IN THE HOUSE OF REPRESENTATIVES

MAY 5, 2025

Mr. OBERNOLTE (for himself and Ms. LEE of Nevada) introduced the following bill; which was referred to the Committee on Natural Resources

A BILL

To create intergovernmental coordination between State, local, Tribal, and territorial jurisdictions, and the Federal Government to combat United States reliance on the People’s Republic of China and other covered countries for critical minerals and rare Earth metals, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Intergovernmental
5 Critical Minerals Task Force Act”.

1 **SEC. 2. FINDINGS.**

2 Congress finds that—

3 (1) current supply chains of critical minerals
4 pose a great risk to the national security of the
5 United States;

6 (2) critical minerals are necessary for transpor-
7 tation, technology, renewable energy, military equip-
8 ment and machinery, and other relevant sectors cru-
9 cial for the homeland and national security of the
10 United States;

11 (3) in 2022, the United States was 100 percent
12 import reliant for 12 out of 50 critical minerals and
13 more than 50 percent import reliant for an addi-
14 tional 31 critical mineral commodities classified as
15 “critical” by the United States Geological Survey,
16 and the People’s Republic of China was the top pro-
17 ducing nation for 30 of those 50 critical minerals;

18 (4) as of July 2023, companies based in the
19 People’s Republic of China that extract critical min-
20 erals around the world have received hundreds of
21 charges of human rights violations; and

22 (5) on August 29, 2014, the World Trade Or-
23 ganization Dispute Settlement Body adopted find-
24 ings that the export restraints by the People’s Re-
25 public of China on rare Earth metals, which harmed
26 manufacturers and workers in the United States,

1 violated obligations under the General Agreement on
2 Tariffs and Trade 1994 and China’s Protocol of Ac-
3 cession to the World Trade Organization.

4 **SEC. 3. INTERGOVERNMENTAL CRITICAL MINERALS TASK**
5 **FORCE.**
