(6) Identifying and issuing guidance, in accordance with subsection (e) and in coordination with the National Insider Threat Task Force and the Office of Management and Budget, to guide the development of information sharing policies and procedures under which the insider threat program of an Executive agency accesses, shares, and integrates information and data derived from offices within the agency and shares insider threat information with the executive agency research sponsors; and

"(7) Identifying and issuing guidance for developing compliance and oversight programs for Executive agencies to ensure that research and development grant recipients accurately report conflicts of interest and conflicts of commitment in accordance with subsection (c)(1). Such programs shall include—

"(A) a grantee’s support from foreign sources and affiliations, appointments, or participation in talent programs with foreign funding institutions or laboratories; and

"(B) the impact of such support and affiliations, appointments, or participation in talent programs on United States national security and economic interests.

"(8) Providing guidance to Executive agencies regarding appropriate application of consequences for violations of disclosure requirements.

"(9) Developing and implementing a cross-agency policy and providing guidance related to the use of digital persistent identifiers for individual researchers supported by, or affiliated with, Executive agencies, in working on, any Federal research grant with the goal to enhance transparency and security, while reducing administrative burden for researchers and research institutions.

"(10) Engaging with the United States research community in conjunction with the National Science and Technology Council and the National Academies Science, Technology and Security Roundtable created under section 1746 of the National Defense Authorization Act for Fiscal Year 2020 (Public Law 116-92; 42 U.S.C. 6601 note) in performing the functions described in paragraphs (1), (2), and (3) and with respect to issues relating to Federal research security risks.

"(11) Carrying out such other functions, consistent with Federal law, that are necessary to reduce Federal research security risks.

"(c) REQUIREMENTS FOR UNIFORM GRANT APPLICATION PROCESS.—In developing the uniform application process for Federal research and development grants required under subsection (b)(1), the Council shall—

"(1) ensure that the process—

"(A) requires principal investigators, co-investigators, and key personnel associated with the proposed Federal research and development grant project—

"(i) to disclose the biographical information, all affiliations, including any foreign military, foreign government-related organizations, and foreign-funded institutions, and all current and pending support, including support from foreign institutions, foreign governments, or foreign laboratories, and all support received from foreign sources; and

"(ii) to certify the accuracy of the required disclosures under penalty of perjury; and

"(B) uses a machine-readable application form to assist in identifying fraud and ensuring the eligibility of applicants;

"(2) design the process—

"(A) to reduce the administrative burden on persons applying for Federal research and development grants, awards, and contracts, or universities of a foreign country—

"(i) to exploit, interfere, or undermine research and development by the United States research community in conjunction with the lead security advisor designated under section 7962(c)(4), shall establish a process for informing members of the United States research community and the public through the issuance of warnings described in paragraph (2), of potential risks and vulnerabilities in international scientific cooperation that may undermine the openness, transparency, reciprocity, integrity, and merit-based competition of the United States research community or place at risk any federally funded research and development.

"(2) CONTENT.—A warning described in this paragraph shall include, to the extent the Council considers appropriate, a description of—

"(A) activities by the national government, governmental research institutions, or universities of a foreign country—

"(i) to exploit, interfere, or undermine research and development by the United States research community; and

"(ii) to misappropriate scientific knowledge resulting from federally funded research and development;

"(B) efforts by strategic competitors to exploit the research enterprise of a foreign country that may place at risk—

"(i) the science and technology of that foreign country;

"(ii) federally funded research and development; and

"(C) practices within the research enterprise of a foreign country that adhere to the United States scientific values of openness, transparency, reciprocity, integrity, and merit-based competition.

"(3) The Council shall perform the following functions, in accordance with subsection (b)(1), the Council shall ensure that such criteria address, at a minimum—

"(A) the information to be shared;

"(B) the circumstances under which it is appropriate for an Executive agency to rely on information made available through such sharing in exercising the responsibilities and authorities of the agency under applicable laws relating to the award of grants;

"(C) the science and technology of that foreign country; or

"(D) the impact of such support and affiliations, appointments, or participation in talent programs on United States national security and economic interests.

"(4) The Council shall perform the following functions, in accordance with subsection (b)(1), the Council shall ensure that such criteria address, at a minimum—

"(A) the information to be shared;

"(B) the circumstances under which it is appropriate for an Executive agency to rely on information made available through such sharing in exercising the responsibilities and authorities of the agency under applicable laws relating to the award of grants;

"(C) the science and technology of that foreign country; or

"(D) the impact of such support and affiliations, appointments, or participation in talent programs on United States national security and economic interests.

"(5) appropriate privacy protections for persons involved in Federal research and development.

"(e) REQUIREMENTS FOR INSIDER THREAT PROGRAM GUIDANCE.—In identifying or developing guidance with respect to insider threat programs under subsection (b)(6), the Council shall ensure that such guidance provides for, at a minimum—

"(1) such programs—

"(A) to deter, detect, and mitigate insider threats; and

"(B) to leverage counterintelligence, security, and fraud, and other relevant functions and resources to identify and counter insider threats; and

"(2) the development of an integrated capability to monitor and audit information for the detection and mitigation of insider threats, including through—

"(A) providing employees of Executive agencies with awareness training with respect to insider threats and the responsibilities of employees to report such threats; and

"(B) gathering information for a centralized analysis, reporting, and response capability.

"(f) INFORMATION SHARING.—Information sharing to aid in tracking the risk individuals may pose while moving across programs and affiliations.

"(g) REQUIREMENTS FOR INTERAGENCY GUIDANCE.—In developing guidance on persons applying for Federal research and development grants required under subsection (b)(1), the Council shall—

"(1) ensure that the guidance—

"(A) provides guidance to Executive agencies and non-Federal entities on the development of information sharing and privacy protections for persons involved in Federal research and development.

"(B) includes, to the extent the Council considers appropriate, a description of—

"(i) the information to be shared;

"(ii) the circumstances under which it is appropriate for an Executive agency to rely on information made available through such sharing in exercising the responsibilities and authorities of the agency under applicable laws relating to the award of grants;

"(iii) the science and technology of that foreign country; or

"(iv) the impact of such support and affiliations, appointments, or participation in talent programs on United States national security and economic interests.

"(2) design the process—

"(A) to reduce the administrative burden on persons applying for Federal research and development grants, awards, and contracts, or universities of a foreign country—

"(i) to exploit, interfere, or undermine research and development by the United States research community in conjunction with the lead security advisor designated under section 7962(c)(4), shall establish a process for informing members of the United States research community and the public through the issuance of warnings described in paragraph (2), of potential risks and vulnerabilities in international scientific cooperation that may undermine the openness, transparency, reciprocity, integrity, and merit-based competition of the United States research community or place at risk any federally funded research and development.

"(2) CONTENT.—A warning described in this paragraph shall include, to the extent the Council considers appropriate, a description of—

"(A) activities by the national government, governmental research institutions, or universities of a foreign country—

"(i) to exploit, interfere, or undermine research and development by the United States research community; and

"(ii) to misappropriate scientific knowledge resulting from federally funded research and development;

"(B) efforts by strategic competitors to exploit the research enterprise of a foreign country that may place at risk—

"(i) the science and technology of that foreign country;

"(ii) federally funded research and development; and

"(C) practices within the research enterprise of a foreign country that adhere to the United States scientific values of openness, transparency, reciprocity, integrity, and merit-based competition.

"(3) The Council shall perform the following functions, in accordance with subsection (b)(1), the Council shall ensure that such criteria address, at a minimum—

"(A) the information to be shared;

"(B) the circumstances under which it is appropriate for an Executive agency to rely on information made available through such sharing in exercising the responsibilities and authorities of the agency under applicable laws relating to the award of grants;

"(C) the science and technology of that foreign country; or

"(D) the impact of such support and affiliations, appointments, or participation in talent programs on United States national security and economic interests.
"(3) efforts by the Interagency Suspension and Debarment Committee to mitigate Federal research security risk; "(4) proposals for developing a unified Federal policy on suspensions and debarments; and "(5) other current suspension and debarment related issues." (b) CLERICAL AMENDMENT.—Nothing in this section may be construed— "(1) to alter or diminish the authority of any Executive agency; or "(2) to alter any procedural requirements or remedies that were in place before the date of the enactment of the Safeguarding American Innovation Act.

§ 7904. Annual report

"Not later than November 15 of each year, the Chairperson of the Council shall submit a report to the appropriate congressional committees that describes the activities of the Council during the preceding fiscal year.

§ 7905. Requirements for Executive agencies

"(a) In General.—The head of each Executive agency on the Council shall be responsible for— "(1) assessing Federal research security risks posed by persons participating in federally funded research and development; "(2) mitigating such risks, as appropriate and consistent with the standards, guidelines, requirements, and practices identified by the Council under section 7065(b); "(3) prioritizing Federal research security risk assessments conducted under paragraph (1) based on the applicability and relevance of the research and development to the national security and economic competitiveness of the United States; "(4) ensuring that initiatives impacting Federally funded research grant making policies and management to protect the national and economic security interests of the United States, are coordinated with the activities of the Council; and "(5) ensuring that the initiatives of the Council comply with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000 et seq.)." (b) INCLUSIONS.—The responsibility of the head of an Executive agency for assessing Federal research security risk described in subsection (a) includes— "(1) developing an overall Federal research security risk management strategy and implementation plan and policies and processes to guide and govern Federal research security risk management activities by the Executive agency; "(2) integrating Federal research security risk management practices throughout the lifecycle of the grant programs of the Executive agency; "(3) sharing relevant information with other agencies, as determined appropriate by the Council in a manner consistent with section 7903; and "(4) reporting on the effectiveness of the Federal research security risk management strategy of the Executive agency consistent with guidance issued by the Office of Management and Budget and the Council." (c) INELIGIBILITY FOR VISAS AND ADMISSION TO THE UNITED STATES.—An alien described in section 212(a)(3) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(3)) who— "(1) is ineligible to receive a visa or other documentation to enter the United States by reason of a determination that the alien is an illegal entrant or an alien who— "(A) was convicted of a Federal crime; "(B) was excluded under chapter 239; "(C) is subject to removal proceedings; "(D) is inadmissible under section 212(a)(1) or other provision of law; or "(E) has not been lawfully admitted to the United States as a permanent resident or otherwise under section 212(a)(2)(A)(iii) of the Immigration and Nationality Act (8 U.S.C. 1182(a)(2)(A)(iii)); "(2) has any other ineligibility under the Immigration and Nationality Act (8 U.S.C. 1182) that makes the alien inadmissible to the United States; or "(3) has any other ineligibility under the Immigration and Nationality Act (8 U.S.C. 1182) that makes the alien deportable from the United States; or "(4) failed to undergo the proper immigration procedures; "(f) SANCTIONS DESCRIBED.—The sanctions described in this section are the following:

SEC. 5204. RESTRICTING THE ACQUISITION OF EMERGING TECHNOLOGIES BY CERTAIN AGENTS

(a) IN GENERAL.—The Secretary of State may impose the sanctions described in subsection (c) if the Secretary determines that an agency or person to whom the Secretary provides assistance under this Act is not in compliance with the law enforcement agency.

(b) EXCEPTION.—Subsection (b) does not apply to an agency— "(1) carried out in connection with a lawful or legal authority issued by the agency; "(2) that is subject to any other Federal law; "(3) that is subject to any other applicable law; or "(4) that is subject to any other applicable law.

(c) EXCEPTION.—Subsection (b) does not apply to an agency— "(1) carried out in connection with a lawful or legal authority issued by the agency; "(2) that is subject to any other Federal law; "(3) that is subject to any other applicable law; or "(4) that is subject to any other applicable law.

(f) SANCTIONS DESCRIBED.—The sanctions described in this subsection are the following:

SEC. 1041. Federal grant application fraud

(a) IN GENERAL.—Chapter 47 of title 18, United States Code, is amended by adding after the item relating to chapter 27 the following:

"1041. Federal grant application fraud

"(1) FEDERAL GRANT APPLICATION.—The term 'Federal grant application' means an application or document in connection with a Federal grant program that— "(A) contains a material misrepresentation; or "(B) contains a misrepresentation.

"(2) INSPECTION.—The term 'inspector' means a Federal entity to carry out a Federal grant program that— "(A) contains a material misrepresentation; or "(B) contains a misrepresentation.

"(3) PENALTY.—Any individual who violates subsection (b) of this section— "(1) shall be fined in accordance with this title; "(2) imprisoned for not more than 5 years, or "(3) both, in accordance with the level of severity of that individual's violation of subsection (b); and "(2) shall be prohibited from receiving a Federal grant during the 5-year period beginning on the date on which a sentence is imposed on the individual under paragraph (1)." (b) CLERICAL AMENDMENT.—The analysis for chapter 47 of title 18, United States Code, is amended by adding at the end the following:

"1041. Federal grant application fraud;".

SEC. 5204. RESTRICTING THE ACQUISITION OF EMERGING TECHNOLOGIES BY CERTAIN AGENTS

(a) IN GENERAL.—The Secretary of State may impose the sanctions described in subsection (c) if the Secretary determines that an agency or person to whom the Secretary provides assistance under this Act is not in compliance with the law enforcement agency.

(b) EXCEPTION.—Subsection (b) does not apply to an agency— "(1) carried out in connection with a lawful or legal authority issued by the agency; "(2) that is subject to any other Federal law; "(3) that is subject to any other applicable law; or "(4) that is subject to any other applicable law.

(f) SANCTIONS DESCRIBED.—The sanctions described in this subsection are the following:

SEC. 1041. Federal grant application fraud

(a) IN GENERAL.—Chapter 47 of title 18, United States Code, is amended by adding after the item relating to chapter 27 the following:

(b) CLERICAL AMENDMENT.—The analysis for chapter 47 of title 18, United States Code, is amended by adding at the end the following:

"1041. Federal grant application fraud;".
(2) CURRENT VISAS REVOKED.—
(A) IN GENERAL.—An alien described in subsection (a) is subject to revocation of any visa or other entry documentation regardless of whether to revoke other entry documentation is or was issued.

(B) IMMEDIATE EFFECT.—A revocation under clause (A) shall take effect immediately, and automatically cancel any other visa or entry documentation that is in the alien’s possession, in accordance with section 221(i) of the Immigration and Nationality Act.

(3) EXCEPTION TO COMPLY WITH INTERNATIONAL OBLIGATIONS.—The sanctions described in this subsection shall not apply with respect to aliens if admitting, permitting, or allowing the alien into the United States is necessary to permit the United States to comply with the Agreement regarding the Headquarters of the United Nations, signed at Lake Success June 26, 1947, and entered into force November 21, 1947, between the United Nations and the United States, or other applicable international obligations.

(4) REPORTING REQUIREMENT.—Not later than 180 days after the date of the enactment of this Act, and semi-annually thereafter until the sunset date set forth in subsection (b), the Committee on Foreign Relations of the Senate, the Committee on the Judiciary of the Senate, the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on the Judiciary of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the House of Representatives, the Committee on Foreign Relations of the House of Representatives, the Committee on Homeland Security of the House of Representatives, and the Committee on Oversight and Reform of the House of Representatives that identifies—

(1) any criteria, if relevant used to describe the alien in subsection (a),

(2) the number of individuals determined to be subject to sanctions under subsection (a), including the nationality of each such individual and the reasons for each sanctions determination; and

(3) the number of days from the date of the consular consular processing of the visa application and a final decision is issued for each application for a visa considered under this section, listed by applicants’ country of citizenship and relevant consulate.

(c) REQUIREMENT.—
(1) IN GENERAL.—Not later than 180 days after the date of enactment of this Act, the President, the Secretary of Energy, the Secretary of Commerce, the Secretary of Homeland Security, the Secretary of Defense, the Secretary of Energy, the Secretary of Commerce, and the heads of other appropriate Federal agencies, shall submit a report to the Committee on the Judiciary of the Senate, the Committee on Foreign Relations of the Senate, the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on the Judiciary of the House of Representatives, the Committee on Foreign Affairs of the House of Representatives, the Committee on Homeland Security of the House of Representatives, and the Committee on Oversight and Reform of the House of Representatives that identifies—

(1) any criteria, if relevant used to describe the alien in subsection (a),

(2) the number of individuals determined to be subject to sanctions under subsection (a), including the nationality of each such individual and the reasons for each sanctions determination; and

(3) the number of days from the date of the consular processing of the visa application and a final decision is issued for each application for a visa considered under this section, listed by applicants’ country of citizenship and relevant consulate.

(e) CLASSIFICATION OF REPORT.—Each report required under subsection (d) shall be submitted, to the extent practicable, in an unclassified form, but may be accompanied by a classified annex.

(f) SUNSET.—This section shall cease to be effective on the date that is 2 years after the date of the enactment of this Act.

Subtitle B—Intragovernmental Cybersecurity Information Sharing Act

SEC. 5221. REQUIREMENT FOR INFORMATION SHARING AGREEMENTS.

(a) SHORT TITLE.—This section may be cited as the “Intragovernmental Cybersecurity Information Sharing Act”.

(b) APPROPRIATE OFFICIALS DEFINED.—In this section, the term “appropriate officials” means—

(1) the Majority Leader, Minority Leader, and the Secretary of the Senate with respect to an agreement entered into by the Senate and Doorkeeper of the Senate; and

(2) the Speaker, the Minority Leader, and the Sergeant at Arms of the House of Representatives with respect to an agreement entered into by the Sergeant at Arms and Doorkeeper of the House of Representatives.

(c) REQUIREMENT.—
(1) IN GENERAL.—Not later than 180 days after the date the Act, the Committee on Homeland Security and Governmental Affairs and the Chief Administrative Officer of the House of Representatives, in consultation with appropriate officials, shall enter into 1 or more cybersecurity information sharing agreements to enhance collaboration between the executive branch and Congress on implementing cybersecurity measures to improve the protection of legislative branch information technology.

(2) DELEGATION.—If the President delegates the duties under paragraph (1), the designee under the President shall coordinate with appropriate Executive agencies (as defined in section 105 of title 5, United States Code, including the Executive Office of the President) and appropriate officials in the executive branch in entering any agreement described in paragraph (1).

(d) ELEMENTS.—The parties to a cybersecurity information sharing agreement under subsection (c) shall jointly develop such elements of the agreement as the parties find appropriate, which may include—

(1) direct and timely sharing of technical indicators and contextual information on cyber threats and vulnerabilities, and the means for such sharing;

(2) direct and timely sharing of classified and unclassified reports on cyber threats and activities consistent with the protection of sources and methods;

(3) seating of cybersecurity personnel of the Office of the Sergeant at Arms and Doorkeeper of the Senate or the Office of the Chief of Staff of Representatives at cybersecurity operations centers; and

(4) any other elements the parties find appropriate.

(e) BRIEFING TO CONGRESS.—Not later than 210 days after the date of enactment of this Act, and periodically thereafter, the President shall brief the Committee on Homeland Security and Governmental Affairs and the Committee on Rules and Administration of the Senate, the Committee on Homeland Security and the Committee on House Administration of the House of Representatives, and appropriate officials on the status of the implementation of the agreements required under subsection (c).

Subtitle C—Improving Government for America’s Taxpayers

SEC. 5221. GOVERNMENT ACCOUNTABILITY OFFICE UNIMPLEMENTED PRIORITY RECOMMENDATIONS.

The Comptroller General of the United States shall, as part of the Comptroller General’s annual reporting to committees of Congress—

(1) consolidate Matters for Congressional Consideration from the Government Accountability Office in one report organized by policy topic that includes the amount of time such Matters have been implemented and submit such report to congressional leadership and the oversight committees of each House;

(2) with respect to the annual letters sent by the Comptroller General to individual agency heads and relevant congressional committees on the status of unimplemented priority recommendations, identify any additional congressional oversight actions that can help agencies implement such priority recommendations and address any underlying issues relating to such implementation;

(3) make publicly available the information described in paragraphs (1) and (2); and

(4) consolidate Matters for congressional consideration of unimplemented priority recommendations, if applicable.

Subtitle D—Advancing American AI Act

SEC. 5221. SHORT TITLE.

This subtitle may be cited as the “Advancing American AI Act”.

SEC. 5222. PURPOSE.

The purposes of this subtitle are to—

(1) encourage agency artificial intelligence-related programs and initiatives that enhance the competitiveness of the United States and foster an artificial intelligence that builds on the strengths of the United States in innovation and entrepreneurship;

(2) enhance the ability of the Federal Government to translate research advances into artificial intelligence applications to modernize systems and assist agency leaders in fulfilling their missions;

(3) promote adoption of modernized business practices and advanced technologies across the Federal Government that align with the values of the United States, including the protection of privacy, civil rights, and civil liberties; and

(4) test and harness applied artificial intelligence to enhance mission effectiveness and business practice efficiency.

SEC. 5223. DEFINITIONS.

In this subtitle—

(1) Agency.—The term “agency” has the meaning given in the term in section 3502 of title 44, United States Code.

(2) APPROPRIATE CONGRESSIONAL COMMITTEES.—The term “appropriate congressional committees” means—

(A) the Committee on Homeland Security and Governmental Affairs of the Senate; and

(B) the Committee on Oversight and Reform of the House of Representatives.

(3) ARTIFICIAL INTELLIGENCE.—The term “artificial intelligence” has the meaning given the term in section 238(g) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (10 U.S.C. 2358 note).

(4) ARTIFICIAL INTELLIGENCE SYSTEM.—The term “artificial intelligence system” means—

(A) any data system, software, application, tool, or utility that operates in whole or in part using dynamic or static machine learning algorithms or other forms of artificial intelligence, whether—

(i) the data system, software, application, tool, or utility is established primarily for the purpose of researching, developing, or implementing artificial intelligence technology; or

(ii) artificial intelligence capability is integrated into another system or agency business process, operational activity, or technology system; and

(B) does not include any common commercial product within which artificial intelligence is embedded, such as a word processor or map navigation system.

(5) DEPARTMENT.—The term “Department” means the Department of Homeland Security.

(6) DIRECTOR.—The term “Director” means the Director of the Office of Management and Budget.

SEC. 5224. PRINCIPLES AND POLICIES FOR USE OF ARTIFICIAL INTELLIGENCE IN GOVERNMENT.

(a) GUIDANCE.—The Director shall, when developing the guidance required under section 5223(b), consult with the Secretary of the Treasury, the Director of the Office of Management and Budget, and the Director of the Office of Personnel Management.

(1) the considerations and recommended practices identified by the National Security Commission on Artificial Intelligence in the report entitled “Key Considerations for the Responsible Development and Fielding of Artificial Intelligence” published in April 2020; and

(2) the principles articulated in Executive Order 13960 (85 Fed. Reg. 78939; relating to
promoting the use of trustworthy artificial intelligence in Government; and
(3) the input of—
(A) the Privacy and Civil Liberties Oversight Board;
(B) relevant interagency councils, such as the Federal Privacy Council, the Chief Information Officers Council, and the Chief Data Officers Council;
(C) other governmental and nongovernmental privacy, civil rights, and civil liberties experts; and
(D) any individual or entity the Director determines to be appropriate.
(b) DEPARTMENT POLICIES AND PROCESSES FOR PROTECTION OF GOVERNMENT INFORMATION.
(1) Artificial intelligence in Government; and
(2) the Secretary of Homeland Security, shall issue policies and procedures for the Department related to
(A) the acquisition and use of artificial intelligence; and
(B) considerations for the risks and impacts related to artificial intelligence-enabled systems, including associated data of machine learning systems, to ensure that full consideration is given to—
(i) privacy, civil liberties, and civil liberties impacts of artificial intelligence-enabled systems; and
(ii) security against misuse, degradation, or rendering inoperable of artificial intelligence-enabled systems; and
(2) the Chief Privacy Officer and the Office of the Inspector General to continually advance their understanding of—
(1) artificial intelligence systems;
(2) best practices for governance, oversight, and audits of the use of artificial intelligence systems; and
(3) how the Office of the Inspector General is using artificial intelligence to enhance audit and investigative capabilities, including actions to—
(A) ensure the integrity of audit and investigative results; and
(B) guard against bias in the selection and conduct of audits and investigations.
(c) AIRLINESS RESILIENCE HYGIENE AND PROTECTION OF GOVERNMENT INFORMATION, PRIVACY, CIVIL RIGHTS, AND CIVIL LIBERTIES.
(1) ESTABLISHMENT.—Not later than 1 year after the date of enactment of this Act, the Director, in consultation with Congress on any additional staffing or funding resources that may be required to carry out the requirements of this subsection.
(2) INVENTORY.—Not later than 60 days after the date of enactment of this Act, the Inspector General of the Department shall identify any training and investments needed to enable employees of the Office of the Inspector General to continually advance their understanding of—
(A) artificial intelligence systems;
(B) best practices for governance, oversight, and audits of the use of artificial intelligence systems; and
(C) how the Office of the Inspector General is using artificial intelligence to enhance audit and investigative capabilities, including actions to—
(i) ensure that contracts for the acquisition of an artificial intelligence system or service—
(A) align with the guidance issued to the head of the agency under section 364c of the AI in Government Act of 2020 (title I of division U of Public Law 116–260);
(ii) address protection of privacy, civil rights, and civil liberties; and
(iii) address the ownership and security of data and other information created, used, processed, stored, maintained, disseminated, disclosed, or disposed of by a contractor or subcontractor on behalf of the Federal Government; and
(iv) include considerations for securing the training data, algorithms, and other components of any artificial intelligence system against misuse, unauthorized alteration, degradation, manipulation, or rendering inoperable; and
(B) address any other issue or concern determined to be relevant by the Director to ensure appropriate use and protection of privacy and Government data and other information.
(2) CONSULTATION.—In developing the considerations under paragraph (1)(A)(iv), the Director shall—
(A) not later than 90 days after the date of enactment of this Act, consult with the Chief Information Officers Council, the Chief Financial Officers Council, the Chief Acquisition Officers Council, or other interagency bodies as determined to be appropriate by the Director, and, to the extent practicable and consistent with applicable laws and policies, including those relating to the protection of privacy and of sensitive law enforcement, national security, and other protected information.
(b) PILOT PROGRAM.—(1) PURPOSES.—The purposes of the pilot program under this subsection include—
(A) to enable agencies to operate across organizational boundaries, coordinating between existing established programs and silos to improve delivery of the agency mission; and
(B) to demonstrate the circumstances under which artificial intelligence can be used to modernize or persist in modernizing legacy agency systems.
(2) DEPLOYMENT AND PILOT.—Not later than 1 year after the date of enactment of this Act, the Director, in coordination with the heads of relevant agencies and other officials as the Director determines to be appropriate, shall ensure the initiation of the piloting of the 4 new artificial intelligence use case applications identified under subsection (a), leveraging commercially available technologies and systems to demonstrate scalable artificial intelligence-enabled capabilities to support the use cases identified under subsection (a).
(3) RISK EVALUATION AND MITIGATION PLAN.—In carrying out paragraph (2), the Director shall require the heads of agencies to—
(A) evaluate risks in utilizing artificial intelligence systems; and
(B) develop a risk mitigation plan to address those risks, including consideration of—
(i) the artificial intelligence system not performing as expected;
(ii) the lack of sufficient or quality training data; and
(iii) the vulnerability of a utilized artificial intelligence system to unauthorized manipulation or misuse.
(4) PRIORITIZATION.—In carrying out paragraph (2), the Director shall prioritize modernization projects that—
(A) would benefit from commercially available privacy-preserving techniques, such as use of differential privacy, federated learning, and secure multiparty computing; and
(B) otherwise take into account consideration of civil rights and civil liberties.
(5) USE CASE MODERNIZATION APPLICATION AREAS.—Use case modernization application areas described in paragraph (2) shall include categories less than or equal to 1 from each of the following categories:
(A) Applied artificial intelligence to drive agency productivity efficiencies in predictive supply chain and logistics, such as—
(i) predictive food demand and optimized supply;
(ii) predictive medical supplies and equipment management; and
(iii) predictive logistics to accelerate disaster preparedness, response, and recovery;
SEC. 5237. ENABLING ENTREPRENEURS AND INNOVATIONS BY LIFTING HURDLES TO ADOPTION OF ARTIFICIAL INTELLIGENCE AND AUTOMATION.

(a) APPLICABILITY.—Not later than 3 years after the date of enactment of this Act, the Director, in coordination with the heads of relevant agencies and other officials as the Director determines to be appropriate, shall establish an artificial intelligence capability within each of the 4 case pilots under this subsection that—

(1) solves data access and usability issues with automated technology and eliminates or minimizes the need for manual data cleansing and harmonization efforts;

(2) continuously ingests data and updates domain models in near-real-time to help identify new patterns and predict trends, to the extent possible, to help agencies make better decisions to improve use case outcomes;

(3) is rapidly configurable to support multiple applications and automatically adapts to dynamic conditions and evolving use case requirements, to the extent possible;

(4) enables knowledge transfer and collaboration across agencies; and

(5) improves transparency by providing access to the data and output for benefit of the Federal Government and agencies.

(b) AUTOMATION.—Earlier than 270 days but not later than 1 year after the date of enactment of this Act, and annually thereafter for 4 years, the Director shall brief the appropriate congressional committees on the activities carried out under this section and results of those activities.

(c) The section shall cease to be effective on the date that is 5 years after the date of enactment of this Act.

SEC. 5238. ENABLING FEDERAL AGENCY MISSIONS.

(a) INNOVATIVE COMMERCIAL ITEMS.—Section 831 of the Homeland Security Act of 2002 (6 U.S.C. 391) is amended—

(1) by amending subsection (f) to read as follows:

"(2) the term 'innovative' means—

"(A) may, under the authority of paragraph (1), carry out prototype projects under section 4022 of title 10, United States Code; and

"(B) in applying the authorities of such section 4022, the Secretary shall perform the functions of the Secretary of Defense as prescribed in such section;"; and

(2) in subsection (c)(1), by striking "September 30, 2017" and inserting "September 30, 2024";

(3) in subsection (d), by striking "section 845(e)" and all that follows and inserting "section 4022(e) of title 10, United States Code;" and

(b) COMMERCIAL OFF THE SHELF SUPPLY CHAIN RISK MANAGEMENT TOOLS.—The General Services Administration is encouraged to pilot commercial off the shelf supply chain risk management tools to improve the ability of the Federal Government to characterize, monitor, predict, and respond to specific supply chain threats and vulnerabilities that could inhibit future Federal acquisition operations.

Subtitle E—Strategic EV Management

SEC. 5241. STRATEGIC EV MANAGEMENT.

This subtitle may be cited as the "Strategic EV Management Act of 2022".

SEC. 5242. DEFINITIONS.

(a) IN GENERAL.—The term "Administrator" means the Administrator of General Services.

(b) AGENCY.—The term 'agency' includes the Department of Energy; and the Department of Defense; and the National Nuclear Security Administration.

(c) OFF THE SHELF.—The term "commercial service" as defined in sections 4022, the Secretary shall perform the functions of the Secretary of Defense, and title 5, United States Code.

(d) FEDERAL AGENCY.—The term 'agency' has the meaning given the term in section 551 of title 5, United States Code.

(e) FEDERAL EV FLEET.—The term 'Federal EV fleet' means the Federal electric vehicle fleet.

(f) FEDERAL EV SUPPLY CHAIN.—The term 'Federal EV supply chain' means the Federal electric vehicle supply chain.

SEC. 5243. STRATEGIC GUIDANCE.

(a) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, the Administrator, in consultation with the Director, shall develop a strategic plan for Federal electric vehicle fleet battery management. In this consultation, (A) the Committee on Homeland Security and Governmental Affairs of the Senate; and (B) the Committee on Oversight and Reform of the House of Representatives.

(b) DURATION.—A strategic plan required under subsection (a) shall—

(1) maximize both cost and environmental efficiencies; and

(2) incorporate—

(A) guidelines for optimal charging practices that will maximize battery longevity and prevent premature degradation; (B) best commercial practices for reusing and recycling the batteries of retired vehicles; and

(c) OTHER CONSIDERATIONS.—The Administrator, in consultation with the Director, shall consider, when developing the strategic plan, any other matters determined appropriate by the Administrator and Director.

(d) MODIFICATION.—The Administrator, in consultation with the Director, may periodically update the strategic plan required under subsection (a) as the Administrator and Director may determine necessary based on new information relating to electric vehicle battery technology.

SEC. 5244. STUDY OF FEDERAL FLEET VEHICLES.

Not later than 2 years after the date of enactment of this Act, the Comptroller General of the United States shall submit to Congress a report on how the costs and benefits of operating and maintaining electric vehicles in the Federal fleet compare to the costs and benefits of operating and maintaining internal combustion engine vehicles. The Comptroller General of the United States shall include in the report an annual reporting to committees of Congress—

(1) consolidate Matters for Congressional Consideration from the Government Accountability Office in one report organized by policy topic that includes the amount of time such Matters have been unimplemented; and publish such report to congressional leadership and the oversight committees of each House;

(2) with respect to the annual letters sent by the Comptroller General to individual agency heads and relevant congressional committees on the status of unimplemented priority recommendations, identify any additional congressional oversight actions that can help agencies implement such priority recommendations and address any underlying issues relating to such implementation;

(3) make publicly available the information described in paragraphs (1) and (2); and

(4) publish any known costs of unimplemented priority recommendations, if applicable.

Subtitle F—Congressionally Mandated Reports

SEC. 5251. SHORT TITLE.

This subtitle may be cited as the "Access to Congressionally Mandated Reports Act".

SEC. 5252. DEFINITIONS.

(a) IN GENERAL.—The term 'Congressional Leadership' means the Speaker, majority leader, and minority leader of the House of Representatives and the majority leader and minority leader of the Senate.

(b) CONSOLIDATED REPORT.—The term "Congressionally Mandated Reports Act" means the Act."
section 5235. Establishment of online portal for congressionally mandated reports.

(a) Requirement to establish online portal. (1) in general.—Not later than 1 year after the date of enactment of this Act, the Director shall establish and maintain an online portal available to the public that allows the public to obtain electronic copies of congressionally mandated reports in one place.

(b) Content and function. —The Director shall ensure that the reports online portal includes the following:

(1) Subject to subsection (c), with respect to each congressionally mandated report, each of the following:

(A) a citation to the statute requiring the report;

(B) an electronic copy of the report, including any transmittal letter associated with the report;

(i) is based on an underlying open data standard that is maintained by a standards organization;

(ii) allows the full text of the report to be searchable; and

(iii) is not encumbered by any restrictions that would impede the reuse or searchability of the report; and

(C) the ability to retrieve a report, to the extent practicable, through searches based on each, and any combination, of the following:

(i) The title of the report.

(ii) The reporting Federal agency.

(iii) The date of publication.

(iv) The congressional committee or subcommittee receiving the report, if applicable.

(v) The statute requiring the report.

(vi) Subject tags.

(vii) A unique alphanumeric identifier for the report that is consistent across report editions.

(viii) The serial number, Superintendent of Documents number, or other identification number for the report, if applicable.

(ix) Key words.

(x) Full text search.

(xi) Any other relevant information specified by the Director.

(2) the date on which the report was required to be submitted, and on which the report was submitted, to the reports online portal.

(3) To the extent practicable, a permanent means of accessing the report electronically.

(2) A means for bulk download of all congressionally mandated reports.

(3) A means for downloading individual reports as the result of a search.

(c) Noncompliance by Federal agencies.—(1) Reports not submitted.—If a Federal agency does not submit a congressionally mandated report to the Director, the Director shall to the extent practicable:

(A) include on the reports online portal—
