IN THE HOUSE OF REPRESENTATIVES

A BILL

To amend the Head Start Act to protect Head Start from proposals to eliminate the program and restore the Head Start program’s regional offices, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*

4 support because it serves children in every congres-
5 sional district by—

6 (A) creating a learning environment that
7 supports children’s growth in language, literacy,
8 mathematics, science, social and emotional
9 functioning, creative arts, physical skills, and
10 approaches to learning; and

11 (B) providing to eligible children and their
