dogs provide to society.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Working Dog Com-
3 memorative Coin Act”.

4 **SEC. 2. FINDINGS.**

5 The Congress finds the following:

6 (1) Dogs going back thousands of years have
7 been tied to humans whether for protection, compan-
8 ionship, or assisting in daily activities.

9 (2) The United States had an unofficial canine
10 military presence assisting soldiers in the Civil War
11 and World War I, but military K–9s did not become
12 officially recognized until March 13, 1942. During
13 the height of the wars in Afghanistan and Iraq it is
14 estimated that the United States military employed
15 near 2,500 K–9s.

16 (3) Military K–9s have seen service in every
17 major United States combat since World War I and
18 have been praised by military leadership as an indis-
19 pensable asset for military, police, government, and
20 private security teams around the world.

21 (4) In 2000, Congress passed “Robby’s Law”
22 which allowed for the adoption of military K–9s by
23 law enforcement agencies, former handlers, and
24 other care groups.

25 (5) Since 2000, military K–9s have left service
26 and gone onto work explosive detection for police

1 forces, and work as service dogs for veterans and
2 families.

3 (6) Beyond their military working capacity,
4 working dogs provide enhanced mobility assist and
5 renewed independence for the injured and disabled.
6 Service dogs are able to support veterans struggling
7 after war, hear for those who are deaf, see for those
8 who are blind, and even sense changes in a person's
9 body before a seizure. Working dogs play a vital role
10 in improving the lives of many.

11 (7) The service dog programs of America's
12 VetDogs were created to provide enhanced mobility
13 and renewed independence to United States vet-
14 erans, active-duty service members, and first re-
15 sponders with disabilities.

16 (8) America's VetDogs provides—

17 (A) guide dogs for individuals who are
18 blind or have low vision;

19 (B) hearing dogs for those who have lost
20 their hearing later in life by alerting to alarms,
21 door bells, sirens, and more;

22 (C) service dogs for those with other phys-
23 ical disabilities that are specially trained to pro-
24 vide balance, retrieve dropped items, open and

1 close doors, turn on and off lights, carry a
2 backpack, and more;

3 (D) facility dogs which are specially
4 trained to spend time working with wounded
5 veterans recovering at military hospitals and
6 veterans medical centers;

7 (E) dogs that work with physical and occu-
8 pational therapists as they treat soldiers and
9 become an essential part of the healing process;
10 and

11 (F) PTSD service dogs that are trained to
12 help mitigate the symptoms of PTSD by pro-
13 viding the emotional and physical support a vet-
14 eran may need.
