

118TH CONGRESS  
1ST SESSION

# S. 2320

To amend the Richard B. Russell National School Lunch Act to establish a program for the procurement of domestically grown unprocessed fruits and vegetables to provide healthier school meals, and for other purposes.

---

IN THE SENATE OF THE UNITED STATES

JULY 13, 2023

Mr. WYDEN (for himself, Mr. BROWN, and Mr. WELCH) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

---

## A BILL

To amend the Richard B. Russell National School Lunch Act to establish a program for the procurement of domestically grown unprocessed fruits and vegetables to provide healthier school meals, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Local School Foods  
5 Expansion Act of 2023”.

1   **SEC. 2. PROGRAM FOR PROCUREMENT OF DOMESTICALLY**  
2                   **GROWN UNPROCESSED FRUITS AND VEGETA-**  
3                   **BLES.**

4       Section 6(f) of the Richard B. Russell National  
5   School Lunch Act (42 U.S.C. 1755(f)) is amended—

6               (1) in the subsection heading, by striking  
7       “PILOT PROJECT FOR PROCUREMENT OF” and in-  
8       serting “PROGRAM FOR PROCUREMENT OF DOMES-  
9       TICALLY GROWN”;

10          (2) in paragraph (1)—

11               (A) by striking “conduct a pilot project”  
12       and inserting “carry out a program (referred to  
13       in this subsection as the ‘program’)”;

14               (B) by inserting “domestically grown” be-  
15       fore “unprocessed”; and

16               (C) by striking “8” and inserting “14”;

17          (3) by striking “pilot project” each place it ap-  
18       pears and inserting “program”;

19          (4) in paragraph (2), in the matter preceding  
20       subparagraph (A), by inserting “domestically  
21       grown” before “unprocessed”;

22          (5) in paragraph (4)—

23               (A) by redesignating subparagraphs (B)  
24       and (C) as subparagraphs (E) and (F), respec-  
25       tively; and

(B) by inserting after subparagraph (A) the following:

3               “(B) the demonstrated commitment of the  
4               State to support small, local, and socially dis-  
5               advantaged farmers;

6                     “(C) the demonstrated commitment of the  
7                     State to support Tribal agricultural producers  
8                     and communities utilizing traditional foods;

9               “(D) whether the State will serve a high  
10              proportion of children from socially disadvan-  
11              taged backgrounds in carrying out the pro-  
12              gram;”;

13 (6) in paragraph (5)—

18 (B) in subparagraph (B)—

1                     “(iii) the challenges and opportunities  
2                     presented by the program in the State.”;  
3                     and

4                     (C) by adding at the end the following:

5                     “(C) PROGRAM EVALUATION.—

6                     “(i) IN GENERAL.—Not later than 2  
7                     years after the date of enactment of this  
8                     subparagraph, the Secretary shall evaluate  
9                     the impact of the program, including with  
10                     respect to—

11                     “(I) the quantity and cost of  
12                     each type of unprocessed fruit and  
13                     vegetable procured by each State  
14                     under the program;

15                     “(II) the benefit of the procured  
16                     unprocessed fruits and vegetables to  
17                     school food service in each State, in-  
18                     cluding the benefit to meeting school  
19                     meal requirements;

20                     “(III) the economic impact of the  
21                     program on agricultural producers in  
22                     the State;

23                     “(IV) the economic, geographic,  
24                     social, and administrative barriers to  
25                     participation, including the reimburse-

4                             “(V) eligibility requirements for  
5 agricultural producers, including any  
6 barriers to becoming approved ven-  
7 dors.

8                             “(ii) REPORT.—Not later than 4  
9 years after the date of enactment of this  
10 subparagraph, the Secretary shall submit  
11 to the Committee on Agriculture of the  
12 House of Representatives and the Com-  
13 mittee on Agriculture, Nutrition, and For-  
14 estry of the Senate a report that describes  
15 the results of the evaluation conducted  
16 under clause (i) and an analysis of that  
17 evaluation.”; and

18 (7) by adding at the end the following:

**19                  "(6) FUNDING.—**

“(A) MANDATORY FUNDING.—There is appropriated to carry out this subsection \$15,000,000 for each of fiscal years 2024 through 2028.

24                   “(B) RESERVATION FOR ADMINISTRATIVE  
25                   COSTS; TECHNICAL ASSISTANCE.—

1                     “(i) IN GENERAL.—Of the funds ap-  
2                     propriated under subparagraph (A) for  
3                     each fiscal year, \$10,000,000 shall be re-  
4                     served for States selected under the pro-  
5                     gram under paragraph (1) to carry out the  
6                     activities described in clause (ii)(I).

7                     “(ii) ADMINISTRATIVE COSTS; TECH-  
8                     NICAL ASSISTANCE.—

9                     “(I) IN GENERAL.—The funds  
10                    reserved under clause (i) shall be  
11                    used—

12                    “(aa) for the administrative  
13                    costs of carrying out the pro-  
14                    gram, including costs of satis-  
15                    fying record keeping and report-  
16                    ing requirements;

17                    “(bb) to coordinate among  
18                    or share with agencies and de-  
19                    partments involved in carrying  
20                    out the program in the State;  
21                    and

22                    “(cc) to provide technical as-  
23                    sistance and outreach to—

1                         “(AA) vendors to be-  
2                         come certified to participate  
3                         in the program; and

4                         “(BB) school food au-  
5                         thorities, regional food hubs,  
6                         State and local agencies, In-  
7                         dian Tribal organizations,  
8                         agricultural producers, so-  
9                         cially disadvantaged farm-  
10                        ers, and other entities to  
11                         participate in the program.

12                        “(II) MINIMUM ALLOTMENT.—Of  
13                         the funds reserved under clause (i),  
14                         each State selected under paragraph  
15                         (3)(A) shall receive not less than  
16                         \$300,000 for each fiscal year during  
17                         which the State participates in the  
18                         program.

19                        “(C) RESERVATION FOR TECHNICAL AS-  
20                         SISTANCE TO NONPARTICIPATING STATES.—Of  
21                         the funds appropriated under subparagraph (A)  
22                         for each fiscal year, \$1,000,000 shall be re-  
23                         served—

- 1                 “(i) only if there are fewer than 14  
2                 States participating in the program that  
3                 fiscal year; and  
4                 “(ii) to provide technical assistance  
5                 with eligibility requirements for States  
6                 seeking to participate in the program.”.
