

119TH CONGRESS
1ST SESSION

H. RES. 593

Congratulating the Oncology Nursing Society on the occasion of its 50th anniversary, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

JULY 17, 2025

Mrs. KIGGANS of Virginia (for herself and Ms. BONAMICI) submitted the following resolution; which was referred to the Committee on Energy and Commerce

RESOLUTION

Congratulating the Oncology Nursing Society on the occasion of its 50th anniversary, and for other purposes.

Whereas the Oncology Nursing Society (ONS) was founded in 1975 with the mission to promote excellence in oncology nursing and quality cancer care;

Whereas ONS has grown to represent over 100,000 oncology nurses in the United States and serves as the professional home to more than 35,000 members;

Whereas the impact of cancer on our Nation cannot be underestimated or overlooked, with 2,041,910 new cancer cases diagnosed and 618,120 cancer deaths estimated in the United States in 2025, and more than 18,000,000 Americans counting themselves among the cancer survivor community;

Whereas cancer is a complex, multifaceted, and chronic disease, with patients being best served by a multidisciplinary health care team specialized in oncology care, including nurses who are certified in the specialty;

Whereas oncology nurses are involved in the care of a cancer patient from diagnosis through the end of treatment, being the front-line providers administering chemotherapy and other novel anticancer treatments, managing patient therapies and side effects, working with insurance companies to ensure that patients receive appropriate treatment, providing education and counseling to patients and family members, performing other daily acts of care on behalf of cancer patients, and conducting research that expands the evidence for standards of care and validating oncology nursing practice outcomes;

Whereas, for five decades, ONS has honored and maintained nursing's historical and essential commitment to advocacy for the public good by providing oncology nurses with access to the highest quality educational programs, cancer-care resources, research opportunities, and networks for peer support; and

Whereas the 50th anniversary of ONS marks a significant milestone in the organization's history and provides an opportunity to celebrate its achievements and contributions to the field of oncology nursing; Now, therefore, be it
