Mr. WALKER. Mr. Speaker, in accordance with Rule XI 2.(a) of the Rules of the House of Representatives, I am hereby submitting the Rules of the Committee on Science for the 104th Congress.

GENERAL

1. The Rules of the House of Representatives, as applicable, shall govern the committee and its subcommittees, except that a motion to recess from day to day and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are nondebatable motions of high privilege in the committee and its subcommittees. The rules of the Committee, as applicable, shall be the rules of its subcommittees.

COMMITTEE MEETINGS

TIME AND PLACE

2. Unless dispensed with by the Chairman, the meetings of the committee shall be held on the 2nd and 4th Wednesday of each month the House is in session at 10:00 a.m. and at such other times and in such places as the Chairman may designate.

3. The Chairman of the committee may convene as necessary additional meetings of the committee for the consideration of any bill or resolution pending before the committee or for the conduct of other committee business.

4. The committee shall make public announcement of the date, time, place and subject matter of any of its hearings at least one week before the commencement of the hearing. If the Chairman with the concurrence of the Ranking Minority Member, determines there is good cause to begin the hearing sooner, or if the committee so determines by majority vote, a quorum being present for the transaction of business, the Chairman shall make the announcement at the earliest possible date. Any announcement made under this Rule shall be promptly published in the Daily Digest, and promptly entered into the scheduling service of the House Information Systems.

5. The committee may not sit, without special leave, while the House is reading a measure for amendment under the five minute rule.

CHAIRMAN

6. The Member of the majority party of the committee or subcommittee thereof designated by the Chairman of the Full Committee shall be Vice Chairman of the committee or subcommittee as the case may be, and shall preside at any meeting during the temporary absence of the Chairman. If the Chairman and Vice Chairman of the committee or subcommittee are not present at any meeting of the committee, or subcommittee, the Ranking Member of the majority party on the committee who is present shall preside.

ORDER OF BUSINESS

7. The order of business and procedure of the committee and the subjects of inquiries or investigations will be decided by the Chairman, subject always to an appeal to the committee.

MEMBERSHIP

8. A majority of the majority Members of the committee shall determine an appropriate ratio of majority to minority Mem-

bers of each subcommittee and shall authorize the Chairman to negotiate that ratio with the minority party; Provided, however, that party representation on each subcommittee (including any ex-officio Members) shall be no less favorable to the majority party than the ratio for the Full Committee. Provided, further, that recommendations of conferees to the Speaker shall provide a ratio of majority party Members to minority party Members which shall be no less favorable to the majority party than the ratio for the Full Committee.

SPECIAL MEETINGS

9. Rule XI 2.(c) of the Rules of the House of Representatives is hereby incorporated by reference (Special Meetings).

COMMITTEE PROCEDURES

QUORUM

10. (a) One-third of the Members of the committee shall constitute a quorum for all purposes except as provided in paragraphs (b) and (c) of this Rule.

(b) A majority of the Members of the committee shall constitute a quorum in order to: (1) report or table any legislation, measure, or matter; (2) close committee meetings or hearings pursuant to Rules 18 and 19; and (3) authorize the issuance of subpoenas pursuant to Rule 32.

(c) Two Members of the committee shall constitute a quorum for taking testimony and receiving evidence, which, unless waived by the Chairman of the Full Committee after consultation with the Ranking Minority Member of the Full Committee, shall include at least one Member from each of the majority and minority parties.

PROXIES

11. No Member may authorize a vote by proxy with respect to any measure or matter before the committee.

WITNESSES

12. The committee shall, insofar as is practicable, require each witness who is to appear before it to file twenty-four (24) hours in advance with the committee (in advance of his or her appearance) a written statement of the proposed testimony and to limit the oral presentation to a five-minute summary of his or her statement, provided that additional time may be granted by the Chairman when appropriate.

13. Whenever any hearing is conducted by the committee on any measure or matter, the minority Members of the committee shall be entitled, upon request to the Chairman by a majority of them before the completion of the hearing, to call witnesses selected by the minority to testify with respect to the measure or matter during at least one day of hearing thereon.

16. No private bill will be reported by the committee if there are two or more dissenting votes. Private bills so rejected by the committee will not be reconsidered during the same Congress unless new evidence sufficient to justify a new hearing has been presented to the committee.

17. (a) It shall not be in order for the committee to consider any new or original meas-

ure or matter unless written notice of the date, place and subject matter of consideration and to the extent practicable, a written copy of the measure or matter to be considered, has been available in the office of each Member of the committee for at least 48 hours in advance of consideration, excluding Saturdays, Sundays and legal holidays.

(b) Notwithstanding paragraph (a) of this Rule, consideration of any legislative measure or matter by the committee shall be in order by vote of two-thirds of the Members present, provided that a majority of the committee is present.

OPEN MEETINGS

18. Each meeting for the transaction of business, including the markup of legislation, of the committee shall be open to the public, including to radio, television, and still photography coverage, except when the committee, in open session and with a majority present, determines by rollcall vote that all or part of the remainder of the meeting on that day shall be closed to the public because disclosure of matters to be considered would endanger national security, would tend to defame, degrade or incriminate any person or otherwise would violate any law or rule of the House. No person other than members of the committee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This Rule does not apply to open committee hearings which are provided for by Rule 19 contained herein.

19. Each hearing conducted by the committee shall be open to the public including to radio, television, and still photography coverage except when the committee, in open session and with a majority present, determines by rollcall vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person, or otherwise would violate any law or rule of the House of Representatives. Notwithstanding the requirements of the preceding sentence, and Rule 9, a majority of those present, there being in attendance the requisite number required under the rules of the committee to be present for the purpose of taking testimony:

(1) may vote to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger the national security or violate Rule XI 2.(k)(5) of the Rules of the House of Representatives; or

(2) may vote to close the hearing, as provided in Rule XI 2.(k)(5) of the Rules of the House of Representatives.

No Member may be excluded from nonparticipatory attendance at any hearing of any committee or subcommittee, unless the House of Representatives shall by majority vote authorize a particular committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members by the same procedures designated in this Rule for closing hearings to the public: *Provided, however*, That the committee or subcommittee may by the same procedure vote to close one subsequent day of the hearing.

(3) Whenever a hearing or meeting conducted by the committee is open to the public, these proceedings shall be open to coverage by television, radio, and still photography, except as provided in Rule XI 3(f)(2) of the House of Representatives. The Chairman

shall not be able to limit the number of television, or still cameras to fewer than two representatives from each medium (except for legitimate space or safety considerations in which case pool coverage shall be authorized).

REQUESTS FOR ROLLCALL VOTES AT FULL COMMITTEE

20. A rollcall vote of the Members may be had at the request of three or more Members or, in the apparent absence of a quorum, by any one Member.

AUTOMATIC ROLLCALL VOTE FOR AMENDMENTS WHICH AFFECT THE USE OF FEDERAL RESOURCES

21. (a) A rollcall vote shall be automatic on any amendment which specifies the use of federal resources in addition to, or more explicitly (inclusively or exclusively) than that specified in the underlying text of the measure being considered.

(b) No legislative report filed by the committee on any measure or matter reported by the committee shall contain language which has the effect of specifying the use of federal resources more explicitly (inclusively or exclusively) than that specified in the measure or matter as ordered reported, unless such language has been approved by the committee during a meeting or otherwise in writing by a majority of the Members.

22. (a) The committee shall keep a complete record of all committee action which shall include a record of the votes on any question on which a rollcall vote is demanded. The result of each rollcall vote shall be made available by the committee for inspection by the public at reasonable times in the offices of the committee. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition and the name of each Member voting for and each Member voting against such amendment, motion, order, or proposition, and the names of those Members present but not voting.

(b) The records of the committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule XXXVI of the Rules of the House of Representatives. The Chairman shall notify the Ranking Minority Member of any decision, pursuant to clause 3(b)(3) or clause 4(b) of the Rule, to withhold a record otherwise available, and the matter shall be presented to the committee for a determination on the written request of any Member of the committee.

PUBLICATION OF COMMITTEE HEARINGS AND MARKUPS

23. The transcripts of those hearings conducted by the committee which are decided to be printed shall be published in verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. Any requests by those Members, staff or witnesses to correct any errors other than errors in transcription, or disputed errors in transcription, shall be appended to the record, and the appropriate place where the change is requested will be footnoted. Prior to approval by the Chairman of hearings conducted jointly with another congressional committee, a memorandum of understanding shall be prepared which incorporates an agreement for the publication of the verbatim transcript. Transcripts of markups shall be recorded and published in the same manner as hearings before the committee and shall be included as part of the legislative report unless waived by the Chairman.

OPENING STATEMENTS; 5-MINUTE RULE

24. Insofar as is practicable, the Chairman, after consultation with the Ranking Minor-

ity Member, shall limit the total time of opening statements by Members to no more than 10 minutes, the time to be divided equally among Members present desiring to make an opening statement. The time any one Member may address the committee on any bill, motion or other matter under consideration by the committee or the time allowed for the questioning of a witness at hearings before the committee will be limited to five minutes, and then only when the Member has been recognized by the Chairman, except that this time limit may be waived by the Chairman or acting Chairman. The rule of germaneness will be enforced by the Chairman.

REQUESTS FOR WRITTEN MOTIONS
