No conveyance shall be made unless application for conveyance is filed with the Secretary within six months of the date of approval of this Act and unless within the time specified by him payment is made to the Secretary of (1) administrative costs of the conveyance and (2) the fair market value of the interest to be conveyed. The amount of the payment required shall be the difference between the amount deposited and the full amount required to be paid under this section. If the amount deposited exceeds the full amount required to be paid, the applicant shall be given a credit or refund for the excess.
SEC. 5. The term "administrative costs" as used in this Act includes, but is not limited to, all costs of (1) conducting an exploratory program to determine the character of the mineral deposits in the land, (2) evaluating the data obtained under the exploratory program to determine the fair market value of the mineral rights to be conveyed, and (3) preparing and issuing the instrument of conveyance.

SEC. 6. Moneys paid to the Secretary for administrative costs shall be paid to the agency which rendered the service, and deposited to the appropriation then current. Moneys paid for the minerals or mineral interests conveyed shall be deposited into the general fund of the Treasury as miscellaneous receipts.
