A BILL

To direct the Secretary of Commerce, in coordination with the heads of other relevant Federal departments and agencies, to conduct an interagency review of and report to Congress on ways to increase the global competitiveness of the United States in attracting foreign direct investment.

1 *Be it enacted by the Senate and House of Representa-*

7 *It is the sense of Congress that—*

8 *(1) the ability of the United States to attract for-*

10 *entities based in trusted countries is directly linked to*
11 *the long-term economic prosperity, global competitive-*
12 *ness, and security of the United States;*

13 *(2) it is a top national priority to enhance the*
14 *global competitiveness, economic prosperity, and secu-*
15 *rity of the United States by—*

13 ties based in trusted countries encourages other coun-
14 tries to reciprocate and enable the United States to
15 open new markets abroad for United States compa-
16 nies and their products;

17 (4) while foreign direct investment by responsible
18 private-sector entities based in trusted countries can
19 enhance the United States economic strength, policies
20 regarding foreign direct investment should reflect se-
21 curity interests and should not disadvantage domestic
22 investors, companies, or the workforce;

23 (5) United States efforts to attract foreign direct
24 investment from responsible private-sector entities
25 based in trusted countries should be consistent with

1 *efforts to maintain and improve the domestic stand-*
2 *ard-of-living, including for the workforce;*

3 *(6) as digital information becomes increasingly*
4 *important to the United States economy and the de-*
5 *velopment of new technologies and services that will*
6 *be crucial to the country's competitiveness in the 21st*
7 *century global economy, barriers including data local-*
8 *ization and infringement of intellectual property*
9 *rights must be further addressed;*

10 *(7) foreign direct investment by companies or*
11 *other entities owned, directed, supported, or influ-*
12 *enced by the Chinese Communist Party is a threat to*
13 *United States security and merits an aggressive pol-*
14 *icy framework to protect United States interests, jobs,*

19 *chain resilience; and*

20 *(9) foreign direct investment from any source*
21 *should strengthen United States security and support*

23 *and financial standards.*
