

Public Law 99-461  
99th Congress

Joint Resolution

Oct. 8, 1986  
[S.J. Res. 368]

To designate the month of October 1986, as "National Spina Bifida Month".

Whereas spina bifida is a birth defect in the spinal column which occurs in one of every one thousand births in the United States; Whereas spina bifida is the most commoncrippler of newborns, resulting when one or more bones in the back (vertebrae) fail to close completely during prenatal development;

Whereas while the cause of spina bifida is not known, it appears to be the result of multiple environmental and genetic factors;

Whereas although most of the March of Dimes and Easter Seal poster children have spina bifida, many people have not heard of the defect;

Whereas only a few cities in the United States have proper care centers and specialized professionals that can provide the most effective, aggressive treatment for children and adults with spina bifida; and

Whereas an increase in the national awareness of the problem of spina bifida may stimulate the interest and concern of the American people, which may lead, in turn, to increased research and eventually to the discovery of a cure for spina bifida: Now, therefore, be it

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled*, That the month of October 1986, is designated "National Spina Bifida Month" and the President is authorized and requested to issue a proclamation calling upon the people of the United States to observe such month with appropriate ceremonies and activities.

Approved October 8, 1986.
