## A BILL

To amend the Public Utility Regulatory Policies Act of 1978 to require States to consider prohibiting cost recovery related to smart grid projects, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

**3 SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Stop Misappropriating  
5 Ratepayer Tariffs for Excessive Resources Act” or the  
6 “SMARTER Act”.

**7 SEC. 2. SMART GRID COST RECOVERY.**

8       (a) CONSIDERATION AND DETERMINATION RESPECT-  
9 ING CERTAIN RATEMAKING STANDARDS.—

1                             (1) REPEAL.—Section 111(d)(18)(B) of the  
2                             Public Utility Regulatory Policies Act of 1978 (16  
3                             U.S.C. 2621(d)(18)(B)) is repealed.

4                             (2) ESTABLISHMENT.—Section 111(d) of the  
5                             Public Utility Regulatory Policies Act of 1978 (16  
6                             U.S.C. 2621(d)) is amended by adding at the end  
7                             the following:

8                             “(22) PROHIBITION ON RATE RECOVERY FOR  
9                             SMART GRID INVESTMENTS.—No electric utility may  
10                            recover from ratepayers any capital, operating ex-  
11                            penditure, or other costs of the electric utility relat-  
12                            ing to the deployment of any smart grid system.”.

13                             (b) OBLIGATIONS TO CONSIDER AND DETERMINE.—

14                             (1) TIME LIMITATIONS.—Section 112(b) of the  
15                             Public Utility Regulatory Policies Act of 1978 (16  
16                             U.S.C. 2622(b)) is amended by adding at the end  
17                             the following:

18                             “(8)(A) Not later than 1 year after the date of  
19                             enactment of this paragraph, each State regulatory  
20                             authority (with respect to each electric utility for  
21                             which the State has ratemaking authority) and each  
22                             nonregulated utility shall commence consideration  
23                             under section 111, or set a hearing date for consid-  
24                             eration, with respect to the standard established by  
25                             paragraph (22) of section 111(d).

1           “(B) Not later than 2 years after the date of  
2       enactment of this paragraph, each State regulatory  
3       authority (with respect to each electric utility for  
4       which the State has ratemaking authority), and each  
5       nonregulated electric utility shall complete the con-  
6       sideration and make the determination under section  
7       111 with respect to the standard established by  
8       paragraph (22) of section 111(d).”.

9           (2) FAILURE TO COMPLY.—Section 112(c) of  
10      the Public Utility Regulatory Policies Act of 1978  
11      (16 U.S.C. 2622(c)) is amended by adding at the  
12      end the following: “In the case of the standard es-  
13      tablished by paragraph (22) of section 111(d), the  
14      reference contained in this subsection to the date of  
15      enactment of this Act shall be deemed to be a ref-  
16      erence to the date of enactment of that paragraph  
17      (22).”.

18           (3) PRIOR STATE ACTIONS.—Section 112 of the  
19      Public Utility Regulatory Policies Act of 1978 (16  
20      U.S.C. 2622) is amended by adding at the end the  
21      following:

22           “(i) PRIOR STATE ACTIONS.—Subsections (b) and  
23      (c) shall not apply to the standard established by para-  
24      graph (22) of section 111(d) in the case of any electric

1 utility in a State if, before the date of enactment of this  
2 subsection—

3           “(1) the State has implemented for the electric  
4 utility the standard (or a comparable standard);

5           “(2) the State regulatory authority for the  
6 State or the relevant nonregulated electric utility has  
7 conducted a proceeding to consider implementation  
8 of the standard (or a comparable standard) for the  
9 electric utility; or

10          “(3) the State legislature has voted on the im-  
11 plementation of the standard (or a comparable  
12 standard) for the electric utility during the 3-year  
13 period ending on that date of enactment.”.

14          (c) PRIOR AND PENDING PROCEEDINGS.—Section  
15 124 of the Public Utility Regulatory Policies Act of 1978  
16 (16 U.S.C. 2634) is amended by adding at the end the  
17 following: “In the case of the standard established by  
18 paragraph (22) of section 111(d), the reference contained  
19 in this section to the date of enactment of this Act shall  
20 be deemed to be a reference to the date of enactment of  
21 that paragraph (22).”.
