

—Storm Kheem Pleads Guilty to Nonproliferation and Sanctions Violations: On January 27, Storm Kheem pled guilty in Brooklyn, New York, to charges that he violated export control regulations barring U.S. persons from contributing to Iraq's missile program. Kheem arranged for the shipment of foreign-source ammonium perchlorate, a highly explosive chemical used in manufacturing rocket fuel, from the People's Republic of China to Iraq via Amman, Jordan, without obtaining the required validated license from the Department of Commerce for arranging the shipment. Kheem's case represents the first conviction of a person for violating section 778.9 of the Export Administration Regulations, which restricts proliferation-related activities of "U.S. persons." Kheem also pled guilty to charges of violating the Iraqi Sanctions Regulations.

## STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mrs. FEINSTEIN:

### THE ILLEGAL IMMIGRATION CONTROL AND ENFORCEMENT ACT OF 1995

Mrs. FEINSTEIN. Mr. President, I rise today to introduce, and now send to the desk, the Illegal Immigration Control and Enforcement Act of 1995. This bill incorporates many of the concepts in the immigration package that I introduced in the last session of Congress. New proposals have been added, however, after consultation with many, including California's law enforcement officials and others interested in curbing illegal immigration.

Mr. President, I offer this legislation not to compete with Senator SIMPSON'S S. 269, which he introduced on January 24, but rather to complement it. Little in this bill is duplicative of Senator SIMPSON'S legislation. I am convinced that, combined, these two bills could offer a strong, straightforward program to stop illegal immigration.

There simply is no time to lose. The crisis of illegal immigration continues in California and throughout the Nation.
