

119TH CONGRESS  
1ST SESSION

# H. R. 3713

To establish within the Environmental Protection Agency the Office of Mountains, Deserts, and Plains, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

JUNE 4, 2025

Mr. CRANE (for himself and Mr. STANTON) introduced the following bill; which was referred to the Committee on Energy and Commerce, and in addition to the Committees on Transportation and Infrastructure, and Natural Resources, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

---

## A BILL

To establish within the Environmental Protection Agency the Office of Mountains, Deserts, and Plains, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Legacy Mine Cleanup  
5 Act of 2025”.

6 **SEC. 2. OFFICE OF MOUNTAINS, DESERTS, AND PLAINS.**

7       (a) DEFINITIONS.—In this section:

1                         (1) ADMINISTRATOR.—The term “Administrator” means the Administrator of the Environmental Protection Agency.

4                         (2) APPROPRIATE COMMITTEES OF CON-  
5                         GRESS.—The term “appropriate committees of Congress” means—

7                             (A) the Committee on Appropriations of  
8                         the Senate;

9                             (B) the Committee on Energy and Natural  
10                         Resources of the Senate;

11                             (C) the Committee on Environment and  
12                         Public Works of the Senate;

13                             (D) the Committee on Health, Education,  
14                         Labor, and Pensions of the Senate;

15                             (E) the Committee on Indian Affairs of the  
16                         Senate;

17                             (F) the Committee on Appropriations of  
18                         the House of Representatives;

19                             (G) the Committee on Energy and Com-  
20                         merce of the House of Representatives;

21                             (H) the Committee on Transportation and  
22                         Infrastructure of the House of Representatives;

23                             (I) the Committee on Natural Resources of  
24                         the House of Representatives; and

(J) the Committee on Oversight and Accountability of the House of Representatives.

(A) the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9601 et seq.);

(B) the Good Samaritan Remediation of Abandoned Hardrock Mines Act of 2024 (30 U.S.C. 1245 note; Public Law 118-155);

14 (C) the Solid Waste Disposal Act (42  
15 U.S.C. 6901 et seq.);

18 (E) any other existing authority of the Ad-  
19 ministrator

(4) COVERED MINE SITE.—The term “covered mine site” means the land, water, and surrounding watersheds where extraction, beneficiation, or processing of hardrock ores or minerals occurred, but has been discontinued, including discontinued temporarily.

1                             (5) INDIAN COUNTRY.—The term “Indian coun-  
2         try” has the meaning given the term in section 1151  
3         of title 18, United States Code.

4                             (6) NAVAJO NATION ABANDONED URANIUM  
5         MINE SITE.—The term “Navajo Nation abandoned  
6         uranium mine site” means an abandoned uranium  
7         covered mine site on land of the Navajo Nation.

8                             (7) OFFICE.—The term “Office” means the Of-  
9         fice of Mountains, Deserts, and Plains established by  
10      subsection (b)(1).

11                            (8) REGIONAL OFFICE.—The term “Regional  
12      Office” means a Regional Office of the Environ-  
13      mental Protection Agency.

14                            (b) ESTABLISHMENT.—

15                            (1) IN GENERAL.—There is established within  
16      the office of the Environmental Protection Agency  
17      that administers solid waste programs the Office of  
18      Mountains, Deserts, and Plains.

19                            (2) DIRECTOR.—The Office shall be headed by  
20      a Director, to be selected by the Administrator (or  
21      a designee).

22                            (c) PURPOSES.—The purposes of the Office shall  
23      be—

24                            (1) to coordinate between the headquarters of  
25      the Environmental Protection Agency, Regional Of-

1 fices, and stakeholders on cleanup actions of the En-  
2 vironmental Protection Agency at a covered mine  
3 site, including a covered mine site in Indian country,  
4 in accordance with Federal law;

5 (2) to establish and disseminate best practices  
6 for covered mine site cleanup actions, including iden-  
7 tifying—

8 (A) innovative technologies and reuse ap-  
9 proaches that support and make progress to-  
10 ward those cleanup actions; and

11 (B) waste storage and disposal solutions;

12 (3) to coordinate among the headquarters of  
13 the Environmental Protection Agency, Regional Of-  
14 fices, Federal land management agencies, States, In-  
15 dian Tribes, and voluntary nongovernmental organi-  
16 zations, watershed groups, nonliable entities and  
17 mining companies, and other entities on voluntary  
18 cleanup actions at covered mine sites, where applica-  
19 ble, including timely issuance of administrative guid-  
20 ance for nonliable parties;

21 (4) to coordinate within the Environmental Pro-  
22 tection Agency and with other Federal agencies to  
23 encourage contracting opportunities for small busi-  
24 nesses to participate in cleanup actions at covered

1 mine sites, consistent with applicable Federal pro-  
2 curement authorities;

3 (5) to coordinate with the Secretary of the Inter-  
4 rior, the Secretary of Agriculture, the Secretary of  
5 Energy, the Secretary of Health and Human Serv-  
6 ices, the Nuclear Regulatory Commission, and other  
7 Federal agencies, as the Administrator determines to  
8 be appropriate, to ensure interagency coordination of  
9 covered mine site cleanup actions, with priority given  
10 to coordinating cleanup actions at covered mine sites  
11 for which there is no potentially responsible party;  
12 and

13 (6) to coordinate other actions as the Adminis-  
14 trator determines to be appropriate, pursuant to ex-  
15 isting authorities of the Administrator—

16 (A) to support efforts to investigate, char-  
17 acterize, or clean up a discharge, release, or  
18 threat of release of a hazardous substance, pol-  
19 lutant, or contaminant into the environment at  
20 or from a covered mine site; or

21 (B) to establish best practices to protect  
22 and improve human health and the environment  
23 and implement appropriate reuse options, in-  
24 cluding through the use of innovative tech-

1           nologies to recover valuable resources from cov-  
2           ered mine site features or areas, as applicable.

3       (d) DUTIES.—The Administrator shall carry out  
4 through the Office, at a minimum, the following duties:

5           (1) PRIORITY MINE LIST.—

6           (A) IN GENERAL.—Annually, the Adminis-  
7           trator shall identify covered mine sites that are  
8           prioritized for cleanup actions, which may in-  
9           clude covered mine sites that are or are not in-  
10          cluded on the National Priorities List developed  
11          by the President in accordance with section  
12          105(a)(8)(B) of the Comprehensive Environ-  
13          mental Response, Compensation, and Liability  
14          Act of 1980 (42 U.S.C. 9605(a)(8)(B)).

15           (B) CREATION OF LIST; REPORTS.—The  
16          Administrator shall annually—

17           (i) create a list of covered mine sites  
18           identified under subparagraph (A); and

19           (ii) submit to the appropriate commit-  
20          tees of Congress a report describing—

21                   (I) the methodology used to iden-  
22               tify those covered mine sites under  
23               that subparagraph; and

(II) the status of cleanup actions carried out at covered mine sites on the list.

16 (2) PROCESS IMPROVEMENT.—

24 (ii) coordinate research relating to  
25 technologies and cleanup approaches that

1           are the most successful in limiting the  
2           acute and chronic risks posed to human  
3           health and the environment by covered  
4           mine sites; and

5                 (iii) support—

6                         (I) government-to-government  
7                         consultations with Indian Tribes with  
8                         respect to a covered mine site located  
9                         within Indian country; and

10                         (II) efforts to provide regular up-  
11                         dates to the Tribal governments in-  
12                         volved in cleanup actions for a covered  
13                         mine site located on Tribal land under  
14                         the jurisdiction of the Indian Tribe.

15                 (B) TRIBAL CONSULTATION.—In sup-  
16                         porting consultations with Indian Tribes under  
17                         subparagraph (A)(iii)(I), the Administrator, in  
18                         addition to existing applicable law and guid-  
19                         ance, shall—

20                         (i) as appropriate, invite potentially  
21                         responsible parties, including Federal  
22                         agencies, to participate in government-to-  
23                         government consultations with Indian  
24                         Tribes;

(ii) as appropriate, consult with Alaska Native Corporations in accordance with section 161 of division H of the Consolidated Appropriations Act, 2004 (25 U.S.C. 5301 note; Public Law 108-199); and

(iii) as appropriate, ensure consultations with Tribal allottees occur pursuant to section 2 of the Act of February 5, 1948 (62 Stat. 18, chapter 45; 25 U.S.C. 324).

out cleanup actions at Navajo Nation abandoned uranium mine sites, including—

3 (i) goals for the assessment of, and  
4 cleanup actions at, Navajo Nation aban-  
5 doned uranium mine sites;

15 (iv) the activities to be carried out by  
16 each Federal agency under the plan.

1 States, units of local government, Indian Tribes, and  
2 other entities technical assistance with respect to  
3 cleanup actions on covered mine sites.

4 (e) SAVINGS PROVISIONS.—Nothing in this section—

5 (1) provides the Administrator with new regu-  
6 latory authority not already established in law; or

7 (2) shall be interpreted as establishing a default  
8 standard or authority to be used for cleanup actions  
9 at covered mine sites, including the definition of  
10 “cleanup action” in subsection (a).
