multifamily housing project or projects.

(b) Phased Transfers.—Transfers of project-based assistance under this section may be done in phases
to accommodate the financing and other requirements re-

projects to which the assistance is transferred, to ensure
that such project or projects meet the standards under
subsection (c).

(c) The transfer authorized in subsection (a) is sub-

(1) Number and bedroom size of units.—

(A) For occupied units in the transferring
project: The number of low-income and very

the transferring project shall remain the same
in the receiving project or projects.

(B) For unoccupied units in the transferr-

(8) If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagee of the receiving project or projects shall execute and record either a continuation of the existing use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

(9) The transfer does not increase the cost (as defined in section 502 of the Congressional Budget Act of 1974 (2 U.S.C. 661a)) of any FHA-insured mortgage, except to the extent that appropriations
are provided in advance for the amount of any such increased cost.

SEC. 216. The Secretary shall, for fiscal year 2024,
notify the public through the Federal Register and other
means, as determined appropriate, of the issuance of a no-
tice of the availability of assistance or notice of funding
opportunity (NOFO) for any program or discretionary
fund administered by the Secretary that is to be competi-

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies or those deficiencies requiring correction within 24 hours identified by the inspector at the project have been corrected.

Such requirements shall apply to insured and non-insured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but shall not apply to such units assisted under section 8(o)(13) of such Act (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

with a specified timetable, determined by the Secretary,
for correcting all deficiencies. The Secretary shall provide
a copy of the Notice of Default to the tenants, the local
government, any mortgagees, and any contract adminis-
trator. If the owner’s appeal results in a passing score,
the Secretary may withdraw the Notice of Default.

(2) At the end of the time period for correcting all
deficiencies specified in the Notice of Default, if the owner
fails to fully correct such deficiencies, the Secretary may—

(A) require immediate replacement of project
management with a management agent approved by

all deficiencies have been corrected;

another project or projects and owner or owners;

or seek a judicial order of specific performance re-

(H) work with the owner, lender, or other re-

to preserve the property through compliance, trans-
fer of ownership, or an infusion of capital provided
by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual
remedies available as deemed necessary and appro-

(d) The Secretary shall take appropriate steps to en-
sure that project-based contracts remain in effect, subject
to the exercise of contractual abatement remedies to assist
relocation of tenants for major threats to health and safety
after written notice to the affected tenants. To the extent
the Secretary determines, in consultation with the tenants
and the local government, that the property is not feasible
for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 ("MAHRAA"); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.
