

Public Law 96-383
96th Congress

An Act

Oct. 6, 1980
[H.R. 8018]

To rename a reservoir and dam in the Little Miami River Basin, Ohio, as the "William H. Harsha Lake" and the "William H. Harsha Dam".

William H.
Harsha Lake
and William H.
Harsha Dam.
Designation.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the reservoir and dam in the Little Miami River Basin, Ohio, which—

(1) are known as "East Fork Lake" and "East Fork Dam", respectively; and

(2) were completed on site 44 of the general comprehensive flood control plan of 1937 for the Ohio River Basin which was submitted by the United States Army Corps of Engineers (described in Flood Control Committee Document Numbered 1, Seventy-fifth Congress, first session), and which is authorized under the heading "Ohio River Basin" in section 4 of the Act of June 28, 1938 (Public Law 75-61; 52 Stat. 1217), commonly known as the "Flood Control Act of 1938";

hereafter shall be known and designated as the "William H. Harsha Lake" and the "William H. Harsha Dam", respectively.

SEC. 2. Any reference in any law, map, regulation, document, record, or other paper of the United States to the reservoir or dam specified in the first section of this Act hereby is deemed to be a reference to the "William H. Harsha Lake" or the "William H. Harsha Dam", as the case may be.

Effective date.

SEC. 3. This Act shall take effect on January 4, 1981.

Approved October 6, 1980.
