TITLE III—GENERAL PROVISIONS

SEC. 301. During the current fiscal year applicable appropriations to the Department of Transportation shall be available for maintenance and operation of aircraft; hire of passenger motor vehicles and aircraft; purchase of liability insurance for motor vehicles operating in foreign countries on official departmental business; and

uniforms, or allowances therefor, as authorized by law (5 U.S.C. 5901-5902).

SEC. 302. None of the funds provided in this Act shall be available for the planning or execution of programs the commitments for which are in excess of \$600,000,000 in fiscal year 1983 for grants-in-aid for airport planning, noise compatibility planning and programs, and development.

Airport planning grants.

SEC. 303. None of the funds provided under this Act shall be available for the planning or execution of programs, the obligations for which are in excess of \$10,000,000 in fiscal year 1983 for "Highway-related safety grants".

Highway-related safety grants.

SEC. 304. None of the funds provided under this Act shall be available for the planning or execution of programs, the total obligations for which are in excess of \$95,000,000 in fiscal year 1983 for "State and community highway safety": *Provided*, That none of the funds under "State and community highway safety" shall be used for construction, rehabilitation or remodeling costs or for office furnishings and fixtures for State, local, or private buildings or structures.

State and community highway safety.

SEC. 305. Funds appropriated for the Panama Canal Commission may be apportioned notwithstanding section 3679 of the Revised Statutes, as amended (31 U.S.C. 665), to the extent necessary to permit payment of such pay increases for officers or employees as may be authorized by administrative action pursuant to law which are not in excess of statutory increases granted for the same period in corresponding rates of compensation for other employees of the Government in comparable positions.

Panama Canal Commission, pay increase.

SEC. 306. Funds appropriated under this Act for expenditures by the Federal Aviation Administration shall be available (1) except as otherwise authorized by the Act of September 30, 1950 (20 U.S.C. 236-244), for expenses of primary and secondary schooling for dependents of Federal Aviation Administration personnel stationed outside the continental United States at costs for any given area not in excess of those of the Department of Defense for the same area, when it is determined by the Secretary that the schools, if any, available in the locality are unable to provide adequately for the education of such dependents and (2) for transportation of said dependents between schools serving the area which they attend and their places of residence when the Secretary, under such regulations as may be prescribed, determines that such schools are not accessible by public means of transportation on a regular basis.

FAA personnel, dependents' school expenses. 20 USC 241 note.

SEC. 307. Appropriations contained in this Act for the Department of Transportation shall be available for services as authorized by 5 U.S.C. 3109, but at rates for individuals not to exceed the per diem rate equivalent to the rate for a GS-18.

SEC. 308. None of the funds provided under this Act for Urban formula grants shall be made available to support mass transit facilities, equipment, or operating expenses unless the applicant for such assistance has given satisfactory assurances in such manner and forms as the Secretary may require, and in accordance with such terms and conditions as the Secretary may prescribe, that the rates charged elderly and handicapped persons during nonpeak hours shall not exceed one-half of the rates generally applicable to other persons at peak hours: *Provided*, That the Secretary, in prescribing the terms and conditions for the provision of such assistance shall (1) permit applicants to continue the use of preferential fare systems for elderly or handicapped persons where those sys-

40 USC 801 note.
Ante, p. 180.

SEC. 310. (a) Notwithstanding any other provision of law except Public Laws 97-125 and 97-216, the total of all obligations for Federal-aid highways and highway safety construction programs for fiscal year 1983 shall not exceed \$8,100,000,000. This limitation shall not apply to obligations for emergency relief under section 125 of title 23, United States Code, projects covered under section 147 of the Surface Transportation Assistance Act of 1978, or section 9 of the Federal-Aid Highway Act of 1981. No obligation constraints shall be placed upon any ongoing emergency project carried out under section 125 of title 23, United States Code, or section 147 of the Surface Transportation Assistance Act of 1978.

23 USC 144 note.

(b) For fiscal year 1983, the Secretary of Transportation shall distribute the limitation imposed by subsection (a) by allocation in the ratio which sums authorized to be appropriated for Federal-aid highways and highway safety construction which are apportioned to each State for such fiscal year bears to the total of the sums authorized to be appropriated for Federal-aid highways and highway safety construction which are apportioned to all the States for such fiscal year.

(c) During the period October 1 through December 31, 1982, no State shall obligate more than 35 per centum of the amount distributed to such State under subsection (b), and the total of all State obligations during such period shall not exceed 25 per centum of the total amount distributed to all States under such subsection.

(d) Notwithstanding subsections (b) and (c), the Secretary shall—

(1) provide all States with authority sufficient to prevent lapses of sums authorized to be appropriated for Federal-aid highways and highway safety construction which have been apportioned to a State, except in those instances in which a State indicates its intention to lapse sums apportioned under section 104(b)(5)(A) of title 23, United States Code;

(2) after August 1, 1983, revise a distribution of the funds made available under subsection (b) if a State will not obligate the amount distributed during that fiscal year and redistribute sufficient amounts to those States able to obligate amounts in addition to those previously distributed during that fiscal year; and

(3) not distribute amounts authorized for administrative expenses and forest highways.

33 USC 985a.

SEC. 311. Notwithstanding any other provision of law, any bond issued under section 5 of the Act of May 13, 1954 (68 Stat. 94; 33 U.S.C. 985), is hereby canceled together with the obligation to pay such bond and section 12(b)(5) of such Act is hereby repealed:

33 USC 988.

Provided, That paragraphs (10), (11), and (12) of section 4 of the Act of May 13, 1954, are hereby redesignated as paragraphs (11), (12), and (13) respectively and a new paragraph (10) is enacted to read as follows:

“(10) may retain toll revenues for purposes of eventual reinvestment in the Seaway.”.

SEC. 312. None of the funds provided in this Act shall be available for the implementation or execution of programs the obligations for which are in excess of \$60,000,000 in fiscal year 1983 for the “Offshore Oil Pollution Compensation Fund”.

SEC. 313. None of the funds appropriated in this Act for the Panama Canal Commission may be expended unless in conformance with the Panama Canal Treaties of 1977 and any law implementing those treaties.

SEC. 314. None of the funds provided in this Act may be used for planning or construction of rail-highway crossings under section 322(a) of title 23, United States Code, or under section 701(a)(5) or section 703(1)(A) of the Railroad Revitalization and Regulatory Reform Act of 1976 at the—

- (1) School Street crossing in Groton, Connecticut; and
- (2) Broadway Extension crossing in Stonington, Connecticut.

SEC. 315. None of the funds in this Act shall be used for the planning or execution of any program to pay the expenses of, or otherwise compensate, non-Federal parties intervening in regulatory or adjudicatory proceedings funded in this Act.

SEC. 316. None of the funds in this Act shall be used to assist, directly or indirectly, any State in imposing mandatory State inspection fees or sticker requirements on vehicles which are lawfully registered in another State, including vehicles engaged in interstate commercial transportation which are in compliance with Part 396—Inspection and Maintenance of the Federal Motor Carrier Safety Regulations of the U.S. Department of Transportation.

SEC. 317. Except as otherwise provided under existing law or under an existing Executive order issued pursuant to an existing law, the obligation or expenditure of any appropriation under this Act for contracts for any consulting service shall be limited to contracts which are (1) a matter of public record and available for public inspection, and (2) thereafter included in a publicly available list of all contracts entered into within 24 months prior to the date on which the list is made available to the public and of all contracts on which performance has not been completed by such date. The list required by the preceding sentence shall be updated quarterly and shall include a narrative description of the work to be performed under each such contract.

SEC. 318. For fiscal year 1982 and thereafter, the Inspector General of such department or establishment, or comparable official, or if there is no Inspector General or comparable official, the agency head or the agency head's designee, shall submit to the Congress along with the budget justification an evaluation of the agency's progress to institute effective management controls and improve the accuracy and completeness of the data provided to the Federal Procurement Data System regarding consultant service contractual arrangements.

SEC. 319. None of the funds in this Act shall be used to implement, administer, or enforce any regulation which has been disapproved pursuant to a resolution of disapproval duly adopted in accordance with the applicable law of the United States.

23 USC 127 note.

70 Stat. 374.

SEC. 321. Notwithstanding any other provision of law, no funds authorized to be appropriated for any fiscal year under provisions of the Federal-Aid Highway Act of 1956 shall hereafter be apportioned to any State which imposes a vehicle width limitation of more or less than 102 inches on any segment of the National System of Interstate and Defense Highways, or any other qualifying Federal-aid highways as designated by the Secretary of Transportation, with traffic lanes designed to be a width of twelve feet or more: *Provided*, That, notwithstanding any other provision of law, certain safety devices which the Secretary of Transportation determines as necessary for safe and efficient operation of motor vehicles shall not be included in the calculation of width: *Provided further*, That, notwithstanding any other provision of law or of this paragraph, a State may grant special use permits to motor vehicles that exceed 102 inches: *Provided further*, That, notwithstanding any other provision of law, no withholding of apportionment shall be imposed upon a State by virtue of the provisions of this paragraph prior to October 1, 1983.

Compensation
claims.

49 USC 1376b.

49 USC 1376,
1389.

41 USC 609.

SEC. 322. (a) Any air carrier having a claim for compensation under section 406 or 419(a)(7)(B) of the Federal Aviation Act of 1958, decided by the Civil Aeronautics Board (hereinafter referred to as the "Board") may bring an action directly on the claim in the United States Claims Court as provided in section 10(a) of the Contract Disputes Act of 1978 with respect to claims which have been decided by a contracting officer. Failure by the Board to issue a final decision on a final claim within one year after it was filed with the Board, or by the date of enactment of this section, whichever is later, shall be deemed to be a decision by the Board denying the claim, and will authorize an action on the claim as provided in this section. This section shall apply to any claim decided, or deemed to have been decided, by the Board after January 1, 1981, including any claim remanded to the Board by a United States court of appeals, irrespective of when the claim was filed with the Board. Any action under this section shall be filed within one hundred and twenty days after the claim has been decided or is deemed to have been decided by the Board, or within one hundred and twenty days after the date of enactment of this section, whichever is later. Any petition for review of a decision of the Board with respect to any such claim pending in a United States court of appeals on the date of enactment of this section shall be dismissed without prejudice upon motion of the petitioner.

41 USC 601 note.

(b) Except as provided herein, the following provisions of the Contract Disputes Act of 1978 shall apply with respect to any claim to which this section applies as if such claim were a claim with respect to a decision of a contracting officer under section 10(a) of such Act and as if the Board were a contracting officer:

41 USC 609.

41 USC 611.

(1) Section 12, relating to interest, which shall be payable by decision of the Board or the Court of Claims at the rates provided in such section, not to precede the date of enactment of the Contract Disputes Act of 1978.

41 USC 612.

28 USC 1491.

(2) Section 13, relating to the payment of claims and judgments.

(3) Section 14(i), relating to the jurisdiction of the United States Claims Court.

(c) If an administrative law judge has issued an initial decision after a hearing on the record in the case before the Board, the court may, in its discretion, rely upon the evidence adduced at such hearing and may give such initial decision such weight as it deems appropriate.

SEC. 323. None of the funds provided by this Act shall be used by the Civil Aeronautics Board to substitute aircraft of lesser seating capacity or lesser than necessary pressurized altitude capability, for the type of aircraft now prescribed for essential air transportation to any point in Alaska as set forth in Civil Aeronautics Board Order 80-1-167 without the prior concurrence of the applicable State agency of the State of Alaska.

SEC. 324. No funds appropriated under this Act shall be expended to pay for any travel initiated after January 1, 1983, by the Administrator of the Federal Aviation Administration as passenger or crew member aboard any Department of Transportation aircraft to any destination served by a regularly scheduled air carrier: *Provided*, That this limitation shall not apply if no regularly scheduled carriers' flight arrives at the destination of the Administrator within 6 hours local time of the desired time of arrival: *Provided further*, That this limitation shall not apply to costs incurred by any flight which is essentially for the purpose of inspecting, investigating, or testing the operations of any aspect of the Federal Aviation Administration system designed to aid and control air traffic, or to maintain or improve aviation safety: *Provided further*, That this limitation shall not apply to costs incurred by any flight in Department of Transportation aircraft which is necessary in times of emergency or disaster, or for security reasons, or to fulfill official diplomatic representation responsibilities in foreign countries: *Provided further*, That written certifications shall be issued quarterly on all flights initiated in the previous quarter subject to this limitation and shall be made readily available to Congress and the general public.

Air travel,

construction.

(b) For purposes of subsection (a) of this section, any bridge which is to be constructed across the Columbia Slough, Oregon, after the date of enactment of this section shall be deemed to provide for the reasonable needs of navigation on the Columbia Slough, Oregon, if such bridge provides at least thirty feet of vertical clearance Columbia River datum and at least eighty feet of horizontal clearance, as determined by the Secretary of the department in which the Coast Guard is operating.

SEC. 326. Notwithstanding any other provision of law or of this Act, the Secretary of Transportation shall approve, upon request of the State of Indiana, \$300,000 to be made available from funds available for redistribution under 23 U.S.C. 118(b) for a project to relocate and encase certain water line facilities crossing under I-80 and I-94 in Hammond, Indiana. Such sums shall remain available until expended and shall be subject to any obligation limitations for Federal-aid highway programs.

Hammond, Ind.

SEC. 327. Notwithstanding any other provision of law, the Secretary of Transportation shall approve, upon request of the State of Indiana, not to exceed \$4,000,000, to be made available from funds

available for redistribution under 23 U.S.C 118(b) for the construction of an interchange to appropriate standards at I-94 and County Line Road at the Porter-LaPorte County Line near Michigan City, Indiana. Such amount shall be subject to the obligation limitation enacted for fiscal year 1983 or any fiscal year thereafter on obligations for Federal-aid highways and highway safety construction programs.

Transfer of Funds.

SEC. 328. Notwithstanding any other provision of this Act, the Secretary of Transportation is authorized to transfer appropriated funds between the Coast Guard Operating expenses appropriation and the Coast Guard Headquarters administration appropriation and between the Federal Aviation Administration appropriation for Operations and the Federal Aviation Administration appropriation for Headquarters administration: *Provided*, That the Coast Guard and Federal Aviation Administration Headquarters administration appropriations shall be neither increased nor decreased by more than 7.5 per centum by any such transfers: *Provided further*, That any such transfers shall be reported promptly to the Committees on Appropriations and the appropriate authorizing committees in the House and the Senate.
