

118TH CONGRESS
2D SESSION

S. RES. 711

Designating May 2024 as “American Stroke Month”.

IN THE SENATE OF THE UNITED STATES

MAY 23, 2024

Mr. LUJÁN (for himself, Mr. BRAUN, Mr. VAN HOLLEN, and Mr. RUBIO) submitted the following resolution; which was referred to the Committee on the Judiciary

RESOLUTION

Designating May 2024 as “American Stroke Month”.

Whereas quick identification and treatment for stroke results in a higher chance of survival and reduces recovery time for individuals experiencing a stroke;

Whereas treatment depends on the type of stroke someone is having, which must be diagnosed by a healthcare professional;

Whereas, when dealing with a time-sensitive medical emergency like a stroke, the right care, at the right time, at the right facility, is of the utmost importance;

Whereas a system of care allows for scientifically proven measures to be applied to every patient, every time;

Whereas, every 40 seconds, someone in the United States has a stroke;

Whereas stroke is a leading cause of serious long-term disability and the fifth-leading cause of death in the United States, causing more than 160,000 deaths each year;

Whereas nearly ½ of adults in the United States have high blood pressure, which is a leading cause and controllable risk factor for stroke;

Whereas the “F.A.S.T.” warning signs and symptoms of stroke include face drooping, arm weakness, speech difficulty, and time to call 911;

Whereas, during American Stroke Month in May, and year-round, the “Together to End Stroke” initiative of the American Stroke Association strives to teach people everywhere that stroke is largely preventable, treatable, and beatable; and

Whereas more research and education is needed to help prevent and treat stroke: Now, therefore, be it

1 *Resolved*, That the Senate—

2 (1) designates May 2024 as “American Stroke
3 Month”;

4 (2) recognizes and reaffirms the commitment of
5 the Government and people of the United States to
6 fighting stroke—

7 (A) by promoting awareness about the
8 causes, risks, and prevention of stroke;

9 (B) by supporting research on stroke; and

10 (C) by improving access to affordable,
11 quality care to reduce long-term disability and
12 mortality;

1 (3) commends the efforts of States, territories,
2 and possessions of the United States, localities, non-
3 profit organizations, businesses and other entities,
4 and the people of the United States who support
5 American Stroke Month; and

6 (4) encourages all individuals in the United
7 States to familiarize themselves with the risk factors
8 associated with stroke, recognize the warning signs
9 and symptoms, and on first sign of a stroke, dial
10 911 immediately in order to begin to reduce the dev-
11 astating effects of stroke on the population of the
12 United States.
