For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U. S. C. 825s), as applied to the southeastern power area, \$1,228,000.

58 Stat. 890.

OPERATION AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

For necessary expenses of operation and maintenance of power transmission facilities and of marketing electric power and energy pursuant to the provisions of section 5 of the Flood Control Act of 1944 (16 U. S. C. 825s), as applied to the southwestern power area, \$1,765,000, and in addition \$775,000 shall be transferred to this appropriation from the appropriation "Construction, Southwestern Power Administration".

58 Stat. 890.

RESEARCH IN THE UTILIZATION OF SALINE WATER

For expenses necessary to carry out provisions of Public Law 448, approved July 3, 1952, authorizing studies of the conversion of saline water for beneficial consumptive uses, \$400,000.

66 Stat. 328.
42 USC 1951-
1958.

OIL AND GAS DIVISION

For necessary expenses to enable the Secretary to discharge his responsibilities with respect to oil and gas, including cooperation with the petroleum industry and State authorities in the production, processing, and utilization of petroleum and its products, and natural gas, \$250,000.

EMERGENCY FLOOD AND STORM REPAIRS

To enable the Secretary of the Interior to reimburse applicable appropriations for the cost of personnel, supplies, and facilities, diverted for the repair, reconstruction, rehabilitation, or replacement of structures, buildings, or other facilities, including equipment, damaged or destroyed by flood or storm, \$100,000.

OFFICE OF THE SOLICITOR

For necessary expenses of the Office of the Solicitor, \$2,469,000, to be derived by transfer from other appropriations made in this Act in the sums and in the manner set forth in Senate Report Numbered 1506, Eighty-third Congress, and in addition, not to exceed \$100,000 shall be transferred from other accounts available to the Department of the Interior and made a part of this appropriation.

COMMISSION OF FINE ARTS

SALARIES AND EXPENSES

36 Stat. 371.

For expenses made necessary by the Act establishing a Commission of Fine Arts (40 U. S. C. 104), including payment of actual traveling expenses of the members and secretary of the Commission in attending meetings and committee meetings of the Commission either within or outside the District of Columbia, to be disbursed on vouchers approved by the Commission, \$21,200.

BONNEVILLE POWER ADMINISTRATION

CONSTRUCTION

For construction and acquisition of transmission lines, substations, and appurtenant facilities, as authorized by law, to remain available until expended, \$24,314,000: *Provided*, That, during the current fiscal year, not more than \$6,250,000 of the funds available under this appropriation heading shall be used for personal services and not more than \$750,000 shall be used for travel expenses.

OPERATION AND MAINTENANCE

For necessary expenses of operation and maintenance of the Bonneville transmission system and of marketing electric power and energy, \$6,200,000.

ADMINISTRATIVE PROVISIONS

Appropriations of the Bonneville Power Administration shall be available to carry out all the duties imposed upon the Administrator pursuant to law. Appropriations made herein to the Bonneville Power Administration shall be available in one fund, except that the appropriation herein made for operation and maintenance shall be available only for the service of the current fiscal year.

Restriction.

Other than as may be necessary to meet local emergencies, not to exceed 12 per centum of the appropriation for construction herein made for the Bonneville Power Administration shall be available for construction work by force account or on a hired-labor basis.

BUREAU OF LAND MANAGEMENT

MANAGEMENT OF LANDS AND RESOURCES

For expenses necessary for protection, use, improvement, development, disposal, cadastral surveying, classification, and performance of other functions, as authorized by law, in the management of lands and their resources under the jurisdiction of the Bureau of Land Management, \$11,913,000: *Provided*, That this appropriation may be expended on a reimbursable basis for surveys of lands other than those under the jurisdiction of the Bureau of Land Management: *Provided further*, That, for the purpose of surveying federally controlled or

intermingled lands, contributions toward the cost thereof may be accepted.

CONSTRUCTION

For construction of access roads on the revested Oregon and California Railroad grant lands; acquisition of rights-of-way and of existing connecting roads adjacent to such lands; to remain available until expended, \$2,500,000: *Provided*, That the amount appropriated herein for road construction shall be transferred to the Bureau of Public Roads, Department of Commerce: *Provided further*, That said sum is hereby made a reimbursable charge against the Oregon and California land-grant fund and shall be reimbursed to the general fund in the Treasury in accordance with the provisions of the second paragraph of subsection (b) of title II of the Act of August 28, 1937.

50 Stat. 876.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Land Management shall be available for purchase, erection, and dismantlement of temporary structures, and alteration and maintenance of necessary buildings and appurtenant facilities to which the United States has title: *Provided*, That of appropriations herein made for the Bureau of Land Management expenditures in connection with the revested Oregon and California Railroad and reconveyed Coos Bay Wagon Road grant lands (other than expenditures for construction of access roads and for acquisition of rights-of-way and of existing connecting roads adjacent to such lands) shall be reimbursed from the 25 per centum referred to in section C, title II, of the Act approved August 28, 1937, of the special fund designated the "Oregon and California Land Grant Fund" and section 4 of the Act approved May 24, 1939, of the special fund designated the "Coos Bay Wagon Road Grant Fund".

50 Stat. 876.

53 Stat. 754.

RANGE IMPROVEMENTS

For construction, purchase, and maintenance of range improvements pursuant to the provisions of sections 3 and 10 of the Act of June 28, 1934, as amended (43 U. S. C. 315), sums equal to the aggregate of all moneys received, during the current fiscal year, as range improvement fees under section 3 of said Act and of 25 per centum of all moneys received, during the current fiscal year, under section 15 of said Act, to remain available until expended.

48 Stat. 1270,
1273.

43 USC 315m.

BUREAU OF INDIAN AFFAIRS

HEALTH, EDUCATION, AND WELFARE SERVICES

For expenses necessary to provide health, education, and welfare services for Indians, either directly or in cooperation with States and other organizations, including payment (in advance or from date of admission), of care, tuition, assistance, and other expenses of Indians in boarding homes, institutions, or schools; grants and other assistance to needy Indians; maintenance of law and order, and payment of rewards for information or evidence concerning violations of law on Indian reservations or lands; and operation of Indian arts and crafts shops and museums; \$59,547,215.

RESOURCES MANAGEMENT

For expenses necessary for management, development, improvement, and protection of resources and appurtenant facilities under the jurisdiction of the Bureau of Indian Affairs, including payment of

irrigation assessments and charges; acquisition of water rights; advances for Indian industrial and business enterprises; and development of Indian arts and crafts as authorized by law; \$12,881,245.

CONSTRUCTION

Restrictions.

For construction, major repair, and improvement of irrigation and power systems, buildings, utilities, roads and trails, and other facilities; acquisition of lands and interests in lands; preparation of lands for farming; and architectural and engineering services by contract; to remain available until expended, \$7,673,000: *Provided*, That, during the current fiscal year, not more than \$3,800,000 of the funds available under this appropriation heading shall be available for personal services: *Provided further*, That no part of the sum herein appropriated shall be used for the acquisition of land within the States of Arizona, California, Colorado, New Mexico, South Dakota, Utah, and Wyoming outside of the boundaries of existing Indian reservations: *Provided further*, That no part of this appropriation shall be used for the acquisition of land or water rights within the States of Nevada, Oregon, and Washington either inside or outside the boundaries of existing reservations: *Provided further*, That of the amount included herein for the construction of roads and trails, such part of the amount as determined by the Commissioner of Indian Affairs shall be available only for roads and trails which State and local governments agree to take over and maintain when the improvement is completed.

GENERAL ADMINISTRATIVE EXPENSES

For expenses necessary for the general administration of the Bureau of Indian Affairs, including such expenses in field offices, \$2,750,000.

ADMINISTRATIVE PROVISIONS

Appropriations for the Bureau of Indian Affairs (except the revolving fund for loans) shall be available for expenses of exhibits; purchase of ice for official use of employees; and expenses required by continuing or permanent treaty provisions.

TRIBAL FUNDS

In addition to the tribal funds authorized to be expended by existing law, there is hereby appropriated \$3,000,000 from tribal funds not otherwise available for expenditure for the benefit of Indians and Indian tribes, including pay and travel expenses of employees; care, tuition and other assistance to Indian children attending public and private schools (which may be paid in advance or from date of admission); purchase of land and improvements on land, title to which shall be taken in the name of the United States in trust for the tribe for which purchased; lease of lands and water rights; compensation and expenses of attorneys and other persons employed by Indian tribes under approved contracts; pay, travel and other expenses of tribal officers, councils, and committees thereof, or other tribal organizations, including mileage for use of privately owned automobiles and per diem in lieu of subsistence at rates established administratively but not to exceed those applicable to civilian employees of the Government; relief of Indians, without regard to section 7 of the Act of May 27, 1930 (46 Stat. 391), including cash grants; and employment of a recreational director for the Menominee Reservation and a curator for the Osage Museum, each of whom shall be appointed with the approval of the respective tribal councils and without regard to the

classification laws: *Provided*, That in addition to the amount appropriated herein, tribal funds may be advanced to Indian tribes during the current fiscal year for such purposes as may be designated by the governing body of the particular tribe involved and approved by the Secretary: *Provided, however*, That no part of this appropriation or other tribal funds shall be used for the acquisition of land or water rights within the States of Nevada, Oregon, Washington, and Wyoming, either inside or outside the boundaries of existing Indian reservations, if such acquisition results in the property being exempted from local taxation.

Restriction.

BUREAU OF RECLAMATION

For carrying out the functions of the Bureau of Reclamation as provided in the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 388, and Acts amendatory thereof or supplementary thereto) and other Acts applicable to that Bureau, as follows:

43 USC 372 et seq.

GENERAL INVESTIGATIONS

For engineering and economic investigations of proposed Federal reclamation projects and studies of water conservation and development plans; engineering and economic investigations, as a basis for legislation, and for reports thereon to Congress, relating to projects for the development and utilization of the water resources of Alaska; formulating plans and preparing designs and specifications for authorized Federal reclamation projects or parts thereof prior to initial allocation of appropriations for construction of such projects or parts; and activities preliminary to the reconstruction, rehabilitation and betterment, financial adjustment, or extension of existing projects; to remain available until expended, \$3,350,000, of which \$2,750,000 shall be derived from the reclamation fund and \$500,000 shall be derived from the Colorado River development fund: *Provided*, That none of this appropriation shall be used for more than one-half of the cost of an investigation requested by a State, municipality, or other interest: *Provided further*, That, except as herein expressly provided with respect to investigations in Alaska, no part of this appropriation shall be expended in the conduct of activities which are not authorized by law.

Reports.

CONSTRUCTION AND REHABILITATION

For construction and rehabilitation of authorized reclamation projects or parts thereof (including power transmission facilities) and for other related activities, as authorized by law, including payments under the Act of August 15, 1953 (67 Stat. 592), to remain available until expended, \$126,637,000, of which \$55,626,197 shall be derived from the reclamation fund: *Provided*, That, during the current fiscal year, not more than \$26,000,000 of the funds available under this appropriation heading shall be available for personal services and not more than \$1,000,000 shall be available for travel: *Provided further*, That not to exceed \$53,000 shall be available toward the emergency rehabilitation of the Avondale irrigation project, Idaho, to be repaid in full under conditions satisfactory to the Secretary of the Interior: *Provided further*, That not to exceed \$297,000 shall be available toward the emergency rehabilitation of the Crescent Lake Dam project, Oregon, to be repaid in full under conditions satisfactory to the Secretary of the Interior: *Provided further*, That sums made available for increasing spillway capacity at Alamogordo Dam, Carlsbad project, New Mexico, for the purpose of removing the existing flood hazard, be nonreimbursable and nonreturnable: *Provided further*, That the unexpended

funds appropriated for Savage Rapids Dam rehabilitation in Public Law 470, Eighty-second Congress, second session, shall be available for rehabilitation of appurtenant canal protective works: *Provided further*, That not to exceed \$45,000 of the unexpended funds heretofore appropriated for the Jamestown unit (North Dakota), Missouri River Basin project, shall be available for public use and safety facilities at said unit: *Provided further*, That no part of this appropriation shall be available for other than the completion of field engineering, survey work, and preliminary designs of the Southwest Contra Costa County Water District System and no repayment contract shall be executed or construction begun until plans have been submitted to and approved by the Congress through its legislative and appropriation procedures, after submission of a report to the Congress by the Secretary of the Interior (1) on the cost and feasibility of said project, including the necessary distribution system and (2) on the rates required to be charged to the ultimate consumers: *Provided further*, That no part of this appropriation shall be used to initiate the construction of transmission facilities within those areas covered by power wheeling service contracts which include provision for service to Federal establishments and preferred customers, except those transmission facilities for which construction funds have been heretofore appropriated, those facilities which are necessary to carry out the terms of such contracts or those facilities for which the Secretary of the Interior finds the wheeling agency is unable or unwilling to provide for the integration of Federal projects or for service to a Federal establishment or preferred customer: *Provided further*, That no part of this or prior appropriations shall be used for construction, nor for further commitments to construction of Moorhead Dam and Reservoir, Montana, or any feature thereof until a definite plan report thereon has been completed, reviewed by the States of Wyoming and Montana, and approved by the Congress.

OPERATION AND MAINTENANCE

58 Stat. 157.

For operation and maintenance of reclamation projects or parts thereof and of other facilities, as authorized by law; and for a soil and moisture conservation program on lands under the jurisdiction of the Bureau of Reclamation, pursuant to law, \$21,500,000, of which \$18,257,222 shall be derived from the reclamation fund and \$1,942,778 shall be derived from the Colorado River dam fund, including (notwithstanding the provisions of the First Deficiency Appropriation Act, 1944, relating thereto) operation and maintenance of Palo Verde Weir: *Provided*, That funds advanced for operation and maintenance of reclamation projects or parts thereof shall be deposited to the credit of this appropriation and may be expended for the same objects and in the same manner as sums appropriated herein may be expended, and the unexpended balances of such advances shall be credited to the appropriation for the next succeeding fiscal year.

GENERAL ADMINISTRATIVE EXPENSES

59 Stat. 54.

For necessary expenses of general administration and related functions in the offices of the Commissioner of Reclamation and in the regional offices of the Bureau of Reclamation, \$4,000,000, to be derived from the reclamation fund and to be nonreimbursable pursuant to the Act of April 19, 1945 (43 U. S. C. 377): *Provided*, That no part of any other appropriation in this Act shall be available for activities or functions budgeted for the current fiscal year as general administrative expenses.

EMERGENCY FUND

For an additional amount for the emergency fund as authorized by the Act of June 26, 1948 (43 U. S. C. 502), \$200,000, to be derived from the reclamation fund, special fund, and to remain available until expended for the purposes specified in said Act.

62 Stat. 1052.

SPECIAL FUNDS

Sums herein referred to as being derived from the reclamation fund, the Colorado River dam fund, or the Colorado River development fund, are appropriated from the special funds in the Treasury created by the Act of June 17, 1902 (43 U. S. C. 391), the Act of December 21, 1928 (43 U. S. C. 617a), and the Act of July 19, 1940 (43 U. S. C. 618a), respectively. Such sums shall be transferred, upon request of the Secretary, to be merged with and expended under the heads herein specified; and the unexpended balances of sums transferred for expenditure under the heads "Operation and Maintenance" and "General Administrative Expenses" shall revert and be credited to the special fund from which derived.

32 Stat. 388.

45 Stat. 1057.

54 Stat. 774.

ADMINISTRATIVE PROVISIONS

Appropriations to the Bureau of Reclamation shall be available for purchase of one aircraft; payment of claims for damage to or loss of property, personal injury, or death arising out of activities of the Bureau of Reclamation; payment, except as otherwise provided for, of compensation and expense of persons on the rolls of the Bureau of Reclamation appointed as authorized by law to represent the United States in the negotiation and administration of interstate compacts without reimbursement or return under the reclamation laws; rewards for information or evidence concerning violations of law involving property under the jurisdiction of the Bureau of Reclamation; performance of the functions specified under the head "Operation and Maintenance Administration", Bureau of Reclamation, in the Interior Department Appropriation Act, 1945; preparation and dissemination of useful information including recordings, photographs, and photographic prints; and studies of recreational uses of reservoir areas, and investigation and recovery of archeological and paleontological remains in such areas in the same manner as provided for in the Act of August 21, 1935 (16 U. S. C. 461-467): *Provided*, That no part of any appropriation made herein shall be available pursuant to the Act of April 19, 1945 (43 U. S. C. 377), for expenses other than those incurred on behalf of specific reclamation projects except "General Administrative Expenses" and amounts provided for reconnaissance, basin surveys, and general engineering and research under the head "General Investigations".

58 Stat. 486.

49 Stat. 666.

59 Stat. 54.

Allotments to the Missouri River Basin project from the appropriation under the head "Construction and Rehabilitation" shall be available additionally for said project for those functions of the Bureau of Reclamation provided for under the head "General Investigations" (but this authorization shall not preclude use of the appropriation under said head within that area), and for the continuation of investigations by agencies of the Department on a general plan for the development of the Missouri River Basin. Such allotments may be expended through or in cooperation with State and other Federal agencies, and advances to such agencies are hereby authorized.

Missouri River
Basin project.

Sums appropriated herein which are expended in the performance of reimbursable functions of the Bureau of Reclamation shall be returnable to the extent and in the manner provided by law.

Restrictions.

No part of any appropriation for the Bureau of Reclamation, contained in this Act or in any prior Act, which represents amounts earned under the terms of a contract but remaining unpaid, shall be obligated for any other purpose, regardless of when such amounts are to be paid: *Provided*, That the incurring of any obligation prohibited by this paragraph shall be deemed a violation of section 3679 of the Revised Statutes, as amended (31 U. S. C. 665).

No funds appropriated to the Bureau of Reclamation for operation and maintenance, except those derived from advances by water users, shall be used for the particular benefit of lands (a) within the boundaries of an irrigation district, (b) of any member of a water users' organization, or (c) of any individual, when such district, organization, or individual is in arrears for more than twelve months in the payment of charges due under a contract entered into with the United States pursuant to laws administered by the Bureau of Reclamation.

Not to exceed \$225,000 may be expended from the appropriation "Construction and Rehabilitation" for work by force account on any one project or Missouri Basin unit and then only when such work is unsuitable for contract or no acceptable bid has been received and, other than otherwise provided in this paragraph or as may be necessary to meet local emergencies, not to exceed 12 per centum of the construction allotment for any project from the appropriation "Construction and Rehabilitation" contained in this Act shall be available for construction work by force account.

GEOLOGICAL SURVEY**SURVEYS, INVESTIGATIONS, AND RESEARCH**

For expenses necessary for the Geological Survey to perform surveys, investigations, and research covering topography, geology, and the mineral and water resources of the United States, its Territories and possessions; classify lands as to mineral character and water and power resources; give engineering supervision to power permits and Federal Power Commission licenses; enforce departmental regulations applicable to oil, gas, and other mining leases, permits, licenses, and operating contracts; and publish and disseminate data relative to the foregoing activities; \$25,735,000 of which \$3,800,000 shall be available only for cooperation with States or municipalities for water resources investigations: *Provided*, That no part of this appropriation shall be used to pay more than one-half the cost of any topographic mapping or water resources investigations carried on in cooperation with any State or municipality.

Plans for buildings, Washington, D. C.
67 Stat. 269.

Not to exceed \$75,000 of the unexpended balance of the funds appropriated under this heading in the Interior Department Appropriation Act, 1954, is hereby continued available until expended for preparation of plans and specifications for a building or buildings to meet the special needs of the Geological Survey in the metropolitan area of Washington, D. C.

ADMINISTRATIVE PROVISIONS

The amount appropriated for the Geological Survey shall be available for reimbursement of the General Services Administration for security guard service for protection of confidential files; contracting for the furnishing of topographic maps and for the making of geophysical or other specialized surveys when it is administratively determined that such procedures are in the public interest; construction and maintenance of necessary buildings and appurtenant facilities; acquisition of lands for gaging stations; and payment of compensation and expenses of persons on the rolls of the Geological Survey appointed,

as authorized by law, to represent the United States in the negotiation and administration of interstate compacts, including not to exceed \$10,000 for the person appointed by the President to participate as the representative of the United States in the administration of the compact consented to by the Act of May 31, 1949 (Public Law 82): *Provided*, That notwithstanding the provisions of any other law, the President is authorized to appoint a retired officer as such representative, without prejudice to his status as a retired Army officer, and he shall receive such compensation and expenses in addition to his retired pay.
