5 Act”.

6 **SEC. 2. PROTECTING A COMPETITIVE APP MARKET.**

7 (a) REQUIREMENTS.—

8 (1) INTEROPERABILITY.—A covered company
9 that owns or controls the operating system on which
10 an app store owned or controlled by the covered

1 company operates shall allow and provide readily ac-

4 (A) choose a third-party app or app store
5 as a default;

11 (or any business partner of the covered com-
12 pany).

13 (2) OPEN APP DEVELOPMENT.—A covered com-
14 pany, in a timely manner, without cost, and on
15 terms that are equivalent to the terms of access by
16 the covered company or any business partner of the
17 covered company, shall provide to a developer of an
18 app accessible on an operating system, or distributed
19 through an app store, owned or controlled by the
20 covered company—

21 (A) access to any interface and hardware
22 and software feature of the operating system
23 that are generally available to the covered com-
24 pany and any business partner of the covered
25 company; and

1 (B) documentation and development infor-
2 mation sufficient to access any such interface
3 and feature.

4 (3) COMPLIANCE.—A covered company shall be
5 in compliance with the requirements described under
6 paragraph (2) if that company—

8 the developer of an app needs to access any
9 interface or hardware or software feature of
10 such operating system; or

11 (B) limits the interfaces and hardware and
12 software features of the operating system gen-
13 erally available to the covered company and any
14 businesses partner of the company to interfaces
15 and hardware and software features that do not
16 implicate such intellectual property rights.

17 (b) PROHIBITIONS.—

18 (1) EXCLUSIVITY AND TYING.—A covered com-
19 pany may not—

20 (A) require, as a condition for an app to
21 be accessible on an operating system or distrib-
22 uted through an app store that is owned or con-
23 trolled by the covered company, that—

24 (i) a developer of the app use or en-
25 able an in-app payment system owned or

1 controlled by the covered company or any
2 business partner of the covered company;
3 or

4 (ii) pricing or other terms of sale be
5 equal to or more favorable on such oper-

7 operating system or app store; or

8 (B) take punitive action or otherwise im-
9 pose less favorable terms and conditions against
10 a developer of an app distributed outside of an
11 app store that is owned or controlled by the
12 covered company—

13 (i) for using or offering different pric-
14 ing or other terms of sale on an app store
15 or through an in-app payment system that
16 is not owned or controlled by the covered
17 company; or

18 (ii) on the basis that such app pro-
19 vides access to a third-party app that is
20 not owned or controlled by the covered
21 company through remote electronic services
22 rather than through download from an op-
23 erating system or an app store that is
24 owned or controlled by the covered com-
25 pany.

1 (2) INTERFERENCE WITH LEGITIMATE BUSI-
2 NESS COMMUNICATIONS.—

5 communication of a developer of an app acces-
6 sible on an operating system or distributed
7 through an app store that is owned or con-
8 trolled by the covered company with a user of
9 the app, whether through such app or direct
10 outreach to such user, concerning legitimate
11 business offers, including pricing or other terms
12 of sale and product or service offerings.

13 (B) RULE OF CONSTRUCTION.—Nothing in
14 this paragraph may be construed to prohibit a
15 covered company from requiring that consent of
16 a user be obtained prior to collecting and shar-
17 ing data of the user through an app accessible
18 on an operating system or distributed through
19 an app store that is owned or controlled by the
20 covered company if the apps and services of the
21 company are subject to the same consent.

22 (3) NONPUBLIC BUSINESS INFORMATION.—A
23 covered company may not use nonpublic business in-
24 formation derived from an app accessible on an op-

2 for the purpose of competing with such app.

4 (a) ENFORCEMENT BY FEDERAL TRADE COMMIS-
5 SION.—

6 (1) UNFAIR OR DECEPTIVE ACTS OR PRAC-
7 TICES.—A violation of this Act shall be treated as
8 a violation of a regulation under section 18(a)(1)(B)

13 vided in paragraph (3)—

14 (A) the Commission shall enforce this Act
15 in the same manner, by the same means, and
16 with the same jurisdiction, powers, and duties
17 as though all applicable terms and provisions of
18 the Federal Trade Commission Act (15 U.S.C.
19 41 et seq.) were incorporated into and made a
20 part of this Act; and

21 (B) any covered company who violates this
22 Act shall be subject to the penalties and enti-

6 each violation.

7 (B) METHOD.—Any civil penalty described

12 57a(a)(1)(B)).

13 (4) AUTHORITY PRESERVED.—Nothing in this
14 section may be construed to limit the authority of
15 the Commission under any other provision of law.

16 (b) ENFORCEMENT BY STATES.—

17 (1) IN GENERAL.—If the attorney general of a
18 State, or an official or agency of a State, has reason
19 to believe that an interest of the residents of the
20 State has been or is threatened or adversely affected
21 by an act or practice that violates this Act, the State

13 Federal action against any defendant named in
14 the complaint in the Federal action for any vio-

9 in any conduct prohibited by section 2; or

10 (2) requires a covered company to take any ac-

17 (2) preempt any law of a State or political sub-
