

## ARTICLE VIII.

The provisions of this compact shall be severable, and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any compacting state or of the United States the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby; provided, that if this compact is held to be contrary to the constitution of any compacting state the compact shall remain in full force and effect as to all other compacting states.

## ARTICLE IX.

This compact shall continue in force and remain binding upon a compacting state until the legislature or the governor of such state, as the laws of such state shall provide, takes action to withdraw therefrom. Such action shall not be effective until two years after notice thereof has been sent by the governor of the state desiring to withdraw to the governors of all other states then parties to the compact. Such withdrawal shall not relieve the withdrawing state from its obligations accruing hereunder prior to the effective date of withdrawal. Any state so withdrawing, unless reinstated, shall cease to have any claim to or ownership of any of the property held by or vested in the board or to any of the funds of the board held under the terms of the compact. Thereafter, the withdrawing state may be reinstated by application after appropriate legislation is enacted by such state, upon approval by a majority vote of the board.

## ARTICLE X.

If any compacting state shall at any time default in the performance of any of its obligations assumed or imposed in accordance with the provisions of this compact, all rights and privileges and benefits conferred by this compact or agreement hereunder shall be suspended from the effective date of such default as fixed by the board. Unless such default shall be remedied within a period of two years following the effective date of such default, this compact may be terminated with respect to such defaulting state by affirmative vote of three fourths of the member states. Any such defaulting state may be reinstated by (a) performing all acts and obligations upon which it has heretofore defaulted, and (b) application to and approval by a majority vote of the board.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the District of Columbia Unemployment Compensation Act, approved August 28, 1935 (49 Stat. 946), as amended (title 46, ch. 3, D. C. Code, 1951 edition), is further amended as follows:

Section 1 (b) (2) (B) is amended by adding at the end thereof the following:

"Service shall be deemed to be localized within a State if—

"(i) the service is performed entirely within such State; or

"(ii) the service is performed both within and without such State, but the service performed without such State is incidental to the individual's service within the State, for example, is temporary or transitory in nature or consists of isolated transactions."

Section 1 (b) (4) is amended to read as follows:

Service on ves-  
sels.

"(4) Notwithstanding any other provisions of this subsection, the term employment shall also include all service performed after the effective date of this amendment by an officer or member of the crew of an American vessel on or in connection with such vessel, provided that the operating office, from which the operations of such vessel operating on navigable waters within or within and without the United States are ordinarily and regularly supervised, managed, directed, and controlled, is within the District."

Section 1 (b) (5) is amended by adding at the end thereof the following subsections:

"(Q) service performed on or in connection with a vessel not an American vessel by an individual if he performed service on and in connection with such vessel when outside the United States;

"(R) service performed by an individual in (or as an officer or member of the crew of a vessel while it is engaged in) the catching, taking, harvesting, cultivating, or farming of any kind of fish, shellfish, crustacea, sponges, seaweeds, or other aquatic forms of animal and vegetable life (including service performed by any such individual as an ordinary incident to any such activity), except (A) service performed in connection with the catching or taking of salmon or halibut, for commercial purposes, and (B) service performed on or in connection with a vessel of more than ten net tons (determined in the manner provided for determining the register tonnage of merchant vessels under the laws of the United States)."

ployment.

"(7) Notwithstanding any of the provisions of subsection 1 (b) (5) of this Act, services shall be deemed to be in employment if with respect to such services a tax is required to be paid under any Federal law imposing a tax against which credit may be taken for contributions required to be paid into a State unemployment compensation fund.

"(8) (i) Any service performed for an employing unit, which is excluded under the definition of employment in section 1 (b) (5) and with respect to which no payments are required under the employment security law of another State or of the Federal Government may be deemed to constitute employment for all purposes of this Act: *Provided*, That the Board has approved a written election to that effect filed by the employing unit for which the service is performed, as of

Any claim for benefits made in accordance with section 11 of this Act shall be deemed to be a 'valid claim' for the purposes of this subsection if the individual has during his base period been paid wages for employment by employers as required by the provisions of section 7 of the Act."
