A BILL

To establish and implement a multi-year Legal Gold and Mining Partnership Strategy to reduce the negative environmental and social impacts of illicit gold mining in the Western Hemisphere, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 ~~This Act may be cited as the “United States Legal~~
5 ~~Gold and Mining Partnership Act”.~~

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) The illicit mining, trafficking, and commer-
4 cialization of gold in the Western Hemisphere—

5 (A) negatively affects the region's economic
6 and social dynamics;

7 (B) strengthens transnational criminal or-
8 ganizations and other international illicit actors;
9 and

10 (C) has a deleterious impact on the envi-
11 ronment and food security.

12 (2) A lack of economic opportunities and the
13 weak rule of law promote illicit activities, such as il-
14 licit gold mining, which increases the vulnerability of
15 individuals in mining areas, including indigenous
16 communities, who have been subjected to trafficking
17 in persons, other human rights abuses, and popu-
18 lation displacement in relation to mining activity,
19 particularly in the artisanal and small-scale mining
20 sector.

21 (3) Illicit gold mining in Latin America often
22 involves and benefits transnational criminal organi-
23 zations, drug trafficking organizations, terrorist
24 groups, and other illegal armed groups that extort
25 miners and enter into illicit partnerships with them
26 in order to gain revenue from the illicit activity.

1 (4) Illicit gold supply chains are international in
2 nature and frequently involve—

3 (A) the smuggling of gold and supplies,
4 such as mercury;

5 (B) trade-based money laundering; and

6 (C) other cross-border flows of illicit as-
7 sets.

8 (5) In Latin America, mineral traders and ex-
9 porters, local processors, and shell companies linked
10 to transnational criminal networks and illegally
11 armed groups all play a key role in the trafficking,
12 laundering, and commercialization of illicit gold from
13 the region.

14 (6) According to a report on illegally mined
15 Gold in Latin America by the Global Initiative
16 Against Transnational Organized Crime—

17 (A) more than 70 percent of the gold
18 mined in several Latin American countries,
19 such as Colombia, Ecuador, and Peru, is mined
20 through illicit means; and

21 (B) about 80 percent of the gold mined in
22 Venezuela is mined through illicit means and a
23 large percentage of such gold is sold—

24 (i) to the state mining company,
25 Minerven, a gold processor that has been

designated by the Office of Foreign Assets Control of the Department of the Treasury; pursuant to Executive Order 13850; and is operated by the Maduro regime; or

(ii) through other trafficking and commercialization networks from which the Maduro regime benefits financially.

(7) Illegal armed groups and foreign terrorist organizations, such as the Ejército de Liberación Nacional (National Liberation Army—ELN), work with transnational criminal organizations in Venezuela that participate in the illicit mining, trafficking, and commercialization of gold.

(8) Transnational criminal organizations based in Venezuela, such as El Tren de Aragua, have expanded their role in the illicit mining, trafficking, and commercialization of gold to increase their criminal profits.

13 mining or related ore processing practices
14 that—

15 (i) involve the use of elemental mer-
16 cury; or

17 (ii) result in labor, health, environ-
18 mental, and safety code infractions and
19 workplace hazards; and

20 (B) lead some ASM miners to operate in
21 the extralegal or poorly regulated informal sec-

24 and their families and communities, or hinder
25 their ability to formalize their operations, en-

1 hance their technical and business capacities;
 2 and access finance of fair market prices for
 3 their output;

4 (5) mining-related trafficking in persons and
 5 forced or coerced labor, including sex work and child
