8         (a) IN GENERAL.—No connected vehicle on the list  
9 required under subsection (b) may be operated on a mili-  
10 tary installation or on any other property of the Depart-  
11 ment of Defense.

12         (b) LIST REQUIRED.—

13                 (1) IN GENERAL.—The Secretary of Defense  
14 shall establish a list of prohibited connected vehicles  
15 that—

16                     (A) are designed, developed, manufactured,  
17 or supplied by persons owned by, controlled by,  
18 or subject to the jurisdiction of a foreign entity  
19 of concern; and

20                     (B) pose an undue or unacceptable risk to  
21 national security, as determined by the Sec-  
22 retary.

23                 (2) ANNUAL REVIEW.—The Secretary shall re-  
24 view the list required under paragraph (1) not less  
25 frequently than once each year and shall make such

1       additions, subtractions, supplements, or amendments  
2       to the list as the Secretary determines appropriate.

3       (c) DEFINITIONS.—In this section:

4               (1) The term “connected vehicle”—

5                       (A) means an automotive vehicle that inte-  
6       grates onboard networked hardware with auto-  
7       motive software systems to communicate via  
8       dedicated short-range communication, cellular  
9       telecommunications connectivity, satellite com-  
10      munication, or other wireless spectrum  
11      connectivity with any other network or device;  
12      and

13                       (B) includes automotive vehicles, whether  
14      personal or commercial, capable of—

15                               (i) global navigation satellite system  
16      communication for geolocation;

17                               (ii) communication with intelligent  
18      transportation systems;

19                               (iii) remote access or control;

20                               (iv) wireless software or firmware up-  
21      dates; or

22                               (v) on-device roadside assistance.

23               (2) The term “covered undue or unacceptable  
24      risk” means—

1                   (A) an undue risk of sabotage to or sub-  
2                   version of the design, integrity, manufacturing,  
3                   production, distribution, installation, operation,  
4                   or maintenance of information and communica-  
5                   tions technology and services in the United  
6                   States;

7                   (B) an undue risk of catastrophic effects  
8                   on the security or resiliency of United States  
9                   critical infrastructure or the digital economy of  
10                  the United States; or

11                  (C) an unacceptable risk to the national  
12                  security of the United States or the security  
13                  and safety of United States persons.

14                  (3) The term “foreign entity of concern” has  
15                  the meaning given such term in section 9901 of the  
16                  William M. (Mac) Thornberry National Defense Au-  
17                  thorization Act for Fiscal Year 2021 (Public Law  
18                  116–283; 15 U.S.C. 4651).

19                  (4) The term “military installation” has the  
20                  meaning given such term in section 2801(4) of title  
21                  10, United States Code.
