## A BILL

To require certain grantees under title I of the Housing and Community Development Act of 1974 to submit a plan to track overly burdensome land use policies, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Identifying Regulatory  
5 Barriers to Housing Supply Act”.

6 **SEC. 2. PURPOSE.**

7 The purpose of this Act is to discourage the use of  
8 overly burdensome land use policies and remove barriers

1 to making housing more affordable in order to further the  
2 original intent of the Community Development Block  
3 Grant program.

4 **SEC. 3. FINDINGS.**

5 Congress finds the following:

6 (1) The United States has a shortage of mil-  
7 lions of homes, contributing to a record number of  
8 cost-burdened households across rural, urban, and  
9 suburban communities.

10 (2) The housing shortage is constraining the  
11 economy and costing the people of the United States  
12 about \$2,000,000,000,000 per year in lost opportu-  
13 nities and lower productivity.

14 (3) Zoning and land use policy reforms are one  
15 part of the solution to addressing the rising cost of  
16 housing, alongside policies that invest in fair and af-  
17 fordable housing throughout the United States.

18 (4) The Department of Housing and Urban De-  
19 velopment should maintain adequate staffing levels  
20 to implement this legislation, assist communities in  
21 overcoming zoning and land use challenges unduly  
22 constraining housing, and support quality and af-  
23 fordable housing programs serving the most vulner-  
24 able in the United States.

1 **SEC. 4. LAND USE PLAN.**
