Ms. Keefe Harrison
Chief Executive Officer
The Recycling Partnership
20 F Street NW
7th Floor
Washington, DC 20001

Dear Ms. Harrison:

Thank you for appearing before the Subcommittee on Environment on Wednesday, July 16, 2025, to testify at the hearing entitled “Beyond the Blue Bin: Forging a Federal Landscape for Recycling Innovation and Economic Growth.”

Pursuant to the Rules of the Committee on Energy and Commerce, the hearing record remains open for ten business days to permit Members to submit additional questions for the record, which are attached. The format of your responses to these questions should be as follows: (1) the name of the Member whose question you are addressing, (2) the complete text of the question you are addressing in bold, and (3) your answer to that question in plain text.

To facilitate the printing of the hearing record, please respond to these questions with a transmittal letter by the close of business on Thursday, September 11, 2025. Your responses should be mailed to Calvin Huggins Legislative Clerk, Committee on Energy and Commerce, 2125 Rayburn House Office Building, Washington, DC 20515 and e-mailed to Calvin.Huggins1@mail.house.gov.

Thank you again for your time and effort preparing and delivering testimony before the Subcommittee.

Sincerely,

A handwritten signature in blue ink, appearing to read "Gary Palmer", with a long, sweeping horizontal line extending to the right.

Gary Palmer
Chairman
Subcommittee on Environment

cc: Paul Tonko, Ranking Member, Subcommittee on Environment

Additional Questions for the Record

The Honorable Robert Latta (R-OH)

1. In the United States, the mid-and-downstream aluminum industry has invested \$10 billion over the past decade. In order to support continued investment, the aluminum industry needs input materials, therefore requiring an all-of-the-above policy approach to keep and collect more domestic aluminum scrap.
 - a. What can Congress be doing to support domestic aluminum scrap collection for consumer and industrial scrap?
