

119TH CONGRESS  
1ST SESSION

# S. 1014

To ensure that certain permit approvals by the Environmental Protection Agency have the force and effect of law, and for other purposes.

---

IN THE SENATE OF THE UNITED STATES

MARCH 13, 2025

Mrs. MOODY (for herself and Mr. SCOTT of Florida) introduced the following bill; which was read twice and referred to the Committee on Environment and Public Works

---

## A BILL

To ensure that certain permit approvals by the Environmental Protection Agency have the force and effect of law, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “Maintaining Cooper-  
5       tive Permitting Act of 2025”.

6       **SEC. 2. STATE DISCHARGE OF DREDGED OR FILL MATE-**  
7                   **RIAL PROGRAMS.**

8        (a) WITHDRAWAL OF APPROVAL WITHOUT CON-  
9       GRESSIONAL AUTHORIZATION PROHIBITED.—

1                             (1) IN GENERAL.—The permit programs de-  
2                             scribed in paragraph (2) are ratified, approved, and  
3                             of full force and effect, and the Administrator of the  
4                             Environmental Protection Agency (referred to in  
5                             this section as the “Administrator”) may not with-  
6                             draw the approval of those permit programs, includ-  
7                             ing through the process described in section 404(i)  
8                             of the Federal Water Pollution Control Act (33  
9                             U.S.C. 1344(i)), unless the withdrawal is expressly  
10                          authorized by an Act of Congress enacted after the  
11                          date of enactment of this Act.

12                          (2) PERMIT PROGRAMS DESCRIBED.—The per-  
13                          mit programs referred to in paragraph (1) are the  
14                          following State permit programs for the discharge of  
15                          dredged or fill material approved under section 404  
16                          of the Federal Water Pollution Control Act (33  
17                          U.S.C. 1344):

18                          (A) The program of the State of Michigan,  
19                          approved in the notice of the Environmental  
20                          Protection Agency entitled “Michigan Depart-  
21                          ment of Natural Resources Section 404 Permit  
22                          Program Approval” (49 Fed. Reg. 38947 (Oc-  
23                          tober 2, 1984)) and as described in section  
24                          233.70 of title 40, Code of Federal Regulations

1 (including any updates to the program de-  
2 scribed in a successor Federal Register notice).

(3) PROGRAM TRANSITION PERIOD.—During the 90-day period beginning on the date of enactment of this Act, the Secretary of the Army, acting

1 through the Chief of Engineers (referred to in this  
2 section as the “Secretary”), and the State of Florida  
3 may both issue permits authorized under the pro-  
4 gram described in paragraph (2)(C) into navigable  
5 waters (as described in subsection 404(g)(1) of the  
6 Federal Water Pollution Control Act (33 U.S.C.  
7 1344(g)(1))) within the jurisdiction of the State of  
8 Florida.

9                     (4) APPROVAL OF COMPARABLE STATE PRO-  
10 GRAMS.—

11                     (A) IN GENERAL.—If the Administrator  
12 determines that a State program submitted  
13 under subsection (g)(1) of section 404 of the  
14 Federal Water Pollution Control Act (33 U.S.C.  
15 1344) is comparable to a State program de-  
16 scribed in any of subparagraphs (A) through  
17 (C) of paragraph (2), the Administrator shall  
18 make the determination described in subsection  
19 (h)(2)(A) of that section with respect to that  
20 program.

21                     (B) NOTIFICATION.—On making the deter-  
22 mination required under subparagraph (A), the  
23 Administrator shall notify the Secretary and the  
24 applicable State of that determination.

11           (b) CLARIFICATION OF PROCESS.—Section 404(h) of  
12 the Federal Water Pollution Control Act (33 U.S.C.  
13 1344(h)) is amended by adding at the end the following:

“(6) NOT A RULE OR REGULATION.—The approval of a State permit program under this section shall not be considered to be a rule or regulation.”.
