7 “(i) at the time the renewable natural
8 gas was blended with other compressed or
9 liquefied natural gas, the taxpayer had a
10 contract with the registered producer of
11 such renewable natural gas for the sale of
12 such gas for use as a fuel in a motor vehi-
13 cle or motorboat, or for use as a fuel in

20 such contract is in effect, and

21 “(iii) the registered producer of such
22 fuel provides to the taxpayer the certifi-
23 cation described in paragraph (4).
