8 **PACITY.**

9 (a) IN GENERAL.—The Comptroller General of the
10 United States shall conduct a study—

11 (1) to determine best practices for the develop-
12 ment and maintenance of public health data systems
13 for tracking hospital capacity (including such sys-
14 tems supported pursuant to section 2823(a)(1) of
15 the Public Health Service Act, as amended by sec-
16 tion 2) to ensure that such tracking—

17 (A) is State- or region-wide, real-time (or
18 near real-time), accurate, and scalable;

19 (B) includes tracking of hospital capacity
20 with respect to emergency departments, adult
21 and pediatric intensive care units, inpatient
22 psychiatric services, skilled nursing facilities,
23 and other appropriate types of facilities and
24 services; and

1 (C) is seamlessly and directly integrated
2 with relevant hospital electronic medical records
3 systems; and

4 (2) to assess how implementation of such public
5 health data systems for tracking hospital capacity
6 affects—

7 (A) emergency department boarding rates
8 as determined using quality measures and other
9 metrics that are established and utilized by the
10 Centers for Medicare and Medicaid Services
11 and others accreditation entities;

12 (B) wait times for treatment and discharge
13 in emergency departments; and

14 (C) the amount of time emergency medical
15 services personnel are waiting in emergency de-
16 partments to offload patients.

17 (b) REPORT TO CONGRESS.—Not later than 1 year
18 after the date of enactment of this Act, the Comptroller
19 General shall—

20 (1) complete the study under subsection (a);
21 and

22 (2) submit to the Congress a report on the re-
23 sults of such study.
