A BILL

To reauthorize the Northwest Straits Marine Conservation Initiative Act to promote the protection of the resources of the Northwest Straits, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Northwest Straits Ma-
5 rine Conservation Initiative Reauthorization Act of 2024”.

1 **SEC. 2. REAUTHORIZATION OF NORTHWEST STRAITS MA-**
2 **RINE CONSERVATION INITIATIVE ACT.**

3 The Northwest Straits Marine Conservation Initiative
4 Act (title IV of Public Law 105–384; 112 Stat. 3458) is
5 amended—

6 (1) in section 402, by striking “Commission (in
7 this title referred to as the ‘Commission’).” and in-
8 serting “Commission.”; and

9 (2) by striking sections 403, 404, and 405 and
10 inserting the following:

11 **“SEC. 403. FINDINGS.**

12 “Congress makes the following findings:

13 “(1) The marine waters and ecosystem of the
14 Northwest Straits in Puget Sound in the State of
15 Washington represent a unique resource of enor-
16 mous environmental and economic value to the peo-
17 ple of the United States.

18 “(2) During the 20th century, the environ-
19 mental health of the Northwest Straits declined dra-
20 matically as indicated by impaired water quality, de-
21 clines in marine wildlife, collapse of harvestable ma-
22 rine species, loss of critical marine habitats, ocean
23 acidification, and sea level rise.

24 “(3) Increasingly, the Northwest Straits have
25 been threatened by sea level rise, ocean acidification,
26 and other effects of climate change.

1 “(4) This title was enacted to tap the unprece-
2 dented level of citizen stewardship demonstrated in
3 the Northwest Straits and create a mechanism to
4 mobilize public support and raise capacity for local
5 efforts to protect and restore the ecosystem of the
6 Northwest Straits.

7 “(5) The Northwest Straits Marine Conserva-
8 tion Initiative helps the National Oceanic and At-
9 mospheric Administration and other Federal agen-
10 cies with their marine missions by fostering local in-
11 terest in marine issues and involving diverse commu-
12 nities.

13 “(6) The Northwest Straits Marine Conserva-
14 tion Initiative shares many of the same goals with
15 the National Oceanic and Atmospheric Administra-
16 tion, including fostering citizen stewardship of ma-
17 rine resources, general ecosystem management, and
18 protecting federally managed marine species.

19 “(7) Ocean literacy, kelp habitat conservation
20 and monitoring, Veterans Conservation Corps in-
21 ternships, and removal of marine debris projects are
22 examples of previous and ongoing partnerships be-
23 tween the Northwest Straits Marine Conservation
24 Initiative and the National Oceanic and Atmospheric

1 Administration. Areas of partnership may evolve
2 with emerging opportunities.
