 22 **OF EARLY COMPLETION MECHANISMS.**

23 (a) NO ACCELERATION.—

24 (1) IN GENERAL.—An ISA provider shall not

5 agreement with an acceleration mechanism described
6 in paragraph (1) shall, for purposes of all Federal

9 (b) NO IMPACT ON EARLY COMPLETION MECHA-
10 NISMS.—Notwithstanding subsection (a)—

11 (1) an income share agreement may contain an

13 cipient to terminate the income share agreement
14 prior to any trigger terminating further obligations
15 under the income share agreement (such as a total
16 cap on payments due to the ISA provider or other
17 rights to partially or fully terminate further obliga-

20 and within the ISA recipient's control; and

21 (2) such early completion mechanism shall not
22 be treated as a form of acceleration prohibited under
23 subsection (a), an early completion penalty, or a pre-

1 **SEC. 102. CONSUMER PROTECTIONS FOR EDUCATIONAL IN-**
2 **COME SHARE AGREEMENTS.**

3 (a) MONTHLY PAYMENT AFFORDABILITY FOR EDU-
4 CATIONAL ISAs.—

5 (1) MAXIMUM ISA INCOME OBLIGATION FOR
6 EDUCATIONAL ISAs.—An ISA provider shall not
7 enter into an educational ISA with an ISA recipient
8 if the ISA recipient would be committing more than
9 a total of 20 percent of the student's future income
10 toward the payment of such educational ISA and all
11 other educational ISAs of the ISA recipient.

12 (2) SELF-CERTIFICATION.—In calculating the
13 portion of a student's future income for purposes of
14 this subsection, the ISA provider may rely on a self-
15 certification from the ISA recipient regarding the
16 ISA recipient's outstanding educational ISAs, as of
17 the date of the agreement.

18 (3) CALCULATION METHODOLOGY AND RE-
19 QUIREMENTS.—

20 (A) IN GENERAL.—For the purposes of
21 calculating the portion of an ISA recipient's fu-
22 ture income that would be consumed by the
23 educational ISA for which the ISA recipient has
24 applied and all other educational ISAs of the
25 ISA recipient as of the date of the agreement,

the ISA provider shall calculate the aggregate future burden—

(i) in any case where the income threshold of the educational ISA is less than the maximum described in subparagraph (B), at hypothetical future income levels from such income threshold to such maximum, in increments of \$10,000; and

(ii) in any case where the income threshold of the educational ISA is equal to or greater than such maximum, at such income threshold.

(B) MAXIMUM.—The maximum described in this subparagraph shall be the greater of—

(i)(I) for fiscal year 2023, \$70,000; or

(ii) for fiscal year 2024 and each subsequent fiscal year, the maximum for the preceding fiscal year—

(II) rounded to the nearest \$1,000; and

(iii) in the case of an ISA recipient who has (as of the date of the agreement),

1 or has applied for, an educational ISA that
2 uses a schedule of income percentages or a
3 schedule of fixed amounts as the ISA pay-
4 ment calculation method, the highest in-
5 come level referenced by a schedule for any
6 such educational ISA.

7 (C) CALCULATION.—

8 (i) IN GENERAL.—The terms of an
9 educational ISA for which the ISA recipi-
10 ent has applied cannot cause the student's
11 aggregate future burden (defined as the
12 total amounts expected to be due under all
13 educational ISAs of the ISA recipient as of
14 the date of the agreement, and all edu-
15 cational ISAs for which the ISA recipient
16 is applying) to exceed the limit in para-
17 graph (1) at any of the income increments
18 described in subparagraph (A).

19 (ii) CALCULATION METHOD.—For the
20 purpose of calculating the percentage bur-
21 den of an educational ISA at a given fu-
22 ture income level, the ISA provider shall,
23 as applicable, use—

- 1 (I) the income percentage that
 2 would be applicable for the edu-
 3 cational ISA at such income level; or
 4 (II) the fixed amount applicable
 5 for the educational ISA at such in-
 6 come level, divided by such income
 7 level.

8 (4) PROTECTIONS DURING PERIODS OF LOW
 9 EARNINGS.—

10 (A) IN GENERAL.—The educational ISA
 11 shall provide that when an ISA recipient has an
 12 income that is equal to or below the income
 13 threshold of the educational ISA, the ISA pay-
 14 ment obligation is zero dollars.

15 (B) THRESHOLD AMOUNT.—The income
 16 threshold for an educational ISA shall be an
 17 amount such that the difference between the
 18 ISA recipient's income for the payment period,
 19 minus the subtraction of any ISA obligation, is
 20 not less than 200 percent of the poverty line for
 21 a single person (as defined in section 673 of the
 22 Community Services Block Grant Act (42
 23 U.S.C. 9902)), prorated for the payment pe-
 24 riod.

1 (5) REQUIRED PAYMENT RELIEF PAUSES.—An
2 educational ISA shall offer not less than 3 months
3 of voluntary payment relief pauses (as long as the
4 ISA recipient’s current income at the time of re-
5 questing the payment relief pause is equal to or less
6 than 400 percent of the poverty line) for a single in-
7 dividual) for every 30 income-determined payments
8 required under the educational ISA.

9 (b) ENSURING APPROPRIATE RISK SHARING FOR
10 EDUCATIONAL ISAS.—The payments required under an
11 educational ISA for an individual with income during the
12 payment term that is less than or equal to 300 percent
13 of the poverty line for a single individual, prorated for the
14 payment period, shall not exceed the payments on a com-
15 parable loan that bears interest at a rate less than or equal
16 to one-half of the annual percentage rate of interest limi-
17 tation under section 987(b) of title 10, United States
18 Code.

19 (c) LIMITS ON DURATION OF EDUCATIONAL ISA OB-
20 LIGATION.—

21 (1) ISA MAXIMUM NUMBER OF PAYMENTS.—
22 The ISA maximum number of payments shall not
23 exceed 240 monthly payments.

24 (2) ISA DURATION.—The ISA duration of an
25 educational ISA shall not exceed 360 months (except

1 in the case of an extension requested by the ISA re-
2 cipient).

3 (d) NON-INTERFERENCE.—An educational ISA shall
4 not be construed to give the contract holder any rights
5 over an individual's actions other than as provided in this
6 Act.

7 **SEC. 103. DISCHARGE PROTECTIONS FOR ISA RECIPIENTS.**

8 (a) PERMANENT AND TOTAL DISABILITY.—In any
9 case where an ISA recipient would be deemed totally and
10 permanently disabled for purposes of benefits adminis-
11 tered by the Department of Veterans Affairs or the Social
12 Security Administration (determined without regard to
13 whether the recipient receives such benefits), all further
14 obligations of the ISA recipient under the income share
15 agreement shall terminate, except those accruing before
16 the date such a determination would apply.

17 (b) DEATH.—Upon the death of an ISA recipient, all
18 further obligations of the ISA recipient under the income
19 share agreement shall terminate, except those obligations
20 accruing before the ISA recipient's date of death.

21 **SEC. 104. LIMITATION ON AMOUNTS TREATED AS INCOME**
22 **UNDER EDUCATIONAL ISAS.**

23 (a) IN GENERAL.—For purposes of calculating the
24 obligation of an ISA recipient to make ISA payments

1 under an educational ISA, the income of the ISA recipient
 2 shall not include—

3 (1) the income of any child or dependent of the
 4 ISA recipient;

5 (2) any item of income which is not included in
 6 the gross income of the ISA recipient;

7 (3) any amount received from an individual re-
 8 tirement plan (as defined in section 7701 of the In-
 9 ternal Revenue Code of 1986), a pension, or an an-
 10 nuity; or

11 (4) any social security benefit (as defined in
 12 section 86 of such Code).

13 (b) ESTIMATING INCOME.—

14 (1) IN GENERAL.—In the event that an ISA re-
 15 cipient fails to provide income documentation as rea-
 16 sonably required by the income share agreement, an
 17 ISA provider may assign an amount of income to
 18 the participant and compute the monthly payment
 19 amount for the participant by any of the following
 20 methods, to the extent disclosed in the income share
 21 agreement:

22 (A) Assigning an income amount obtained
 23 from a reasonably reliable third party or a con-
 24 sumer reporting agency, as defined in section

1 603(f) of the Fair Credit Reporting Act (15
2 U.S.C. 1681a(f)).

3 (B) If the participant previously provided
4 income documentation or has had an income as-
5 signed in the preceding 1-year period, assuming
6 that such income has increased by up to 10 per-
7 cent, but such increase may not be applied
8 more than once per 1-year period.

9 (C) Contacting the employer of the partici-
10 pant, or any person or entity reasonably be-
11 lieved to be the employer of the participant, to
12 obtain, verify, or update the income information
13 of the participant.

14 (D) Contacting the State revenue depart-
15 ment or the Internal Revenue Service to obtain
16 the most recent information available about the
17 income of the participant.

18 (E) For educational ISA providers, in any
19 case where the ISA provider has no prior his-
20 tory of income information from the partici-
21 pant, assigning a reasonable qualified income
22 based on—

23 (i) the median income for individuals
24 working in the profession for which the
25 educational program of the participant was

intended to prepare the participant, as determined by information published by the Bureau of Labor Statistics or other reasonably reliable publicly available data sources; or

(ii) the median income of participants who attended the same or a reasonably comparable covered educational program or course of study, as determined by information published by the Bureau of Labor Statistics or other reasonably reliable publicly available data sources.

(2) NOTIFICATION.—If an ISA provider assigns an income to the income share agreement of a participant, the ISA provider—

(A) shall notify the participant in the monthly billing statement, and in each billing statement thereafter while the assigned income remains applicable to the income share agreement of the participant, that income has been assigned and of the rights of the participant under this section;

(B) in any tax year for which the ISA provider has made an assumption about an individual's income using any of the methods de-

1 scribed in paragraph (1) and if the participant
2 has authorized ongoing access to the partici-
3 pant's return information under section 403,
4 shall request such information in each year of
5 the payment term;

6 (C) if the participant does provide income
7 information as reasonably required by the in-
8 come share agreement within 1 year of the date
9 on which the ISA provider notified the partici-
10 pant that assigned income shall be applied to
11 the income share agreement or if the ISA pro-
12 vider receives updated income information
13 through return information authorized under
14 section 403, then, within 15 days after the date

 12 signs an income share agreement, a written docu-
 13 ment that clearly and simply discloses the informa-
 14 tion required by this Act.

15 (2) APPLICATION.—The provisions of this title

2 the purposes of this title.

3 (3) REGULATIONS.—Not later than 270 days
4 after the date of enactment of this Act, the Bureau
5 shall prescribe regulations to carry out the purposes
6 of this title, which may contain such additional re-
7 quirements, classifications, differentiations, or other
8 provisions, and may provide for such adjustments
9 and exceptions for all or any class of transactions,
10 as in the judgment of the Bureau are necessary or
11 proper to effectuate the purposes of this title, to pre-
12 vent circumvention or evasion thereof, or to facilitate
13 compliance therewith.

14 (4) MODEL DISCLOSURE FORMS AND
15 CLAUSES.—

16 (A) IN GENERAL.—Not later than 270
17 days after the date of enactment of this Act,
18 the Bureau shall publish a model integrated
19 disclosure for educational ISAs and a model in-
20 tegrated disclosure for income share agreements
21 generally in order to facilitate compliance with
22 the disclosure requirements of this Act and aid
23 ISA recipients in understanding the transaction
24 by utilizing readily understandable language to
25 simplify the technical nature of the disclosures.

1 (B) CONSIDERATION.—In devising the dis-
 2 closure forms required under subparagraph (A),
 3 the Bureau shall consider the use by ISA pro-
 4 viders of data processing or similar automated

6 (C) RULE OF CONSTRUCTION.—Nothing in
 7 this title may be construed to require an ISA

10 (D) COMPLIANCE.—An ISA provider shall
 11 be deemed to be in compliance with the disclo-
 12 sure provisions of this title with respect to other
 13 than numerical disclosures if the ISA pro-
 14 vider—

15 (i) uses any appropriate model form
 16 or clause as published by the Bureau
 17 under this section; or

18 (ii) uses any such model form or
 19 clause and changes the form or clause
 20 by—

21 (I) deleting any information that
 22 is not required under this title; or

23 (II) rearranging the format, if in

16 title or any regulation of the Bureau promul-
17 gated under this title shall have an effective
18 date of that October 1 which follows by not less
19 than 6 months the date of promulgation, except
20 that the Bureau may at its discretion take in-
21 terim action by regulation, amendment, or in-
22 terpretation to lengthen the period of time per-
23 mitted for ISA providers to adjust their forms
24 to accommodate new requirements or shorten
25 the length of time for ISA providers to make

1 such adjustments when the ISA provider makes
 2 a specific finding that such action is necessary
 3 to comply with the findings of a court or to pre-
 4 vent unfair or deceptive disclosure practices.

5 (B) COMPLIANCE.—Notwithstanding sub-
 6 paragraph (A), any ISA provider may comply
 7 with any such newly promulgated disclosure re-
 8 quirements prior to the effective date of the re-
 9 quirements.

10 (7) DEFERENCE.—Notwithstanding any power
 11 granted to any Federal agency under this Act, the
 12 deference that a court affords to the Bureau with re-
 13 spect to a determination made by the Bureau relat-
 14 ing to the meaning or interpretation of any provision
 15 of this Act, shall be applied as if the Bureau were
 16 the only agency authorized to apply, enforce, inter-
 17 pret, or administer the provisions of this Act.

18 **SEC. 302. REQUIRED DISCLOSURES FOR INCOME SHARE**

19 **AGREEMENTS.**

20 (a) DISCLOSURES REQUIREMENTS FOR ALL ISAs.—

21 (1) IN GENERAL.—The ISA provider shall make
 22 the disclosures required by this section clearly and
 23 conspicuously in writing, in a form that the ISA re-
 24 cipient may retain.

1 (2) ELECTRONIC FORM.—The disclosures re-
 2 quired by this section may be provided to the ISA
 3 recipient in electronic form in accordance with the
 4 Electronic Signatures in Global and National Com-
 5 merce Act (15 U.S.C. 7001 et seq.).

6 (3) OTHER REQUIREMENTS.—The disclosures
 7 required by this section shall—

8 (A) be grouped together;

9 (B) be segregated from anything that is
 10 not such a disclosure; and

11 (C) only contain information directly re-
 12 lated to the disclosures required under this sec-
 13 tion.

14 (b) USE OF ESTIMATES.—If any information nec-
 15 essary for an accurate disclosure is unknown to the ISA
 16 provider, the ISA provider shall make the disclosure based
 17 on the best information reasonably available at the time
 18 the disclosure is provided to the ISA recipient, and shall
 19 state clearly that the disclosure is an estimate.

20 (c) MULTIPLE ISA PROVIDERS, MULTIPLE ISA RE-
 21 CIPIENTS.—

22 (1) MULTIPLE ISA PROVIDERS.—In any case
 23 where an income share agreement transaction in-

4 (2) MULTIPLE ISA RECIPIENTS.—In any case
5 where an income share agreement transaction has
6 more than one ISA recipient, the disclosures may be
7 made to any ISA recipient whose income will be
8 used to calculate the ISA payments due to the ISA
9 provider.

10 (d) CONTENT OF DISCLOSURES.—An ISA provider of
11 an income share agreement (regardless of whether the in-
12 come share agreement is an educational ISA) shall pro-
13 vide, to any person that applies for or signs a consumer
14 income share agreement, a written document that clearly
15 and simply discloses the following information:

16 (1) A statement that the income share agree-
17 ment is not a fixed payment installment loan, and
18 that the amount the ISA recipient will be required
19 to pay under the income share agreement may be
20 more or less than the amount financed by the ISA
21 provider and will vary in proportion to the ISA re-
22 cipient's future income. An ISA provider may satisfy
23 the requirements of this paragraph by providing a
24 table that compares periodic payments under the in-
25 come share agreement at different income levels

1 showing that payments vary with income, or that
2 also compares such periodic payments under the ISA
3 at different income levels with a loan product.

4 (2) In the case of an educational ISA, the fol-
5 lowing statement: “This income share agreement is
6 not a grant or scholarship. If your income is above
7 the Income Threshold, you will have to make pay-
8 ments under this income share agreement.”.

9 (3) The following statement: “Payments due
10 under this income share agreement are determined
11 by your income. Your payments are calculated using
12 the ISA Payment Calculation Method described in

16 to feature the following information more promi-
17 nently than elsewhere in the income share agreement

20 dollar amount of the amount funded, followed
21 by a description that states, “The amount of
22 funds you will receive or that will be credited on
23 your behalf.”.

24 (B) The term “ISA Payment Calculation
25 Method” and the following:

1 (i) In the case of an ISA payment cal-
 2 culation method that is a percentage (or
 3 schedule of percentages), such percentage
 4 (or schedule of percentages) followed by a
 5 description that states, “The percentage of
 6 your income used to calculate your ISA
 7 Payment.” and, if the ISA payment cal-
 8 culation method is a schedule of percent-
 9 ages, an explanation of where the ISA re-
 10 cipient can learn more about how the ISA
 11 recipient’s income percentage is deter-
 12 mined.

13 (ii) In the case of an ISA payment
 14 calculation method that is a schedule of
 15 fixed dollar amounts calculated based on
 16 the ISA recipient’s income for a payment
 17 period, the schedule of fixed amounts (or a
 18 reference to the location of the schedule in
 19 the ISA) followed by a description that
 20 states, “The amount of your ISA Payment
 21 will vary based on your income. See your
 22 ISA for more information.”.

23 (C) The term “Maximum Number of In-
 24 come-Determined Payments” and the ISA max-
 25 imum number of payments, followed by a de-

1 description that states, “The maximum number of
2 ISA payments you will make when your income
3 is above the Income Threshold.”.

4 (D) The term “Maximum Duration” and
5 the ISA duration, followed by a description that
6 states, “The maximum amount of time that you

8 ments, excluding any extensions that you re-
9 quest.”.

10 (E) The term “Income Threshold” and the
11 income threshold for the income share agree-
12 ment, followed by a description that states,
13 “The minimum income you must make in order
14 to trigger a payment obligation under this in-
15 come share agreement. If your income is less
16 than or equal to this Income Threshold, you
17 will not owe any ISA payments for that pe-
18 riod.”.

19 (5) A statement that during periods in which
20 the ISA recipient’s income is not above the income
21 threshold—

22 (A) the ISA recipient will not owe an ISA
23 payment for that period of time; and

24 (B) any such period of non-payment will
25 not count towards the ISA maximum number of

1 payments but will count toward the ISA dura-
2 tion.

3 (6) A statement that the obligations of the ISA
4 recipient under the income share agreement would
5 be dischargeable in a case under title 11, United
6 States Code, in the same manner as a loan that is
7 not described in section 523(a)(8) of title 11, United
8 States Code.

9 (7) A description of the terms under which the
10 obligations of the ISA recipient under the income
11 share agreement shall be extinguished in advance of

15 under the income share agreement, subject to sec-
16 tion 104(a).

17 (9) A comparison table that includes the fol-
18 lowing:

19 (A)(i) The amounts and number of ISA
20 payments that an ISA recipient would be re-
21 quired to pay under the income share agree-
22 ment at a range of annual income levels stated
23 as both a monthly and annual income amount.

24 (ii) The income levels used in the disclo-
25 sure under this paragraph shall include, at a

1 minimum, the obligations for the ISA recipi-
2 ent—

3 (I) with no income;

4 (II) with income at the income thresh-
5 old; and

6 (III) for various income scenarios, in-
7 cluding, at a minimum, calculations at an-
8 nual incomes of \$40,000, \$60,000,
9 \$80,000, \$100,000, \$125,000, \$150,000,

11 (iii) The comparison table under this para-
12 graph shall include the following statement:

16 changes in Income. Your Income will likely
17 change over time.”.

18 (B) The total of all ISA payments over the
19 life of the income share agreement that the ISA
20 recipient will have made in each of the income
21 level scenarios described in subparagraph (A).

22 (C) The amounts and number of pay-
23 ments, the total of all payments, and the an-

3 (i) if elected by the Bureau, a loan at
4 a fixed or variable rate and with a number
5 of payments determined by the Bureau to
6 be an approximation of the fixed or vari-
7 able interest rate available to ISA recipi-
8 ents in the private marketplace;

9 (ii) for an educational ISA, a com-
10 parable loan made under part D of title IV
11 of the Higher Education Act of 1965 (20
12 U.S.C. 1087a et seq.) (including subsidized
13 and unsubsidized scenarios), if the indi-
14 vidual would be eligible for such a loan;
15 and

16 (iii) for an income share agreement
17 that is not an educational ISA, a loan or
18 loans that the ISA provider believes, in
19 good faith, represents other alternative
20 loan options available for the ISA recipi-
21 ent.

22 (10) A statement of the intent of the ISA pro-
23 vider to engage in an annual process of reconcili-

2 income share agreement, including—

3 (A) a description of the process in which
4 the ISA recipient must participate in order for
5 the ISA provider to verify the ISA recipient's

8 date is not reasonably knowable—

9 (i) an estimated date using the best
10 information available to the ISA provider;
11 or

12 (ii) a statement of the events that will
13 trigger the first payment; and

14 (B) reflects each date thereafter during the
15 ISA duration that an ISA payment may be due.

16 (e) ADDITIONAL DISCLOSURE ELEMENTS.—The Di-
17 rector may, through a rulemaking process—

18 (1) add additional items to be disclosed under
19 subsection (d) if consumer testing shows those ele-

22 with other products; and

23 (2) require that additional income scenarios be
24 included in the comparison table under paragraph
25 (9)(A)(ii)(III), taking into account the income levels

1 the ISA recipient might reasonably be expected to
 2 make given the intended use of the funds provided
 3 under the income share agreement, except in no case
 4 shall the number of scenarios exceed 20.

5 **SEC. 303. ADDITIONAL REQUIREMENTS FOR EDUCATIONAL**
 6 **ISAS.**

7 (a) **ADDITIONAL DISCLOSURE TIMING RULES FOR**
 8 **EDUCATIONAL ISAS.**—The following additional provisions
 9 apply to any income share agreement that is an edu-
 10 cational ISA:

11 (1) **APPLICATION AND SOLICITATION.**—

12 (A) **IN GENERAL.**—The ISA provider of an
 13 educational ISA that is to be used solely for
 14 postsecondary educational expenses shall pro-
 15 vide the disclosures described in subsection
 16 (b)(1) with any application or solicitation for
 17 the educational ISA. For purposes of this sec-

 21 application.

22 (B) **TELEPHONE APPLICATIONS OR SOLICI-**
 23 **TATIONS.**—In the case of a telephone applica-

16 (2) APPROVAL DISCLOSURES.—The ISA pro-
17 vider shall provide the disclosures required by sub-
18 section (b)(2) before consummation on, or with any
19 notice of approval provided to the applicant for, an
20 educational ISA. If the ISA provider mails notice of
21 approval, the disclosures shall be mailed with the no-
22 tice. If the ISA provider communicates notice of ap-

 3 tion, either in electronic form in accordance with the
 4 requirements of this title or by mailing the disclo-
 5 sure not later than 3 business days after commu-

 7 communicates approval in person, the ISA provider
 8 shall provide the disclosures to the applicant for an
 9 income share agreement at that time.

14 (4) RECEIPT OF MAILED DISCLOSURES.—If a
 15 disclosure under paragraph (1), (2), or (3) is mailed
 16 to the potential ISA recipient or ISA recipient, as
 17 the case may be, the potential ISA recipient or ISA
 18 recipient shall be deemed to have received the disclo-
 19 sure 5 business days after the disclosure is mailed.

20 (5) BASIS OF DISCLOSURES AND USE OF ESTI-
 21 MATES IN EDUCATIONAL ISAS.—

22 (A) LEGAL OBLIGATION.—Disclosures
 23 shall reflect the terms of the legal obligation be-
 24 tween the parties.

3 the ISA provider, the ISA provider shall make
4 the disclosure based on the best information
5 reasonably available at the time the disclosure
6 is provided, and shall state clearly that the dis-
7 closure is an estimate.

8 (6) EFFECT OF SUBSEQUENT EVENTS.—

9 (A) APPROVAL DISCLOSURES.—If a disclo-
10 sure made under paragraph (2) becomes inac-
11 curate because of an event that occurs after the
12 ISA provider delivers the required disclosures,
13 the inaccuracy is not a violation of this Act, al-
14 though new disclosures may be required in ac-
15 cordance with this title.

16 (B) FINAL DISCLOSURES.—If a disclosure
17 under paragraph (3) becomes inaccurate be-
18 cause of an event that occurs after the creditor
19 delivers the required disclosures, the inaccuracy
20 is not a violation of this Act.

21 (b) ADDITIONAL DISCLOSURES FOR EDUCATIONAL
22 ISAs.—In addition to the other disclosure requirements
23 of this title, an ISA provider of an educational ISA shall

10 the time of application or solicitation. If
11 the ISA payment calculation method will
12 depend, in part, on a later determination
13 of the ISA recipient's creditworthiness or
14 other factors, a statement that the ISA
15 payment calculation method for which the
16 ISA recipient may qualify will depend on
17 the ISA recipient's creditworthiness and
18 other factors, if applicable.

19 (ii) In the case of an ISA payment
20 calculation method that is based on a
21 schedule of percentages—

22 (I) an explanation of how the
23 schedule of percentages is calculated
24 using percentages of income based on

 2 that implies that the covered education institu-
 3 tion endorses the ISA provider's income share
 4 agreements.

5 (B) SPECIAL RULE.—An ISA provider's
 6 marketing of an educational ISA does not imply
 7 that the covered education institution endorses
 8 the ISA provider's income share agreements if
 9 the marketing includes a clear and conspicuous
 10 disclosure, equally prominent and closely proxi-
 11 mate to the reference to the covered educational
 12 institution, that the covered educational institu-
 13 tion does not endorse the ISA provider's income
 14 share agreements and that the ISA provider is
 15 not affiliated with the covered educational insti-
 16 tution.

17 (2) ENDORSED ISA PROVIDER ARRANGE-
 18 MENTS.—If an ISA provider and a covered edu-
 19 cational institution have entered into an arrange-
 20 ment under which the covered educational institution
 21 agrees to endorse the ISA provider's educational
 22 ISAs, and such arrangement is not prohibited by
 23 other applicable law or regulation, paragraph (1)(A)
 24 shall not apply as long as the educational ISA mar-
 25 keting includes a clear and conspicuous disclosure,

1 equally prominent and closely proximate to the ref-
 2 erence to the covered educational institution, that
 3 the ISA provider's income share agreements are not
 4 offered or made by the covered educational institu-
 5 tion, but are made by the ISA provider.

6 (d) EDUCATIONAL ISA RECIPIENT'S RIGHT TO AC-
 7 CEPT.—

8 (1) ACCEPTANCE PERIOD.—The ISA recipient
 9 has the right to accept the terms of an educational

13 (2) LIMITATIONS ON CHANGES.—Except for
 14 changes permitted under paragraph (3), the terms of

 24 before within the period.

1 (3) EXCEPTIONS NOT REQUIRING RE-DISCLO-
2 SURE.—

3 (A) IN GENERAL.—Notwithstanding para-
4 graph (2), nothing in this section shall prevent
5 an ISA provider of an educational ISA from—

6 (i) withdrawing an offer before con-
7 summation of the transaction if the mak-
8 ing of the income share agreement would
9 be prohibited by law or if the ISA provider
10 has reason to believe that the ISA recipi-
11 ent has committed fraud in connection
12 with the income share agreement applica-
13 tion;

14 (ii) changing the ISA payment cal-
15 culation method and terms if the change
16 will unequivocally benefit the ISA recipi-
17 ent; or

18 (iii) reducing the amount funded
19 based upon a certification or other infor-
20 mation received from the covered edu-
21 cational institution, or from the ISA recipi-
22 ent, indicating that the student's cost of
23 attendance has decreased or the ISA re-
24 cipient's other financial aid has increased,
25 except that, in such case, the ISA provider

1 may make corresponding changes to the
 2 terms of the ISA payment calculation
 3 method, ISA duration, and other terms
 4 only to the extent that the ISA recipient
 5 would have received the terms if the ISA
 6 recipient had applied for the reduced
 7 amount financed.

8 (B) NO NEW DISCLOSURES REQUIRED.—If
 9 the ISA provider changes the ISA payment cal-
 10 culation method or terms of the income share
 11 agreement under this paragraph, the ISA pro-

13 (i) provide the disclosures required
 14 under subsection (b)(2) for the new income
 15 share agreement terms; or

19 (4) EXCEPTIONS REQUIRING RE-DISCLOSURE.—

20 (A) IN GENERAL.—Notwithstanding para-
 21 graphs (2) and (3), nothing in this section pre-
 22 vents an ISA provider, at its option, from
 23 changing the ISA payment calculation method
 24 or terms of the income share agreement to ac-
 25 commodate a specific request by the ISA recipi-

ent, such as a request for a different repayment option.

(B) ADDITIONAL DISCLOSURES REQUIRED.—If the ISA provider changes the rate or terms of the income share agreement under subparagraph (A), the ISA provider—

(i) shall provide the disclosures required under subsection (b)(2) and shall provide the ISA recipient the 30-day period to accept the income share agreement, as required under paragraph (1); and

(ii) shall not make further changes to the income share agreement and terms of the loan, except as specified in paragraph (3)(B).

(C) NO FURTHER WITHDRAWALS OR CHANGES.—Except as permitted under paragraph (3)(B), unless the ISA recipient accepts the income share agreement offered by the ISA provider in response to the ISA recipient's request in accordance with subparagraph (A), the ISA provider may not withdraw or change the ISA payment calculation method or any terms of the income share agreements for which the ISA recipient was approved prior to the ISA re-

1 cipient's request for a change in income share
2 agreement terms under this paragraph.

3 (e) EDUCATIONAL ISA RECIPIENT'S RIGHT TO CAN-
4 CEL.—The ISA recipient may cancel an educational ISA,
5 without penalty, until midnight of the third business day
6 following the date on which the ISA recipient receives the
7 disclosures required by subsection (b)(3). No funds may
8 be disbursed for an educational ISA until the 3-business-
9 day period has expired, absent exceptional circumstances
10 necessitating disbursement based on a request from the
11 covered educational institution. In such a case, the covered
12 educational institution shall promptly, upon cancellation
13 by the student, refund the amounts to the ISA provider.

14 (f) SELF-CERTIFICATION FORM.—For an edu-
15 cational ISA intended to be used for the postsecondary
16 educational expenses of a student while the student is at-
17 tending an institution of higher education, the ISA pro-
18 vider shall obtain, from the ISA recipient or the institution
19 of higher education, the educational ISA certification form
20 developed by the Secretary under section 155 of the High-
21 er Education Act of 1965 (20 U.S.C. 1019d), signed by
22 the ISA recipient, in written or electronic form, before
23 consummating the educational ISA.

24 (g) PROVISION OF INFORMATION BY PREFERRED
25 ISA PROVIDER.—

 6 subsection (b)(1) for each type of educational ISA
 7 that the ISA provider plans to offer to ISA recipi-

(B) LIMITATION.—An exemption granted under subparagraph (A) shall be—

19 agency relating to the meaning or interpretation of
20 any provision of this section that is subject to the
21 jurisdiction of the agency shall be applied as if that

23 force, interpret, or administer the provisions of this
24 section.

1 (f) ENFORCEMENT.—The administrative enforcement

5 501, may not be construed as annulling, altering, or
6 affecting, or exempting any person subject to the
7 provisions of this Act from complying with the stat-
8 utes, regulations, orders, or interpretations in effect
9 in any State, except to the extent that any such pro-

13 (2) GREATER PROTECTION UNDER STATE
14 LAW.—For purposes of this subsection, a statute,
15 regulation, order, or interpretation in effect in any

19 applicants is greater than the protection provided
20 under this Act. A determination regarding whether
21 a statute, regulation, order, or interpretation in ef-
22 fect in any State is inconsistent with the provisions
23 of this Act may be made by the Bureau on its own

 16 the Bureau.

17 (2) BUREAU CONSIDERATIONS REQUIRED FOR
 18 ISSUANCE OF FINAL REGULATION.—Before pre-
 19 scribing a final regulation based upon a notice
 20 issued under paragraph (1), the Bureau shall take
 21 into account whether—

22 (A) the proposed regulation would afford
 23 greater protection to consumers than any exist-
 24 ing regulation;

1 (B) the intended benefits of the proposed
2 regulation for consumers would outweigh any
3 increased costs or inconveniences for con-
4 sumers, and would not discriminate unfairly
5 against any category or class of consumers; and

6 (C) a Federal banking agency has advised
7 that the proposed regulation is likely to present
8 an unacceptable safety and soundness risk to
9 insured depository institutions.

10 (3) EXPLANATION OF CONSIDERATIONS.—The
11 Bureau—

12 (A) shall include a discussion of the con-
13 siderations required in paragraph (2) in the
14 Federal Register notice of a final regulation
15 prescribed pursuant to this subsection; and

23 of the Senate, and the Committee on Financial
24 Services of the House of Representatives.

1 (4) RESERVATION OF AUTHORITY.—No provi-
 2 sion of this subsection shall be construed as limiting
 3 or restricting the authority of the Bureau to enhance
 4 consumer protection standards established pursuant
 5 to this Act in response to a motion of the Bureau
 6 or in response to a request by any other interested
 7 person.

8 (5) RULE OF CONSTRUCTION.—No provision of
 9 this subsection shall be construed as exempting the
 10 Bureau from complying with subchapter II of chap-
 11 ter 5 of title 5, United States Code.

21 ers under any Act referred to in that subsection, a viola-
22 tion of any requirement imposed under this Act shall be
23 deemed to be a violation of a requirement imposed under
24 that Act. In addition to its powers under any provision
25 of law specifically referred to in subsection (a), each of

1 the agencies referred to in that subsection may exercise,
2 for the purpose of enforcing compliance with any require-
3 ment imposed under this Act, any other authority con-
4 ferred on it by law.

5 (c) OVERALL ENFORCEMENT AUTHORITY OF THE
6 BUREAU OF CONSUMER FINANCIAL PROTECTION.—Ex-
