St. Louis'' flight as well as in combat actions against enemies of the United States spanning decades;

Whereas the Iranian regime refused to allow international observers to conduct proper oversight of nuclear facilities in Iran and continued to illicitly enrich nuclear weapon-grade uranium;

Whereas, in conducting Operation Midnight Hammer, the 509th and 131st Bomb Wings departed from Knob Nobster, Missouri, in secrecy and delivered the tip of the spear to the heart of an illegal nuclear weapons program;

Whereas, in conducting Operation Midnight Hammer, the brave B-2 pilots of the 509th and 131st Bomb Wings flew for 36 hours, refueled mid-air on dozens of occasions, and still performed with incredible precision in delivering payloads; and

Whereas the deployment of 125 different aircraft and outstanding coordination with the Department of the Navy and the Marine Corps enabled the success of Operation Midnight Hammer, landing a critical blow to the illicit nuclear weapons program of Iran: Now, therefore, be it
