

119TH CONGRESS
1ST SESSION

H. RES. 853

Recognizing the 95th anniversary of the Detroit-Windsor Tunnel and its enduring significance to international trade, economic development, and cross-border relations between the United States and Canada.

IN THE HOUSE OF REPRESENTATIVES

OCTOBER 31, 2025

Mr. THANEDAR submitted the following resolution; which was referred to the Committee on Transportation and Infrastructure, and in addition to the Committee on Foreign Affairs, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

RESOLUTION

Recognizing the 95th anniversary of the Detroit-Windsor Tunnel and its enduring significance to international trade, economic development, and cross-border relations between the United States and Canada.

Whereas, on November 3, 1930, the Detroit-Windsor Tunnel officially opened to the public, becoming the second-busiest crossing between the United States and Canada and the first vehicular underwater international tunnel in the world;

Whereas the tunnel has served as a vital transportation and trade artery for nearly a century, connecting Detroit,

Michigan, and Windsor, Ontario, and supporting millions of commercial and passenger vehicles each year;

Whereas the Detroit-Windsor Tunnel has strengthened cultural ties and economic integration between the United States and Canada, facilitating binational cooperation, tourism, and commerce;

Whereas the tunnel has played a critical role in ensuring the flow of essential goods and frontline workers, especially during the COVID–19 pandemic, when reliable cross-border access was paramount;

Whereas the city of Detroit and American Roads, the private operator of the tunnel, have maintained and modernized this critical piece of infrastructure, ensuring it remains safe, accessible, and secure for future generations; and

Whereas the 95th anniversary of the tunnel offers an opportunity to reflect on the legacy of cross-border partnership and to reaffirm the commitment of the United States to infrastructure investments that strengthen regional and international connectivity: Now, therefore, be it
