A BILL

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “IVF Protection Act”.

5 **SEC. 2. FINDINGS.**

6 Congress finds the following:

7 (1) Since its development in the 1970s, in vitro
8 fertilization (referred to in this section as “IVF”)

1 has proven itself to be a safe, effective, and reliable
2 means to achieving pregnancy.

3 (2) IVF has allowed millions of aspiring parents
4 to experience the miracle of childbirth.

5 (3) IVF is a pro-woman and pro-family solution
6 for those struggling to have children.

7 (4) IVF has become a symbol of hope for those
8 aspiring to conceive.

9 (5) It is now estimated that nearly 2 percent of
10 all live births in the United States are the result of
11 IVF, resulting in tens of thousands of happy,
12 healthy babies being born annually.

13 (6) The use of IVF has strengthened our com-
14 munities and our nation by promoting generations of
15 children and families that otherwise may not have
16 come to be.

17 **SEC. 3. MEDICAID REQUIREMENT THAT STATES DO NOT**
18 **PROHIBIT IVF SERVICES.**

19 Section 1902 of the Social Security Act (42 U.S.C.
20 1396a) is amended by adding at the end the following new
21 subsection:

22 “(uu) REQUIREMENT THAT STATES DO NOT PRO-

24 ments under section 1903(a), a State—

1 “(1) shall not prohibit in vitro fertilization (as
2 defined in section 4(b) of the IVF Protection Act)
3 services; and

4 “(2) shall ensure that no unit of local govern-
5 ment in the State prohibits such services.”.

6 **SEC. 4. NO REQUIREMENT TO FURNISH IVF SERVICES.**

7 (a) IN GENERAL.—Nothing in the IVF Protection
8 Act shall be construed to compel any individual or organi-
9 zation to provide in vitro fertilization services.

10 (b) IN VITRO FERTILIZATION DEFINED.—In this
11 section, the term “in vitro fertilization” means the prac-
12 tice whereby eggs are collected from ovaries and manually
13 fertilized by sperm, for later placement inside of a uterus.

14 **SEC. 5. RULE OF CONSTRUCTION.**

15 Nothing in the IVF Protection Act shall be construed
16 to impede States from implementing health and safety
17 standards regarding the practice of in vitro fertilization
18 (as defined in section 4(b)).
