119TH CONGRESS 1st Session | HOUSE OF REPRESENTATIVES | REPORT 119–113

PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 1) TO PROVIDE FOR RECONCILIATION PURSUANT TO TITLE II OF H. CON. RES. 14

MAY 21, 2025.—Referred to the House Calendar and ordered to be printed

Mrs. HOUCHIN, from the Committee on Rules, submitted the following

R E P O R T

[To accompany H. Res. 436]

The Committee on Rules, having had under consideration House Resolution 436, by a record vote of 8 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1, the One Big Beautiful Bill Act, under a closed rule. The resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 119–3, modified by the amendment printed in the Rules Committee report, shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides two hours of general debate equally divided and controlled by the chair and ranking minority member of the Committee on the Budget or their respective designees and the chair and ranking minority member of the Committee on Ways and Means or their respective designees. The resolution provides one motion to recommit. The resolution provides that clause 5(b) of rule XXI shall not apply to the bill or amendments thereto.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 1 includes:

59–008

—Clause 4(a) of rule XIII, which prohibits the consideration of a measure or matter reported by a committee until the proposed text of the report has been available for 72 hours.

—Clause 3(e) of rule XIII, which requires the inclusion of a comparative print for a bill or joint resolution proposing to repeal or amend a statute.

—Clause 3(d)(1) of rule XIII, which requires the inclusion of a committee cost estimate in a committee report.

—Section 425 of the Congressional Budget Act, which prohibits consideration of legislation that would increase the direct costs of Federal intergovernmental mandates beyond $50,000,000 (adjusted for inflation) unless the legislation provides for new budget authority or the legislation appropriates sufficient funds to cover the new costs.

The waiver of all points of order against provisions of H.R. 1, as amended, includes:

—Clause 4 of rule XXI, which prohibits reporting a bill carrying an appropriation from a committee not having jurisdiction to report an appropriation.

—Clause 5(a) of rule XXI, which prohibits a bill or joint resolution carrying a tax or tariff measure from being reported by a committee not having jurisdiction to report tax or tariff measures.

Although the resolution provides that clause 5(b) of rule XXI does not apply to this bill, the rule isolates only specified provisions and does not look at the essential interactions of all the tax provisions. While the bill as a whole provides broad tax relief, the provision is necessary because of the narrow focus of the rule.
