Mr. Jim Moriarty
Executive Vice President, General Counsel and Chief Policy and Risk Officer
Chesapeake Utilities Corporation
500 Energy Lane
Dover, DE 19901

Dear Mr. Moriarty:

Thank you for appearing before the Subcommittee on Energy on Tuesday, July 22, 2025, to testify at the hearing entitled “Strengthening American Energy: A Review of Pipeline Safety Policy.”

Pursuant to the Rules of the Committee on Energy and Commerce, the hearing record remains open for ten business days to permit Members to submit additional questions for the record, which are attached. The format of your responses to these questions should be as follows: (1) the name of the Member whose question you are addressing, (2) the complete text of the question you are addressing in bold, and (3) your answer to that question in plain text.

To facilitate the printing of the hearing record, please respond to these questions with a transmittal letter by the close of business on Thursday, September 25, 2025. Your responses should be mailed to Calvin Huggins Legislative Clerk, Committee on Energy and Commerce, 2125 Rayburn House Office Building, Washington, DC 20515 and e-mailed to Calvin.Huggins1@mail.house.gov.

Thank you again for your time and effort preparing and delivering testimony before the Subcommittee.

Sincerely,

A handwritten signature in blue ink, reading "Robert E. Latta". The signature is fluid and cursive, with the first name "Robert" and last name "Latta" clearly legible, and "E." in the middle.

Robert E. Latta
Chairman
Subcommittee on Energy

Additional Questions for the Record

The Honorable Robert Latta (R-OH)

1. There are many technologies that can help operators ensure safety across their pipeline networks. How can PHMSA be a better partner in efforts to increase the use of technologies, and facilitate the development of new, emerging technologies?
